**RECOGNITION OF STUDENTS and STAFF**

- Several Davis Primary students were excited to be present along with their families to be recognized for earning Pride of the Principal honors during the month of January.

**BOARD REPORTS**

- North East Recreation Commission – Mr. Wargo reported the following from the Rec Commission meeting of January 26, 2023:
  - Election of officers took place at this meeting: President – Nate Walters, Vice President – Eric Riedel, Treasurer – Joe Landa, and Secretary – Ryan McGregor. Meetings will take place every fourth Thursday in the North East School District board room at 6:00 p.m. with the exception of no meetings in November or December.
  - The search has begun the search for a summer rec coordinator for 2023, with an ad placed in the paper this Friday. The committee would like to get this process started as soon as possible in order to resume this important summer program for students this year. Interested parties are encouraged to apply.
  - A new website is in the planning stages which will provide easy access to information on all rec commission activities as well as to facilitate signups and processing of payments.
  - A very special thank you was extended to Vicky Stetson for sharing resources and ideas with the committee regarding activities for local children.
  - The next meeting is scheduled for Thursday, February 23, 2023.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, FEBRUARY 2, 2023**

- Northwest Tri-County Intermediate Unit – Dr. Jane Blystone shared highlights from the IU Board meeting of January 23, 2023:
  - The IU Calendar for 2023-34 was approved.
  - Normal business was conducted, including approval of several contracts.
  - Under Personnel, one retirement and seven resignations were approved. The board employed four new substitutes and four new aides, and revised two job descriptions. Three early intervention aides were hired as well for that growing population of students in need of services.
  - A bargaining unit addendum and several service purchase contracts were approved. Revisions were approved to board Policy 006. Four professional travel requests and one student field trip were approved.
  - The next meeting is set for Wednesday, February 22, 2023.
  
- Erie County Technical School – Mr. Corrie Boyd
  - Mr. Boyd shared that at the ECTS board meeting of January 26, board members met two candidates who are running for the position of director which will be vacated by Joe Tarasovich at the end of the year.
  - Regarding the cost increase in the proposed general fund budget which is on this evening’s agenda for approval, \$137,000 is for medical insurance expenses; \$83,000 is for salaries; \$63,000 is for retirements, and the remainder of \$37,000 is for utilities.
  - The renovation project is still moving along slowly; currently anticipated to be completed in December 2023.
  
- School Health Council – No Report

**APPROVAL – Regular Meeting of January 19, 2023**

**DATA PRESENTATION**

Members of the district Administrative Team presented 2021-22 student assessment data, sharing an overview of test results from core subject areas in each building as compared with previous years and also as compared with state averages for the same time period. The focus and goals for the future were also highlighted for each building. Each administrator who presented was very intentional about crediting excellent data results to the hard work of instructional staff as well as the students and support staff of the district.

- Dr. Ritter shared Acadience Reading scores for grades K-2. Going forward, Davis staff will focus on the selection of a new English Language Arts resource as well as adoption and implementation of Acadience Math testing. Dr. Hartzell noted the importance of hosting early intervention programs at the primary school.

- Spring 2022 PSSA student performance results, pandemic learning progression, and PVAAS growth snapshots were reviewed by Mr. Emick for grades 3-5 at the North East Intermediate Elementary and by Mrs. Hathaway for grades 6-8 at the North East Middle School. Percentages of students with either proficient or advanced test results were shared by grade level for the subject areas of ELA, Mathematics and Science.
- Mrs. Brianne Hodges, Special Education director, reviewed data at a glance for the district's special education population in grades 3-12. Among the goals for this department is the development of an early warning system which will assist these students to reach the goal of graduation.
- Dr. Renne reviewed North East High School's Keystone data over a 2-3 year span, noting the difference that Keystone exams occur as end-of-course tests, as opposed to PSSA's which assess every student at grade levels 3-8 in ELA and Math, and grades 4 and 8 in Science. Dr. Renne also explained the five different designated pathways to graduation as mandated by Act 158 of 2018. As of now, 100% of students in the class of 2023 have a pathway to graduate.
- Dr. Hartzell concluded the presentation by reviewing the district's Vision 2027 Goals & Priorities. She thanked administrators, district staff, the community, and board members for their support during the challenges of the past three years.

**APPROVAL –  
Additional  
Educational/  
Operational  
Functions  
Items #1-6**

In a motion by Mr. Boyd and second by Mr. Wargo to approve Additional Educational/Operational Functions Items #1-6, the Board, in a roll call vote, voted as follows: "Ayes" – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Mobilia, Mr. Sucha and Mr. Wargo. *Dear Student / Parent:*

*This Program of Studies is supplied to assist you in creating an appropriate course schedule for next school year. Students and parents need to give consideration to choosing courses so that you satisfy graduation requirements, career objectives, and proper academic progressions. In addition, please be sure that you have the proper prerequisites to be in the courses you have chosen.*

*Much consideration and effort is made by your high school principals and counselors to ensure that you have chosen and receive the best possible course schedule. Individual meetings take place with your school counselor to ensure the best possible schedule, therefore, student schedule changes are less likely to occur as the beginning of the school year approaches. Teachers and students are assigned to classes based on course selections made by the student in the previous spring. This is to ensure that class sizes are as balanced as possible. Schedule changes that occur after the school year has started only detract from the balance created in the school's master schedule. Your cooperation in maintaining a healthy academic program is expected. Parental involvement is encouraged in the scheduling process. Parents and students should be aware that credit for a course taken and passed can only be awarded once for any given student, unless approved by the principal. Students should select 8 credits of required and elective courses. Most students will not receive all of the courses requested and need to select at least 2 credits of alternate courses. Also, please consult with teachers when selecting instructional levels (regular, honors, AP, CHS).*

*We encourage you to study this booklet carefully and to complete the scheduling worksheet in a timely manner. If you have any questions about your choices please contact your school counselor. It is our wish that you obtain the best education possible during your high school years. Making good choices now plays a big part in your future.*

*Sincerely,*

**Dr. William Renne**, Principal  
**Mr. Corey Garland**, Assistant Principal

**Mrs. Dawn Coletta**, Counselor  
**Mrs. Laura Panek**, Counselor  
**Mr. Matthew Puskar**, Counselor

# **NORTH EAST SCHOOL DISTRICT STRATEGIC PLAN**

## ***CORE VALUES***

We believe that:

All people have equal intrinsic worth.

Life-long learning is essential for the individual and society to flourish.

Involved families are fundamental to successful communities.

Understanding diversity enriches life.

All people have the capacity to contribute; and when they do, everyone benefits.

Adults are the most influential role models for children.

## ***MISSION***

The mission of the North East School District is to challenge, empower, and engage all students to develop and achieve personal and career aspirations, to pursue lifelong learning, and to be responsible and accountable citizens in a dynamic world.

## ***STRATEGIC OBJECTIVES***

All students will continually establish and achieve significant personal goals and experience the benefit of doing so.

All students will continually and enthusiastically express their love of learning to the world by their words and/or actions.

All students will choose to actively participate in self-designed and/or existing programs that enhance the community.

## ***STRATEGIES***

**We will:**

Empower all staff throughout the District to achieve all of our Strategic Objectives and Mission.

Create and sustain a solid foundation of trust extending from within the system outward to the community which will foster the unity essential to achieve our Strategic Objectives and Mission.

Collaborate with the community so that we all understand, support, and contribute to our Strategic Objectives and Mission.

We will develop, align, and implement an effective and comprehensive curriculum to ensure the attainment of our Strategic Objectives and Mission.

## **Act 158: Pathways to Graduation**

Act 158 of 2018 prescribed multiple pathways for students to meet Pennsylvania's assessment requirement for graduation. These requirements affect the Class of 2023 and beyond. Pennsylvania students must now meet the criteria of one of the following pathways to achieve a diploma. The information below is not an exhaustive list. Please contact the high school office or refer to the following website for more information

<https://pdesas.org/Frameworks/DCEToolKit/Act158PathwaysToGraduationToolkit>

1. Keystone Proficiency (Refer to Act 158: Pathways to Graduation Toolkit website for more info)
  - a. Students achieving a minimum scaled score of 1500 or better in each of the three Keystone Exams (Algebra I, Biology, and Literature)
2. Keystone Composite (Refer to Act 158: Pathways to Graduation Toolkit website for more info)
  - a. Student must have taken all three Keystone Exams and must have at least one Keystone Exam score of Proficient or Advanced and no Keystone Exam score of Below Basic and earn a satisfactory composite score of 4452 or better in aggregate for the three Keystone Exams (Algebra I, Biology, and Literature).
3. Career and Technical Education (CTE) Concentrator (Refer to Act 158: Pathways to Graduation Toolkit website).
  - a. Attainment of an Industry-Based Competency Certification related to the CTE concentrator's program of study.
  - b. Demonstration of high likelihood of success on approved industry-based competency assessment as demonstrated by performance on benchmark assessments, course grades, and other factors consistent with the CTE concentrator's goals and career plan.
  - c. Demonstration of readiness for continued meaningful engagement in a CTE Concentrator Program of Study as demonstrated by performance on benchmark assessments, course grades, and other factors consistent with the CTE concentrator's goals and career plan
4. Alternative Assessment (Refer to Act 158: Pathways to Graduation Toolkit website for more info)
  - a. ACT - composite score of 21
  - b. ASVAB [Armed Forces Qualifying Test (AFQT)\*\*] - composite score of 31
  - c. PSAT - total score of 970
  - d. SAT - total score of 1010
  - e. Score a 3 or better on approved AP Exams
5. Evidence-Based Assessments (Refer to Act 158: Pathways to Graduation Toolkit website for more info)
  - a. Students must provide three pieces of evidence under this pathway regardless of the number of Keystone Exams in which the student achieved less than Proficient.

## **Career Education & Work Standards and the NEHS Graduation Portfolio**

Each school year students in grade 9 - 12 are required to complete a variety of career and higher education based activities (artifacts). Each activity is designed to assist students in developing an understanding of their interests, personality style, and aptitudes as they relate to careers. The many opportunities that exist beyond high school, and how to research careers and higher education options are also discussed.

The accumulation of artifacts is a Pennsylvania state requirement; the result of which is a culminating project, the NEHS Graduation Portfolio.

Many of the required artifacts are lessons found in Xello. Xello is a college and career readiness software program available to all NESD students in grades 6 - 12. In addition to Xello lessons, students will complete projects as designed by their School Counselor. Additionally, all 9th grade students will visit the Erie County Technical School, and all juniors will take the ASVAB (for career planning purposes).

Currently, the NEHS Graduation Portfolio consists of:

1. **Essay** -- 250 words detailing post graduation plans (requirements discussed in class).
2. **Resume** -- A finalized, current resume is required (requirements presented in 11th grade).
3. **Goals** -- Each year students practice writing goals, both personal and academic.
4. **Rep Visit evidence (not required for ECTS)** -- Throughout the year various representatives from 2 & 4 year colleges, trade & technical schools, the military, and employers visit NEHS. Students are required to participate in three of these events between their junior year and January of their senior year. Evidence of off campus visits are accepted, but off campus visits are not required. See your School Counselor for more information.
5. **NEHS Portfolio Slide Show (non ECTS)** -- Follow the slide instructions for content requirements. Use Google Slides. EVERYONE will be given class time to work on their slideshow.
6. **ECTS Slide Show** -- There is no breakdown of required slides, but you do need to create a slideshow. Get creative, take pictures of your lab, have a classmate take pictures of you in action, take pictures of a project (a hairstyle you created, a car you painted, a computer you rebuilt, etc.). Be prepared to discuss the following and incorporate some tech highlights utilizing pictures and information from ECTS.
  - Why did you choose to attend ECTS?
  - Which lab did you choose and why?
  - What is your most memorable experience in your ECTS lab?
  - Discuss the pros and cons of your ECTS lab/experience?
  - What do you feel your strengths are in your lab area?
  - Do your future plans relate to your lab? If not, why?
  - Discuss your NOCTI experience.

### **Promotion Requirements Grades 9 – 12**

Promotion from one grade to the next depends upon credits earned. All full year courses are worth one credit; all semester courses are worth one-half credit. Students are expected to make yearly progress in their major academic subjects to ensure graduating in a timely fashion. Typically, students should follow these guidelines:

- From grade 9 to 10: A student must pass at least three of the four major subjects and earn at least 4.5 credits.
- From grade 10 to 11: A student must earn at least 11 credits.
- From grade 11 to 12: A student must earn at least 19 credits.

Students who fail to make yearly progress (as noted above) jeopardize the opportunity to graduate within four years.

## Grading System

North East High School uses a letter grading system based upon the following percentages:

|               |                               |
|---------------|-------------------------------|
| A = 90 – 100% | I = Incomplete                |
| B = 80 – 89%  | WP = Withdrawal while Passing |
| C = 70 – 79%  | WF = Withdrawal while Failing |
| D = 60 – 69%  | P = Passing                   |
| F = Below 59% | MX = Medical Excuse           |

The final grade in all full year courses is the average of all four academic quarters (at a value of 22.5% each quarter), and the final exam (which carries a weight of 10%) to equal 100% of the grade.

If a student withdraws from a course for any reason prior to its completion, a grade of WP or WF will be given based upon actual academic progress in the course at the time of withdrawal. This grade will be reflected on the transcript.

## Quality Point Average and Rank

Quality Point Average (QPA) is computed on a weighted scale, using letter grades earned in all courses in the high school. Quality Point Average determines a student's rank in class, is cumulative from year to year and appears on a student's transcript. Courses are assigned levels for QPA purposes as follows:

- Level 1: Regular and Basic Courses
- Level 2: Honors Courses, Second and Third Year ECTS Courses, Dual Enrollment Courses, & online Advanced Placement courses
- Level 3: In person NEHS Advanced Placement & CHS Courses

The following point scale is used to compute QPA:

| Grade | Reg(Lev1) | Hon(Lev 2) | AP/CHS(Lev 3) |
|-------|-----------|------------|---------------|
| A+    | 4         | 5          | 5.5           |
| A     | 4         | 5          | 5.5           |
| A-    | 3.67      | 4.67       | 5.17          |
| B+    | 3.33      | 4.33       | 4.83          |
| B     | 3         | 4          | 4.5           |
| B-    | 2.67      | 3.67       | 4.17          |
| C+    | 2.33      | 3.33       | 3.83          |
| C     | 2         | 3          | 3.5           |
| C-    | 1.67      | 2.33       | 2.67          |
| D+    | 1.33      | 1.67       | 1.83          |
| D     | 1         | 1          | 1             |
| D-    | 0.67      | 0.67       | 0.67          |
| F     | 0         | 0          | 0             |

## Scheduling Corrections

### Schedule corrections will only be considered for the following reasons:

- An obvious error was made - Example: the student is scheduled for English 10 but is in 9th grade, or a student is scheduled for band but they don't play an instrument.
- Summer school - A course was made up through a credit recovery program and is not needed in the schedule.
- Course sequence – Student is missing a course prerequisite.
- Balance the load - All required classes ended up on the same day and the student wishes to have a more balanced distribution of coursework.
- Upgrading schedule - The student decided to take a more challenging course.

### Schedule changes will NOT be considered for the following reasons:

- Arbitrary changes to student chosen electives - If a student requested an elective on their scheduling form no change will be made.
  - Specific teachers - changes will not be made in order to select a different teacher.
  - Non-academic reasons.

Any student enrolled in an honors, AP, or CHS course, who feels they wish to drop down a level must first meet with their teacher to communicate their concern. A formal drop request can only be made after efforts have been made to improve the situation. Such drops are not taken lightly. It is likely that a dialogue between the student, parents/guardians, the teacher, school counselor and school administration will take place prior to a decision being made. Ideally, such changes will be made prior to mid quarter of quarter one, and by the end of the first quarter at the latest.

## Course Failure

Students must pass all courses required for graduation to earn credit. If a student fails a course, the course may be repeated during the next school year or it may be remediated in an approved remediation program, either at North East School District or at another accredited school district. Course remediation requirements are as follows:

|                                       |   |
|---------------------------------------|---|
| 1.0 credit = 120 hours of instruction | <i>Remediation must equal 60 hours of instruction</i> |
| 0.5 credit = 60 hours of instruction  | <i>Remediation must equal 30 hours of instruction</i> |

Information regarding district approved remediation options (summer school) is mailed home at the end of each school year. Students may also be tutored privately to remediate failed coursework. Private tutors must be certified teachers approved by the principal. All financial arrangements for private tutoring take place directly between the student's family and the tutor. A formal signed statement indicating the subject, dates, and total hours of the actual remediation, outline of topics covered, and grade given, will be submitted to the principal at the conclusion of the coursework. The course, grade, and assigned credit will then be added to the student's transcript.

## Are you planning to go to college?

There is a big difference between getting accepted to college and being successful in college. With college costs being what they are it's very important to take every possible step to prepare yourself for the rigors of college academics. So, what does it mean to be college ready? Anyone pursuing a four year bachelor's degree will take a general education course series, these "gen eds" are usually your traditional math, English, science, and social studies courses, as well as whatever your chosen college/university deems appropriate; you could also take, fine arts, religion or philosophy courses, or be required to earn a predetermined number of credits that are considered writing intensive, etc. Being college ready means that you have challenged yourself in both academically rigorous courses and have explored a wide variety of academic electives.

Honors courses at North East High School are challenging and college preparatory in nature—requiring students to think critically, write, and extend their knowledge beyond the minimum requirements. Any student considering attending college is *strongly encouraged* to take the available honors courses in each of the core subject areas. As an incoming freshman, if you were not recommended for an honors course, that's OK! The challenge for you is to work hard during your 9<sup>th</sup> grade year and strive to take honors courses during your sophomore year.

Mobility between regular and honors classes is possible; however, it is easier to move from honors to regular classes than from regulars to honors classes. Students should make a commitment to honors and give it their best effort. There is nothing wrong with earning a B or a C in an honors class!

Colleges want to see rigor and progression. If you are capable of earning an A in a regular class, take an honors class the following year. If you pass level one of a sequence, move on to the second level. Ask yourself, am I being challenged? Am I giving my brain a workout? If so, you're on the right track!

## Special Programs

### 1. Advanced Placement Courses

North East High School students have the opportunity to complete college-level courses at the secondary level and may obtain college credit and/or advanced placement through the Advanced Placement Program (College Board). Students enrolled in Advanced Placement courses may elect to take an Advanced Placement Exam for the subject(s) in which they are enrolled. There is a fee for each exam. Exams consist of multiple choice and free response sections. Every examination receives an overall grade on a 5-point scale:

- 5-Extremely well qualified
- 4-Well qualified
- 3-Qualified
- 2-Possibly qualified
- 1-No recommendation

Students send the grades received on the exams to colleges and universities nation-wide. Each college decides which AP Exam score it will accept for credit and/or advanced placement. Many institutions accept scores of “3” and above, which is the recommendation of the American Council on Education (ACE).

North East High School offers in person Advanced Placement courses in the following:

- English Language (English 11 AP)
- English Literature (English 12 AP)
- European History
- Chemistry II
- Physics II

### 2. College in the High School Courses (CHS)

High School students have the opportunity through CHS to earn both high school and University of Pittsburgh: Bradford credit in courses taught right in their classrooms, within a supportive high school environment, at a fraction of the cost of normal tuition. CHS student grades are generated from assessment throughout the course rather than a one-time assessment. Students earn top-quality and low-cost University of Pittsburgh: Bradford credits, which are highly transferable to colleges and universities across the country. CHS courses are accessible to students of varying ability and financial means and prepare students to go on to college while building the skills they will need to succeed once they are there.

CHS-certified high school teachers work closely with Pitt: Bradford’s faculty to ensure course alignment. Students use college-level textbooks, take college-level exams, and upon successful completion of the class, earn college credit that is recorded on an official University of Pittsburgh: Bradford transcript.

North East High School offers College in the High School Courses (CHS) in the following:

- College American Political Process
- College Calculus 1

### 3. Honors Courses

North East High School students have the opportunity to enroll in Honors courses, which provide a rigorous academic experience. Students enrolling in Honors classes should have a “B” average or better in the subject area. The pace is accelerated and the workload is demanding.

North East High School offers the following Honors courses:

- |  |                                       |

#### 4. Dual Enrollment and College Course information and prerequisites

In order for students to request enrollment in any of the dual enrollment programs supported by North East High School, students must meet the guidelines below for consideration for entry in the program.

1. Students must have a history of taking Honors level courses and earning an 80% or higher for their final grade.
2. Students must have met proficiency on all three Keystone exams (Algebra 1, Literature, and Biology) prior to the semester in which they are seeking enrollment in Dual Enrollment courses.
3. Students must have taken the PSAT in either 10<sup>th</sup> or 11<sup>th</sup> grade or have taken their SAT's and/or ACT's.
4. Students must have less than 5 (five) unexcused absences or 10 (ten) total unexcused/excused absences and less than 5 (five) tardies in the prior semester of school.

Guidelines and credits for dual enrollment courses at North East High School are as followed:

1. All Dual Enrollment and college courses will be weighted as Honors (Level II) on a student's transcripts.
2. Dual Enrollment courses will not replace core course requirements (Math, English, Science, Social Studies). Any college course taken will be reflected as an elective on NEHS transcripts.
3. Students will receive 1-credit for each college course taken. Students may not exceed 32 total credits towards graduation requirements. Should a student exceed 32 credits, NEHS courses will take precedence over Dual Enrollment courses being reflected in credit count, GPA, and class rank.
4. Courses taken on a college campus: Students will only be approved for college courses offered on a college campus during our 1st or 4th blocks (or after school). Students will be replacing their 1st or 4th block courses on both A and B days at NEHS with the college courses and will not be scheduled for any courses here at NEHS. Students will have the option to either work remotely from home, on a college campus, or public library on their off-days from their college course OR choose to attend NEHS and report to our library.
5. **Courses taken through an accredited online college:** Students will replace 2 (two) elective periods per semester per college course. Depending on the periods in which students will be replacing electives, students will have the option to leave during 4<sup>th</sup> block and work remotely on their online college courses or report to NEHS library.

#### 5. Social and Emotional Learning (SEL)

The North East School District believes that basic human needs must be met before students can reach their highest academic potential (Maslow/Pearlman). We believe that students will be more motivated to achieve academically if they are healthy, feel safe, and are valued. Through SEL we will prioritize personal connections, demonstrate relentless care for our students, staff, and families.

We will utilize the Collaborative for Social-Emotional Learning (CASEL) five core competencies to promote a movement here in the North East SD to assist students, support staff, and families by addressing social, emotional, academic, and behavioral needs. These five competencies include:

1. Self-Awareness - understand one's own emotions, thoughts and values
2. Self-Management - manage one's emotions, thoughts, and behaviors
3. Social Awareness - understand the perspectives of others
4. Relationship Skills - establish and maintain health and supportive relationships
5. Responsible Decision-making - ability to make caring and constructive choices

Please visit the district website for more information about our SEL program:

<https://www.nesd1.org/social-emotional-learning>

## **6. Academic Awards Program**

Each department in the school awards academic certificates to one outstanding student and three commendable students in all subjects taught. These awards are distributed during a formal awards ceremony at the end of the academic year. The recipients are determined utilizing the following criteria:

1. Academic performance in the subject area during the current school year.
2. In case of a tie, subtest scores on the most recent standardized test are used.

Senior awards for outstanding achievement are given to one senior in every department who has the highest cumulative grade average in that department's course offerings over the four years of high school. In addition to a certificate, the senior's name is engraved on a brass plate and attached to the department's walnut plaque, which is displayed in the gym/auditorium lobby.

## **7. Academic Letters**

Students who excel in their honors and academic coursework, academic extracurricular activities and standardized test scores may receive an academic letter. To receive an academic letter, students must earn a predetermined number of points based on grades, standardized test scores, rank, and individual academic awards. Students may apply for the letter during the second semester each year beginning in 10<sup>th</sup> grade. Letters are awarded during the spring of each year.

## **8. National Honor Society**

In the second semester, all sophomores and juniors who have a cumulative 3.5 grade point average will be invited to apply for membership in the North East High School chapter of the National Honor Society. A faculty committee then reviews each application for performance in four areas: academics, leadership, character, and service.

A late spring induction ceremony takes place at the school. Students who have been inducted into the NHS remain members unless their GPA drops, they fail to meet the community service requirements or they have been involved in any serious disciplinary action.

## **9. Honor Roll**

Honor roll recognition at North East High School is determined by all grades received for all courses each quarter. All students have an equal opportunity for local recognition, regardless of their course levels. Honor Roll is offered at two levels: High Honors and Honors. The student must meet one of the following requirements to qualify: High Honors: All "A's" Honors: All "A's" and "B's"

## **10. College Athletics-NCAA**

Playing a sport for a Division I or Division II college/university team takes more than just skill on the court or field – high school academics play a major role in your ability to be recruited by a D1 or D2 athletic team. One aspect of athletic eligibility is a student's core grade point average, determined by NCAA approved core courses, and a student's SAT/ACT scores. High School students interested in playing on the D1 or D2 level should make their intentions known to both their coach and their school counselor. Registration with the NCAA Eligibility Center ([www.eligibilitycenter.org](http://www.eligibilitycenter.org)) in your junior or senior year of high school is also necessary. Prospective college athletes are encouraged to visit the Eligibility Center website for additional information. The Eligibility Center website has a list of North East High School's NCAA approved core courses—core courses are also identified in this catalog (NCAA). *Please note:* It is the student's responsibility to track their own approved NCAA courses. Students attending the Erie County Technical School must pay close attention to their NCAA core course credit requirements, as your overall earned NEHS credits are reduced. Students who fail a course(s) must make a careful plan for remediation. NEHS school counselors will assist with tracking NCAA courses if requested.

## Glossary

### **Advanced Placement Courses (AP):**

These courses, always designated by the letters AP, refer to college-level courses taught according to the syllabi prescribed by the College Board Advanced Placement program. AP courses are rigorous in nature. Successful performance on the AP exam may lead to college credit and/or advanced placement on the college level. For more information visit [www.collegeboard.org](http://www.collegeboard.org). NEHS in person AP courses are level 3 in the computation of QPA and class rank.

### **Basic Courses:**

Basic courses are required courses in major subject areas for students who are designated as learning support (IEP).

### **College in High School (CHS): University of Pittsburgh: Bradford**

Students can earn college credits while in high school. NEHS teachers work throughout the year with Pitt-Bradford faculty member liaisons, whether it is course-specific or about student achievement in general. The high school teachers give grades for the courses, which are based on assignments, quizzes and tests determined by both faculty members, and also by a final exam that is provided by the university. CHS courses are level 3 in the computation of QPA and class rank.

### **Course Sequence:**

A course sequence is the preferred progression of courses in a single department, from the beginning level to the more advanced, which a student is advised to take in preparing his/her schedule from year to year. Course sequences are listed at the beginning of each department's outline of courses.

### **Credits:**

One credit is earned upon successful completion (passing grade) of a full year course (120 hours of instruction). One-half credit is earned for the successful completion of a semester-long course (60 hours of instruction).

### **Elective course:**

Electives are courses that students choose to take. By definition, they are not required. North East High School students are required to take 9.5 credits of electives, two of which must be in the area of Arts and Humanities and complete the .5 computer requirement.

### **Honors (H) Courses:**

Honors courses provide a solid foundation for admissions to most colleges and universities. As the name implies, the pace is accelerated and the workload is demanding. Honors courses, second and third Year ECTS courses, and AP cyber courses are level 2 courses in the computation of GPA and class rank.

### **Prerequisite:**

A prerequisite is a course or a requirement that a student must complete in order to qualify for entry into another course. For example, before students can take Painting I, they must successfully complete Studio I.

### **Regular Courses:**

Regular courses (courses not designated honors, AP or CHS) prepare students to meet graduation requirements, seek immediate employment after high school, enter the military, or to further their education. The pace accommodates the individual needs and abilities of the average student. These are level 1 courses in the computation of QPA and class rank.

### **Required course:**

A required course is one which must be taken by all students to receive a North East High School diploma. Please refer to the graduation requirement section of this catalog.

### **Semester:**

A semester is half of a school year and includes two of the four marking periods. Many elective courses are one semester in length. Semester I begins in late August or September and ends in mid/late January. Semester 2 ends in June.

## MATHEMATICS DEPARTMENT

Course Title: **PRE-ALGEBRA**

Grade/Course #: 9 (1130)

Course Length: Full year, A and B Day (1.5 credits)

**Description:** This course is designed for those students who are unable to maintain the pace of a standard one-year Algebra I course. All of the same topics will be included, plus an emphasis on building basic math skills needed for success in Algebra I. Topics covered include integers, rational and irrational numbers, linear relations and functions, linear equations and inequalities, polynomial operations and factoring, exponential operations, some probability and statistics topics.

Course Title: **ALGEBRA I-NCAA**

Grade/Course #: 9, 10, 11, 12 (1123)

Course Length: Full year (One credit)

**Description:** This course is concerned with the study of systematic ways for solving problems. Topics include integers, rational and irrational numbers, working with linear relations and their representations, polynomial operations, factoring and topics from probability and statistics. **Prerequisite:** "C" or better in previous math class or teacher recommendation.

Course Title: **ALGEBRA I HONORS-NCAA**

Grade/Course #: 9 (1124)

Course Length: Full Year (one credit)

**Description:** This course is concerned with the study of systematic ways for solving problems. Topics include integers, rational and irrational numbers, working with linear relations and their representations, polynomial operations, factoring and topics from probability and statistics. Topics will be covered in greater breadth and depth in the honors course.

Course Title: **ALGEBRA I PART 1**

Grade/Course #: 10, 11 (1127)

Course Length: Full year (One credit)

**Description:** This course is for the student who has successfully completed Algebra I but still has not attained proficiency on the PA Algebra I Keystone Exam. Topics covered will continue with problem solving skills encountered in Algebra I. They include solving linear equations and inequalities, solving and graphing systems of equations, work with rational and irrational numbers, polynomial operations and factoring, and probability and statistics topics.

**Prerequisite:** Algebra I, Basic/Below Basic on the Algebra Keystone (score below a 1480), or teacher recommendation.

Course Title: **ALGEBRA II-NCAA**

Grade/Course #: 10, 11, 12 (1139)

Course Length: Full year (One credit)

**Description:** This course provides a continuation and further refinement of problem solving skills encountered in Algebra I. Topics discussed include linear and quadratic relations, factoring, graphing, radicals, exponents, matrices and topics from probability and statistics. **Prerequisite:** Grade "C" or better in Algebra I

Course Title: **ALGEBRA II HONORS-NCAA**

Grade/Course #: 9, 10 (1138)

Course Length: Full year (One credit)

**Description:** This course provides a continuation and further refinement of problem solving skills encountered in Algebra I. Topics discussed include linear and quadratic relations, factoring, graphing, radicals, exponential and logarithmic functions, matrices and topics from probability and statistics in greater breadth and depth than the regular Algebra II course.

**Prerequisite:** Grade "B" or better in Algebra I - 8, or Grade "B" in Algebra I or teacher recommendation.

Course Title: **ALGEBRA I PART 2**

Grade/Course #: 10, 11 (1140)

Course Length: Full year (One credit)

**Description:** This course is designed for students who have successfully completed Algebra I, but still have not attained proficiency on the PA Algebra I Keystone Exam. Topics covered include: operations with real numbers and expressions, linear equations and inequalities, functions, coordinate geometry and data analysis.

**Prerequisite:** Algebra I and basic on the Algebra Keystone (score above 1480), or teacher recommendation.

Course Title: **MODERN GEOMETRY-NCAA**

Grade/Course #: 10, 11, 12 (1137)

Course Length: Full year (One credit)

**Description:** This course is designed to study the formal structure of geometry. Topics covered include deductive reasoning, angles, segments, congruent triangles, parallelism, transformations, similarity, circles, and polygons. Emphasis is placed upon the use of precise language in the statement of definitions, postulates and theorems. A major objective of the course is to develop the ability of the student to reason creatively and critically in both mathematical and non-mathematical situations. Modern Geometry may be studied simultaneously with Algebra II

**Prerequisite:** "C" or better in Algebra I or teacher recommendation.

Course Title: **MODERN GEOMETRY HONORS-NCAA**

Grade/Course #: 10, 11 (1136)

Course Length: Full year (One credit)

**Description:** This course is designed to study the formal structure of geometry. Topics covered include deductive reasoning, angles, segments, congruent triangles, parallelism, transformations, similarity, circles, and polygons. Emphasis is placed upon the use of precise language in the statement of definitions, postulates and theorems. A major objective of the course is to develop the ability of the student to reason creatively and critically in both mathematical and non-mathematical situations.

**Prerequisite:** "B" or better in Algebra or "B" in Algebra I or teacher recommendation.

Course Title: **TRIGONOMETRY AND ADVANCED MATH HONORS-NCAA**

Grade/Course #: 11, 12 (1153)

Course Length: Full year (One credit)

**Description:** The trigonometry section of this course is one semester. It includes the theoretical aspects of trigonometry as well as problem solving. The second semester of the course covers topics in advanced algebra, analytic geometry, and the theory of equations.

**Prerequisite:** Grade "C" or better in Algebra II and Geometry or teacher recommendation.

Course Title: **PRE-CALCULUS HONORS-NCAA**

Grade/Course #: 11, 12 (1154)

Course Length: Full year (One credit)

**Description:** The trigonometry section of this course will last approximately one semester. It includes the theoretical aspects of trigonometry as well as problem solving. Topics for the remainder of this course include advanced algebra, analytic geometry, and the theory of equations. There is also an in depth study of limits from a graphical, numerical, and algebraic approach. This course is designed for the student who intends to take AP Calculus.

**Prerequisite:** B or better in Modern Geometry H and Algebra II H or teacher recommendation.

Course Title: **CALCULUS HONORS-NCAA**

Grade/Course #: 12 (1160)

Course Length: Full year (One credit)

**Description:** This course is for any student planning to go to college. It will cover derivatives, integrals and their applications. It is for the student who desires an introduction to Calculus.

**Prerequisite:** B or better in Trigonometry/Pre-Calculus or teacher recommendation.

Course Title: **COLLEGE CALCULUS 1-NCAA**

Grade/Course #: 12 (1163)

Course Length: Full year (One credit)

**Description:** Calculus 1 is a College in the High School course taught by an NEHS teacher in collaboration with the University of Pittsburgh: Bradford. The course is intended for students interested in majoring in engineering, mathematics, or chemistry. This course will be a study of the derivative, trigonometric functions, the integral, and applications of the derivative and the integral.

**Prerequisite:** "B" or better in Pre-Calculus or teacher recommendation.

Course Title: **PROBABILITY AND STATISTICS HONORS-NCAA**

Grade/Course #: 11, 12 (1455)

Course Length: Semester (.5 credit)

**Description:** This course will explore the concepts and processes used in analyzing data and in evaluating statistical claims about such. Data will be drawn from a variety of areas such as business, social sciences mathematics, science, medicine and education.

**Prerequisite:** Algebra I or teacher recommendation.

Course Title: **SAT PREP**

Grade/Course #: 10, 11, 12 (1405)

Course Length: Semester (.5 credit)

**Description:** This course will help prepare the students to earn the best possible score they are capable of achieving on PSAT/SAT/ACT tests. The class will become familiar with the purpose of the tests, their design and strategies for answering the types of questions encountered. Time will also be devoted to college exploration.

**Course can only be taken by 10<sup>th</sup> graders who are currently taking geometry.**

Course Title: **THE MATH OF MUSIC I**

Grade/Course #: 9, 10, 11, 12 (1460)

Course Length: Semester (.5 credit)

**Description:** This course will explore the math and structure associated with music. The focus will be on reading music, learning the key signatures utilizing the circle of 5ths and the circle of 4<sup>th</sup>. There will be a focus on the Major Scales and simple open chord structures. Students will apply the concepts learned to the guitar. No previous experience is necessary.

Course Title: **THE MATH OF MUSIC II**

Grade/Course #: 10, 11, 12 (1461)

Course Length: Semester (.5 credit)

**Description:** This course will explore in more depth the math and structure associated with music. Students will study Minor Scales and Modes. Advanced chord structures. Students will apply the concepts learned to the guitar. Previous experience is necessary.

**Prerequisite:** C in Math of Music I or teacher recommendation, MUST be able to read notes in the Treble Clef.

Course Title: **PERSONAL FINANCE A**

Grade/Course #: 11, 12 (1465)

Course Length: Semester (.5 credit)

**Description:** This course provides a practical understanding of basic financial concepts that will assist students in becoming financially responsible citizens. The focus of this course will be *money management, earning money and career planning, and the cost and benefits of borrowing money*. Students enrolled in this course can earn a .5 math credit or a .5 elective credit. Personal Finance A and Personal Finance B may be taken in any order (e.g. Personal Finance B can be taken before Personal Finance A). Students enrolled in honors level math courses should consider taking Investing.

Course Title: **PERSONAL FINANCE B**

Grade/Course #: 11, 12 (1466)

Course Length: Semester (.5 credit)

**Description:** This course provides a practical understanding of basic financial concepts that will assist students in becoming financially responsible citizens. The focus of this course will be *financial services, risk management, and saving and investing*. Students enrolled in this course can earn a .5 math credit or a .5 elective credit. Personal Finance A and Personal Finance B may be taken in any order (e.g. Personal Finance B can be taken before Personal Finance A).

Course Title: **COMPUTER SCIENCE A**

Grade/Course #: 9, 10, 11, 12 (1480)

Course Length: Semester (.5 credit)

**Description:** This course is an introduction and hands-on course that teaches the foundations of computer science and basic programming, with an emphasis on helping students develop logical thinking and problem-solving skills. The primary coding language of the class will be javascript which will allow students to build websites, mobile apps, games, and utilize Internet-of-Things connected devices.

Course Title: **COMPUTER SCIENCE B**

Grade/Course # 10, 11, 12 (1481)

Course Length: Semester (.5 credit)

**Description:** A further refinement into the modern programming in the field of computer science, with an emphasis on helping students develop logical thinking and problem-solving skills. Students will explore the concepts of code refactoring and reuse through the introduction of object-oriented programming. Like Computer Science A, Computer Science B will continue to use JavaScript as the main primary coding language which will allow for a seamless transition in the sequence. This course was designed in part by CodeHS (website / curriculum) and the CSTA K-12 Computer Science Standards. These standards were adopted by PDE in 2018.

**Prerequisite:** Computer Science A: C or better

## SCIENCE SEQUENCE

| <u>Grade</u> | <u>Regular Course Track</u>   |
|--------------|---|
| 9            | Earth & Environmental Science   |
| 10           | Biology (required for graduation)   |
| 11 & 12      | <i>Students can choose from the following:</i><br>Applied Chemistry<br>Chemistry I<br>Physical Science<br>Ecology/Environmental Science<br>Computer Science Discoveries |

|--------------|--|
| 9            | Earth and Environmental Science Honors   |
| 10           | Biology or Biology Honors is a required science for sophomores<br>Honors track students are permitted to also take Chemistry I (regular or honors). You must have teacher permission to take both honors Bio and honors Chem.  |
| 11 & 12*     | <i>Students can choose from the following:</i><br>Chemistry R or H<br>Chemistry II AP (offered every other year)<br>Physics I (must have taken and passed or be co-enrolled in Trig/pre-calc)<br>Physics II AP<br>Organic Biochemistry Honors (offered every other year)<br>Human Anatomy & Physiology Honors<br>Dissection of Life Honors |

\*Students can double and triple up in science with teacher recommendation

***Any member of the class of 2024 who does not score proficient or higher on the Biology Keystone Exam must demonstrate competence on a district approved assessment or meet another requirement of PDE graduation criteria.***

## SCIENCE DEPARTMENT

Course Title: **EARTH AND ENVIRONMENTAL SCIENCE-NCAA**

Grade/Course #: 9 (2220)

Course Length: Full year (one credit)

**Description:** This course covers the concepts and principles associated with earth science and the environment. It is designed to provide the basic scientific skills necessary to advance to further courses of study in science. The student will study many of the major areas of earth science including metrics, geology, mineralogy, petrology, meteorology, earth history, plate tectonics, geologic mapping and ecology. Laboratory exercises and activities are a major part of the course curriculum.

Course Title: **EARTH AND ENVIRONMENTAL SCIENCE HONORS-NCAA**

Grade/Course #: 9 (2221)

Course Length: Full year (One credit)

**Description:** This course covers the concepts and principles associated with earth science and the environment. The course of study is the same as general earth science and the environment, but the pacing and material is adapted to suit the needs of the accelerated student. Topics covered include metrics, geology, mineralogy, petrology, meteorology, earth history, plate tectonics, geologic mapping and ecology. A major emphasis is placed on laboratory work and projects.

**Prerequisite:** Teacher recommendation required

Course Title: **BIOLOGY-NCAA**

Grade/Course #: 10 (2230)

Course Length: Full year (One credit)

**Description:** This course covers the concepts and principles associated with the natural or life sciences as outlined by the Pennsylvania Keystone Standards. Included in this course are a discussion of the fundamentals of methodology used in science as well as metric measurement and microscopy. Units of study include the characteristics of life, biochemistry, cells and cell processes, DNA, genetics, evolution and a review of ecology. Laboratory exercises are included as supportive and supplemental activities throughout the course.

Course Title: **BIOLOGY HONORS-NCAA**

Grade/Course #: 10 (2235)

Course Length: Full year (One credit)

**Description:** This course covers the concepts and principles associated with the natural or life sciences as outlined by the Pennsylvania Keystone Standards. Included in this course are a discussion of the fundamentals of methodology used in science as well as metric measurement and microscopy. Units of study include the characteristics of life, biochemistry, cells and cell processes, DNA, genetics, evolution, and a review of ecology. Laboratory exercises are included as supportive and supplemental activities throughout the course. The course content is essentially the same as general Biology, but pacing is adapted to suit the needs of the honor student. Therefore, topics will be more thoroughly explored through lab based activities and with greater emphasis to detail.

**Prerequisite:** Teacher recommendation, B or better in Earth & Environmental Science

Course Title: **DISSECTION OF LIFE HONORS-NCAA**

Grade/Course #: 11, 12 (2236)

Course Length: Full year (One credit)

**Description:** This purpose of this course will be a continuation of the Biology I course offered to all tenth graders. This course will focus on the study of the kingdoms of life (Bacteria, Protists, Fungi, Animals, and Plants). The course will begin with a review of the characteristics of living things and use of the microscope. Classification of living things (taxonomy) will then be covered followed by a study of the kingdoms of life. This is a lab-based course focused on dissection. Students signing up for the course should be interested and willing to dissect.

**Prerequisite:** B or better in Biology

Course Title: **CHEMISTRY I-NCAA**

Grade/Course #: 10, 11, 12 (2241)

Course Length: Full year (One credit)

**Description:** This college prep course covers the basic principles of chemistry encompassing a study of science and matter in general. Specific emphasis on atomic structure and chemical bonding leads to a study of the composition, structure, and changes of matter. The main mathematical concepts relate to chemical compounds and chemical equations. A brief treatment of solids, liquids, gasses, and solutions leads into an application of chemistry to practical situations. Laboratory exercises are included as a supportive and supplemental activity throughout the course.

**Prerequisite:** C or better in Algebra 1

Course Title: **CHEMISTRY I – HONORS-NCAA**

Grade/Course #: 10, 11 (2242)

Course Length: Full year (One credit)

**Description:** This course covers the basic principles of chemistry encompassing a study of science and matter. The course content is essentially the same as general Chemistry I, but material and pacing are adapted to suit the needs of the honor student. A much greater emphasis to detail and labs will be included.

**Prerequisite:** B or better in Biology, C or better in Algebra 1, teacher recommendation

Course Title: **APPLIED CHEMISTRY**

Grade/Course #: 11,12 (2246)

Course Length: Full year (One credit)

**Description:** This course is designed for the non-collegiate student. The goal of this course is to give students an appreciation of the contributions and applications of chemistry. Concepts will be presented in a less mathematical approach than in the Chemistry I course. The main focus of this course is the application of chemical principles to everyday life, particularly to areas which affect people on a personal as well as global scale. The structure, properties, and changes of matter around us will be explored using a hands-on approach. Students will learn enough of the chemical theory and language to approach practical problems from a scientific perspective. Class participation in the form of questions and discussion is strongly encouraged.

Course Title: **PHYSICAL SCIENCE-NCAA**

Grade/Course #: 11, 12 (2240)

Course Length: Full year (One credit)

**Description:** This course is designed for non-college students. The goal of this course is to give the students an appreciation of the contributions and applications of physics to the everyday world. Concepts will be covered in a less mathematical approach than the Physics I Honors course. The focus of the course will be the study of, Forces, Motion, Energy, Electricity and Magnetism, Thermal Systems, & Geometric Optics. This course will incorporate hands-on applications to the conceptual knowledge for each topic.

Course Title: **PHYSICS I HONORS-NCAA**

Grade/Course #: 11, 12 (2243)

Course Length: Full year (One credit)

**Description:** This course is designed to give the students an understanding of matter and energy and their transformations through applied mathematics. Areas of study include Motion, Force, Energy, States of Matter, Fluid Mechanics, and Thermodynamics. The course will include inquiry based labs to complement the theoretical study of each topic. Students enrolled in this course need to have a strong mathematical background.

**Prerequisite/Preferential seating:**

1. Juniors who have passed Biology and Chemistry, and who are co-enrolled in Trig or Pre-Calculus
2. Juniors who have passed Honors Biology, and who are co-enrolled in Trig/Pre-Calc and Chemistry
3. Seniors who have passed Chemistry and Trig/Pre-Calculus
4. Seniors and juniors who are co-enrolled in Trig/Pre-Calculus

Course Title: **CHEMISTRY II (ADVANCED PLACEMENT)-NCAA**

Grade/Course #: 11, 12 (2265)

Course Length: Full year (One credit)

**Description:** This course expands on the basic principles covered in Chemistry I. It extends into other applications of chemistry. Topics covered include; gas laws, acids, bases, salts, chemical kinetics, equilibrium, stoichiometry, concentrations of solutions, reduction-oxidation reactions, electrochemistry, quantitative and qualitative analysis. A comprehensive knowledge of the principles of Chemistry I is required.

**Prerequisite:** B or better in Chemistry I and teacher recommendation

Course Title: **PHYSICS II ADVANCED PLACEMENT-NCAA**

Grade/Course #: 12 (2253)

Course Length: Full year (One credit)

**Description:** This course is designed as a second year of study in Physics. The topics that are covered in this course include a review of the Physics I Topics in addition to, Electricity and Magnetism, Waves and Optics, and Atomic and Nuclear Physics. The course will include inquiry based labs to complement the theoretical study of each topic. In addition the students will become familiar with the questioning and problem solving techniques that are commonly used on the Advanced Placement Exam.

**Prerequisite:** Successful completion of Physics I and teacher recommendation.

Course Title: **ORGANIC/BIOCHEMISTRY HONORS-NCAA**

Grade/Course #: 11, 12 (2267)

Course Length: Full year (One credit)

**Description:** This course will consist of three quarters of organic chemistry and one quarter of biochemistry. Organic chemistry will consist of the naming of organic compounds using both the common methods as well as the I. U. P. A. C. styles. The course will also consist of the mechanisms that occur during reactions and finally the synthesis of organic compounds. The biochemistry component of the course will integrate the organic component with the basic functions of body functions such as DNA replication and protein synthesis to respiration. This course is strongly recommended to those interested in going into any science field in college as well as those going into medicine, chemistry, biology and biochemistry.

**Prerequisite:** B or better in Chemistry I and teacher recommendation

Course Title: **HUMAN ANATOMY AND PHYSIOLOGY HONORS-NCAA**

Grade/Course #: 11, 12 (2276)

Course Length: Full Year (One credit)

**Description:** This course is an anatomy and physiology course dealing with the physiological and anatomical components associated with the human organism. A review of the basic principles of chemistry and biology are covered prior to an *in depth* study of the human body. This course is designed to follow the anatomy and physiology courses offered at Mercyhurst North East associated with their nursing program. In addition, a long term detailed dissection of a higher vertebrate animal will be utilized for comparative anatomical purposes. This course is designed for those students who are endeavoring to pursue a career in health related careers such as, but not limited to: Medicine, nursing, physical therapy, laboratory science, paramedic.... The student who selects this course should enjoy learning detailed information and processes relating to the human structure and function.

**Prerequisite:** B or better in Biology, must have passed Chemistry I, teacher recommendation.

Course Title: **ECOLOGY/ ENVIRONMENTAL SCIENCE A-NCAA**

Grade/Course #: 11, 12 (2280)

Course Length: Semester (.5 credit)

**Description:** This course introduces the student to the concepts involving the interactions that occur between living organisms and the physical habitats they live in. Factors that influence the natural balance of ecosystems are described and demonstrated through discussion and laboratory based curriculum. Topics such as ecosystem structure and functioning, biodiversity, population growth, natural selection, species diversity, and ecological succession will make up the foundation for this class.

**Prerequisite:** Earth and Environment Science and Biology

Course Title: **ECOLOGY/ ENVIRONMENTAL SCIENCE B-NCAA**

Grade/Course #: 11, 12 (2281)

Course Length: Semester (.5 credit)

**Description:** This course introduces the student to the concepts involving the interactions that occur between living organisms and the physical habitats they live in. Factors that influence the natural balance of ecosystems are described and demonstrated through discussion and laboratory based curriculum. Topics such as biomass and energy flow through trophic levels, conservation, biogeochemical and nutrient cycles, pollution, atmosphere, and climate will make up the foundation for this class.

**Prerequisite:** Earth and Environmental Science and Biology

Course Title: **APPLIED BIOLOGY**

Grade/Course #: 11, 12 (2232)

Course Length: Semester (.5 credit)

**Description:** This course is designed for those students in the class of 2019 and beyond who have not demonstrated proficiency on the Keystone Biology exam which is needed as a graduation requirement. The course will review those topics/anchors identified as weaknesses on the prior exam. In addition, students will complete a "Project-Based Assessment" for biology as part of the review process. Students who are enrolled in the Fall semester will retake the Biology Keystone Exam in January, those enrolled in the Spring semester will retake the Biology Keystone Exam in May.

Course Title: **COMPUTER SCIENCE DISCOVERIES-NCAA**

Grade/Course#: 9-12 (2100)

Course Length: Semester (.5 credit)

**Description:** CS Discoveries is an introductory computer science course that empowers students to create authentic artifacts with computer science as a medium for creativity, communication, and problem solving. CS Discoveries introduces students to tools and programming languages that are accessible for beginners while offering more advanced students opportunities to create sophisticated projects. Using the existing App Lab programming environment and the Game Lab, students will be able to transition from block code to typed code at their own pace while learning Javascript.

## Options:

- If a student moves from a **regular academic sequence into an honors level sequence** (any year), they must have met the minimum 85% prerequisite average grade requirement from his/her most recent course and/or obtain the teacher's signature.
- If a student moves from an **honors level sequence to an AP/CHS sequence** (any year), the student must meet the minimum 85% prerequisite grade requirement from an HONORS level social studies course and/or obtain the teacher's signature. In addition, the student must have met the English course requirement\* with a minimum of an 85% average grade and/or the English teacher's signature. **The student will also be required to take at least an honors level English course WHILE taking an AP/CHS level social studies course.**
- Any other combination of sequence shifting between levels needs to be approved by the school counselor and the appropriate teachers. A teacher's approval may be required in order for a student to shift academic sequences.

*\*Prior to taking AP European History, a student must have taken English 10 Honors, and obtained at least an 85% average and/or the teacher's signature. If a student is registering for College American Political Process and did not take AP European History, they must have taken either English 10 Honors and/or English 11 Honors with at least an 85% average, and/or obtained the English teacher's signature.*

## SOCIAL STUDIES DEPARTMENT

Course Title: **AMERICAN HISTORY II-NCAA**

Grade/Course #: 9 (3320)

Course Length: Full year (One credit)

**Description:** The purpose of this course is to introduce the major phases of political, economic, social, geographical, and historical development of the United States after Reconstruction. The students will study the basic principles under which America operates and the trends that have occurred in order to understand the present and the future.

Course Title: **AMERICAN HISTORY II HONORS-NCAA**

Grade/Course #: 9 (3325)

Course Length: Full year (One credit)

**Description:** The purpose of this course is to introduce the major phases of political, economic, social, geographical, and historical development of the United States after the Reconstruction. In this process the students will be required to demonstrate comprehension of the knowledge gained and apply this content through the utilization of higher order thinking skills. Essentially, the students will examine our nation's past to understand how it shaped, and continues to shape, the present and the future.

**Prerequisite:** Minimum of 85% in previous social studies courses and/or teacher recommendation.

Course Title: **CONTEMPORARY WORLD CULTURES-NCAA**

Grade/Course #: 10 (3330)

Course Length: Full year (One credit)

**Description:** Contemporary World Cultures begins with basic concepts that define and constitute culture and man's cultural developments and achievements. Contemporary World Cultures will conclude with studies of specific cultural areas from around the world that illustrate the similarity and diversity of cultural characteristics such as: attitudes, beliefs, lifestyles, and explore the interactions and interdependence of these cultures worldwide.

Course Title: **CONTEMPORARY WORLD CULTURES HONORS-NCAA**

Grade/Course #: 10 (3333)

Course Length: Full year (One credit)

**Description:** Contemporary World Cultures Honors provides an in-depth study of various cultural areas, emphasizes the relevance of geographic concepts to human challenges, discusses the relationship between globalization and diversity, investigates the history, culture, economic, and political aspects of these regions. Discussion skills, written expression, research skills, and an awareness of world events and their impact on history, both past and current, are integrated into the course content.

**Prerequisite:** Minimum of 85% in previous social studies courses and/or teacher recommendation.

Course Title: **WESTERN CIVILIZATION-NCAA**

Grade/Course #: 11 (3340)

Course Length: Full year (One credit)

**Description:** "Western Civilization" traces the conceptual development of mankind's progress in today's world beginning with the earliest known civilizations. The course will attempt to define those forces that have contributed to man's development through historical periods consisting of Ancient Civilizations, Medieval times, the Renaissance, and modern Europe.

Course Title: **WESTERN CIVILIZATION HONORS-NCAA**

Grade/Course #: 11 (3345)

Course Length: Full year (One credit)

**Description:** This course will have the same scope and sequence as Western Civilization course, but the material will be covered faster and more in-depth. The students will be required to utilize higher-order thinking skills in various research projects as well as every day activities. The material covered ranges from Ancient Civilizations, the Middle Ages and the Renaissance through modern Europe.

**Prerequisite:** Minimum of 85% in previous social studies courses and/or teacher recommendation.

Course Title: **EUROPEAN HISTORY (ADVANCED PLACEMENT)-NCAA**

Grade/Course #: 11 (3365)

Course Length: Full year (One credit)

**Description:** The course covers the history of Europe from the Renaissance through the present, including an introduction, which covers ancient civilizations and the Middle Ages. Students not only learn factual historical information, but they analyze the political, economic, social and intellectual aspects of European history as well. A student may earn up to 3 college credits with successful completion of the advanced placement test. Advanced placement examinations are given upon request at the end of the year. The student must make an application for the course and is accepted on the recommendation of the instructor and the guidance counselor. All students and their parents must sign a contract indicating that they are aware of the advanced nature of the course.

**Prerequisite:** Minimum of 85% in previous social studies courses and/or teacher recommendation. Students must also fulfill English requirements as described in the social studies sequences.

Course Title: **PRINCIPLES OF DEMOCRACY (POD)-NCAA**

Grade/Course #: 12 (3350)

Course Length: Full year (One credit)

**Description:** POD introduces students to the American system of government. Beginning with the foundations of government, this course encompasses the Executive Branch, Legislative Branch, and Judicial Branch as well as the rights and responsibilities of an American citizen. The U.S. political system is studied, including the electoral process, political parties, and the role of interest groups and public opinion. State and local government systems are also addressed.

Course Title: **PRINCIPLES OF DEMOCRACY HONORS-NCAA**

Grade/Course #: 12 (3351)

Course Length: Full year (One credit)

**Description:** The purpose of this course is to provide an in-depth study of the American system of government. Early political philosophies, charters, and constitutions are utilized to understand the framework for the foundation of government. Through independent research assignments, students work beyond the content as they analyze and evaluate current political policies and practices within the ideals set forth by America's founding members. Special emphasis is given to the system of checks and balances and how it directly relates to current issues facing the three branches of government. International relations through the American political agenda are focused on, as well.

**Prerequisite:** Minimum of 85% in previous social studies courses and/or teacher recommendation.

Course Title: **COLLEGE AMERICAN POLITICAL PROCESS-NCAA**

Grade/Course #: 12 (3375)

Course Length: Full year (One credit)

## **EXTRA-CURRICULAR ACTIVITIES NORTH EAST HIGH SCHOOL**

North East High School offers a wide variety of clubs, organizations, and sports to our students.

Everyone is strongly urged to become an active member of the high school community and participation in our extra-curricular programs is an excellent way to do this. Most of the clubs and activities have open enrollment but a few are selective or are dependent upon elections. If student demand exceeds the number of openings some sports may require try-outs. Your homeroom teacher will be able to assist you if you wish to participate in any extracurricular activities.

Although our primary focus will always be academic, extra-curricular activities are an excellent way to enrich the high school experience. Valuable lessons in teamwork and peer interaction can be developed and practiced. Consider participation in one of our extra-curricular activities as a way to improve both yourself and our school.

## 2023-2024 Budget Proposal

### Executive Summary

For the 2023-2024 budget to provide career and technical training to the students of Erie County, Erie County Technical School is once again asking the partnering school districts for an increase in their financial contributions in 2023-2024. This budget proposal was prepared to incorporate small improvements into the technical school's operation. It is our pleasure to present to the Joint Operating Committee, the superintendents, and the participating school districts this 2023-2024 budget proposal.

Included in this year's budget proposal is a **3.12%** increase in district contributions. Additional retirement, healthcare, and personnel changes continue to necessitate the increased contribution request from the prior year. The **3.12%** increase in 2023-2024 amounts to **\$142,946** in additional contributions from the districts.

### Revenue & Expenditures

This year's budget uses a balanced budget approach where proposed expenditures will equal proposed revenues. In this preliminary budget, revenues equal expenditures including a \$50,000 budgetary reserve at **\$6.92 million**.

Notable budgeted expenditures include:

- 1) \$137,986 total benefit increase with the majority of the increase to be medical benefits in the amount of \$128,986 (per NOREBT projections)
- 2) \$83,804 increase in total salaries
- 3) \$63,000 for projected 403(b) payments for projected staff retirements
- 4) \$37,000 increase in utilities due to increased costs and construction of building space
- 5) \$10,000 increase in legal fees due to extraordinary circumstances
- 6) \$75,000 of budget transfer to the Capital Reserve Fund

### District Contributions

District contributions will increase for 2023-2024 by **3.12%**, and total approximately \$4.72 million. The districts' contributions are based on 100% Participation (Vocational Average Daily Membership), using a three-year rolling average of academic years 2019-2020, 2020-2021 and 2021-22. It is important to note that individual district contributions will change from year to year due to enrollment fluctuations at the technical school. The percentage change in district contributions ranges from a decline of 4.33% for Wattsburg School District to an **increase of 28.49% for Fairview School District**.

### Other Budget Insights

The secondary budget has a projected end-of-year *Fund Balance* of \$1,332,975. Of that amount, there are assigned balances of \$282,975 for projected PSERS contribution increases and \$150,000 for a new program, \$350,000 for COVID-19. The unassigned fund balance equals \$550,000.

The budget also includes the customary reserve of \$ 50,000 in the *Budgetary Reserve*, which allows for any unanticipated or opportunity expenditures which may arise during the fiscal year.

## Erie County Technical School 2023-2024 Budget Proposal

The *Regional Career & Technical Center budget* reflects a balanced budget projection for the 2023-2024 fiscal year. With changes in personnel and increasing competition from other adult training facilities, the program is projecting revenues to match its anticipated expenses.

The *Capital Projects Fund* shows a budgeted increase in fund balance of **\$75,500** for 2023-2024. The planned transfer from the General Fund in 2023-2024 will equal \$75,000 and an estimated \$500 in interest earnings are projected to be earned on these funds. Projected cyclical expenditures from the fund during 2023-2024 are **\$0**.

### Per Pupil Cost Analysis

Our budget presentation contains several analyses based on the cost each district pays to send students to the technical school. These analyses have become a little less relevant with the adoption of a budget formula based strictly on participation, or vocational average daily membership (VADM). The per pupil cost analysis takes two forms—gross per pupil cost and net per pupil cost. Any difference in per pupil cost is attributable to the components the State uses to calculate vocational subsidy (see Budget Notes for the components and calculation). Analysis points include:

- 1) **Gross average per pupil cost is \$8,131**
- 2) **Net average per pupil cost is \$6,989**
- 3) **Net per pupil cost, by district, range from \$6,326 for Iroquois to \$7,370 for Millcreek**

See the *Per Pupil Contribution* section for information on each district's per pupil contribution.

### Budget Summary

Overall, the secondary program budget proposal projects no use of prior fund balance while holding district contributions to a **3.12%** overall average increase.

The projected 2023-2024 secondary program revenues of **\$6.87** million will:

- a) **Maintain an Unassigned Fund Balance of \$550,000**
- b) **Maintain the Assigned Fund Balance for PSERS at \$282,975**
- c) **Maintain the Assigned Fund Balance for a new program at \$150,000**
- d) **Establish a budgetary reserve of \$50,000**

Please review the accompanying tables and charts for more detailed information on our budget proposal for 2023-2024. We welcome any comments or suggestions you may have about our budget. We look forward to the approval of this 2023-2024 budget request by our participating school districts.

## Budget Notes

1. Vocational Subsidy Calculation – 2022-23 and Beyond is as follows:

Step 1. Determine the vocational average daily membership (VADM) by: multiplying the average daily membership of students in vocational programs in a career and technology center by 0.2276; multiplying the average daily membership of students in vocational programs in a school district (SD) or charter school by 0.1844.

Step 2. Determine the based earned for reimbursement (BER) using the state median actual instruction expense per weighted average daily membership (AIE/WADM) and the equalized mills (EqM):

$$\text{BER} = \text{State Median AIE/WADM} - \frac{\text{Highest EqM} - \text{SD EqM}}{\text{Highest EqM} - \text{Lowest EqM}} \times \$200$$

Step 3. The fully funded amount equals the lesser of the AIE/WADM or the BER multiplied by the greater of the market value/personal income aid ratio or 0.3750 multiplied by the VADM.

Step 4. Based on Section 2502.6 of the School Code, the actual allocation is proportionately reduced so that the total does not exceed the amount appropriated.

# MEMORANDUM OF UNDERSTANDING

BETWEEN

Pennsylvania State Police  
(Law Enforcement Authority)

and

North East School District  
(School Entity)

March 1, 2023  
(Date)

## I. Introduction

### A. Parties

The following Law Enforcement Authority or Authorities agree to follow the policies and procedures contained in this Memorandum of Understanding (hereinafter “Memorandum”): **Pennsylvania State Police**

The following School Entity or Entities agree to follow the policies and procedures contained in this Memorandum: **North East School District**

- B. The purpose of this Memorandum is to establish procedures to be followed when certain specific incidents—described in Section II below—occur on school property, at any school sponsored activity, or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus.
- C. It is further the purpose of this Memorandum to foster a relationship of cooperation and mutual support between the parties hereto as they work together to maintain the physical security and safety of the School Entity. Thus, the School Entity may disclose personally identifiable information from an educational record of a student to the Law Enforcement Authority if a health or safety emergency exists and knowledge of that information is necessary to protect the health or safety of the student or other individuals. In determining whether a health or safety emergency exists, the School Entity may take into account the totality of the circumstances pertaining to a threat to the health or safety of a student or other individuals. If the School Entity determines that there is an articulable and significant threat to the health or safety of a student or other individuals, it may disclose information from education records to the Law Enforcement Authority, if knowledge of that information is necessary for the Law Enforcement Authority to protect the health or safety of the student or other individuals. The School Entity must record the articulable and significant threat to the health or safety of a student or other individuals so that it can demonstrate – to parents, students and the Family Policy Compliance Office – what circumstances led it to determine that a health or safety emergency existed and why the disclosure was justified.

#### D. Priorities of the Law Enforcement Authority

1. Investigate all incidents reported to have occurred on school property, at any school sponsored activity or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus. The investigation of all reportable incidents shall involve as little disruption of the school environment as practicable.
2. Identify those responsible for the commission of the reported incident and, where appropriate, apprehend and prosecute those individuals. Identification and apprehension procedures shall involve as little disruption of the school environment as practicable.
3. Assist the School Entity in the prevention of the incidents described in Section II of this document.

#### E. Priorities of the School Entity

1. Create safe learning environments which support each student's well-being and opportunities to reach their full potential while balancing and protecting the rights of all students.
2. Establish and maintain cooperative relationships with the Law Enforcement Authority in the reporting and resolution of all incidents described in Section II of this document.
3. Foster partnerships with the Law Enforcement Authority for the education and guidance of students to create a school climate and knowledge base conducive to learning and personal growth.
4. Provide the Law Enforcement Authority with all relevant information and required assistance in the event of a reported incident.

#### F. Legal Authority

1. The parties to this Memorandum enter into this agreement in accordance with the provisions of the act of March 10, 1949 (P.L. 30, No. 14), as amended, 24 P.S. §§-13-1301-A *et. seq.* (hereinafter "Safe Schools Act"), requiring all school entities to develop a memorandum of understanding with local law enforcement which sets forth procedures to be followed when an incident involving an act of violence or possession of a weapon, as further specified in Section II of this document, by any person occurs on school property. Law enforcement protocols shall be developed in cooperation with local law enforcement and the Pennsylvania State Police. 24 P.S. §13-1303-A(c).
2. In so recognizing this legal authority, the parties acknowledge their respective duties pursuant to the Safe Schools Act and hereby agree to support and cooperate with one another in carrying out their joint and separate responsibilities thereunder.

### **III. Notification of Incidents to Law Enforcement**

#### **A. Mandatory Notification**

The School Entity shall immediately report by the most expeditious means possible to the Law Enforcement Authority the occurrence of any of the following incidents occurring on school property, at any school sponsored activity or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus:

1. The following offenses under 18 Pa. C.S. (relating to crimes and offenses):
  - a) Section 908 (relating to prohibited offensive weapons).
  - b) Section 912 (relating to possession of weapon on school property).
    - i. As used in this Memorandum “weapon” shall include, but not be limited to, any knife, cutting instrument, cutting tool, nunchaku, firearm, shotgun, rifle, metal knuckles, billy club, blackjack, grenade, incendiary device and any other tool, instrument or implement capable of inflicting serious bodily injury.
    - ii. This reporting requirement does not apply to a weapon that is: (a) used, as part of a school-approved program, by an individual who is participating in the program; or (b) an unloaded weapon possessed by an individual while traversing school property for the purpose of obtaining access to public or private lands used for lawful hunting if the entry on school premises is authorized by school authorities.
  - c) Chapter 25 (relating to criminal homicide).
  - d) Section 2701 (related to simple assault).
  - e) Section 2702 (relating to aggravated assault).

  - g) Section 2709 (related to harassment).
  - h) Section 2709.1 (relating to stalking).
  - i) Section 2901 (relating to kidnapping).
  - j) Section 2902 (relating to unlawful restraint).
  - k) Section 3121 (relating to rape).
  - l) Section 3122.1 (relating to statutory sexual assault).
  - m) Section 3123 (relating to involuntary deviate sexual intercourse).

- n) Section 3124.1 (relating to sexual assault).
  - o) Section 3124.2 (relating to institutional sexual assault).
  - p) Section 3125 (relating to aggravated indecent assault).
  - q) Section 3126 (relating to indecent assault).
  - r) Section 3127 (related to indecent exposure).
  - s) Section 3301 (relating to arson and related offenses).
  - t) Section 3307 (relating to institutional vandalism), when the penalty is a felony of the third degree.
  - u) Section 3502 (relating to burglary).
  - v) Section 3503(a) and (b)(1)(v) (relating to criminal trespass).
  - w) Section 3701 (relating to robbery).
  - x) Section 3702 (relating to robbery of a motor vehicle).
  - y) Section 5501 (relating to riot).
  - z) Section 6110.1 (relating to possession of firearm by minor).
2. The possession, use or sale of a controlled substance or drug paraphernalia as defined in “The Controlled Substance, Drug, Device and Cosmetic Act,”
    1. As used in this Memorandum, “controlled substance” shall include the possession, use or sale of controlled substances as defined in the act of April 14, 1972 (P.L. 233, No. 64) known as “The Controlled Substance, Drug, Device and Cosmetic Act” (hereinafter “Drug Act”) including, but not limited to, marijuana, cocaine, crack cocaine, heroin, LSD, PCP, amphetamines, steroids and other substances commonly known as “designer drugs”. See 35 P.S. §§ 780-101 *et. seq.*
    2. Included in this reporting provision shall be the possession, use or sale of drug paraphernalia, defined in the Drug Act, including, but not limited to, hypodermic syringes, needles and, depending on the circumstances, rolling papers, as well as all other equipment or materials utilized for the purpose of ingesting, inhaling, or otherwise introducing controlled substances into the body. See 35 P.S. §§ 780-102.
  3. Attempts, solicitation or conspiracy to commit any of the offenses listed in subsections (1) and (2).
  4. An offense for which registration is required under 42 Pa.C.S. § 9795.1 (relating to registration).

5. Purchase, consumption, possession or transportation of liquor or malt or brewed beverages by a person under 21 years of age. See 18 Pa. C.S. § 6308(a).

B. Discretionary Notification

The School Entity must report to the Law Enforcement Authority the occurrence of any of the following incidents occurring on school property, at any school sponsored activity, or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus:

1. The following offenses under 18 Pa. C.S (relating to crimes and offenses):
  - a) Section 2705 (relating to recklessly endangering another person).
  - b) Section 3307 (relating to institutional vandalism), when the penalty is a misdemeanor of the second degree.
  - c) Section 3503(b)(1)(i), (ii), (iii) and (iv), (b.1) and (b.2) (relating to criminal trespass).
  - d) Chapter 39 (relating to theft and related offenses).
  - e) Section 5502 (relating to failure of disorderly persons to disperse upon official order).
  - f) Section 5503 (relating to disorderly conduct).
  - g) Section 6305 (relating to sale of tobacco).
  - h) Section 6306.1 (relating to use of tobacco in schools prohibited).
2. Attempt, solicitation or conspiracy to commit any of the offenses listed in subsection (2).

C. Notification of the Law Enforcement Authority when incident involves children with disabilities.

1. In accordance with 34 CFR 300.535 nothing will prohibit the School Entity from reporting an offense committed by a child with a disability to the Law Enforcement Authority or will prevent State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a child with a disability.
2. The School Entity, when reporting an offense committed by a child with a disability, must ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to the Law Enforcement Authority to whom the incident was reported.

3. The School Entity, when reporting an incident under this section, may transmit copies of the child's special education and disciplinary records only to the extent that the transmission is permitted by the Federal Educational Rights and Privacy Act (hereinafter "FERPA").
4. If someone other than the School Entity has reported an incident, which results in the student's arrest, the School Entity may as allowable under FERPA release the student's records.

[Describe any specific procedures to be followed for incidents involving a student with a disability as required by 22 Pa. Code § 14.104 (relating to special education plans): None

D. Upon notification of the incident to the Law Enforcement Authority, the School Entity shall provide as much of the following information as is available at the time of notification. In no event shall the gathering of information unnecessarily delay notification:

1. Whether the incident is in-progress or has concluded.
2. Nature of the incident.
3. Exact location of the incident.
4. Number of persons involved in the incident.
5. Names and ages of the individuals involved.
6. Weapons, if any, involved in the incident.
7. Whether the weapons, if any, have been secured and, if so, the custodian of the weapons.
8. Injuries involved.
9. Whether EMS or the Fire Department have been notified.
10. Identity of the school contact person.
11. Identity of the witnesses to the incident, if any.
12. All other such information as is known to the school entity which can be deemed relevant to the incident under investigation.

E. Additionally, in anticipation of the need for the Law Enforcement Authority to respond to incidents described herein, the School Entity shall furnish the Law Enforcement Agency with the following information:

1. Blueprints or floor plans of the school buildings.
2. Aerial photo, map or layout of the school campus, adjacent properties and surrounding streets or roads.

3. Location(s) of predetermined or prospective command posts.
4. Current teacher/employee roster.
5. Current student roster.
6. Current school yearbook.
7. School fire-alarm shutoff location and procedures.
8. School sprinkler system shutoff location and procedures.
9. Gas/utility line layouts and shutoff valve locations; and
10. Cable/satellite television shutoff location and procedures.

#### **IV. Law Enforcement Authority Response**

A. Depending on the totality of the circumstances, initial response by the Law Enforcement Authority shall include:

1. For incidents in progress:
  - a) Meet with contact person and locate scene of incident.
  - b) Stabilize incident.
  - c) Provide/arrange for emergency medical treatment, if necessary.
  - d) Control the scene of the incident.
    - i. Secure any physical evidence at the scene.
    - ii. Identify involved persons and witnesses.
  - e) Conduct investigation.
  - f) Exchange information.
  - g) Confer with school officials to determine the extent of law enforcement involvement required by the situation.
2. Incidents not in progress:
  - a) Meet with contact person.
  - b) Recover any physical evidence.
  - c) Conduct investigation.
  - d) Exchange information.

- e) Confer with school officials to determine the extent of law enforcement involvement required by the situation.
3. Incidents initially reported to the Law Enforcement Authority
- a) In the event that a reportable incident occurs on school property, at a school sponsored event, or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus, either after the conclusion of the school day or after the conclusion of the event at which the incident occurred, the School Entity shall report the incident to the Law Enforcement Authority immediately upon its notification.
  - b) If such incident is initially reported to the School Entity, the School Entity shall proceed as outlined in paragraphs II (A-C) above.
  - c) If the incident is initially reported to the Law Enforcement Authority, Law Enforcement authority shall proceed directly with its investigation and shall immediately notify the School Entity of the incident, with all pertinent and reportable information, by the most expeditious means possible as if the reporting was not delayed.

**B. Custody of Actors**

- 1. Students identified as actors in reported incidents may be taken into custody at the discretion of the investigating law enforcement officer if:
  - a) The student has been placed under arrest.
  - b) The student is being placed under investigative detention.
  - c) The student is being taken into custody for the protection of the student.
  - d) The student's parent or guardian consents to the release of the student to law enforcement custody.
- 2. The investigating law enforcement officer shall take all appropriate steps to protect the legal and constitutional rights of those students being taken into custody.

**V. Assistance of School Entities**

**A. In Loco Parentis**

- 1. Teachers, Guidance Counselors, Vice Principals and Principals in the public schools have the right to exercise the same authority as to conduct and behavior over the pupils attending school during the time they are in attendance, including the time required in going to and from their homes, as the parents, guardian or persons in parental relation to such pupils may exercise over them.

3. School authorities' ability to stand in loco parentis over children does not extend to matters beyond conduct and discipline during school, school activities, or on any public conveyance providing transportation to or from school or school sponsored activity.

#### B. Notification of Parent or Guardian

1. Taking into consideration the totality of circumstances, parents or guardians of students involved in acts of violence, possession of weapons, sexual assault, or the possession, use or sale of a controlled substance or the underage possession of alcohol or intoxication from alcohol should be notified of the incident as soon as possible.
2. The School Entity shall document attempts made to reach the parents or guardians of all victims, witnesses and suspects of incidents reportable to law enforcement authorities pursuant to the terms of this agreement.
3. Except in cases in which the suspect student has been injured and requires medical attention, the decision to notify a suspect's parents or guardians shall be a cooperative decision between school officials and law enforcement authorities.

#### C. Scope of School Entity's Involvement

##### 1. Victims

- a) The Law Enforcement Authority does not need to secure parental permission to interview a victim.
- b) The School Entity shall promptly notify the parent or guardian of a victim when the Law Enforcement Authority interviews that victim. The Law Enforcement Authority shall follow department policies and procedures when interviewing a victim to ensure the protection of the victim's legal and constitutional rights.
- c) In the event a victim is interviewed by Law Enforcement Authority on school property, a guidance counselor or similar designated personnel shall be present during the interview.

##### 2. Witnesses

- a) The Law Enforcement Authority does not need to secure parental permission to interview a witness to a reportable incident.
- b) The School Entity shall promptly notify the parent or guardian of a witness when the Law Enforcement Authority interviews that witness. The Law Enforcement Authority shall follow department policies and procedures when interviewing a witness to ensure the protection of the witness's legal and constitutional rights.
- c) In the event a witness is interviewed by the Law Enforcement Authority on school property, a guidance counselor or similar designated personnel shall be present during the interview.

### 3. Suspects

- a) General Principals: Once the Law Enforcement Authority assumes primary responsibility for a matter, the legal conduct of interviews, interrogations, searches, seizures of property, and arrests are within the purview of the Law Enforcement Authority. The School Entity shall defer to the expertise of the Law Enforcement Authority on matters of criminal and juvenile law procedure, except as is necessary to protect an interest of the School Entity.
- b) Custodial Interrogation
  - i. Depending upon the individual circumstances of the incident, a juvenile suspect may or may not be competent to waive his/her rights to consult with an interested adult and/or an attorney prior to interrogation by law enforcement agencies.
  - ii. The School Entity shall cooperate with the Law Enforcement Authority to secure the permission and presence of at least one parent or guardian of a student suspect before that student is interrogated by law enforcement authorities.
  - iii. In the event an interested adult cannot be contacted, the School Entity shall defer to the policies, procedures and direction of the investigating Law Enforcement Authority who shall act in a manner consistent with the protection of the student suspect's legal and constitutional rights.

### 4. Conflicts of Interest

- a) The parties to this Memorandum recognize that in the event that a School Entity employee, contractor, or other person acting on behalf of the School Entity is the subject of an investigation, a conflict of interest may exist between the School Entity and the adult suspect.
- b) When the possibility of such a conflict exists, neither the individual that is the subject of the investigation nor any person acting as his/her subordinate or direct supervisor shall be present during Law Enforcement Authority's interviews of student co-suspects, victims or witnesses by the Law Enforcement Authority.
- c) Neither the individual who is the subject of the investigation nor his/her subordinate(s) and/or direct supervisor(s) shall be informed of the contents of the statements made by student co-suspects, victims or witnesses, except at the discretion of the Law Enforcement Authority or as otherwise required by law.

### D. Reporting Requirements

- 1. The Law Enforcement Authority shall be governed by the following reporting and information exchange guidelines:
  - a) Criminal History Record Information Act, 18 Pa. C.S. §§ 9101 *et. seq.*

- b) The prohibition against disclosures, specified in paragraph IV(C)(4) of this Memorandum.
2. When sharing information and evidence necessary for the Law Enforcement Authority to complete their investigation, the School Entity shall:
  - a) Comply with FERPA, 20 U.S.C. § 1232g and its implementing regulations at 34 C.F.R. §§ 99.1 et. seq., and 22 Pa. Code §§ 12.31-12.33 and any amendments thereto.
  - b) Comply with the requirements of the Public School Code of 1949, 24 P.S. §§ 13-1303-A and 13-1317.2 and any amendments thereto.
  - c) Complete reports as required by the Public School Code of 1949, 24 P.S. § 13-1303-A and any amendments thereto.
3. All school entities are required to submit an annual report, which will include violence statistics and reports to the Department of Education's Office of Safe Schools. This annual report must include all new incidents described in Section II (A) above. Prior to submitting the required annual report, each chief school administrator and each police department having jurisdiction over school property of the School Entity shall do the following:
  - a) No later than thirty days prior to the deadline for submitting the annual report, the chief school administrator shall submit the report to the police department with jurisdiction over the relevant school property. The police department shall review the report and compare the data regarding criminal offenses and notification of law enforcement to determine its accuracy.
  - b) No later than fifteen days prior to the deadline for submitting the annual report, the police department shall notify the chief school administrator, in writing, whether the report accurately reflects police incident data. Where the police department determines that the report accurately reflects policy incident data, the chief of police shall sign the report. Where the police department determines that the report does not accurately reflect police incident data, the police department shall indicate any discrepancies between the report and police incident data.
  - c) Prior to submitting the annual report, the chief school administrator and the police department shall attempt to resolve discrepancies between the report and police incident data. Where a discrepancy remains unresolved, the police department shall notify the child school administrator and the office in writing.
  - d) Where a police department fails to take action as required under clause (a) or (b), the chief school administrator shall submit the annual report and indicate that the police department failed to take action as required under clause (a) or (b).

- f) Where there are discrepancies between the School Entity's incident data and the police incident data, the following shall occur:

The Pennsylvania State Police will contact the school superintendent to ensure that the discrepancy is resolved.

## **VI. Media Relations**

### **A. Release of Information**

1. The release of information concerning incidents reportable to the Law Enforcement Authority pursuant to the terms of this Memorandum shall be coordinated.
2. The parties shall release as much information as is allowable by law with due deliberation given to the investigative considerations and the need to limit disruptions to school functions and protect the privacy of the students and staff involved.

## **VII. General Provisions**

- A. This Memorandum is not intended to and does not create any contractual rights or obligations between the signatory Law Enforcement Authority, the signatory School Entity, any other signatory authorities or entities, or their respective officers, employees, agents or representatives.
- B. This Memorandum may be amended, expanded or modified at any time upon the written consent of the parties but in any event must be reviewed and re-executed within two years of the date of its original execution and every two years thereafter.
- C. In the event of changes in state or federal law which necessitate changes to this Memorandum, the parties shall collaborate to amend this Memorandum to assure compliance by the parties with state and federal requirements.
- D. All parties to this Memorandum will communicate fully and openly with each other in order to resolve any problems that may arise in the fulfillment of the terms of this Memorandum.

Dr. Hartzell,

Please accept this letter of resignation to the North East School Board effective Monday, January 30, 2023. My career has taken a direction that doesn't allow me to put the necessary time into NESB. It wouldn't be fair to the students, teachers, staff, and community to continue and not give my 100%.

Thank you,

MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, JANUARY 19, 2023**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:04 PM on Thursday, January 19, 2023, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Mobilia, Mr. Sucha and Mr. Wargo. Mr. Boyd, Mr. Cancilla and Mr. Riedel were excused. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Dr. Renne, Dr. Ritter and district solicitor Attorney Timothy Sennett. Administrators Mrs. Hodges, Mrs. Hathaway and Mr. Otis were present via remote connection. There were 10 visitors present in person and 3 members of the public logged in for remote participation.

The pledge of allegiance was recited.

Mr. Mobilia announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting concerning areas permissible under Act 84, including the current legal case between Erin Beckes et al. vs. the North East School District Board of School Directors docket number 90026-2002 in the Commonwealth Court of Appeals, and also school safety.

### SUPERINTENDENT'S REPORT

- Dr. Hartzell reported that the Superintendent's Advisory Council met on January 13, 2023. A legislative session was held prior to review the PA General Assembly Leadership. There was brief discussion on the 2023-24 state budget which is anticipated to be available later than usual with a new governor just taking office. They also discussed Act 55 requirements and flexible instructional days.
- The Erie County Technical School Professional Advisory Council met on January 6, 2023. North East currently has 95 students attending ECTS with a total enrollment of 787 students. The renovation project is behind schedule; director Mr. Tarasovich anticipates completion during the winter of 2023. The council also received the technical school's proposed budget for 2023-24 with a 3.12% increase, which would be approximately \$19,988 for North East School District.
- Night on Broadway will be held on Saturday, January 28, 2023 in the high school auditorium beginning at 7:00 p.m. The community is encouraged to come out and support this wonderful event.
- January is designated School Director Recognition Month. Dr. Hartzell took this opportunity to extend sincere thanks and appreciation to members of the board for their many hours of voluntary service in challenging and vital work on behalf of the district's students, schools, staff, and families. Board members were presented with certificates and handmade cards crafted and signed by hundreds of district students.

### BOARD REPORTS

- North East Recreation Commission – No Report
- Northwest Tri-County Intermediate Unit – Dr. Jane Blystone reported the following from the IU Board meeting of December 21, 2022:
  - The IU board participated in the annual live audit report. It was a clean report.
  - Normal financial reports and invoices were approved.
  - Several employee resignations and new hires were approved. Six new part-time positions were added in response to student needs. Dr. Blystone noted that there are not enough aides to fill all of these positions.
  - Revisions were approved to the Act 93 and non-bargaining supervisors' contracts.
  - Several MOU's and agreements were approved. Eight individuals were approved for contracted payroll, and six contracts were approved for purchased services.
  - Four board policies were reviewed in the process of first or second readings.
  - The Energy Consortium contract was approved for extension, and the accounting firm of Maher Duessel was approved to conduct the upcoming audit.
  - Three staff trips were approved as well as one student field trip.
  - The next meeting is scheduled for January 25, 2023.

PUBLIC PARTICIPATION

- Ms. Erin Beckes read a prepared statement listing several complaints against the district, many relative to the ongoing litigation between herself and the school district.
- Attorney Sennett explained that there can be no response from the district at the present time concerning matters which are currently in litigation. He also advised Ms. Beckes against making false and inaccurate statements in public session. Ms. Beckes interrupted several times while the attorney was speaking, prompting him to further advise of the proper protocol against continuing to speak out when someone else has the floor in public session.
- Mr. Ted Jones stated that Attorney Sennett’s remarks were absurd.
- Ms. Carolyn Brown requested that the district record board meetings.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 7:28 PM.

**NORTH EAST SCHOOL DISTRICT  
BOARD OF DIRECTORS**

**RESOLUTION**

*WHEREAS*, on June 27, 2006, the Pennsylvania legislature passed Act 1 of Special Session 2006, entitled the “Taxpayer Relief Act” (hereinafter “Act 1”);

*WHEREAS*, Act 1 restricts the local taxing power of all school districts located in the Commonwealth of Pennsylvania by imposing a back-end referendum requirement;

*WHEREAS*, this back-end referendum requirement is triggered if the local tax rate increase proposed by any board of school directors for the following fiscal year exceeds the “index” percentage established by the Pennsylvania Department of Education;

*WHEREAS*, in order to accommodate the deadlines necessitated by placing back-end referendum questions on the ballot, Act 1 requires the adoption of school district preliminary budgets no later than ninety (90) days prior to the date of the election immediately preceding the fiscal year in which the preliminary budget will take effect;

*WHEREAS*, Act 1 does, however, allow a board of school directors to elect to adopt a resolution indicating that it will not raise the rate of any tax for the support of the public schools for the following fiscal year by more than the index, provided this resolution must be adopted no later than 110 days prior to the date of the election immediately preceding the upcoming fiscal year;

*WHEREAS*, the North East School District Board of Directors has undergone a financial analysis and made the policy decision that it shall not raise the rate of any tax for the support of the North East School District for the 2023-2024 fiscal year by more than the “index.”

*AND NOW*, on this 19<sup>th</sup> day of January, 2023, it is hereby *RESOLVED* by the North East School District (hereinafter “District”) Board of Directors (hereinafter “Board”) the following:

1. The Board will not increase any school district tax for the 2023-2024 school year at a rate that exceeds the index as calculated by the Pennsylvania Department of Education.
2. The Board will comply with the procedures set forth in Section 687, 24 P.S. §6-687, of the Pennsylvania Public School Code (hereinafter “School Code”), for the adoption of its proposed and final budget.
3. The Board certifies that increasing any tax at a rate less than or equal to the index of 5.9% will be sufficient to balance its final budget for the 2023-2024 fiscal year.
4. The Administration of the District is directed to comply with the procedures of Section 687, 24 P.S. §6-687, of the School Code for the adoption of the District’s proposed and final budgets. The Administration, once this Resolution is passed, is not required to comply with the accelerated budget requirements set forth in paragraphs (a) and (c) of Section 311 of Act 1.

5. The Administration of the District is directed to submit the District's information of its proposed increase in the rate of a tax levied for the support of the District to the Pennsylvania Department of Education on the uniform form proposed by the Pennsylvania Department of Education no later than five days after the Board's adoption of this Resolution.
6. The Administration is directed to send a copy of this Resolution to the Pennsylvania Department of Education no later than five days after the Board's adoption of this Resolution.
7. The Board understands and agrees that by passing this Resolution it is waiving its right to seek exceptions to the back-end referendum requirements as set forth under Section 333(f) and Section 333(e) of Act 1 and is also waiving its right to request approval from the voters through a back-end referendum to approve an increase to the tax rate that is greater than the index as established for the 2023-2024 fiscal year.
8. The Board understands and agrees that, upon receipt of the information submitted by the District as set forth in paragraphs 5 and 6 above, the Pennsylvania Department of Education shall compare the District's proposed percentage increase in the rate of the tax with the index. Within ten days of the receipt of this information, the Pennsylvania Department of Education shall inform the District whether its proposed tax rate increase is less than or equal to the index. If the Pennsylvania Department of Education determines that the District's proposed increase in the rate of the District's tax exceeds the index, the District is subject to the accelerated preliminary budget requirements as set forth in paragraphs (a) and (c) of Section 311 of Act 1.

I HEREBY CERTIFY that the foregoing is a true and correct copy of a Resolution duly adopted by the affirmative vote of a majority of the members of the Board of School Directors of North East School District, Erie County, Pennsylvania, at a meeting held on January 19, 2023; that proper notice of such meeting was duly given as required by law; and that said Resolution has been duly recorded upon the Minutes of said Board of School Directors, showing how each member voted thereon.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of said School District this \_\_\_\_<sup>th</sup> day of \_\_\_\_\_, 2023.

(SEAL)

*This Board policy supports the Principles for Governance and Leadership adopted by the Board and signed by individual school directors.*

Pennsylvania school boards are committed to providing every student the opportunity to grow and achieve. Our actions, as elected and appointed board members, ultimately have both short and long-term impact in the classroom. Therefore, we pledge that we will . . .

#### **Lead Responsibly**

- Prepare for, attend and actively participate in board meetings
- Work together with civility and cooperation, respecting that individuals hold differing opinions and ideas
- Participate in professional development, training and board retreats
- Collaborate with the Superintendent, acknowledging their role as the 10th member of the board and commissioned officer of the Commonwealth

#### **Act Ethically**

- Never use the position for improper benefit to self or others
- Avoid actual or perceived conflicts of interest
- Recognize school directors do not possess any authority outside of the collective board
- Accept that when a board has made a decision, it is time to move forward collectively and constructively

#### **Plan Thoughtfully**

- Implement a collaborative strategic planning process
- Set annual goals that are aligned with comprehensive plans, recognizing the need to adapt as situations change
- Develop a comprehensive financial plan and master facilities plan that anticipates both short and long-term needs
- Allocate resources to effectively impact student success

#### **Evaluate Continuously**

- Make data-informed decisions
- Evaluate the Superintendent annually
- Conduct a board self-assessment on a recurring basis
- Focus on student growth and achievement
- Review effectiveness of all comprehensive and strategic plans

#### **Communicate Clearly**

- Promote open, honest and respectful dialogue among the board, staff and community
- Acknowledge and listen to varied input from all stakeholders
- Promote transparency while protecting necessary confidential matters
- Set expectations and guidelines for individual board member communication

#### **Advocate Earnestly**

- Promote public education as a keystone of our Commonwealth
- Engage the community by seeking input, building support networks, and generating action
- Champion public education by engaging local, state and federal officials

#### **Govern Effectively**

- Establish and adhere to an established set of rules and procedures for board operations
- Develop, adopt, revise and review policy routinely
- Align board decisions to policy ensuring compliance with the PA School Code and other local, state, and federal law
- Remain focused on the role of governance, effectively delegating management tasks to the administration

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, DECEMBER 15, 2022**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:04 PM on Thursday, December 15, 2022, with the following board members present: Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Riedel, Mr. Sucha and Mr. Wargo. Mrs. Abata and Mr. Mobilia were excused. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Mr. Garland, Mrs. Hathaway, and district solicitor Attorney Timothy Sennett. Administrator Dr. Ritter was present via remote connection. There were approximately 13 visitors present in person and 8 members of the public logged in for remote participation.

The pledge of allegiance was recited.

Dr. Blystone announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting for discussion of personnel items, the case of Erin Beckes v. North East School District, and other legal matters protected by attorney/client privilege.

AGENDA REVISIONS

Dr. Hartzell recommended that Business Item #10 on this evening's agenda be split into two separate motions as follows: Item #B10 will become a recommendation for the Board to reconsider the payment to D.A. Nolt which was originally included for action and declined at the public board meeting of November 17, 2022. An additional item #B11 will be added to the agenda for actual approval to pay this invoice.

**APPROVAL –  
Agenda Revisions**

In a motion by Mr. Sucha and second by Mr. Boyd to approve amend Business Item #10 to simply be a recommendation for the Board to reconsider the payment of \$209,743.68 to D.A. Nolt, and the addition of Business Item #11 recommendation to remit payment for this invoice, the Board, in a roll call vote, voted as follows: "Ayes" – Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Riedel, Mr. Sucha and Mr. Wargo. "Nays" – 0. Mrs. Abata and Mr. Mobilia were excused. Motion carried.

RECOGNITION OF STUDENTS and STAFF

- C.L.A.S.S. Act Student Nominees from North East High School were present along with their families to be congratulated for earning the honor of nomination for this prestigious award through IU5. Chloe Rotunda was the district's C.L.A.S.S. Act nominee for the month of November, and Zane Strong was the nominee for December. Assistant Principal Corey Garland spoke very highly of both students as they exemplify the best of the student population of North East High School.

REPORTS/PRESENTATIONS

- Mr. James Alexander of the auditing firm Buffamante Whipple Buttafaro, P.C. virtually presented findings from the independent audit of the North East School District for the school year ended June 30, 2022. The district's financial statements were found to be in accordance with accounting principles generally accepted in the United States of America. This was a clean audit with no matters of material weaknesses and no instances of noncompliance.
- Business Manager Mr. Jeffrey Fox followed the auditor's report with his annual year-end summary of actual to budget comparison, providing a brief explanation of major variances in revenues and expenses for the 2021-2022 school year. There were many one-time revenue variances during this school year, including debt refunding proceeds, ESSER funds relative to the pandemic, and insurance proceeds for wind damages to the roof.

In a motion by Mr. Boyd and second by Mr. Sucha to approve Additional Educational/Operational Functions Items #1&2, the Board, in a roll call vote, voted as follows: “Ayes” – Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Riedel, Mr. Sucha and Mr. Wargo. “Nays” – 0. Mrs. Abata and Mr. Mobilia were excused. Motion carried.

1. The Board approved the agreement between the North East School District and Group Cares – Workcamps for use of the North East High School facilities for a weeklong work camp during the summer of 2023. (Copy filed herein page/ref# 6203-A)
2. The Board approved North East School District’s athletic participation in the updated PIAA sports schedule for the Winter 2022-2023 season as attached. (Copy filed herein page/ref# 6203-B)

Dr. Hartzell reminded everyone once again that changes to the athletics schedules may be needed more frequently than usual this year due to the current shortage of available referees.

## 2023 School/Lodging Memorandum of Agreement

Group Cares, a non-profit 501 (c) (3) headquartered in Fort Collins Colorado, and North East School District

\_\_\_\_\_ agree to use  
*School District or Lodging Provider (hereafter named lodging provider)*  
North East High School \_\_\_\_\_ located in  
*Facility Name*  
1901 Freeport Road, North East, PA 16428 \_\_\_\_\_  
*City State*

to house up to 400 volunteers for a weeklong Workcamp in the summer of 2023. The participants will repair the homes of low-income residents, including the elderly and disabled. Also, the program will provide thousands of dollars in construction materials and up to 12,000 hours of volunteer labor during the camp.

### DATES AVAILABLE: Selected by the Lodging Provider and Administration.

The Lodging Provider authorizes use of the above facility during one of the following periods. Selection and notification of the date(s) will occur in May 2022: Please indicate 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> preferences. (**note: PLEASE select a minimum of 2 weeks from the list below**) **Sunday through Saturday:**

1st \_\_\_\_\_ June 18 - 24                      \_\_\_\_\_ July 2 - 8                      \_\_\_\_\_ July 16 - 22  
2nd \_\_\_\_\_ June 25 – July 1                      3rd \_\_\_\_\_ July 9 - 15                      \_\_\_\_\_ July 23 – 29

### Lodging Provider agrees to:

1. Allow Workcamp staff scheduled, limited access to the facility three to four days before the Workcamp for “set up.” Full access Friday before through the Saturday after camp week. Group Workcamps staff (approx. 4 people) will move into, occupy, and spend the night at the facility Friday and additional staff (approximately 15 people) will join them Saturday prior to camp start.
2. Allow Group Cares access to areas of the facility to include:
  - a. Large space for gathering – gym or auditorium.
  - b. Sleeping space – approximately 18,000 square feet in classrooms or other spaces, with separate spaces for staff.
  - c. Adequate showers or space identified nearby for outside trailers/tents, separate for males and females
  - d. Room for Workcamp staff office and room for Materials logistics, with keys available just for camp staff
  - e. Use of cafeteria for morning and evening meals and space for gathering lunch items in the morning
  - f. Indicate off limits areas during site visit with Group Cares Development team member
3. Food and Custodial Services:

\_\_\_\_\_ (check) In cases where food service is contracted to an outside source or vendor:  
• Provide contact information and general pricing of the outside source/vendor

  X   (check) In cases where Lodging Provider employs their own food service staff:

4. Employ food service staff at regular wage rates according to schedules agreed to with Group Cares. Wage rates should be provided to Group Cares no later than December 1, 2022.
5. Direct food service staff to follow Group Cares’ menus, serving schedules, and serving methods to prepare and serve 16 meals.
6. (6 breakfasts, 5 sack lunches, 5 dinners) Starting with dinner Sunday of camp ending with breakfast Saturday of camp, no dinner Wednesday (\*\*Remote location camps may have an additional dinner)
7. In cooperation with Group Cares staff, arrange for the purchase of all necessary food, food service items, beverages, and ice using the facility’s usual channels and vendors.
8. Receive, inventory, and store all food and food service items purchased for the Workcamp.
9. Inventory and return acceptable food items to vendors. Returns are credited to Group Cares.

10. Employ custodial staff at regular wage rates according to schedules agreed to with Group Cares. Wage rates should be provided to Group Cares no later than December 1, 2022.
  - a. Conduct pre-camp and post camp facility inspection (walkthrough) with the Group Cares staff
  - b. Provide and maintain a clean facility: cafeteria, gym, hallways, restrooms, locker rooms, shower areas, and common areas, ensuring that showers, shower drains, toilets, and sinks are in good working order.
  - c. Arrange for adequate trash disposal and removal during the camp week and after camp is complete
11. Provide a maintenance representative to remain "on call" as needed.
12. Waive building use fees charging only utility fees that result from the Workcamp operation, if necessary.
13. Submit all final requests for reimbursement within 30 days after the workcamp, and no later than September 1. Failure to do so, risks the lodging provider not being paid.

**Group Cares agrees to:**

1. Reimburse the Lodging Provider for:
  - a. Food service and custodial wages at regular wage rates. Group Cares will not pay for the time exceeding the agreed upon work schedule.
    - i. Group Cares cannot pay overtime rates or for additional benefits.
  - b. Food and food service items purchased and used for the Workcamp.
  - c. Supplies used during the Workcamp (such as paper towels, toilet paper, cleaning supplies, etc.).
  - d. Security personnel (if needed and only if required by Lodging Provider policy).
  - e. Reimburse the Lodging Provider within 30 days of receiving invoices
2. Provide liability insurance for personal injury and property damage incurred as the result of negligent or intentional acts of Group Cares representatives, staff, or volunteers.
3. Repair or replace property determined to be damaged during the Workcamp. It is uncommon for a facility to be damaged during a Workcamp. However, if it happens, Group Cares will resolve the matter to the mutual satisfaction of the Lodging Provider.
4. Inspect the condition of the facility with a representative before and after the Workcamp.
5. Provide professional staff to facilitate and supervise the Workcamp.
6. Draft separate contract for food arrangements if the Lodging Provider normally has external food service arrangements through a contracted agency as indicated above under FOOD SERVICE.
7. Pay only for actual utility and supplies costs incurred only as a result of Workcamp operation.

The Lodging Provider will not be responsible for negligent acts of Group Cares representatives, staff, or volunteers. No Lodging Provider representatives, staff, or volunteers will be considered employees, staff or volunteers of Group Cares. Group Cares will not be responsible for negligent acts of Lodging Provider representatives, staff, or volunteers. No Group Cares representatives, staff, or volunteers will be considered employees, staff or volunteers of the Lodging Provider.

**Authority.** By signing below, both Group Cares and Lodging Provider authority confirm this letter of application/agreement has been authorized by their governing boards (if applicable). Please sign this agreement and return it to our office. A signed copy will be forwarded once approved locations are finalized.

RECOGNITION OF STUDENTS and STAFF

- Several dozen members of the North East High School Marching Band were present, along with band staff, to be recognized for capturing their 11<sup>th</sup> Lakeshore Marching Band Association Class AAA Championship on Saturday, October 29, 2022. They also won the High Music and High General Effect caption awards. Both Dr. Renne and band director Mr. DeGrosky spoke regarding the sustaining excellence and success of the marching band, giving kudos to both the students and advisory staff.

SUPERINTENDENT’S REPORT

- Dr. Hartzell thanked the choral and band directors Mr. Heid and Mr. DeGrosky, and all of the North East band and choral students, for their participation in the North East community Light up the Night event which took place over the Thanksgiving break.
- North East School District will partner with the North East Banner Project and the North East Borough to display Veteran banners on the district’s campus. The Banner Project also provides scholarships to North East graduates entering the United States military. The district looks forward to this partnership and the opportunity to honor local veterans.
- A special thank you was extended to Mrs. Kelley Baumann for spearheading the collection of items at the Middle School to be donated to the ANNA Shelter. Eighth grade student and Girl Scout Olivia Elwell collected and brought in several donations for the Girl Scout initiative. All items were then presented to the ANNA Shelter. We are proud of their volunteerism in our community.

**SOLICITOR’S REPORT**

Attorney Sennett provided a report on legal action pending regarding Erin Beckes v. North East School District Erie County Docket 12712-2022 and Cross Appeal Erin Beckes et.al. v. Nicholas Mobilia et.al. 90026-2022. The action involves Ms. Beckes and petitioners who filed an initial lawsuit seeking to remove individual school board members from the board because of the steps taken to protect the health and safety of district students and staff during the covid pandemic. That case was a frivolous case, and as a result, the solicitor’s office sought to have the court require the petitioners to pay all of the attorneys’ fees for all parties in that case. Despite the order and opinion of Judge Marucci dismissing the case, the petitioners have now filed an appeal in the commonwealth court, and the solicitor’s office filed a cross-appeal seeking those attorneys’ fees.

At this point a separate action has now been filed by Ms. Beckes asserting a violation of the Sunshine Act as a result of the solicitor’s office filing of the cross appeal. However, the original case was brought against individual school board members and the school district was not a part of that case; thus, the Sunshine Act does not apply, and no board action is necessary to approve the filing of the cross appeal. The claim that the board violated the Sunshine Act is inaccurate and incorrect.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, DECEMBER 1, 2022**

Additionally, a review the Sunshine Act language itself will show that this act is not applicable to the filing of a cross appeal by the solicitor' office. The Sunshine Act defines agency business, to specifically exclude administrative actions. Administrative actions would include actions taken by the solicitor's office in matters of ongoing litigation. The solicitor's office was appointed by resolution of the board to represent the board on a broad spectrum of legal issues which includes all litigation. Thus, the solicitor's office has the overall responsibility for the legal affairs of the school district. As the appointed board solicitor, Attorney Sennett is authorized to take the necessary legal action to defend lawsuits and appeals and to take the necessary administrative actions to protect the interests of the school board members and the school district. In filing the cross appeal, the solicitor is protecting the school board members and has the authority to do so. The filing of a cross appeal in response to an appeal by the petitioner is an administrative action by the solicitor's office. No formal action by the school district is necessary because the school district is not a party in the case. In the resolution below, the board is asked to approve the administrative action of the solicitor's office filing of the cross appeal in the current case. It is simply a formality for the record.

**APPROVAL – Additional Educational/Operational Functions Items #1&2**      In a motion by Mr. Boyd and second by Mr. Cancilla to approve Additional Educational/Operational Functions Items #1&2, the Board, in a roll call vote, voted as follows: “Ayes” – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. “Nays” – 0. Motion carried.

1. The Board approved the names of Mr. Joseph Landa and Mr. Nathan Otis to be added to the district's Comprehensive Planning committee.
2. The Board approved the administrative action of the Solicitor's office in the filing of a Cross-Appeal in the Beckes et.al. v. North East School District Board of Directors individually listed within the Petition at Erie County Docket Number 90026-2022. (Copy filed herein page/ref# 6197-A)

PUBLIC PARTICIPATION

- Ms. Erin Beckes stood to express her personal views regarding perceived violations of the Sunshine Law by the North East School District solicitor and school board. She does not agree that the solicitor's office has the authority to file the cross appeal on behalf of the school district without a specific vote on the specific issue by the board in public session.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 7:32 PM.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, NOVEMBER 17, 2022**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, November 17, 2022, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Dr. Renne and Dr. Ritter, and district solicitor Attorney Timothy Sennett. Administrator Mr. Garland was present via remote connection. There were approximately 40 visitors present in person and five members of the public logged in for remote participation.

The pledge of allegiance was recited.

RECOGNITION OF STUDENTS and STAFF

- The Board was very pleased to present certificates to several students who were recognized for either athletic or academic achievements as follows:
  - NEHS Junior Anna Swan – 2<sup>nd</sup> Place in PIAA State Golf Championships
  - NEHS Senior Lucas Boyd – Four time qualifier for PIAA State Cross Country competition
  - NEHS Girls Volleyball team – District X Champions for the 2022-23 season
  - Ten (10) Second Grade students who earned Pride of the Principal Awards for the 1<sup>st</sup> Quarter

PUBLIC PARTICIPATION – AGENDA ITEMS ONLY

- Ms. Erin Beckes asked why the district doesn't hire more bus drivers and why her daughter has to be ready for the bus so early.

REPORTS/PRESENTATIONS

- Mr. Randy Fedei, Jr., Transportation Supervisor for the District, provided the annual status report of the Transportation Department with the goals of safety first and schedule second. He reviewed current staffing and route information for busing of approximately 1,263 students on a daily basis. In addition to home-to-school transportation, the department has also already provided busing for 170 extracurricular and athletic field trips to date this school year. This is a significant increase in the number of trips as compared to this same time last year. New for this school year is the FirstNet communication system between drivers and district offices, and also two new Ford Transit Vans which were recently added to the fleet.

Dr. Hartzell, Mr. Boyd and Mr. Wargo all remarked on the great job that Mr. Fedei is doing as transportation supervisor and thanked him for his hard work. Mr. Mobilia asked how the Detroit motors are working out that were purchased last year. Mr. Fedei responded that they are working well for our district but he believes that may be discontinued by the vendor for any future purchases.

SUPERINTENDENT'S REPORT

- Dr. Hartzell thanked all of the students and advisors involved in the high school's recent production of *Alice in Wonderland*. It was an excellent performance and enjoyed by all. She also shared that there was a great turnout for the annual Veterans Day observance at the flagpole on November 11<sup>th</sup>.

Mr. Cancilla asked how the lockdown drill went today, and Dr. Hartzell said that it went well. She will debrief with the administrative team tomorrow morning and will share more information with the board following that meeting.

**RESOLUTION**

**A RESOLUTION OF THE GOVERNING BOARD OF** NORTH EAST SD,  
ERIE COUNTY, PENNSYLVANIA, AUTHORIZING, EMPOWERING AND  
DIRECTING THE PROPER OFFICERS OF THE GOVERNING BOARD TO APPOINT A  
LIAISON BETWEEN IT AND BERKHEIMER, THE DULY APPOINTED COLLECTOR OF  
LOCAL TAXES FOR THE DISTRICT, FOR THE EXPRESS PURPOSE OF SHARING  
CONFIDENTIAL TAX INFORMATION WITH THE DISTRICT FOR OFFICIAL PURPOSES.

**WHEREAS**, Act No. 511 of the 1965 General Assembly of the Commonwealth of Pennsylvania (53 P.S. §6901 et seq.), enacted December 31, 1965, and effective January 1, 1966, authorizes certain political subdivisions, including NORTH EAST SD, ERIE COUNTY, to provide for the creation of such bureaus or the appointment and compensation of such officers, clerks, collectors and other assistants and employees as may be deemed necessary for the assessment and collection of taxes imposed under the authority of that Act; and

**WHEREAS**, NORTH EAST SD, ERIE COUNTY, has entered into contractual agreement with **BERKHEIMER** of Bangor, Pennsylvania, whereby and whereunder NORTH EAST SD appointed Berkheimer to collect **certain local taxes**; and

**WHEREAS**, said Act 511 specifically mandates that any information gained by the appointed tax officer, his agents or by any other official or agent of the taxing district, as a result of any declarations, returns, investigations, hearings or verifications required or authorized by the taxing municipality's ordinance or resolution, be kept confidential, except for official purposes; and

**WHEREAS**, any person who divulges any information which is confidential under the provisions of any ordinance or resolution, upon conviction may be subject to fines and/or imprisonment, upon conviction, and dismissal from office or discharge from employment; and

**WHEREAS**, Berkheimer requires passage of a resolution by the governing body of NORTH EAST SD, ERIE COUNTY specifying that said confidential information is needed for official purposes and absolving Berkheimer from any liability in connection with the release of said confidential information;

**NOW, THEREFORE, BE IT RESOLVED** that:

1. NORTH EAST SD, ERIE COUNTY hereby **appoints** BUSINESS MANAGER & FINANCIAL ADMINISTRATIVE ASSISTANT as its **authorized representative to make** requests upon and receive any and all tax information and records **from Berkheimer**, relative to the collection of taxes for NORTH EAST SD, as desired and deemed necessary by NORTH EAST SD, to be used for official purposes only; and

2. Berkheimer is hereby directed to provide and/or transmit any and all tax information and records, or any portion thereof, relating to the collection of taxes for the NORTH EAST SD, upon request, to BUSINESS MANAGER & FINANCIAL ADMINISTRATIVE ASSISTANT as the authorized contact representative for it.

3. NORTH EAST SD, ERIE COUNTY hereby saves harmless, indemnifies and/or absolves Berkheimer from and against any and all liability in connection with the release of said confidential information.

**RESOLVED, ENACTED AND ADOPTED** at a meeting held on the 17TH day of NOVEMBER, 2022.

## Parent/Guardian Transportation Contract

It is hereby agreed between the North East School District, hereinafter referred to as "District," and [REDACTED], hereinafter referred to as "Parent/Guardian", that said Parent/Guardian of the following pupil(s): [REDACTED], agrees to provide transportation to and from [REDACTED] within the Fort LeBoeuf School District to North East High School, 1901 Freeport Road, North East, PA and North East Middle School, 1903 Freeport Road, North East, PA within the North East School District.

In accepting this contract, said Parent/Guardian agrees to hold and save District harmless from and against any and all actions or causes of action, claims, demands, liabilities, loss, damage or expense of any kind related to the transporting of the pupil(s) to and from school.

District agrees to reimburse Parent/Guardian at the federal standard mileage rate for business (\$.625 per mile) equal to the mileage to and from the school and residence at a rate of 36.6 miles for each morning trip and 36.6 miles for each afternoon trip on the days that the pupil or pupils are in attendance. Parent/Guardians assume responsibility for ensuring that their child(ren) are in school each day. Total payment will not exceed \$3065.25 and progress payments will be made quarterly upon confirmation of number of days in attendance and trips transported.

This contract is effective as of Tuesday, August 30, 2022 and is terminated at the earlier of District provided transportation, change in student enrollment or Wednesday, December 8, 2022.

### INTRODUCTION

A further refinement into the modern programming in the field of computer science, with an emphasis on helping students develop logical thinking and problem-solving skills. Students will explore the concepts of code refactoring and reuse through the introduction of object-oriented programming. Like Computer Science A, Computer Science B will continue to use JavaScript as the main primary coding language which will allow for a seamless transition in the sequence. This course was designed in part by [CodeHS](#) (website / curriculum) and the [CSTA K-12 Computer Science Standards](#). These standards were adopted by [PDE in 2018](#).

1. The CSTA K-12 Computer Science Standards delineate a core set of learning objectives designed to provide the foundation for a complete computer science curriculum as computer science and the technologies it enables rest at the heart of our economy and the way we live our lives.
2. Through a curriculum supported by the CSTA K-12 Computer Science Standards, students can learn new approaches to problem-solving with computational thinking. States, districts, and organizations can use the CSTA K-12 Computer Science Standards as the primary set of learning objectives or as a framework to build their own computer science pathways and sets of standards.
3. Computer Science A is a pre-requirement of this course.

**NORTH EAST SCHOOL DISTRICT**  
**MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS**  
**THURSDAY, NOVEMBER 3, 2022**

**6180**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, November 3, 2022, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Mr. Garland, Mr. Otis, Dr. Renne and Dr. Ritter, and district solicitor Attorney Timothy Sennett. Administrator Mrs. Hodges was present via remote connection. There were approximately 53 visitors present in person and 7 members of the public logged in for remote participation.

The pledge of allegiance was recited.

Mr. Mobilia announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting concerning areas permissible under Act 84 which include confidentiality issues protected by law, student issues, personnel, legal matters, and other matters relevant to the operation of the district.

RECOGNITION OF STUDENTS and STAFF

- A Moment of silence was observed at this time in recognition of Veterans Day coming up next week.
- Student Recognition – NEHS senior Owen Kemp was introduced by boys' golf coach Troy Hassenplug and honored for earning participation in the PIAA state golf championships this fall. Additionally, a large number of third and fourth grade students were in attendance with their families and received certificates as members of the 2022 Erie County Youth Football League championship team. Team coaches were Chris Galloway and Jason Locke.

SUPERINTENDENT'S REPORT

- Dr. Hartzell reported that a group of high school students recently visited the Flight 93 Memorial in Shanksville, PA. The memorial is dedicated to the heroism of the passengers who lost their lives during 911.
- Several high school students participated in the annual Pennsylvania School Press Association (PSPA) Journalism competition at Penn State Behrend this past weekend. They competed in the spread and design categories for yearbook. Winners will be announced in December.
- The Annual Title I dinner was hosted on Thursday, October 13<sup>th</sup> with over 112 students and parents in attendance to hear an overview of the opportunities available to children through this program. Families enjoyed a light dinner and the children received pumpkins from Burch Farms and books from Hooked on Books. Thank you to everyone who helped to make this a successful event.
- A brief video was shown highlighting the new C.L.A.S.S. scholarship being given through the IU each month during the 2022-23 school year. C.L.A.S.S. stands for Character, Leadership, Attitude, Service, and Selflessness or strive for excellence or self-awareness or self-reliance. The purpose of the C.L.A.S.S. Act Emerging Leader project is to promote bright, well-rounded, publicly educated students. In addition, the goal is to inspire publicly educated students to continue their education and become self-reliant, productive, caring, whole citizens. North East School District's October nominee for this award is Miss Cadence Hall, a junior at North East High School. Cadence is involved with multiple clubs and organizations and is also a service learning student, tasked with updating and maintaining the slides presented on the video bulletin boards displayed around the high school. She is doing a phenomenal job assisting with communication at the high school. She is compassionate, honest, trustworthy, responsible, and an always-smiling optimist. She is respectful to everyone in the building and exhibits a maturity beyond her years. Cadence was present to receive a certificate for her nomination. We are very proud to select her as our October nominee for this well-deserved award.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, NOVEMBER 3, 2022**

- As reported by Coach Dave Wedzik, the Boys' Soccer team finished a very successful season with an outstanding record of 11-5-2 in a very difficult region. The boys showed personal growth and resiliency throughout the year. There are big expectations for the team in 2023!
- As reported by Girls' Soccer coach Josh Richardson, the girls finished this season with 12 wins and 7 losses. This was their second playoff appearance and first winning record in seven years. The commitment, leadership and dedication that these young ladies have shown for their teammates and the game of soccer will allow this program to continue its success in the years to come.
- Middle school Girls' Basketball coach Andrew Cole reported that their season concluded very successfully this past weekend with the girls winning the championship at the season-end tournament hosted by Seneca. The teams earned a combined record of 22-14 due to the hard work and dedication of these 12 girls.
- Congratulations to the North East School District Marching Band who are now eleven time LMBA champions! A special thank you was extended to Mr. DeGrosky and all of the band staff, volunteers and parents. The marching band will be recognized during the December 1<sup>st</sup> board meeting.
- Congratulations to the North East Girls' Volleyball team who are this year's regional champions. The team will compete for the District 10 Championship at noon this Saturday, November 5<sup>th</sup> at the Hagerty Event Center in Erie.

#### BOARD REPORTS

##### ➤ North East Recreation Commission

- Mr. Wargo reported that the Rec Commission met on October 27th.
- Nate Walters is hoping to head up an 8-week indoor basketball program this winter, exact dates TBD.
- Jonathan Currier is considering offering swim lessons in April. Just a reminder that lap swimming in the pool is available to the public on Monday and Wednesday evenings from 6:00 to 7:30 p.m.
- A new website is in the works for the Rec Commission.
- Next meeting will be in January 2023.

##### ➤ Northwest Tri-County Intermediate Unit

- Dr. Blystone thanked the I.U. for creating the C.L.A.S.S. Act Emerging Leadership opportunity. Over the course of the year, 153 students will be nominated and one will win a very nice scholarship at the end of the year.
- The IU recently had to purchase two new HVAC units. Several personnel items were approved and one job description was updated, as is the custom whenever a vacancy occurs. The board acknowledged a first reading of changes to policy 600 regarding investment of funds. Mr. Whitman was approved to represent the region at a meeting of the Interstate Migrant Education Council.
- Next meeting in December.

##### ➤ Erie County Technical School

- Mr. Boyd reported normal business as usual at the tech school board meeting.
- Board members received a tour of the facility to view the progress of the renovation project.
- North East freshmen toured the technical school earlier this week.

##### ➤ School Health Council – No Report

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, NOVEMBER 3, 2022**

CURRICULUM

- Dr. Renne provided a general overview of educational goals listed in the proposed curriculum map for Part B of the Computer Science elective that was introduced at North East High School during the current school year. Administration has received a lot of positive feedback regarding the introductory course, with seats maxed out for this year. If approved, this would be the second in a projected series of three computer coding courses offered for high school students. Dr. Renne answered questions from the board regarding scheduling of students who may transfer in with some previous subject knowledge. The board will be asked to consider approval of the new Computer Science – Part B course at the next meeting.

**APPROVAL –  
Additional  
Educational/  
Operational  
Functions  
Items #1&2**

In a motion by Mr. Boyd and second by Mr. Sucha to approve Additional Educational/Operational Function Items# 1&2, the Board, in a roll call vote, voted as follows: “Ayes” – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. “Nays” – 0. Motion carried.

1. The Board approved North East School District’s athletic participation in the attached PIAA sports schedule for the Winter 2022-2023 season. (Copy filed herein page/ref# 6185-A)
2. The Board approved the attached Resolution as required by Act 57 of 2022 to waive additional charges for real estate taxes in the event of circumstances as detailed in the resolution. (Copy filed herein page/ref# 6185-B)

Dr. Hartzell said that with the shortage of referees this year, there would likely be additional changes needed to the Winter PIAA schedule.

A scheduled public board discussion took place at this time regarding the request received from a small group of students for possible addition of a PIAA Boys Volleyball team. Dr. Renne provided background information regarding the request and participation numbers that would be needed. He also outlined possible options for participation, explaining that while it is not an easy process to start up a PIAA sport in general, this team would be very difficult to start up at this point in the current school year. The cost for addition of a boys’ volleyball team would be just over \$14,000 which was not included in the budget for the current school year. Discussion took place regarding scheduling and transportation logistics as well as any possibly coop agreements with other districts.

ITEMS FOR FUTURE PRESENTATION, DISCUSSION, AND/OR BOARD ACTION

## NORTH EAST SCHOOL DISTRICT

### RESOLUTION

WHEREAS, Act 57 of 2022 provides the failure to receive a tax notice shall not relieve any taxpayer from payment of the taxes imposed by any tax district and such taxpayer shall be charged with their taxes as though the tax notice was received; and

WHEREAS, Act 57 of 2022 requires all taxing districts in the Commonwealth of Pennsylvania to pass a resolution directing their tax collector/s to waive additional charges for real estate taxes if/when a taxpayer does certain things, enumerated below, beginning in the first year after the effective date of Act 57 (which is October 9, 2022) or the 2023 tax year.

AND NOW, on this 3<sup>rd</sup> day of November, 2022, with this Resolution, the North East School District is hereby directing all of its tax collectors – which shall include delinquent tax collectors, the tax claim bureau or an alternative collector of taxes as provided in Pennsylvania’s Real Estate Tax Sale Law, employees, agents or assignees authorized to collect real estate taxes, a purchaser of claim for the real estate tax or any other person authorized by law or contract to secure the collection of, or take any action at law or in equity against, the person or property of the taxpayer for the real estate tax or amounts, liens or claims derived from the real estate tax – to do the following:

1. The tax collectors shall waive additional charges for real estate taxes if the taxpayer does all of the following:
  - a. Provides a waiver request of additional charges to the tax collector in possession of the claim within twelve months of a “qualifying event.”
    - 1) An “additional charge” means any interest, fee, penalty or charge accruing to and in excess of the face amount of the real estate tax as provided in the real estate tax notice.
    - 2) A “qualifying event” means (i) for purposes of real property, the date of transfer of ownership; (ii) for purposes of manufactured or mobile homes, the date of transfer of ownership or the date is lease agreement commences for the original location or relocation of a mobile or manufactured home on a parcel of land not owned by the owner of the mobile or manufactured home. The term does not include the renewal of a lease for the same location.
  - b. Attests that the tax notice was not received.
  - c. Provides the tax collector in possession of the claim with one of the following:
    - 1) A copy of the deed showing the date of real property transfer; or
    - 2) A copy of the title following the acquisition of a mobile or manufactured home subject to taxation as real estate showing the date of issuance or a copy of an executed lease agreement between the owner of a mobile or

manufactured home and the owner of a parcel of land on which the mobile or manufactured home will be situated showing the date the lease commences.

- d. Pays the face value amount of the tax notice for the real estate tax with the waiver request.
- 2. The tax collectors shall utilize the form created by the Department of Community and Economic Development by which a taxpayer may request a waiver of additional charges, which form will include a space for attestation by the taxpayer.

**MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS**  
**THURSDAY, OCTOBER 20, 2022**

**6174**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, October 20, 2022, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Mobilia, Mr. Sucha and Mr. Wargo. Mr. Cancilla was present via remote connection. Mr. Boyd and Mr. Riedel were excused. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Garland, Mrs. Hathaway and Dr. Ritter, and district solicitor Attorney Timothy Sennett. Administrators Mr. Emick and Dr. Renne were present via remote connection. There were 12 visitors present in person and 4 members of the public logged in for remote participation.

The pledge of allegiance was recited.

Mr. Mobilia announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting concerning areas permissible under Act 84 which include confidentiality issues protected by law, student issues, personnel, legal matters, and other matters relevant to the operation of the district.

**PUBLIC PARTICIPATION – AGENDA ITEMS ONLY**

- Ms. Erin Beckes had questions about where to access online backup documents for the meeting agenda and why there would be a need for a voting separation. Her questions were addressed at the beginning of the voting portion of this meeting.

**SUPERINTENDENT'S REPORT**

- Dr. Hartzell reviewed the district's mission statement and reported that the Portrait of a Graduate initiative is part of the goals of Vision 2027. Assistant high school Principal Corey Garland is a member of the steering committee for this initiative. He explained that the purpose of this collaboration is to clearly define the knowledge, skills and attributes that a high school graduate should possess to be ready for postsecondary education, technical training, careers, military, and life. Input from business owners has already been very helpful to this initiative and a good reminder to students of other options in addition to the college path. Student Carter Fox feels this will have a great effect for many students and help steer them in the right direction. Mr. Mobilia added that this was a very impressive event. The district is proud to have Carter represent us and appreciates the information that he has already provided from a student perspective.

Dr. Hartzell further shared that school districts in Erie, Crawford and Warren counties have joined together to establish the Northwest PA C.L.A.S.S. Act Emergent Leader Award. C.L.A.S.S. stands for Character, Leadership, Attitude, Service, Selfless or Strive for excellence, self-awareness or self-reliance. The purpose of this project is to promote bright, well-rounded, publicly educated students and to inspire students to continue their education and become self-reliant, productive, caring, whole citizens. Each participating district will submit one student nominee each month throughout the school year and a credentialed committee will select one student to be awarded a scholarship. Mr. Garland was very proud to announce that the September nominee from North East School District is Carter Fox.

**BOARD REPORTS**

- North East Recreation Commission – No Report
- Northwest Tri-County Intermediate Unit – No Report

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, OCTOBER 20, 2022**

- Erie County Technical School – No Report
- School Health Council – Mrs. Abata reported the following from the Health Council meeting of October 20, 2022:
  - The committee briefly reviewed events from the Family Fitness Day that occurred in May of 2022. They would like to offer this event again for the coming spring. Promotion of the event will begin earlier in an attempt to increase participation.
  - Jessica Glenn from IU5 attended the meeting to share information regarding the IU5 ELECT program which provides support to any students finding themselves in a pregnancy and/or parenting situation. This program is open to both male and female students as well as parents of those students in need of assistance. Additional information is available in the school health rooms.
  - School nurses are reporting that RSV and other viruses continue to be in the high range at this time.

**APPROVAL – Minutes- Regular Meeting of October 6, 2022** In a motion by Mr. Wargo and second by Dr. Blystone to approve the minutes of the Regular Meeting of October 6, 2022, the Board, in a voice vote, voted as follows: “Ayes” – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Cancilla, Mr. Mobilia, Mr. Sucha and Mr. Wargo. “Nays” – 0. Mr. Boyd and Mr. Riedel were excused. Motion carried.

At this time the school website was pulled up on the screen and Mr. Fox pointed out the link where corresponding backup documentation for the meeting agenda may be accessed. This link is located directly underneath the link for the meeting agenda. Full agendas and links are posted online a minimum of 24 hours prior to each public meeting as required by law. He also explained the legal requirement for board members to abstain from voting on items which contain a conflict of interest either due to personal or business connections with the district.

**NORTH EAST SCHOOL DISTRICT**  
**MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS**  
**THURSDAY, OCTOBER 6, 2022**

**6168**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, October 6, 2022, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Cancilla, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Mrs. Hodges, Mr. Otis and Dr. Ritter, and district solicitor Attorney Timothy Sennett. Administrator Mr. Garland was present via remote connection. There were eight visitors present in person and eight members of the public logged in for remote participation.

The pledge of allegiance was recited.

Mr. Mobilia announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting concerning areas permissible under Act 84 which include confidentiality issues protected by law, student issues, personnel, legal matters, and other matters relevant to the operation of the district.

#### AGENDA REVISIONS

Dr. Hartzell announced the removal of Personnel item #11 from this evening's agenda, which was a proposed Memorandum of Agreement between the District and the North East Education Support Professionals union.

#### SUPERINTENDENT'S REPORT

- Dr. Hartzell shared that local superintendents had met with Acting Secretary of Education Eric Hagarty at a question and answer session hosted by IU5. Great conversation took place regarding the educational challenges currently being faced by school districts in the tri-county area.
- North East School District received official confirmation from the Department of Education that the district met compliance requirements for special education evaluation timelines in fiscal year 2020. Therefore, no additional reporting to the Bureau of Special Education (BSE) is required at this time.
- Dr. Hartzell publicly thanked the employees of Port Erie Plastics for their recent contribution of a large number of supplies for district students. We are grateful for their thoughtful and generous donation.
- North East School District will be working with the Veteran's Banner Project to display veteran banners on the North East campus. The banners on campus would include graduates of North East School District that have served or are currently serving in the armed forces. More information will be forthcoming.

#### BOARD REPORTS

- North East Recreation Commission – No Report
- Northwest Tri-County Intermediate Unit – Dr. Jane Blystone shared the following from the IU Board meeting of September 28, 2022:
  - A copy of the annual report was received and has been shared with Mr. Fox if anyone would like to review it.
  - A tree fell on the new storage building; damage is being repaired by the builder. Both parking lots need to be milled and resurfaced due to age and state of deterioration.
  - The board approved the investment report and several bills.
  - The board was apprised of the failure of part of the HVAC system that has been replaced since that meeting.
  - Several personnel items were approved and three job descriptions were revised.
  - Contracted rates were revised for the 2022-2023 school year.
  - Several MOU's, agreements and service purchase contracts were approved.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, OCTOBER 6, 2022**

- Erie County Technical School – Mr. Boyd reported normal business as usual at the ECTS board meeting of September 22<sup>nd</sup>. Exemplary students were recognized, which is always good to see. The technical school has produced a new course catalog which is available on their website, and also a new coloring book geared for students in third grade. There are currently 804 students enrolled, which is an increase of 80 from last year, and nine courses are at 90% capacity this term. In response to a board question, Dr. Hartzell confirmed that North East has 94 students attending ECTS this fall. Mr. Boyd said that he explained North East board members’ denial of the proposed land sale resolution and a good discussion took place.
- School Health Council – No Report

PUBLIC PARTICIPATION

Mr. Michael Mazur stood to express concern for student safety relative to odor from the ongoing roofing project at the Elementary Center. Mr. Fox responded with a brief explanation of the cold tar process and said that they should be wrapping up this phase of the repairs this evening. They will then be moving on to metal work which does not produce any odor. Dr. Hartzell added that a cleaning service has brought in for odor mitigation.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 7:18 PM.

**MEMORANDUM OF UNDERSTANDING (“MOU”)**

**BETWEEN**

**NORTH EAST SCHOOL DISTRICT (“DISTRICT”)**

**AND**

**INTERNATIONAL UNION OF OPERATING ENGINEERS (“IUOE”)**

WHEREAS, the District and the Association are parties to a collective bargaining agreement with a term of July 1, 2021 through June 30, 2025 (“CBA”);

WHEREAS, pursuant to Article XV, Section A of the CBA, Custodians employees’ hourly rates are based on qualifications and hiring date;

WHEREAS, the District is currently experiencing a high rate of turnover in Custodians;

WHEREAS, In an effort to stabilize the aforementioned positions for 2022-23 and subsequent years through June 30, 2025, the District has proposed eliminating the hourly rate for part time custodians hired after July 1, 2017 and utilizing only the part time custodian hired before July 1, 2017 effective October 10, 2022; increasing the full time custodians hired after January 1, 2010 hourly rate by \$1.00 per hour effective October 10, 2022; and;

WHEREAS, the parties agree that the increase of hourly rates in these positions will be a benefit to the affected employees and the District.

NOW, THEREFORE, in consideration of the mutual promises and obligations contained herein, the parties agree as follows:

1. Effective upon the execution of this Agreement, the following wage rates shall be in effect for part time custodians:

|                                  |              |
|----------------------------------|--------------|
| 2022-2023 (effective 10/10/2022) | \$14.61/hour |
| 2023-2024                        | \$14.94/hour |
| 2024-2025                        | \$15.24/hour |

2. Effective upon the execution of this Agreement, the following wage rates shall be in effect for full time custodians hired after January 1, 2010:

|                                  |              |
|----------------------------------|--------------|
| 2022-2023 (effective 10/10/2022) | \$16.04/hour |
| 2023-2024                        | \$16.38/hour |
| 2024-2025                        | \$16.69/hour |

3. This Agreement shall not alter the terms of the CBA, except as set forth herein.

4. This Agreement is effective upon its execution and shall remain valid through the 2024-2025 school year. The parties agree to revisit this Agreement and continuation of the new positions during negotiations over a successor CBA.

5. Except as it relates to the specific positions created herein, this Agreement shall not constitute practice or precedent for future cases or other positions, regardless of the similarity of the circumstances.

Executed by the parties this 6<sup>th</sup> day of October 2022, intending to be legally bound.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, SEPTEMBER 15, 2022**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, September 15, 2022, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Mr. Cancilla was excused. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Garland, Mrs. Hodges and Dr. Ritter and district solicitor Attorney Timothy Sennett. Administrators Mrs. Hathaway and Mr. Otis were present via remote connection. There were three visitors present in person and three members of the public logged in for remote participation.

The pledge of allegiance was recited.

Mr. Mobilia announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting concerning areas permissible under Act 84 which include confidentiality issues protected by law, student issues, personnel, legal matters, and other matters relevant to the operation of the district.

#### AGENDA REVISIONS

- Dr. Hartzell shared that while there are no additions or deletions to the agenda, there was an update made to the expenses listed in Staff Travel Request #1.

#### SUPERINTENDENT'S REPORT

- Dr. Hartzell began her report with a reminder that this past Sunday marked the 21<sup>st</sup> Anniversary of the terror attacks of 9/11. A moment of silence was observed at this time to remember the families of those who perished as well as for our military who continue to defend the United States of America.
- The Erie County Pathways Alliance, in collaboration with community stakeholders, families and students, representatives of business and industry, and postsecondary education partners, has been working in a county-wide initiative to create a "Profile of a Graduate". This profile will provide a clear explanation of the knowledge, skills and attributes that high school graduates will possess in order to be prepared for postsecondary education and training, careers, and life. The district has been working with the National Center for College and Career Transitions through our Erie Together partnership. Dr. Hartzell is part of the leadership, workgroups and steering committees; Dr. Renne and Mr. Garland are part of the steering committee. We look forward to this county-wide initiative.
- A College Financial Aid night will be held in the high school cafeteria on Monday evening, September 19<sup>th</sup> beginning at 6:00 p.m.
- Our schools will celebrate spirit week September 26-30 in preparation for the Homecoming game on Friday, September 30<sup>th</sup> against Conneaut. The Homecoming dance will be held on Saturday, October 1<sup>st</sup>. We hope to see our families at Homecoming and the community is invited to come out and support all of the district's extra-curricular events.
- One of the Vision 2027 priorities is Goal 4: Communication, Community Outreach & Partnerships. Mr. Corey Garland, assistant principal at North East School District, was introduced at this time. Mr. Garland provided a brief overview of how the high school has begun to implement some of the Goal 4 strategies with a biweekly digital publication on YouTube entitled "The Picker Press" and also by publishing a running log of the high school's daily announcements on the district website. In response to a security question from the board, Mr. Garland explained that while everyone can view the YouTube site, the only individuals with access to post on the site at this time are the high school administrators and one high school building secretary.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, SEPTEMBER 15, 2022**

With recommendation for approval of the North East School District's 2022-23 Pandemic Health & Safety Plan, Dr. Hartzell announced that two minor amendments had been made to this plan in board discussion just prior to this evening's meeting.

**APPROVAL –  
Pandemic Health &  
Safety Plan for  
2022-23**

In a motion by Dr. Blystone and second by Mr. Sucha to approve the North East School District Pandemic Health and Safety Plan for 2022-2023, the Board, in a roll call vote, voted as follows: "Ayes" – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. "Nays" – 0. Mr. Cancilla was excused. Motion carried. (Copy filed herein page/ref# 6166-A)

**APPROVAL –  
SAP/Mental Health  
Services Agreement**

In a motion by Mr. Wargo and second by Mr. Riedel to approve the attached agreement between the Achievement Center and the North East School District for SAP/Mental Health Services for the 2022-2023 school year, the Board, in a roll call vote, voted as follows: "Ayes" – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. "Nays" – 0. Mr. Cancilla was excused. Motion carried. This agreement will be funded by the Erie County Department of Health. (Copy filed herein page/ref# 6166-B)

**FAILED –  
Erie County  
Technical School  
Property Sale  
Resolution**

In a motion by Mr. Behnken and second by Mr. Sucha to approve a resolution for the sale of property owned by the Erie County Technical School, the Board, in a roll call vote, voted as follows: "Ayes" – 0. "Nays" – Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Mr. Cancilla was excused. Motion failed.

Mr. Mobilia thanked everyone for the good discussion on the technical school's property sale resolution. Mr. Sucha felt it was important to note that while the board opposed the sale of the property at the current time, they may be willing to reconsider this issue in the future.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, SEPTEMBER 15, 2022**

Attorney Sennett announced that the district has received Judge Connelly Marucci's decision to dismiss the lawsuit filed against the school board with regard to masks in schools. The suit has been dismissed with prejudice, meaning that it cannot be re-filed. Judge Connelly Marucci ruled that the school board does have the discretion to require masks. Based upon Supreme Court decisions dating as far back as 1874, it is the role of the school board to determine district policies with regard to the health and safety of its students. The North East Board of School Directors did act appropriately, making decisions which were felt to be in the best interest of the district's students, and can feel very good about this. Mr. Mobilia thanked Attorney Sennett for his guidance in this matter. Mr. Sucha stated that North East residents should be aware of the cost of this frivolous lawsuit to taxpayers.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 7:24 PM.

## English/Language Arts

### Kindergarten

## INTRODUCTION

The competencies for language arts literacy capture language experiences each child needs in order to grow intellectually, socially, and emotionally in and out of school. Literacy is a way to acquire knowledge for thinking and communicating. Literacy is also recognizing and understanding one's own purposes for thinking and communicating (through print or non-print, verbal or non-verbal means). It also includes being able to use one's own resources to achieve those purposes. When children learn to read, write, speak, and listen critically, strategically, and creatively, they will begin to develop the literacy skills they will need to discover personal and shared meaning throughout his life. The following kindergarten maps demonstrate these foundational skills.

### **English/Language Arts - Long Term Transfer Goals**

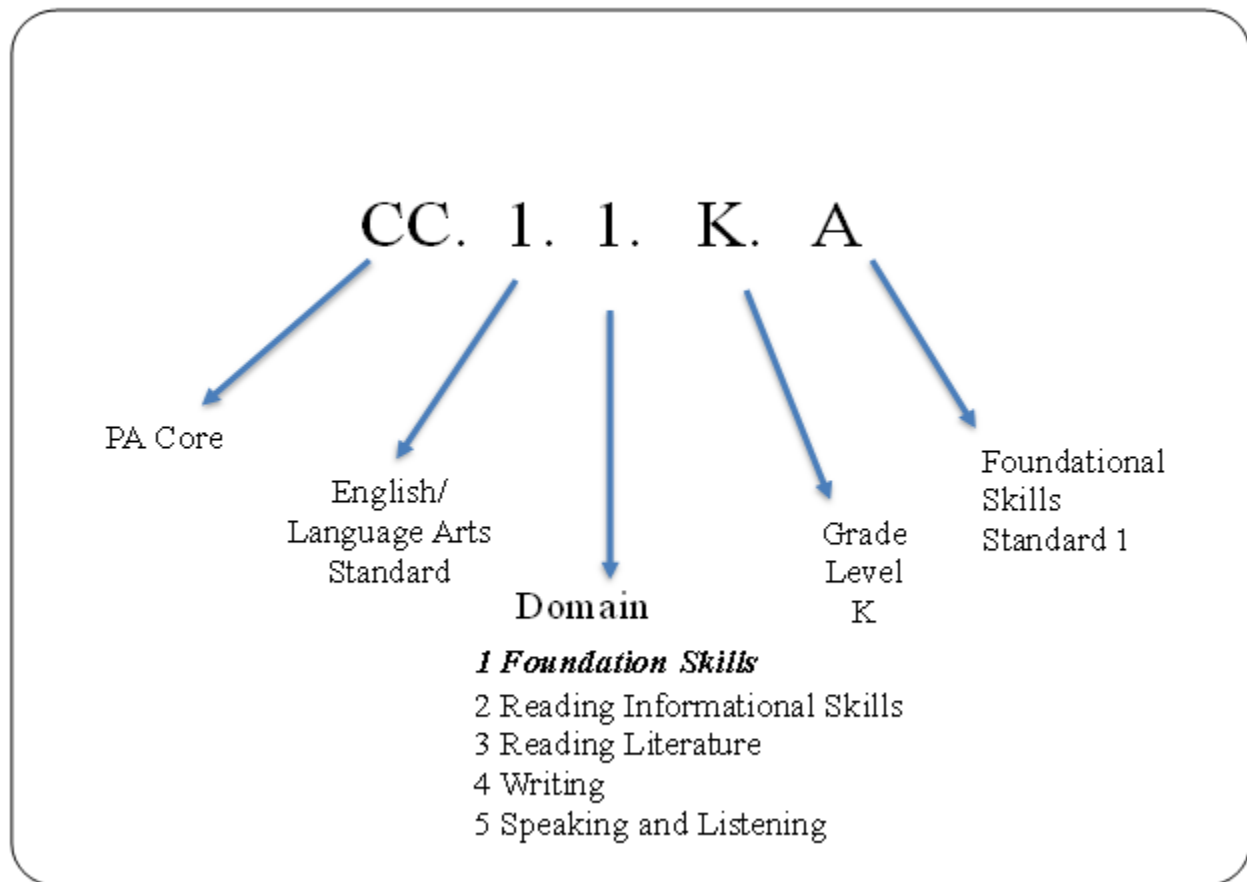

North East School District has adopted Pennsylvania Department of Education's five essential transfer goals that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready. The overarching goals focus specifically on what we want students to be able to do when they confront new challenges both in and outside of school.

#### **Students will be able to independently use their learning to:**

1. Comprehend and evaluate complex texts across a range of types and disciplines.
2. Be a critical consumer of text and other media to recognize, understand, and appreciate multiple perspectives and cultures
3. Produce writing to address task, purpose, perspective, and intended audience; research and gather evidence to create a clear and coherent message.
4. Communicate effectively for varied purposes and audiences.
5. Listen actively to engage in a range of conversations, to analyze and synthesize idea and positions, and to evaluate accuracy in order to learn, reflect, and respond.

## Math

### Kindergarten

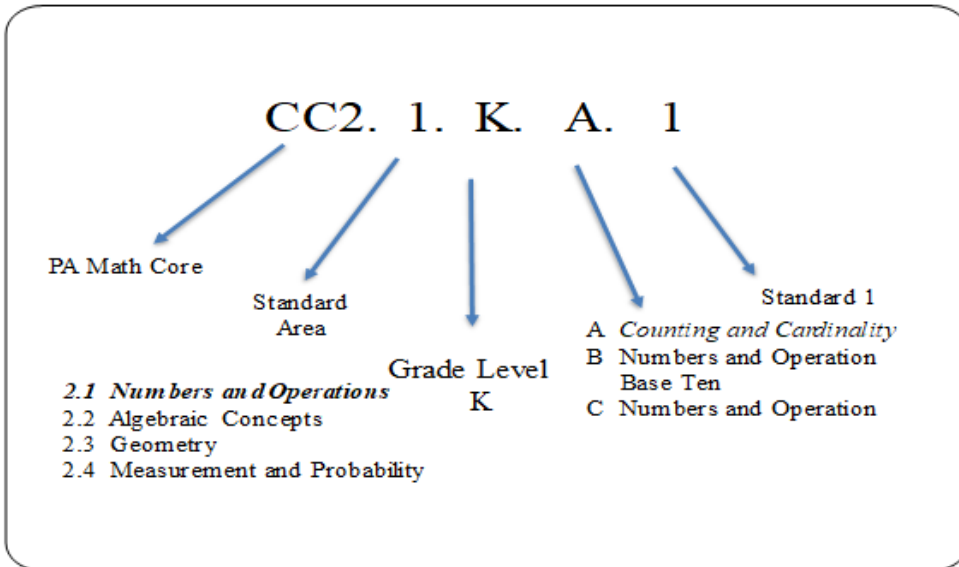

## INTRODUCTION

North East School District has adopted Pennsylvania Department of Education's Standards for Mathematical Practice that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready.

In Kindergarten, students use numbers, including written numerals, to represent quantities and to solve quantitative problems, such as counting objects in a set; counting out a given number of objects; comparing sets or numerals; and modeling simple joining and separating situations with sets of objects, or eventually with equations such as  $5 + 2 = 7$  and  $7 - 2 = 5$ . Students choose, combine, and apply effective strategies for answering quantitative questions, including quickly recognizing the cardinalities of small sets of objects, counting and producing sets of given sizes, counting the number of objects in combined sets, or counting the number of objects that remain in a set after some are taken away.

Students describe their physical world using geometric ideas (e.g., shape, orientation, spatial relations) and vocabulary. They identify, name, and describe basic two-dimensional shapes, such as squares, triangles, circles, rectangles, and hexagons, presented in a variety of ways (e.g., with different sizes and orientations), as well as three-dimensional shapes such as cubes, cones, cylinders, and spheres. They use basic shapes and spatial reasoning to model objectives (CCSS, 2013).

**Standards for Mathematical Practice in Kindergarten**

Below are a few examples of how the Standards for Mathematical Practices may be integrated into tasks that students complete:

| <b>Practice</b>  | <b>Explanation and Example</b>  |
|--|---|
| <p><b>1. Make Sense and Persevere in Solving Problems.</b></p> | <p>Mathematically proficient students in Kindergarten begin to develop effective dispositions toward problem solving. In rich settings in which informal and formal possibilities for solving problems are numerous, young children develop the ability to focus attention, test hypotheses, take reasonable risks, remain flexible, try alternatives, exhibit self-regulation, and persevere (Copley, 2010). Using both verbal and nonverbal means, kindergarten students begin to explain to themselves and others the meaning of a problem, look for ways to solve it, and determine if their thinking makes sense or if another strategy is needed. As the teacher uses thoughtful questioning and provides opportunities for students to share thinking, kindergarten students begin to reason as they become more conscious of what they know and how they solve problems.</p>  |
| <p><b>2. Reason abstractly and quantitatively.</b></p>         | <p>Mathematically proficient students in Kindergarten begin to use numerals to represent specific amount (quantity). For example, a student may write the numeral “11” to represent an amount of objects counted, select the correct number card “17” to follow “16” on the calendar, or build a pile of counters depending on the number drawn. In addition, kindergarten students begin to draw pictures, manipulate objects, use diagrams or charts, etc. to express quantitative ideas such as a joining situation (Mary has 3 bears. Juanita gave her 1 more bear. How many bears does Mary have altogether?), or a separating situation (Mary had 5 bears. She gave some to Juanita. Now she has 3 bears. How many bears did Mary give Juanita?). Using the language developed through numerous joining and separating scenarios, kindergarten students begin to understand how symbols (+, -, =) are used to represent quantitative ideas in a written format.</p> |

|  |  |
|--|--|
| <b>3. Construct viable arguments and critique the reasoning of others.</b> | In Kindergarten, mathematically proficient students begin to clearly express, explain, organize and consolidate their math thinking using both verbal and written representations. Through opportunities that encourage exploration, discovery, and discussion, kindergarten students begin to learn how to express opinions, become skillful at listening to others, describe their reasoning and respond to others' thinking and reasoning. They begin to develop the ability to reason and analyze situations as they consider questions such as, "Are you sure...?", "Do you think that would happen all the time...?", and "I wonder why...?"   |
| <b>4. Model with mathematics.</b>  | Mathematically proficient students in Kindergarten begin to experiment with representing real-life problem situations in multiple ways such as with numbers, words (mathematical language), drawings, objects, acting out, charts, lists, and number sentences. For example, when making toothpick designs to represent the various combinations of the number "5", the student writes the numerals for the various parts (such as "4" and "1") or selects a number sentence that represents that particular situation (such as $5 = 4 + 1$ ).   |
| <b>5. Use appropriate tools strategically.</b>                             | In Kindergarten, mathematically proficient students begin to explore various tools and use them to investigate mathematical concepts. Through multiple opportunities to examine materials, they experiment and use both concrete materials (e.g. 3-dimensional solids, connecting cubes, ten frames, number balances) and technological materials (e.g., virtual manipulatives, calculators, interactive websites) to explore mathematical concepts. Based on these experiences, they become able to decide which tools may be helpful to use depending on the problem or task. For example, when solving the problem, "There are 4 dogs in the park. 3 more dogs show up in the park. How many dogs are in the park?", students may decide to act it out using counters and a story mat; draw a picture; or use a handful of cubes. |

|  |  |
|--|--|
| <b>6. Attend to precision</b>                                    | Mathematically proficient students in Kindergarten begin to express their ideas and reasoning using words. As their mathematical vocabulary increases due to exposure, modeling, and practice, kindergarteners become more precise in their communication, calculations, and measurements. In all types of mathematical tasks, students begin to describe their actions and strategies more clearly, understand and use grade-level appropriate vocabulary accurately, and begin to give precise explanations and reasoning regarding their process of finding solutions. For example, a student may use color words (such as blue, green, light blue) and descriptive words (such as small, big, rough, smooth) to accurately describe how a collection of buttons is sorted. |
| <b>7. Look for and make use of structure</b>                     | Mathematically proficient students in Kindergarten begin to look for patterns and structures in the number system and other areas of mathematics. For example, when searching for triangles around the room, kindergarteners begin to notice that some triangles are larger than others or come in different colors- yet they are all triangles. While exploring the part-whole relationships of a number using a number balance, students begin to realize that 5 can be broken down into sub-parts, such as 4 and 1 or 4 and 2, and still remain a total of 5.   |
| <b>8. Look for and express regularity in repeated reasoning.</b> | In Kindergarten, mathematically proficient students begin to notice repetitive actions in geometry, counting, comparing, etc. For example, a kindergartener may notice that as the number of sides increase on a shape, a new shape is created (triangle has 3 sides, a rectangle has 4 sides, a pentagon has 5 sides, a hexagon has 6 sides). When counting out loud to 100, kindergartners may recognize the pattern 1-9 being repeated for each decade (e.g., Seventy-ONE, Seventy-TWO, Seventy-THREE... Eighty-ONE, Eighty-TWO, Eighty-THREE...). When joining one more cube to a pile, the child may realize that the new amount is the next number in the count sequence.  |

### **Introduction**

The science curriculum aims to help children develop basic scientific ideas and understanding about the biological and physical aspects of the world, and the processes through which they develop this knowledge and understanding. The curriculum also aims to foster positive attitudes toward science, and to encourage children to examine and appreciate how science and technology affect their lives and the environment.

The competencies for science capture experiences each child needs in order to grow intellectually, socially, and emotionally in and out of school. Science is a way to acquire knowledge for thinking and communicating. Science is the use of evidence to construct testable explanations and predictions of natural phenomena, as well as the knowledge generated through this process. Science and engineering are significant parts of human culture and represent many of the pinnacles of human achievement. Not only is learning about the world around us important, science and engineering can improve people's lives in significant ways. In order to make informed decisions, it is imperative that we have knowledge of science to help with those decisions. Many of the challenges we face today are rooted in science, and it is important that we focus on the need for science and engineering professionals to keep Pennsylvania competitive in both the national and international arenas.

## INTRODUCTION

Students begin to explore their communities and the world around them more deeply, enhancing their research skills, general knowledge of the world around them, and ability to compare and contrast different groups. This is done in a variety of ways through group projects, group research, read-alouds, class trips, and exploratory activities. In addition, 1st graders continue to have class meetings where they learn about the calendar, holidays, and discuss class events.

### **Social Studies - Long Term Transfer Goals**

North East School District has adopted Pennsylvania Department of Education's five essential transfer goals that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready. The overarching goals focus specifically on what we want students to be able to do when they confront new challenges both in and outside of school.

#### **Students will be able to independently use their learning to:**

1. Comprehend and evaluate complex texts across a range of types and disciplines.
2. Be a critical consumer of text and other media to recognize, understand, and appreciate multiple perspectives and cultures
3. Produce writing to address task, purpose, perspective, and intended audience; research and gather evidence to create a clear and coherent message.
4. Communicate effectively for varied purposes and audiences.
5. Listen actively to engage in a range of conversations, to analyze and synthesize idea and positions, and to evaluate accuracy in order to learn, reflect, and respond.

INTRODUCTION

Students in Kindergarten receive instruction in General Music on a weekly basis. The elements of Melody, Harmony, Rhythm, and Form are critical components of the General Music curriculum. Lessons are designed around the topical areas of musical skills, history of music, and music theory. Students also have the opportunity to engage in various instrumental and vocal experiences, as coordinated by the music instructor.

## INTRODUCTION

The competencies for language arts literacy capture language experiences each child needs in order to grow intellectually, socially, and emotionally in and out of school. Literacy is a way to acquire knowledge for thinking and communicating. Literacy is also recognizing and understanding one's own purposes for thinking and communicating (through print or non-print, verbal or non-verbal means). It also includes being able to use one's own resources to achieve those purposes. When children learn to read, write, speak, and listen critically, strategically, and creatively, they will begin to develop the literacy skills they will need to discover personal and shared meaning throughout his life. The following kindergarten maps demonstrate these foundational skills.

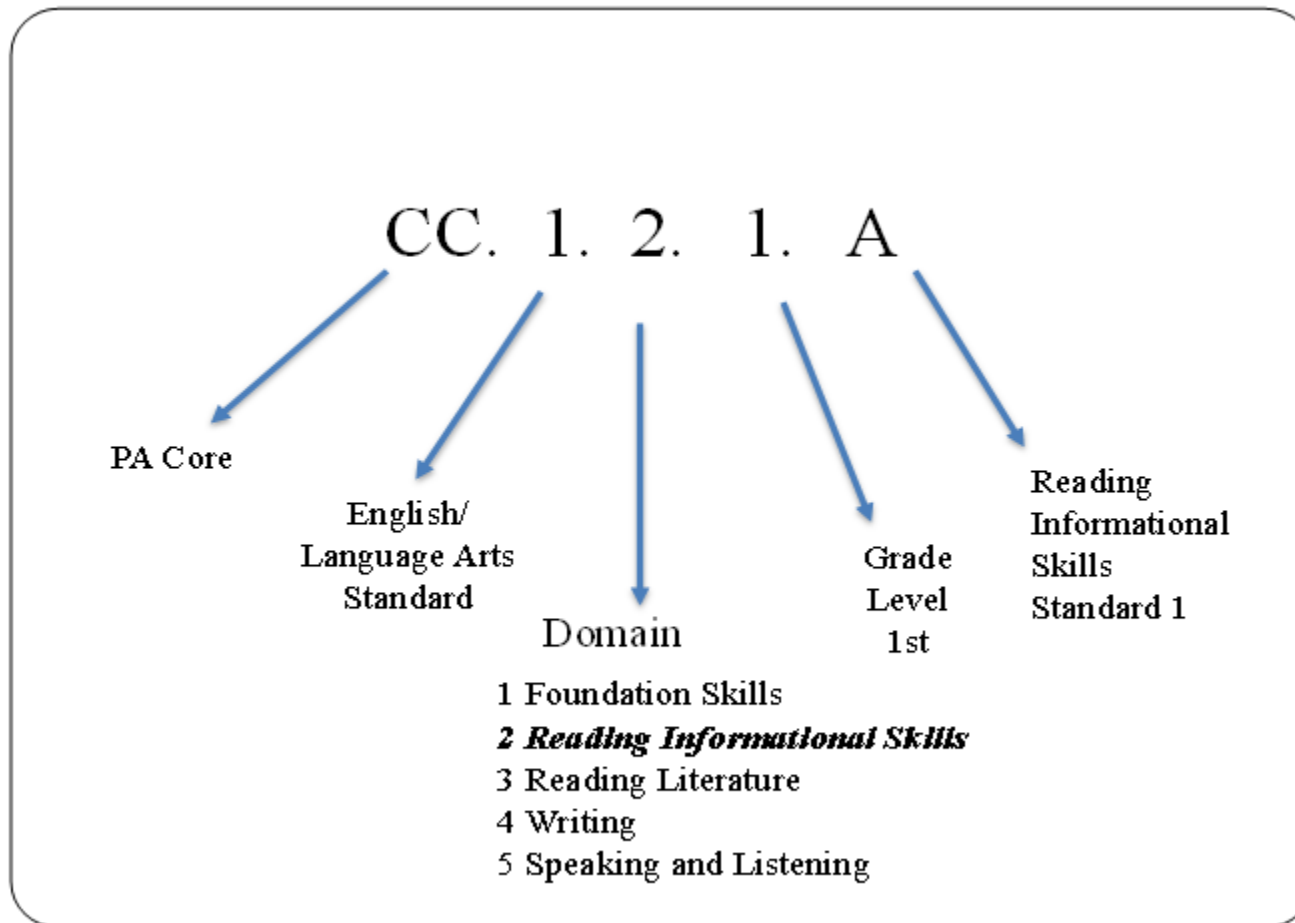

### **English/Language Arts - Long Term Transfer Goals**

North East School District has adopted Pennsylvania Department of Education's five essential transfer goals that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready. The overarching goals focus specifically on what we want students to be able to do when they confront new challenges both in and outside of school.

#### **Students will be able to independently use their learning to:**

1. Comprehend and evaluate complex texts across a range of types and disciplines.
2. Be a critical consumer of text and other media to recognize, understand, and appreciate multiple perspectives and cultures
3. Produce writing to address task, purpose, perspective, and intended audience; research and gather evidence to create a clear and coherent message.
4. Communicate effectively for varied purposes and audiences.
5. Listen actively to engage in a range of conversations, to analyze and synthesize idea and positions, and to evaluate accuracy in order to learn, reflect, and respond.

# North East School District Curriculum Map

## Math

### First Grade

### INTRODUCTION

North East School District has adopted Pennsylvania Department of Education’s Standards for Mathematical Practice that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready.

In Grade 1, instructional time should focus on four critical areas: (1) developing understanding of addition, subtraction, and strategies for addition and subtraction within 20; (2) developing understanding of whole number relationships and place value, including grouping in tens and ones; (3) developing understanding of linear measurement and measuring lengths as iterating length units; and (4) reasoning about attributes of, and composing and decomposing geometric shapes (CCSS, 2013).

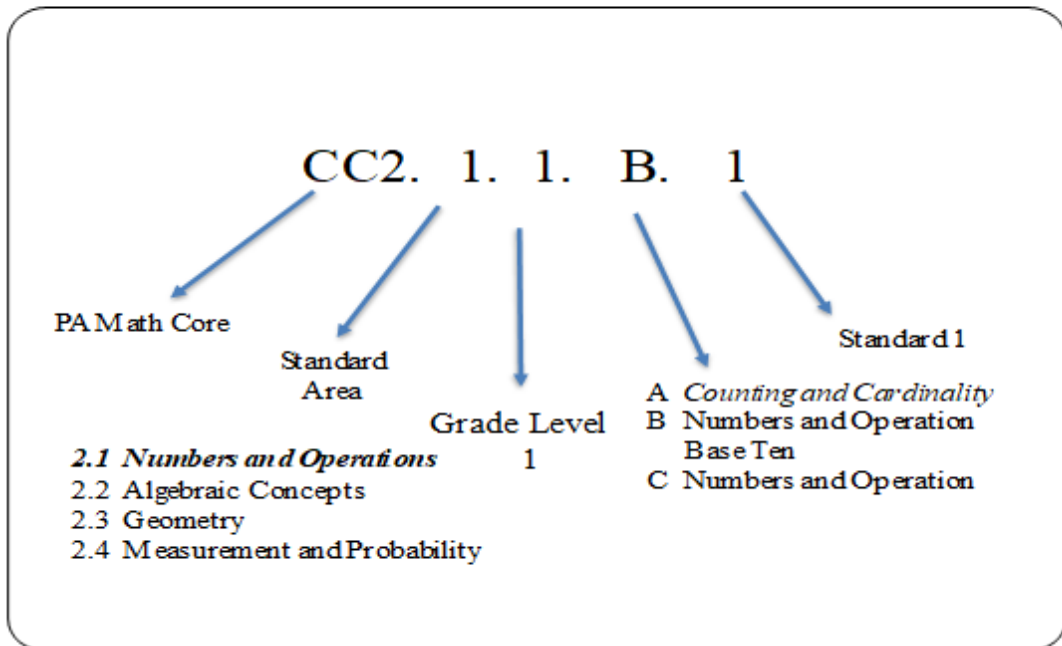

Students develop strategies for adding and subtracting whole numbers based on their prior work with small numbers. They use a variety of models, including discrete objects and length-based models (e.g., cubes connected to form lengths), to model add-to, take-from, put-together, take-apart, and compare situations to develop meaning for the operations of addition and subtraction, and to develop strategies to solve arithmetic problems with these operations. Students understand connections between counting and addition and subtraction (e.g., adding two is the same as counting on two). They use properties of addition to add whole numbers and to create and use increasingly sophisticated strategies based on these properties (e.g., “making tens”) to solve addition and subtraction problems within 20. By comparing a variety of solution strategies, children build their understanding of the relationship between addition and subtraction.

Students develop, discuss, and use efficient, accurate, and generalizable methods to add within 100 and subtract multiples of 10. They compare whole numbers (at least to 100) to develop understanding of and solve problems involving their relative sizes. They think of whole numbers between 10 and 100 in terms of tens and ones (especially recognizing the numbers 11 to 19 as composed of a ten and some ones). Through activities that build number sense, they understand the order of the counting numbers and their relative magnitudes.

Students develop an understanding of the meaning and processes of measurement, including underlying concepts such as iterating (the mental activity of building up the length of an object with equal-sized units) and the transitivity principle for indirect measurement.<sup>1</sup>

Students compose and decompose plane or solid figures (e.g., put two triangles together to make a quadrilateral) and build understanding of part-whole relationships as well as the properties of the original and composite shapes. As they combine shapes, they recognize them from different perspectives and orientations, describe their geometric attributes, and determine how they are alike and different, to develop the background for measurement and for initial understandings of properties such as congruence and symmetry.

**Standards for Mathematical Practice in First Grade**

Below are a few examples of how the Standards for Mathematical Practices may be integrated into tasks that students complete:

|  |   |
|--|---|
| <p><b>1. Make Sense and Persevere in Solving Problems.</b></p> | <p>Mathematically proficient students in First Grade continue to develop the ability to focus attention, test hypotheses, take reasonable risks, remain flexible, try alternatives, exhibit self-regulation, and persevere (Copley, 2010). As the teacher uses thoughtful questioning and provides opportunities for students to share thinking, First Grade students become conscious of what they know and how they solve problems. They make sense of task-type problems, find an entry point or a way to begin the task, and are willing to try other approaches when solving the task. They ask themselves, “Does this make sense?” First Grade students’ conceptual understanding builds from their experiences in Kindergarten as they continue to rely on concrete manipulatives and pictorial representations to solve a problem, eventually becoming fluent and flexible with mental math as a result of these experiences.</p> |
| <p><b>2. Reason abstractly and quantitatively.</b></p>         | <p>Mathematically proficient students in First Grade recognize that a number represents a specific quantity. They use numbers and symbols to represent a problem, explain thinking, and justify a response. For example, when solving the problem: “<i>There are 60 children on the playground. Some children line up. There are 20 children still on the playground. How many children lined up?</i>” first grade students may write <math>20 + 40 = 60</math> to indicate a Think-Addition strategy. Other students may illustrate a counting-on by tens strategy by writing <math>20 + 10 + 10 + 10 + 10 = 60</math>. The numbers and equations written illustrate the students’ thinking and the</p>  |

|   |   |
|---|---|
|   | <p>strategies used, rather than how to simply compute, and how the story is decontextualized as it is represented abstractly with symbols.</p>  |
| <p><b>3. Construct viable arguments and critique the reasoning of others.</b></p> | <p>Mathematically proficient students in First Grade continue to develop their ability to clearly express, explain, organize and consolidate their math thinking using both verbal and written representations. Their understanding of grade appropriate vocabulary helps them to construct viable arguments about mathematics. For example, when justifying why a particular shape isn't a square, a first grade student may hold up a picture of a rectangle, pointing to the various parts, and reason, "It can't be a square because, even though it has 4 sides and 4 angles, the sides aren't all the same size." In a classroom where risk-taking and varying perspectives are encouraged, mathematically proficient students are willing and eager to share their ideas with others, consider other ideas proposed by classmates, and question ideas that don't seem to make sense.</p> |
| <p><b>4. Model with mathematics.</b></p>  | <p>Mathematically proficient students in First Grade model real-life mathematical situations with a number sentence or an equation, and check to make sure that their equation accurately matches the problem context. They also use tools, such as tables, to help collect information, analyze results, make conclusions, and review their conclusions to see if the results make sense and revising as needed.</p>   |

|   |   |
|---|---|
| <p><b>5. Use appropriate tools strategically.</b></p> | <p>Mathematically proficient students in First Grade have access to a variety of concrete (e.g. 3-dimensional solids, ten frames, number balances, number lines) and technological tools (e.g., virtual manipulatives, calculators, interactive websites) and use them to investigate mathematical concepts. They select tools that help them solve and/or illustrate solutions to a problem. They recognize that multiple tools can be used for the same problem- depending on the strategy used. For example, a child who is in the counting stage may choose connecting cubes to solve a problem. While, a student who understands parts of number, may solve the same problem using ten-frames to decompose numbers rather than using individual connecting cubes. As the teacher provides numerous opportunities for students to use educational materials, first grade students’ conceptual understanding and higher-order thinking skills are developed.</p>   |
| <p><b>6. Attend to precision.</b></p>                 | <p>Mathematically proficient students in First Grade attend to precision in their communication, calculations, and measurements. They are able to describe their actions and strategies clearly, using grade-level appropriate vocabulary accurately. Their explanations and reasoning regarding their process of finding a solution becomes more precise. In varying types of mathematical tasks, first grade students pay attention to details as they work. For example, as students’ ability to attend to position and direction develops, they begin to notice reversals of numerals and self-correct when appropriate. When measuring an object, students check to make sure that there are not any gaps or overlaps as they carefully place each unit end to end to measure the object (iterating length units). Mathematically proficient first grade students understand the symbols they use (<math>=</math>, <math>&gt;</math>, <math>&lt;</math>) and use clear explanations in discussions with others. For example, for the sentence <math>4 &gt; 3</math>, a proficient student who is able to attend to precision states, “Four is more than 3” rather than “The alligator eats the four. It’s bigger.”</p> |

|   |  |
|---|--|
| <p><b>7. Look for and make use of structure.</b></p>                    | <p>Mathematically proficient students in First Grade carefully look for patterns and structures in the number system and other areas of mathematics. For example, while solving addition problems using a number balance, students recognize that regardless whether you put the 7 on a peg first and then the 4, or the 4 on first and then the 7, they both equal 11 (commutative property). When decomposing two-digit numbers, students realize that the number of tens they have constructed ‘happens’ to coincide with the digit in the tens place. When exploring geometric properties, first graders recognize that certain attributes are critical (number of sides, angles), while other properties are not (size, color, orientation).</p>  |
| <p><b>8. Look for and express regularity in repeated reasoning.</b></p> | <p>Mathematically proficient students in First Grade begin to look for regularity in problem structures when solving mathematical tasks. For example, when adding three one-digit numbers and by making tens or using doubles, students engage in future tasks looking for opportunities to employ those same strategies. Thus, when solving <math>8+7+2</math>, a student may say, “I know that 8 and 2 equal 10 and then I add 7 more. That makes 17. It helps to see if I can make a 10 out of 2 numbers when I start.” Further, students use repeated reasoning while solving a task with multiple correct answers. For example, in the task “There are 12 crayons in the box. Some are red and some are blue. How many of each could there be?” First Grade students realize that the 12 crayons could include 6 of each color (<math>6+6 = 12</math>), 7 of one color and 5 of another (<math>7+5 = 12</math>), etc. In essence, students repeatedly find numbers that add up to 12.</p> |

## **Science**

### **First Grade**

### **INTRODUCTION**

The science curriculum aims to help children develop basic scientific ideas and understanding about the biological and physical aspects of the world, and the processes through which they develop this knowledge and understanding. The curriculum also aims to foster positive attitudes toward science, and to encourage children to examine and appreciate how science and technology affect their lives and the environment.

Science is the use of evidence to construct testable explanations and predictions of natural phenomena, as well as the knowledge generated through this process. Science and engineering are significant parts of human culture and represent many of the pinnacles of human achievement. Not only is learning about the world around us important, science and engineering can improve people's lives in significant ways. In order to make informed decisions, it is imperative that we have knowledge of science to help with those decisions. Many of the challenges we face today are rooted in science, and it is important that we focus on the need for science and engineering professionals to keep Pennsylvania competitive in both the national and international arenas.

## Social Studies

### First Grade

## INTRODUCTION

Students begin to explore their communities and the world around them more deeply, enhancing their research skills, general knowledge of the world around them, and ability to compare and contrast different groups. This is done in a variety of ways through group projects, group research, read-alouds, class trips, and exploratory activities. In addition, 1st graders continue to have class meetings where they learn about the calendar, holidays, and discuss class events.

### **Social Studies - Long Term Transfer Goals**

North East School District has adopted Pennsylvania Department of Education's five essential transfer goals that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready. The overarching goals focus specifically on what we want students to be able to do when they confront new challenges both in and outside of school.

Music

1<sup>st</sup> Grade

**INTRODUCTION**

Students in 1<sup>st</sup> Grade receive instruction in General Music on a weekly basis. The elements of Melody, Harmony, Rhythm, and Form are critical components of the General Music curriculum. Lessons are designed around the topical areas of musical skills, history of music, and music theory. Students also have the opportunity to engage in various instrumental and vocal experiences, as coordinated by the music instructor.

**Second Grade**

## INTRODUCTION

The competencies for language arts literacy capture language experiences each child needs in order to grow intellectually, socially, and emotionally in and out of school. Literacy is a way to acquire knowledge for thinking and communicating. Literacy is also recognizing and understanding one's own purposes for thinking and communicating (through print or non-print, verbal or non-verbal means). It also includes being able to use one's own resources to achieve those purposes. When children learn to read, write, speak, and listen critically, strategically, and creatively, they will begin to develop the literacy skills they will need to discover personal and shared meaning throughout his life. The following kindergarten maps demonstrate these foundational skills.

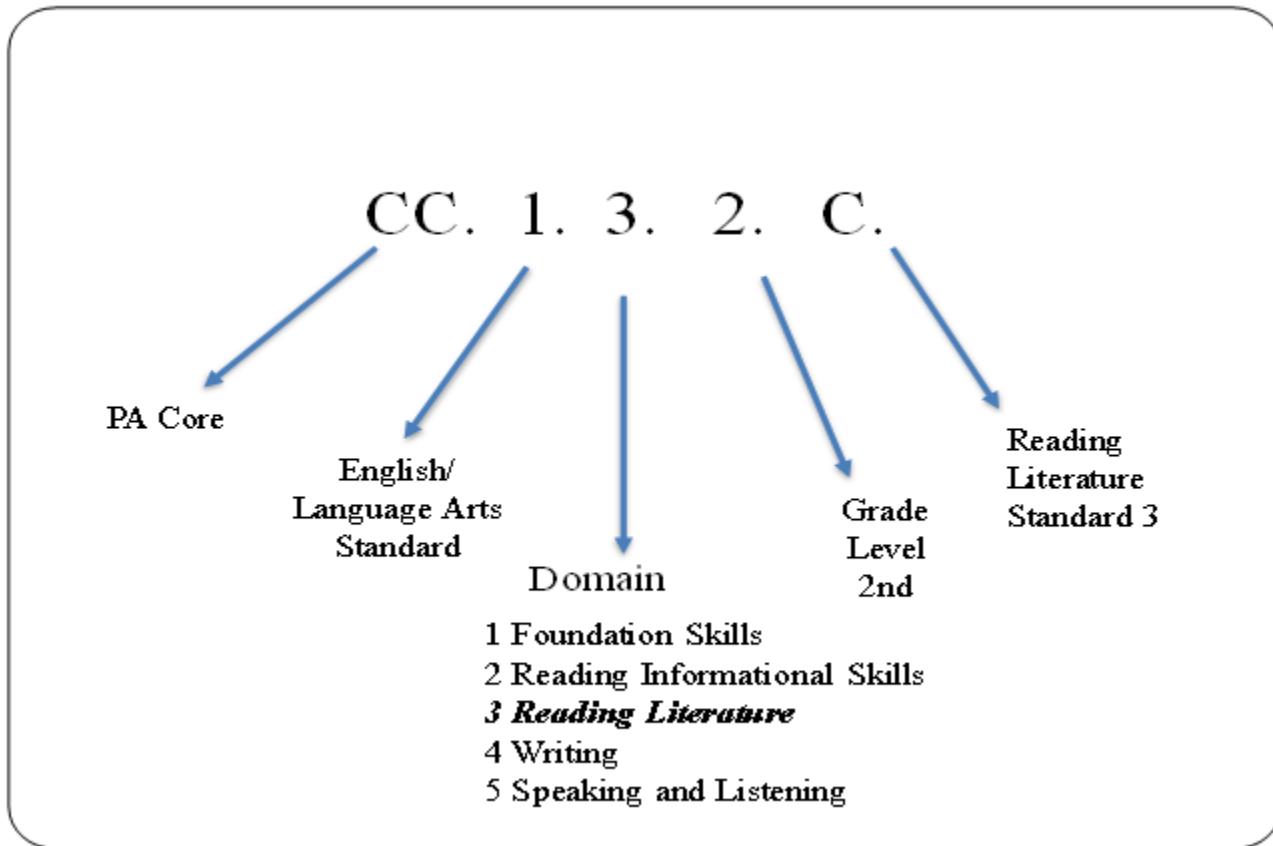

### **English/Language Arts - Long Term Transfer Goals**

North East School District has adopted Pennsylvania Department of Education's five essential transfer goals that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready. The overarching goals focus specifically on what we want students to be able to do when they confront new challenges both in and outside of school.

#### **Students will be able to independently use their learning to:**

1. Comprehend and evaluate complex texts across a range of types and disciplines.
2. Be a critical consumer of text and other media to recognize, understand, and appreciate multiple perspectives and cultures
3. Produce writing to address task, purpose, perspective, and intended audience; research and gather evidence to create a clear and coherent message.
4. Communicate effectively for varied purposes and audiences.
5. Listen actively to engage in a range of conversations, to analyze and synthesize idea and positions, and to evaluate accuracy in order to learn, reflect, and respond.

**North East School District Curriculum Map**  
**Mathematics**  
**Second Grade**

### INTRODUCTION

North East School District has adopted Pennsylvania Department of Education's Standards for Mathematical Practice that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready.

In Grade 2, instructional time should focus on four critical areas: (1) extending understanding of base-ten notation; (2) building fluency with addition and subtraction; (3) using standard units of measure; and (4) describing and analyzing shapes.

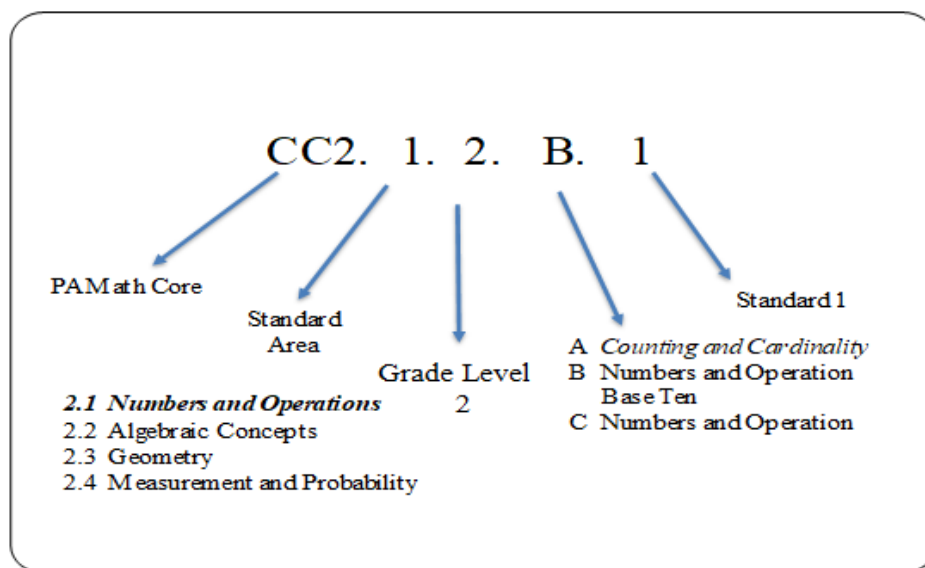

Students extend their understanding of the base-ten system. This includes ideas of counting in fives, tens, and multiples of hundreds, tens, and ones, as well as number relationships involving these units, including comparing. Students understand multi-digit numbers (up to 1000) written in base-ten notation, recognizing that the digits in each place represent amounts of thousands, hundreds, tens, or ones (e.g., 853 is 8 hundreds + 5 tens + 3 ones).

Students use their understanding of addition to develop fluency with addition and subtraction within 100. They solve problems within 1000 by applying their understanding of models for addition and subtraction, and they develop, discuss, and use efficient, accurate, and generalizable methods to compute sums and differences of whole numbers in base-ten notation, using their understanding of place value and the properties of operations. They select and accurately apply methods that are appropriate for the context and the numbers involved to mentally calculate sums and differences for numbers with only tens or only hundreds.

Students recognize the need for standard units of measure (centimeter and inch) and they use rulers and other measurement tools with the understanding that linear measure involves an iteration of units. They recognize that the smaller the unit, the more iterations they need to cover a given length.

Students describe and analyze shapes by examining their sides and angles. Students investigate, describe, and reason about decomposing and combining shapes to make other shapes. Through building, drawing, and analyzing two- and three-dimensional shapes, students develop a foundation for understanding area, volume, congruence, similarity, and symmetry in later grades (CCSS, 2013).

**Standards for Mathematical Practice in Second Grade**

Below are a few examples of how the Standards for Mathematical Practices may be integrated into tasks that students complete:

|  |   |
|--|---|
| <p><b>1. Make Sense and Persevere in Solving Problems.</b></p> | <p>Mathematically proficient students in Second Grade examine problems and tasks, can make sense of the meaning of the task and find an entry point or a way to start the task. Second Grade students also develop a foundation for problem solving strategies and become independently proficient on using those strategies to solve new tasks. In Second Grade, students’ work continues to use concrete manipulatives and pictorial representations as well as mental mathematics. Second Grade students also are expected to persevere while solving tasks; that is, if students reach a point in which they are stuck, they can reexamine the task in a different way and continue to solve the task. Lastly, mathematically proficient students complete a task by asking themselves the question, “Does my answer make sense?”</p>   |
| <p><b>2. Reason abstractly and quantitatively.</b></p>         | <p>Mathematically proficient students in Second Grade make sense of quantities and relationships while solving tasks. This involves two processes- decontextualizing and contextualizing. In Second Grade, students represent situations by decontextualizing tasks into numbers and symbols. For example, in the task, “There are 25 children in the cafeteria and they are joined by 17 more children. How many students are in the cafeteria? ” Second Grade students translate that situation into an equation, such as: <math>25 + 17 = \underline{\quad}</math> and then solve the problem. Students also contextualize situations during the problem solving process. For example, while solving the task above, students can refer to the context of the task to determine that they need to subtract 19 since 19 children leave. The processes of reasoning also other areas of mathematics such as determining the length of quantities when measuring with standard units.</p> |

|  |   |
|--|---|
| <b>3. Construct viable arguments and critique the reasoning of others.</b> | Mathematically proficient students in Second Grade accurately use definitions and previously established solutions to construct viable arguments about mathematics. During discussions about problem solving strategies, students constructively critique the strategies and reasoning of their classmates. For example, while solving $74 - 18$ , students may use a variety of strategies, and after working on the task, can discuss and critique each others' reasoning and strategies, citing similarities and differences between strategies.   |
| <b>4. Model with mathematics.</b>  | Mathematically proficient students in Second Grade model real-life mathematical situations with a number sentence or an equation, and check to make sure that their equation accurately matches the problem context. Second Grade students use concrete manipulatives and pictorial representations to provide further explanation of the equation. Likewise, Second Grade students are able to create an appropriate problem situation from an equation. For example, students are expected to create a story problem for the equation $43 + 17 = \underline{\quad}$ such as "There were 43 gumballs in the machine. Tom poured in 17 more gumballs. How many gumballs are now in the machine?"  |
| <b>5. Use appropriate tools strategically.</b>                             | Mathematically proficient students in Second Grade have access to and use tools appropriately. These tools may include snap cubes, place value (base ten) blocks, hundreds number boards, number lines, rulers, and concrete geometric shapes (e.g., pattern blocks, 3-d solids). Students also have experiences with educational technologies, such as calculators and virtual manipulatives, which support conceptual understanding and higher-order thinking skills. During classroom instruction, students have access to various mathematical tools as well as paper, and determine which tools are the most appropriate to use. For example, while measuring the length of the hallway, students can explain why a yardstick is more appropriate to use than a ruler. |

|  |   |
|--|---|
| <b>6. Attend to precision.</b>                                   | Mathematically proficient students in Second Grade are precise in their communication, calculations, and measurements. In all mathematical tasks, students in Second Grade communicate clearly, using grade-level appropriate vocabulary accurately as well as giving precise explanations and reasoning regarding their process of finding solutions. For example, while measuring an object, care is taken to line up the tool correctly in order to get an accurate measurement. During tasks involving number sense, students consider if their answer is reasonable and check their work to ensure the accuracy of solutions.  |
| <b>7. Look for and make use of structure.</b>                    | Mathematically proficient students in Second Grade carefully look for patterns and structures in the number system and other areas of mathematics. For example, students notice number patterns within the tens place as they connect skip count by 10s off the decade to the corresponding numbers on a 100s chart. While working in the Numbers in Base Ten domain, students work with the idea that 10 ones equals a ten, and 10 tens equals 1 hundred. In addition, Second Grade students also make use of structure when they work with subtraction as missing addend problems, such as $50 - 33 = \underline{\quad}$ can be written as $33 + \underline{\quad} = 50$ and can be thought of as, "How much more do I need to add to 33 to get to 50?" |
| <b>8. Look for and express regularity in repeated reasoning.</b> | Mathematically proficient students in Second Grade begin to look for regularity in problem structures when solving mathematical tasks. For example, after solving two digit addition problems by decomposing numbers ( $33 + 25 = 30 + 20 + 3 + 5$ ), students may begin to generalize and frequently apply that strategy independently on future tasks. Further, students begin to look for strategies to be more efficient in computations, including doubles strategies and making a ten. Lastly, while solving all tasks, Second Grade students accurately check for the reasonableness of their solutions during and after completing the task.  |

# North East School District Curriculum Map Science

## Second Grade

### **INTRODUCTION**

The science curriculum aims to help children develop basic scientific ideas and understanding about the biological and physical aspects of the world, and the processes through which they develop this knowledge and understanding. The curriculum also aims to foster positive attitudes toward science, and to encourage children to examine and appreciate how science and technology affect their lives and the environment.

Science is the use of evidence to construct testable explanations and predictions of natural phenomena, as well as the knowledge generated through this process. Science and engineering are significant parts of human culture and represent many of the pinnacles of human achievement. Not only is learning about the world around us important, science and engineering can improve people's lives in significant ways. In order to make informed decisions, it is imperative that we have knowledge of science to help with those decisions. Many of the challenges we face today are rooted in science, and it is important that we focus on the need for science and engineering professionals to keep Pennsylvania competitive in both the national and international arenas.

## **Social Studies**

### **Second Grade**

### **INTRODUCTION**

Social studies is the integrated study of human society and its contributions, influences and impact on the world. There are many content areas which combine to create the overarching concept of social studies. The commonwealth of Pennsylvania has delineated the disciplines and developed academic standards in the social studies areas to be civics and government, economics, geography, history and student interpersonal skills.

#### **Social Studies - Long Term Transfer Goals**

North East School District has adopted Pennsylvania Department of Education's five essential transfer goals that highlight the effective use of understanding, knowledge, and skills in order to prepare students to be college and or career ready. The overarching goals focus specifically on what we want students to be able to do when they confront new challenges both in and outside of school.

#### **Students will be able to independently use their learning to:**

1. Comprehend and evaluate complex texts across a range of types and disciplines.
2. Be a critical consumer of text and other media to recognize, understand, and appreciate multiple perspectives and cultures
3. Produce writing to address task, purpose, perspective, and intended audience; research and gather evidence to create a clear and coherent message.
4. Communicate effectively for varied purposes and audiences.
5. Listen actively to engage in a range of conversations, to analyze and synthesize idea and positions, and to evaluate accuracy in order to learn, reflect, and respond.

**Music**  
**2<sup>nd</sup> Grade**

**INTRODUCTION**

Students in 2<sup>nd</sup> grade receive instruction in General Music on a weekly basis. The elements of Melody, Harmony, Rhythm, and Form are critical components of the General Music curriculum. Lessons are designed around the topical areas of musical skills, history of music, and music theory. Students also have the opportunity to engage in various instrumental and vocal experiences, as coordinated by the music instructor.

It is meant to reinforce the fact that exercise and fitness can be obtained from fun activities that promote participation. These are also meant to challenge individuals to seek out more advanced activities as they learn and develop physically, socially and mentally. This class highly emphasizes conduct based upon good sportsmanship, respect and cooperation through a wide variety of individual and cooperative activities. While skills can vary greatly at these levels, being prepared regularly for class, putting forth consistent effort, and demonstrating good sportsmanship are big steps in achieving a good grade.</p> |   |  |

## 2022-2023 Health and Safety Plan

**Initial Effective Date: July 26, 2021**

**Date of Last Revision: September 15, 2022**

Section 2001(i)(1) of the American Rescue Plan (ARP) Act requires each local education agency (LEA) that receives funding under the ARP Elementary and Secondary School Emergency Relief (ESSER) Fund to develop and make publicly available on the LEA's website a *Safe Return to In-Person Instruction and Continuity of Services Plan*, hereinafter referred to as a *Health and Safety Plan*.

Each LEA must create a Health and Safety Plan that addresses how it will maintain the health and safety of students, educators, and other staff, and which will serve as local guidelines for all instructional and non-instructional school activities during the period of the LEA's ARP ESSER grant. The Health and Safety Plan should be tailored to the unique needs of each LEA and its schools and must take into account public comment related to the development of, and subsequent revisions to, the Health and Safety Plan.

\*Please note that we continue to receive updates from Intermediate Unit 5, the Erie County Department of Health, the Pennsylvania Department of Health, and the CDC. This is a fluid plan and will be updated as needed in order to comply with the most recent guidelines.

- 1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?**

North East School District will continue to work closely with the IU5 to ensure the safe operation of our district. We will also continue to make decisions based on guidance from the Erie County Department of Health (ECDH), the Pennsylvania Department of Health (PADOH), and the Centers for Disease Control and Prevention (CDC). Practices and procedures will align with these entities to the greatest extent practicable in order to support prevention and mitigations efforts.

- 2. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?**

North East School District will continue to follow the school or agency needs in regard to the continuity of services. When necessary, the district will transition between face-to-face or blended instruction. Our administration, supervisors, and teachers will work together to ensure that not just academic needs of students are met, but the social, mental, and emotional needs of our students are met. Given the restricted access to high speed internet that some of our families face, printed materials and packets will be made available as necessary.

We will continue to require an individualized approach for students with disabilities consistent with the student's IEP or 504 plan. We will consider adaptations and alternatives to COVID-19 mitigation strategies while continuing all efforts to protect students, teachers, and staff to the greatest extent possible.

# NORTH EAST SCHOOL DISTRICT

**The decision to close a school or all schools and move to livestream instruction will be made by the Superintendent in consultation with the Pandemic Coordinators and Board of Directors based on any one or combination of the following:**

1. An inability to adequately staff a building or buildings based on absenteeism among faculty and/or staff due to an increase in COVID-19 cases; and/or,
2. An increase in the number of student absenteeism due to COVID-19 county and local community cases.

*It is essential that ALL parents/guardians have a plan in place in the event there is a need to transition to livestream instruction. Students would then follow the district's livestream schedules which will be posted on the website.*

3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

**CONTRACT WITH NORTH EAST SCHOOL DISTRICT**  
**Mental Health Liaison**  
**October 1, 2022 through June 30<sup>th</sup>, 2023**

The Achievement Center of LECOM Health will provide the following services to North East School District:

**Mental Health Liaison:**

The purpose of the MHL is to be the point of contact and therapeutic support for all mental and/or behavioral health needs for an identified population. The goal is to create more capacity for administration and teachers to address academic necessities, while the MHL coordinates care and provides “gap coverage” assessment and therapy until ongoing services are established or needs are met.

The MHL will be Student Assistance Program (SAP) trained and fulfill SAP requirements as required by the School District including, but not limited to, presenting all mental health assessment intakes at clinical team meetings with the School District. Additionally, the MHL would prioritize and provide targeted therapeutic support to the students identified through the SAP process. At the discretion of the school’s administration, a protocol could also be established for the MHL to provide therapeutic support in acute situations or crisis scenarios for students not identified for SAP or the in-school suspension program. Collaterally, the MHL would interface with school administration, teachers, and student families to identify, triage, and treat needs of the targeted population.

The MHL can provide a variety of direct and indirect therapeutic services. The role is developed based on the specific needs of a particular school. North East School District would benefit from the following role conceptualization.

Responsibilities will include the following:

**A. Clinical Tasks**

- Conduct initial mental health assessments and triage
- Formulate acute treatment plans and resources for identified students and families in need
- Provide counseling (i.e., individual, family, and/or group counseling) as “gap coverage” until ongoing services are established or needs are met
- Behavior and safety contracting
- Crisis intervention and crisis planning
- Student check-in/check-out
- Facilitate mental health focused skills groups for identified needs for other students as requested by school administrators (i.e. social skills/anger management/grief and loss).
- Participate in the development and implementation of School-Wide Positive Behavior Support Plans

**B. Case Coordination and Communication**

- Coordinate and collaborate with North East School District staff, administration and families to identify students in need
- Support the school and caregiver’s efforts to stabilize the identified child
- Identify necessary resources and/or additional therapeutic supports to meet needs from the mental health assessment results

- Provide case coordination and referral disposition monitoring which includes frequent contact with caregivers, families, school personnel, external collaborating service providers and/ or managed care entities
- Coordinate and collaborate with the Guidance Counselor and School District SAP team to identify students in need
- Communicate with administration regarding program needs
- Communicate with parents/ caregivers as requested by designated School District personnel
- Achievement Center of LECOM Health Leadership and District Representatives will work to identify the maximum number of students to be served at a given time based upon the characteristics and needs of the students currently under MHL care

C. Consultation and Training

- Consult with School District personnel and attend collaborative meetings as needed
- Participate in IEP, interdisciplinary, or other family attended meetings as requested by the school
- Provide need-specific curriculum, lessons, activities, or assembly presentations upon request with appropriate notice, which may include occasional participation by Achievement Center of LECOM Health Leadership.

**Provided by the School District for Mental Health Liaison Services**

North East School District agrees to provide the Achievement Center of LECOM Health with the following:

- Supportive and proactive atmosphere within which to deliver services
- Internet/WiFi access
- A School District email address for the MHL to ensure student confidentiality
- Timely communication about active safety concerns/threats for any of the District buildings the MHL works in
- A consistently dedicated workspace that is safe and confidential within a School District building to conduct necessary tasks, including but not limited to individual or group therapy sessions
- Designated School District personnel to collaborate closely with the MHL, as well as a list of natural supports and points of contact within each building
- Assistance as needed in linking with families to initiate and maintain treatment services, as well as secure responsible transition/discharge planning for another level of care if necessary
- The School District agrees to utilize natural supports available (i.e, Guidance Counselors or other personnel) to provide interim check-ins with the students in the event of the MHL's absence.
- Any School District materials needed to facilitate any interventions or activities and resources by the MHL (including paper and access to photo-copy machine)
- Access to information as an indication of student performance by semester to measure effectiveness and progress. This could include attendance, standardized test scores, disciplinary reports, and average grades/GPA.
- The School District will be solely responsible for crisis intervention that would require hands on assistance, as the Achievement Center of LECOM Health does not support a physical management protocol.

**Provided by the School District for Achievement Center of LECOM Health Staff working in North East School District**

North East School District agrees to provide the Achievement Center of LECOM Health with the following:

- A copy of, or summary of, district protocol to be followed in instances of safety threats including, but not limited to, an active shooter situation. The Achievement Center of LECOM Health agrees not to share or distribute the information with anyone but staff working in North East School District buildings.

**CONTRACT SUMMARY**

**Projected Costs:**

The following costs are based on a 2022-2023 MHL working:

- 7.5 hours/day for 9 months, October 2022 through June 30, 2023.

The MHL position is anticipated to be funded via a direct contract between the Achievement Center of LECOM Health and the North East School District for 9 months only.

Monthly invoices will be sent in the amount of \$8,333.33 for MHL services on or around the first of each month starting October 1, 2023 and the School District shall compensate the Achievement Center of LECOM Health for all invoices provided to the School District. Payment will be expected within 15 days of the invoice.

Additionally, Agency clinicians are required to maintain a minimum of two hours of clinical supervision monthly as well as 20 annual training hours to maintain clearances and certifications.

The total hours of services provided and indirect time worked toward maintaining compliance and training practices are included in the contract maximum of \$75,000.

**Term & Termination:**

- **Term** – This Contract shall commence on October 1, 2022 and terminate on June 30, 2023 subject to annual renewal of the term pursuant to the mutual agreement of the School District and the Achievement Center of LECOM Health, at which time the terms and associated costs will be renegotiated.
- **Termination** – This Contract may be terminated by any party at any time for any reason upon thirty (30) days written notice.

**Non-solicitation of Employees:**

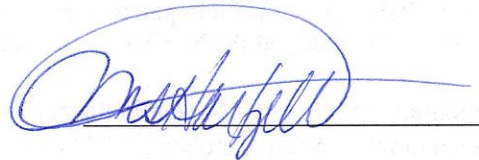

It is hereby agreed between the parties that its agents shall not directly or indirectly hire, or attempt to hire, or use any employees or former employees of the Achievement Center of LECOM Health during the term of this Agreement and for a period of twelve (12) months after the expiration or termination of this Agreement. Should this Section be breached, North East School District agrees to pay the Achievement Center of LECOM Health an amount equal to \$8,500.00 per employee so coerced, encouraged, or utilized, as liquidated damages.

**Business Associate Agreement**

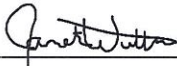

Achievement Center of LECOM Health and North East School District shall enter into a Business Associate Agreement to ensure compliance with HIPAA, while at the same time maximizing the exchange of information so as to enable both parties to provide the highest quality of educational and professional services to the students receiving the services contemplated by this agreement. The parties also agree to comply with the requirements of FERPA in the implementation of this contract and the Business Associate Agreement.

## RESOLUTION OF THE NORTH EAST BOARD OF SCHOOL DIRECTORS

Resolved, that the Joint Operating Committee of the Erie County Technical School recommends to the various school districts participating in the operation of the Erie County Technical School to market and sell 80 acres out of the total of 153 acres of land in Summit Township on the Erie County Technical School Campus which is hereby approved. The Board President and Secretary are hereby authorized to execute all documents on behalf of the North East School District to effectuate this sale including, without limitation, the Real Estate Purchase Agreements, the deeds and the Petitions for Court Approval of the sale of unused and unnecessary lands if required by the Pennsylvania Public School Code. The funds generated from the sale of the above reference property will be deposited in the Erie County Technical School Capital Reserve Fund to be used for future capital projects.

### MOTION FAILED:

This resolution was rejected by the Board of School Directors of the North East School District at a duly convened meeting held on the 15th day of September, 2022 by a vote of 8 to 0.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, SEPTEMBER 1, 2022**

**6154**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, September 1, 2022, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Cancilla, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Mr. Boyd was excused. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mrs. Hodges and Dr. Ritter. Administrator Mr. Emick and district solicitor Attorney Timothy Sennett were present via remote connection. There were five visitors present in person and three members of the public logged in for remote participation.

The pledge of allegiance was recited.

Mr. Mobilia announced that the North East Board of School Directors had met in an Executive Session prior to this evening's meeting concerning areas permissible under Act 84 which include confidentiality issues protected by law, student issues, personnel, legal matters, and other matters relevant to the operation of the district.

#### REPORTS/PRESENTATIONS

- Mr. Timothy Skelly, Elementary Music Teacher and Supervisor for the Summer 2022 Learning Lab program, provided a video presentation showcasing activities from this past summer. A total of 162 district students participated in this year's program which was facilitated by 24 district teachers, 4 aides and 3 pool lifeguards. Curriculum and activities included Mathematics, English Language Arts, STEAM, Social Emotional Learning, Swim Lessons and Therapy Dog visits.

#### SUPERINTENDENT'S REPORT

- Dr. Hartzell reported a very smooth opening for the 2022-23 school year, with students very happy to be back in school. There are currently 1,534 students attending in person and 21 enrolled in North East Virtual Academy.
- The district held new teacher orientation on Friday, August 26<sup>th</sup>, led by Mr. Brian Emick. Staff was introduced to district-wide policies and procedures, and received information on how to be a successful first year teacher. A special thank you to all of the mentors who commit their time to our new teachers.
- North East staff attended several days of professional learning on August 23 – 26<sup>th</sup>. Some topics included safety, situational awareness, Run/Hide/Fight, Envisions Math, and curriculum mapping. Vision 2027 priorities were also presented by the administrative team, which include: Social & Emotional Learning/Mental Health/Trauma; Curriculum, Instruction, and Assessment; Safety & Security; Communication, Community Outreach & Partnerships; Professional Learning; and Facilities.
- Congratulations were extended to Board member Dr. Jane Blystone on her incredible achievement as the recipient of the national Carl Towley Award from the Journalism Education Association. Dr. Blystone dedicated over 34 years to teaching children in the school district prior to her retirement. She continues to teach graduate classes and volunteer endless hours of her time for the students, families and programs of the North East School District. We are very proud of Dr. Blystone for this well-deserved recognition.

#### BOARD REPORTS

- North East Recreation Commission – Mr. Wargo reported that the Rec Commission met on August 25<sup>th</sup>. They had a great turnout for summer soccer and are looking to possibly organize a spring soccer league for 2023. They are trying to set up a new website to make rec program information readily available and signups easier for parents. In response to a question from Mr. Mobilia, Mr. Wargo clarified that new football programs popping up in the area are not currently run through the Rec Commission. Their next meeting is scheduled for the last Thursday of September.

## TRUANCY PROGRAM AGREEMENT

THIS TRUANCY PROGRAM AGREEMENT ("Agreement" or "TPA") is made and entered into effective August 22th, 2022, by and between Bethesda Lutheran Services, a Pennsylvania non-profit corporation, ("Bethesda", "BLS" or "Agency") and North East School District (or NESD), collectively referred to as "Parties".

### WITNESSETH

WHEREAS, Bethesda is a private 501 (c) (3) fully accredited social service agency which operates multidisciplinary programs designed to nurture, foster and protect children, including children who require behavioral health and truancy support;

WHEREAS, NESD is a school district providing educational opportunities to children within the bounds of its district;

WHEREAS, some of the children served by the district require additional services in the form of a Truancy Program;

WHEREAS, Bethesda desires to provide its truancy services to the School District in accordance with the terms and conditions set forth below.

NOW THEREFORE, in consideration of the mutual covenants herein contained, and intending to be legally bound hereby, the parties agree as follows:

#### 1. Term and Termination

- (a) This Agreement shall be effective as of Aug 18<sup>th</sup> 2022 and continue for a period of one year. Thereafter, it shall automatically renew for additional one-year periods unless terminated by either party upon sixty (60) days written notice prior to the expiration of the initial or successive terms, or otherwise terminated pursuant to this Agreement.
- (b) From the effective date of this Agreement, BLS agrees: 1 to adhere to all recognized professional ethics and standards; to avoid all activities and actions that might injure in any way, directly or indirectly, NESD or any of its students and to follow all policies established by NESD. BLS further agrees not, to engage in any action that would be illegal, or construed as unethical, or as fraud or abuse, or that would constitute unprofessional conduct, including, but not limited to discrimination or harassment of staff, co-workers, supervisors, or students.
- (c) Bethesda agrees to fulfill the duties and responsibilities as set forth below and as further identified as Exhibit "A" attached hereto and made a part hereof. This Job Description may be reasonably modified from time to time by written Agreement of the Parties.

(d) Notwithstanding any of the provisions of this Agreement to the contrary, either party may terminate this Agreement, with cause, upon sixty (60) days' written notice to the other party.

(e) NESD also may terminate this Agreement effective immediately in the event:

- (1) The Truancy Monitor's license, permit, authorization, approval or certification necessary to continue practice is revoked, suspended or otherwise restricted or limited;
- (2) BLS breaches any obligation under this Agreement and fails to cure, or take reasonable steps to cure, the breach within seven (7) days after its receipt of written notice of the breach; or

## 2. Provision of Services by the BLS

(a) BLS shall provide NESD with a Truancy Monitor who is responsible for implementing programs, education and facilitating groups for parents and students designed to provide for proper school attendance;

(b) The Truancy Monitor shall make school attendance a schoolwide initiative where students are held accountable for their attendance.

(c) The Truancy Monitor shall work closely with each student, family, Office of Children and Youth, Magisterial District Judge and the Student Assistance Program (SAP) to improve attendance as necessary.

### (d) Professional Services

(1) BLS shall provide professional truancy services on a Full-Time time basis to NESD. Such Full-Time basis shall be defined as: (8) hours during the school year of up to 185 days, Monday through Friday, on a schedule to be determined by the Parties.

(2) BLS shall be responsible for working with and providing truancy services, as described in Section 3 here of, for select students who are defined as truant or at risk of becoming being truant.

(3) BLS shall attend all required meetings associated with these services.

(4) BLS will assure timely completion of all assigned tasks and duties.

(5) BLS shall maintain, in good standing, all permits, licenses, certifications, approvals, authorizations and the like necessary for this full and effective practice of truancy monitoring students.

(e) Authority and Control of NESD :

- (1) Bethesda agrees that NESD shall have complete authority with regard to acceptance of the Truancy Monitor Program.
- (2) NESD shall direct and control the assignment of students to BLS. Such determination shall be solely at the discretion of NESD. BLS agrees to treat such students as are assigned to him/her by NESD \_\_\_\_\_.

(f) Non-Competition and Non-Solicitation:

For a period of two (2) years commencing upon termination of this Agreement (the "Restricted Period") within the geographical limitation set forth in Exhibit "B" attached hereto; the NESD shall not, directly or indirectly;

(i) Hire or solicit any employee of BLS or encourage any such employee to leave such employment or hire any such employee who has left such employment.

(g) NESD acknowledges and agrees that a breach or threatened breach of this Section would give rise to irreparable harm to BLS, for which monetary damages would not be an adequate remedy, and hereby agrees that in the event of a breach or a threatened breach by the NESD of any such obligations, BLS shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance and any other relief available from a court of competent jurisdiction (without any requirement to post bond).

(h) NESD acknowledges and agrees that the restrictions contained in this Section are reasonable and necessary to protect the legitimate interests of BLS and constitute a material inducement to BLS to enter into this Agreement and consummate the transactions contemplated by this Agreement. In the event that any covenant contained in this Section should ever be adjudicated to exceed the time, geographic or other limitations permitted by applicable Law in any jurisdiction, then any Court is expressly empowered to reform such covenant, and such covenant shall be deemed reformed, in such jurisdiction to the maximum time, geographic, or other limitations permitted by applicable Law. The covenants contained in this Agreement and each provision hereof are severable and distinct covenants and provisions. The invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable the remaining covenants or provisions hereof, and any such invalidity or unenforceability shall not invalidate or render unenforceable such covenant or provision in any other jurisdiction.

3. Program Service Population/ Program Eligibility

(a) Students and families who become involved with the Truancy Program must be residents of the School District. Students who are enrolled, beginning as early as kindergarten up to age 18 (or receiving a diploma, whichever comes first) shall be

identified when the school truancy monitor mails out a first notice to parents. A first notice means that the student has 3 unexcused days from school. Attendance education and attendance incentives will be offered and available through the truancy monitor assigned to them.

Truancy monitors provide attendance presentations during Kindergarten, Middle School and High School orientation sessions for parents and students (when applicable). During these sessions, families receive packets of information regarding attendance and truancy from the truancy monitors. Families shall receive and/or, whatever the intent, have attendance information readily available. Furthermore, families receive the message of the importance of positive school attendance at every grade level from kindergarten through 12<sup>th</sup> grade. In addition, truancy monitors will be active through the summer months conducting outreach to those students who struggled with attendance in the prior school year.

Should any parent/student receive a Summary Truancy Citation (which occurs when a student has reached 6 unexcused absences) a Magisterial District Judge can “order” a parent/student to attend a 2 hour Community Based Attendance Program (CBAP) to satisfy the citation and waive fines and fees associated with it. The school may utilize CBAP as an alternative of a citation for a parent of a habitually truant student.

(b) Truancy Service Narrative

Bethesda is committed to improving the attendance of students of the     NESD    . The truancy monitor will receive daily attendance from the schools attendance staff and will input data into the school’s database. This includes excused and unexcused absences from each school’s grading period.

The truancy monitor will facilitate a phone call and send a First Notice letter to the families whose youth accumulated 3 unexcused absences. The first notice letter and phone call will assist the truancy monitor to remind parents to submit excuses and/or inquire why the student has been missing school. The process regarding phone calls is as follows:

- Phone call to the parent accompanies the First Notice letter, the monitor typically completes the call;
- The truancy monitor, along with a designated school official, facilitates a Student Attendance Improvement Conference (SAIC) which is either in person or on the phone;
- If the monitor contacts the parent and the parent is unable to attend the upcoming scheduled SAIC, then the monitor may conduct the SAIC and review the plan on the phone with the parent. The monitor will make these calls with a School Administrator whenever possible.

While there is not a formal “intake” procedure for the truancy service, the first notice typically starts the interaction and dictates the beginning of outreach. There are many instances when truancy monitors make contact before a student becomes truant. The contact is proactive and intended to be preventative. The outreach works best in elementary and middle schools. Furthermore, school administrators provide guidance on these cases – criteria include: truancy issues in previous years, unexcused absences which simply need excuses, those students nearing “truant” status and unable to reach via phone, etc,

4. Compensation to Bethesda

(a) Payment

BLS shall provide the Truancy Program to NESD at no cost.

(b) Benefits

The following benefits shall be provided to BLS:

- (1) NESD will provide facilities, equipment, and supplies to allow the truancy monitor to perform his/her required duties.
- (2) During the term of this Agreement, Bethesda shall be reimbursed for any reasonable expenses incurred for the benefit of NESD in providing truancy monitoring.

5. Information and Records

Bethesda shall not disclose information ("Information") relating to the operations of NESD to persons other than governmental or private accreditation or licensing bodies or third-part reimbursement programs, or as otherwise required by law, unless NESD shall have given written consent for the release of information. The Information shall include student's records and all other information kept in the normal operation of the Truancy Monitor. Student and other records connected with services provided by BLS at NESD pursuant to this Agreement are and shall remain the property of BLS. BLS is permitted to disclose information related to the normal course of care and treatment of students.

6. Assignment

This Agreement and the rights and obligations hereunder may not be assigned by Bethesda without the written consent of NESD.

7. Notice

All notices which are required or permitted to be given under this Agreement shall be in writing and shall be sent certified mail, return receipt requested. All notices shall be deemed to have been given as of the date of the postmark by the Post Office. Postmark by meter machine shall not be recognized as due notice. All notices shall be addressed to the other party at the following addresses:

NESD: 50 East Division St  
North East, PA 16428

Bethesda: 15487 State Highway 86  
Meadville, PA 16335

or at such other address as a party may from time to time designate by notice hereunder.

8. Waiver

Waiver by NESD or Bethesda of a breach of any provision of this Agreement by either party shall not be construed as a waiver of any subsequent breach.

9. Entire Agreement

This Agreement contains the entire understanding and agreement between the parties hereto. There have been no oral or other agreements of any kind whatsoever as a condition precedent or inducement to the signing of this Agreement or otherwise concerning the Agreement or the subject matter thereof.

10. Modification

Except as otherwise specifically provided, the terms and conditions of this Agreement may be amended at any time by mutual agreement of the parties, provided that before any amendment shall be valid or effective it shall have been reduced to writing and signing by Bethesda and NESD. This Agreement may not be orally cancelled, changed or modified or amended, and no cancellation, change, modification or amendment shall be effective or binding unless it is in writing and signed by both parties to this Agreement.

11. Governing Law

This Agreement shall be construed and enforced under, and in accordance with, the laws of the Commonwealth of Pennsylvania.

12. Compliance with Law

- (a) The parties shall comply with all applicable statutes, rules, regulations, and standards of any and all governmental authorities and regulatory and accreditation bodies relating to the treatment of students.
- (b) If any provisions or clause of this Agreement, or application thereof to any person or circumstance, is held invalid or unlawful, such invalidity or unlawfulness shall not affect any other provision or clause of this Agreement or application thereof, which can be given effect without the invalid or unlawful provision, clause or application.

13. No Third Party Rights

Nothing in this Agreement shall be construed as creating or giving rise to any rights in any third parties or any persons other than the parties hereto.

14. Construction of Headings

The captions or headings are for convenience only and are not intended to limit or define the scope or effect of any provision of this Agreement.

IN WITNESS WHEREOF, the parties, by their signatures below, have agreed to the terms and conditions herein, as of the date first written above.

There were approximately 25 visitors present in person and 5 members of the public called in to participate remotely.

The pledge of allegiance was recited.

#### SUPERINTENDENT'S REPORT

- Dr. Hartzell reported that the North East School District hosted the 18<sup>th</sup> annual Adopt a Student program on Monday, August 15<sup>th</sup>. This program works with the North East Lions Club and local faith-based organizations to adopt a student in need of school clothes, supplies, and a bookbag. Mr. Trent Lewis and Mrs. Teresa Folmar provided free haircuts for our students. We also had Board members hand sew and deliver over 100 fabric pencil cases and boxes of crayons for our students. On behalf of the North East School District, Dr. Hartzell thanked all of the organizations, community members and staff that helped to make this event a huge success.
- The technology department conducted Chromebook distribution for students in grades 3-12 on Tuesday, August 16<sup>th</sup>. This year we had approximately 1,000 students that picked up their Chromebooks. Students in grades 3-12 who were unable to pick up their Chromebook will be able to do so during the first week of school. All technology paperwork must be completed by a parent/guardian before a Chromebook can be picked up.
- Administration at North East Middle School held orientation for parents/guardians on Monday, August 15<sup>th</sup>. Expectations were reviewed for students entering sixth grade as well as those in grades 7 and 8 who are new to the Middle School this year. A copy of the presentation may be found on the district website; select the Middle School tab.
- A parent letter was mailed to all families regarding the opening of the 2022-23 school year on Tuesday, August 30, 2022. Meet the Teacher will be held on Wednesday, August 24 for Davis Primary and North East Intermediate Elementary, and on Thursday, August 25 for the Middle and High Schools. Please review the flyer that was mailed or check the website for times. Dr. Hartzell noted that the Elementary Center is still under construction, and thanked everyone for their patience as these projects are completed.
- Mercyhurst University has partnered with the North East School District to offer STEM activities for students and families. Dr. Hartzell extended sincere thanks and appreciation to district staff that were involved in the grant initiative and to Dr. Amy Burniston from Mercyhurst University and their community partners. We are excited about this opportunity and look forward to our ongoing partnership with Mercyhurst University.

#### REPORTS/PRESENTATIONS

- Dr. Amy Burniston of Mercyhurst University presented a brief overview of the new STEM & Vine initiative made possible for district students this school year through PA Smart Advancing Grant funding. She explained the reasons why North East School District and supporting organizations from the North East community provide the ideal partnership for this exciting new opportunity for district students.

Erie County Pandemic Recovery agreement between:

**Erie County Department of Health**

And

**Erie County School Districts (13) and  
Northwest Tri-County Intermediate Unit**

This Agreement, between the **Erie County Department of Health**, hereinafter referred to as "**County**", and the **Thirteen Erie County School Districts and Northwest Tri-County Intermediate Unit**, hereinafter referred to as "**Subcontractor**," is hereby effective August 1, 2022 through July 31, 2023.

WHEREAS, the County wishes to deliver an enhanced pandemic recovery effort and public health prioritization strategy to impact the mental health issues identified in schools during the COVID 19 pandemic. This effort will utilize mental health professionals and strategies to focus on the increased needs of students and families;

WHEREAS, Subcontractor(s) desires to collaborate with County to support a coordinated effort within the school district service area(s) through targeted mental health efforts, and is ready, willing, and able to perform the services outlined in the work statements (Appendices A-N);

NOW, THEREFORE, the parties, intending to be legally bound, hereby agree to the following:

**I. CONTRACT TERM**

The term of this Agreement commences on August 1, 2022 and runs through July 31, 2023.

**II. CONTRACT AMOUNT**

Subject to the availability of funds, and the other terms and conditions of the Agreement, County will make monthly (12) payments to Subcontractor(s). Total expenses shall not exceed \$75,000 per school district and Intermediate Unit for the time period of August 1, 2022 to July 31, 2023.

**III. PAYMENT**

Subcontractor shall submit a County Invoice (Appendix O), and other documentation required by County, as follows:

- A. Invoices including back up documents shall be submitted monthly to reimburse for qualified and approved expenses. Invoices and back up documents relevant to the invoice should be submitted no later than the 15th of the following month (Example: August invoice and backup is due no later than September 15).
- B. Invoices submitted more than 10 business days after the due date may not be reimbursed by County.
- C. The total amount paid under this Agreement shall not exceed \$1,050,000 for completion of activities set forth in the Work Statements (Appendices A-N), and submission of proper Invoices (Appendix O) and invoice backup documentation. Approved reporting forms and other program support materials will be provided to Subcontractor(s) by the County, if applicable. Each Subcontractor's total amount shall not exceed \$75,000.

**IV. WORK STATEMENT**

Work Statements for the Subcontractor(s) are included in Appendices A-N.

**V. EQUAL EMPLOYMENT OPPORTUNITY (EEO)**

Subcontractor(s) shall comply with the provisions of the County of Erie's Equal Employment Opportunity Clause (Appendix P).

**VI. COMPLIANCE WITH PENNSYLVANIA RIGHT TO KNOW LAW**

The Pennsylvania Right-to-Know Law, 65 P.S. Section 67.101, et seq. provides that "(a) public record that is not in the possession of an agency (the County) but is in the possession of a party with whom the agency has contracted to perform a governmental function on behalf of the agency, and which directly relates to the governmental function and is not exempt under this act, shall be considered a public record of the agency for purposes of this act."

**VII. APPENDICES AND ATTACHMENTS**

The following Appendices and Attachments are incorporated into and made part of this Agreement and the parties agree to be bound by these Appendices and Attachments:

- Appendix A – Northwest Tri-County Intermediate Unit Work Statement
- Appendix A-1— Northwest Tri-County Intermediate Unit Budget
- Appendix B – Erie's Public Schools Work Statement

**VIII. PRINT AND ELECTRONIC MEDIA, SURVEYS AND EDUCATIONAL MATERIALS**

- A. Subcontractor(s) agrees that all writings, sound recordings, pictorial reproductions or other graphical representations and works of any similar nature developed in connection with this Agreement shall be the property of Subcontractor. County may duplicate, use and disclose the same in any manner or for any purpose whatsoever and have others do so upon the request or direction of County. Appropriate acknowledgment for the contributions made by Subcontractor shall be given by County.

**IX. ADDITION OF SUBSEQUENTLY AVAILABLE FUNDS; AMENDMENTS**

- A. If, during the term of this Agreement, additional funds become available to provide additional or expanded services or activities under the scope of this Agreement, the Agreement may be amended. Any additional funds shall be subject to the terms and conditions of the initial Agreement, as well as any additional conditions or requirements deemed necessary by the County. Subcontractor(s) hereby agrees to accept the funds for the stated purpose and agrees to use the additional funds as stated by the County. Subcontractor's revised Work Statement, revised budget, and any new conditions or requirements of the additional funds shall be incorporated into and become a part of this Agreement by reference.
- B. This agreement may be extended for additional time beyond its established termination date only by mutual written agreement of the parties hereto.
- C. Any alterations, amendments or modifications of this Agreement shall be invalid unless made in writing, approved by the parties hereto and attached to a copy of this Agreement.

**X. SEVERABILITY AND TERMINATION OF CONTRACT**

- A. It is the intent of the parties hereto that the clauses of this Agreement are severable. Should a clause or any part thereof be declared by a court of competent jurisdiction to be invalid and unenforceable, the remaining clauses shall remain in full force and effect between the parties to this Agreement.
- B. Either party can terminate this Agreement by giving the other thirty (30) days written notice of such intention to terminate.

**XI. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS**

This Agreement shall be construed in accordance with the laws of the Commonwealth of Pennsylvania. Subcontractor shall comply with all federal, state, and local laws and ordinances.

**XII. INDEPENDENT CONTRACTOR**

- A. Subcontractor(s) is considered to be an independent contractor, and for no purposes is subcontractor(s), or its employees, to be considered an employee of either Erie County Department of Health or the County of Erie. No County benefits will accrue to Subcontractor(s) other than as are set forth herein.
  - a. County will not provide health, life, unemployment, Worker's Compensation, or professional liability insurance for the Subcontractor.
  - b. Payment will be made without withholding any federal, state, or local income tax; nor shall the County withhold or contribute any amount for FICA or social security tax which the Subcontractor may owe. Subcontractor(s) will be responsible for making payments for any income or self-employment taxes owed.
- B. The Subcontractor(s) shall indemnify and hold harmless the County, its employees, agents, officials, representatives, attorneys, and assigns from any and all liability arising solely out of Subcontractors' negligence with respect to its activities conducted in connection with this agreement and/or the performance thereof.

IN WITNESSES WHEREOF, the parties hereto have executed this Agreement as of the day, month, and year indicated above.

### **Purpose**

The Board encourages the residents of the North East School District to come before the Board to present their petitions, inquiries, or other communications of interest to the North East School District. The Board recognizes the value to school governance of public comment on educational issues and the importance of involving members of the public in Board meetings. The Board also recognizes its responsibility for proper governance of the district and the need to conduct its business in an orderly and efficient manner.

Board meetings are primarily for the conduct of School District business. The Board cannot tolerate the disruption of the prime purpose. This objective must be weighed against the concept of public participation. It is the maintenance of this delicate balance that is the Board's intent in this policy.

### **Authority**

The Board adopts this policy to govern public participation in Board meetings necessary to conduct its meeting and to maintain order.[\[1\]](#)

In order to permit fair and orderly expression of public comment, the Board shall provide an opportunity at each open meeting of the Board for residents and taxpayers to comment on matters of concern, official action or deliberation before the Board prior to official action by the Board.[\[2\]](#)

Time shall be set aside near the beginning of each meeting agenda for public comment regarding only items listed on the agenda for that meeting. Additional time shall be offered near the end of each public meeting for public comment regarding issues or concerns unrelated to the set meeting agenda.

If the Board determines there is not sufficient time at a meeting for public comments, the comment period may be deferred to the next regular meeting or to a special meeting occurring before the next regular meeting.[\[2\]](#)

### **Delegation of Responsibility**

The presiding officer at each public Board meeting shall follow Board policy for the conduct of public meetings.[\[3\]](#)[\[4\]](#)

### **Guidelines**

Whenever issues identified by the participant are subject to remediation under policies and procedures of the Board, they shall be dealt with in accordance with those policies and procedures and the organizational structure of the district.

The Board requires that public participants be residents or taxpayers of this district, anyone representing a group in the community or school district, any representative of a firm eligible to bid on materials or services solicited by the Board, any district employee, or any district student.

All individuals wishing to participate in a public Board meeting shall register their intent with the Board Secretary seventy-two (72) hours prior to the meeting and shall include the name and address of the participant, topic to be addressed and group affiliation, if applicable, in order to be included on the printed meeting agenda.

Participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address, topic of discussion and group affiliation if applicable.

In case of groups of two or more, the Board President has the right to ask that just one representative act as spokesman for the group; thus only the representative would be given the opportunity to be heard.

Time limitations for the presentations will be five (5) minutes for those on the agenda and three (3) minutes for those who were not on the agenda.

No participant may speak more than once on the same topic, unless all others who wish to speak on that topic have been heard.

All statements shall be directed to the presiding officer; no participant may address or question Board members individually.

The presiding officer may:

1. Declare any persons out of order if they **stray from the topic, are beyond the time limit,** become obscene, **loud or abusive,** or become slanderous.
2. Interrupt or terminate a participant's statement when the statement is **too lengthy, personally directed, abusive beyond the time limit,** obscene, or **irrelevant slanderous** .
3. Request any individual to leave the meeting when that person does not observe reasonable decorum.
4. Request the assistance of law enforcement officers to remove a disorderly person when his/her conduct interferes with the orderly progress of the meeting.
5. Call a recess or adjourn to another time when the lack of public decorum interferes with the orderly conduct of the meeting.
6. Waive these rules with the approval of the Board.

No placards or banners will be permitted within the meeting room.

The meeting agenda shall be available to the press and public at the meetings.

"Nays" – 0. Motion carried.

**SUPERINTENDENT'S REPORT**

- Dr. Hartzell reported that the Summer Learning Lab was completed today. Mr. Skelly will provide a overview of the Lab at an upcoming board meeting. A special thank you to all the teachers, support staff, and to Mr. Skelly for providing an outstanding summer program for our students.
- The district's administration, directors and supervisors held a retreat on July 12<sup>th</sup> and 13<sup>th</sup>. Topics included the 7 Habits of Highly Effective Leadership, the High 5 Habit, communication, action planning, team building skills and activities. The IU5 director joined the team on day two to provide a few additional team building and reflection activities.
- A back-to-school letter will be mailed to all district families next week. This will include information regarding this year's Open House/Meet the Teacher Nights, new student orientation, accessing Sapphire, Chromebook distribution, how to access transportation schedules and how to apply for free and reduced meals.
- Facilities projects are ongoing throughout campus as the district prepares for the first day of school. The roofing project at the high school has been completed. The roofing project at the elementary center is expected to be completed around mid-October, weather pending. Patience will be much appreciated from the parents and families of elementary center students as we work around the these projects during the beginning of the school year.

## TUITION REIMBURSEMENT AGREEMENT

The board will support the efforts of administrator Mr. Corey Garland as he enters the Doctor of Education program in Administration and Leadership at California University of Pennsylvania as follows:

The district will reimburse the administrator for up to 57 credits taken in this program at the state university graduate credit rate (PennWest Edinboro). This rate is currently \$625.60 per credit. Should the state rate of reimbursement be adjusted, this amount will also be adjusted.

The administrator will agree to remain employed by the North East School District for a minimum of 3 years following the successful completion of the program unless the exit from the district is by mutual agreement of the board of education and the administrator. Should the administrator leave the district prior to the completion of this 3 year period, he must reimburse the district for any costs expended by the district for the attainment of this degree following the 3-year schedule included below.

If the administrator does not complete the program, he will not be responsible for repayment of the costs unless he elects to leave the district. In this case, the repayment schedule will begin the first year that he is not enrolled and last 3 years, decreasing 33.3% each year.

**SAP Mental Health Liaison Letter of Agreement  
Between the Northwest Tri-County IU #5  
and the North East School District  
2022-2023 FY**

This Letter of Agreement is between the Northwest Tri-County Intermediate Unit #5 and the North East School District. Both parties agree to cooperate in providing services for the Student Assistance Program.

Both the provider and the School District agree that this Letter of Agreement shall be supplemented by, include by reference, and are governed by:

- A. The provisions of the Public School Code of 1949, as amended, 24 P.S. section 15-1547:
- B. Any other statutory or regulatory provisions pertaining to the Student Assistance Program.
- C. The district's alcohol, tobacco, and other drugs policy, suicide/ mental health crisis policy, weapon policy, record release policy, and any other policy regarding the Student Assistance Program.
- D. Provider and the School District agree that all records generated by the Student Assistance Program, with respect to individual students, are records of the district; the retention and disclosure of which shall be governed by the policies of the district.

Provider agrees (via IU Service Purchase Contract(s) with North East School District) to provide the following services as an ad hoc member of the building student assistance core team:

- A. Consultation, technical assistance, and education to core teams.
- B. Attend (at least once per week) regularly scheduled core team meetings for the purpose of referrals, case management, and follow-up services.
- C. Will provide site-based student psycho-social screenings for treatment and/or short-term treatment under the following conditions as the liaison is professionally qualified with prior written and informed parental consent. Screenings will include the Behavioral Health Works online mental health screener. This provides a standardized questionnaire to ensure all areas are assessed for each student in determining barriers to learning and assist with appropriate referrals.
- D. Identification of agencies and/or resources that could serve the needs of identified students and their families. Provider may assist the identified student and/or family in linking up with the appropriate services. Provider may act as the liaison between the identified agency/service and the school to ensure effective communication.
- E. Crisis assistance/ intervention, postvention, and management to students, family, and faculty as needed. (Within district and across districts)

- F. Education groups offered to identify students referred through the core team. Student participation in these groups shall be provided only with parental permission in accordance with school policies.
- G. Aftercare service for identified students that have returned to the school following treatment. This may include individual or group services.
- H. Will assist with faculty inservice and student orientation within the limits of staff availability.
- I. Will provide educational resources to school personnel, students, families, and community as requested.
- J. From the Department of Human Services MH-ID Grant and as determined by the Department of Human Services MH-ID Office, a designated number of days per week of service for North East School District: **237 hours**
- K. Will submit monthly SAP reports to the IU no later than the 7<sup>th</sup> day of each month and quarterly reports no later than the 7<sup>th</sup> day of the new quarter.
- L. Will participate in 3 mandatory staff meetings per year and any mandatory trainings.
- M. If the provider agency supervisor is not SAP certified the agency supervisor will participate in an upcoming SAP new team training or will attend the online (no cost) Bridge training offered through PNSAS or participate in an orientation to SAP with the IU supervisor until they become certified.

The School District agrees to provide the following.

- A. Appropriate space in the school where services can be provided with safety and privacy, and adequate access to a telephone.
- B. Copies of the district's alcohol, tobacco, and other drug policy, suicide/mental health crisis policy, school calendar, a schedule of special activities, and any other school policies, which may affect Student Assistance Program, services.
- C. Family notification of the Student Assistance Program and the services to be provided in the school as required in the record policy.
- D. Family and community education of the Student Assistance Program.
- E. Faculty, pupil personnel and student orientation to the Student Assistance Program that includes staff, services, and referral procedures.
- F. A Student Assistance Core Team that complies with BEC 24 P.S. 15-1547 for membership, training, common planning times, and ongoing maintenance.

- G. Release time as established by the core team for referred students. Time sessions will be designed so that missed instructional time does not overly interfere. Release time shall coincide with the normal school day.
- H. Contact parent or guardian of identified students to explain referral, gather information, and obtain permission to involve students in the Student Assistance Program.
- I. Designate a contact person between the team and the provider to ensure effective communication.
- J. Submit data regarding the Student Assistance Program as requested to the Departments of Health, Education, and Public Welfare.
- K. Assist IU 5 SAP MH Liaison staff in their effort to obtain completed IU 5 SAP MH Liaison Consumer Surveys for students, parents, and core team members.
- L. Allow release time for liaison to attend 3 mandatory staff meetings per year and any mandatory training.
- M. Provide any assistance necessary to ensure that monthly and quarterly reports are completed and sent to the IU on time.

The terms of this Agreement shall coincide with the 2021-2022 school year of the district. This Agreement can be amended by mutual agreement of both parties.

**CONTRACT WITH NORTH EAST SCHOOL DISTRICT  
OUTPATIENT MENTAL HEALTH SERVICES  
July 1<sup>st</sup> 2022 through June 30<sup>th</sup> 2023**

Achievement Center, Inc. d/b/a Achievement Center of LECOM Health (ACLH) will provide the following services to the North East School District.

**School-based Outpatient Counseling**

**School-based outpatient counseling provided by a masters prepared clinician or a masters level intern under the supervision of a Licensed Clinician. All employees of the Achievement Center of LECOM Health working within the North East School District have their clearances since beginning employment with the Center. This is an agency standard that all employees must meet within 30 days of beginning employment at the center. The Outpatient Program will be authorized by the Pennsylvania Department of Public Welfare under the Achievement Center of LECOM Health Outpatient Clinic license. Hours to be determined by identified need during the school year.**

Responsibilities will include the following:

- A. Provide individual, family and/or group therapy to identified students (with parent/guardian consent if the student is under the age of 14; and parent/guardian or student consent if the student is 14+ years old) following initial intake assessment and determination that Outpatient Services are the most appropriate level of care. Sessions are typically 45-minutes in duration but will take into account developmental level and clinical needs that could result in sessions ranging from 30-60 minutes as clinically appropriate. Sessions will occur face-to-face or via telehealth based on factors related to students' location of learning and under certain circumstances when permitted by regulatory bodies and payors, and if clinically appropriate.
- B. Provide education (i.e., presentations, hand-outs, or other materials) and ongoing feedback regarding levels of mental and behavioral health care available across the region that may best support needs in the District.
- C. Will offer individual, family, and/or group sessions as clinically indicated, either at the school or at the Achievement Center of LECOM Health. These services are not the financial responsibility of North East School District unless third party payment

cannot be obtained. In these cases, the North East School District has allotted funds not to exceed \$2,500 for the term of this contract.

- D. Case coordination of mental health services with appropriate sources.
- E. Participate in monthly Case Coordination meetings with designated Building Representatives and/or Achievement Center of LECOM Health's Director of Mental Health Services. Consultation services will be billed to North East School District at a rate of \$50 per hour, not to exceed \$1,000 for the term of this contract.
- F. Clinical oversight will be provided by Achievement Center of LECOM Health's Director of Mental Health Services.
- G. Bill appropriate third-party funding sources for direct services when eligible.
- H. Communication with designated District and/or Building Representatives:
  - 1. Achievement Center of LECOM Health Leadership and District Representatives will work to identify the maximum number of students to be served at a given time pending staffing ratios and available dedicated therapy space prior to each school year and/or in the event of changes in staffing complement.
  - 2. Achievement Center of LECOM Health Leadership will notify District Representatives of any changes in staffing availability and client capacity.
  - 3. Achievement Center of LECOM Health Leadership will notify Building Representatives of quarterly case load reports.
  - 4. Achievement Center of LECOM Health Therapists will notify Building Representatives of their schedule and identified clients to be seen the day prior to services being delivered, as well as a list of alternate clients who can be seen in the event of an absence or other schedule conflict.
  - 5. Achievement Center of LECOM Health Therapists will notify Building Representatives of any planned absences that will impact service delivery (i.e., vacations, holidays, or other breaks).
  - 6. Achievement Center of LECOM Health Leadership will notify Building Representatives of any unexpected Therapist absences (i.e., sick leave).
  - 7. Achievement Center of LECOM Health Therapists will notify parents (of children under the age of 14) when services are initiated, as well as of any anticipated prolonged lapses in treatment.
- I. Scheduling considerations will include the Therapist coordinating the schedule so as to avoid consistently pulling the child from the same class, but rather use a rotation in times scheduled across the school day.

**Provided by the School District for School Based Outpatient Satellites**

- A. North East School District agrees to provide the Achievement Center of LECOM Health with a consistently designated safe and confidential space for individual and group

therapy, with access to a phone and a computer network/internet access, in order to provide School Based Outpatient Counseling in any of the School Based Outpatient Satellite locations. The space must be approved by the Department of Human Services in accordance with regulatory expectations for satellite offices.

- B. The School District agrees to permit identified students enrolled in School Based Outpatient Counseling to access services at any point during the school day pending any mandatory or other standardized testing, field trips, or other school-wide agreed upon events provided that the therapist has followed a rotating schedule for service delivery.
- C. The School District agrees to provide advanced notice to the ACLH Therapist or Director of Mental Health Services regarding appointments that will need to be cancelled due to school trips, standardized testing, or other school-related events no less than 7 days in advance of the regularly scheduled appointment in order to permit the Therapist time to maximize scheduling and rescheduling opportunities.
- D. The School District agrees to utilize natural supports available (i.e, SAP counselors, Guidance Counselors, or other personnel) to provide interim check-ins with the students in the event of a Therapist's absence.
- E. The School District agrees to designate a school representative to help facilitate parent engagement in School Based Outpatient Counseling, which at a minimum would necessitate parent participation in the creation of treatment plans and provision of parent signature to verify their authorization of services, so as to avoid lapses in service.
- F. The School District agrees to coordinate services for these students through the Achievement Center of LECOM Health's Intake Department.

## **SUMMARY OF OUTPATIENT SATELLITE MENTAL HEALTH SERVICES**

### **Unit Funded Services Description:**

#### School-Based Outpatient Counseling:

Achievement Center of LECOM Health will bill third party funding sources (insurance, Medical Assistance) to the extent that each student is eligible for coverage for the services provided. Achievement Center of LECOM Health personnel will work with families to enroll them with third party funding sources, if they are eligible.

The student's responsible party will be billed for services provided if the student does not have third party funding eligibility. Families will be invited to provide financial information to the Achievement Center of LECOM Health in order to determine if they qualify for our sliding fee scale.

Students who do not have third party funding eligibility will be billed to North East School District at the rate of \$60 per session per therapist, not to exceed \$2,500 for the term of this agreement. North East School District can choose to financially assist families with therapy fees, co-pays and deductibles if deemed appropriate.

Achievement Center of LECOM Health will bill North East School District for case coordination with school faculty and staff at the rate of \$50 per hour, not to exceed \$1000 for the term of the agreement.

An invoice for services will be sent every month (approximately the 15<sup>th</sup> of every month) and the School District shall compensate the Achievement Center of LECOM Health within 30 days of the invoice.

**Force Majeure:**

Notwithstanding anything to the contrary contained herein, neither party shall be liable to the other for any unavoidable delays or failure in performance of obligations hereunder caused by acts beyond its reasonable control, including, but not limited to, acts of God, acts of war, civil unrest or terrorism, shortage of supply, breakdowns or malfunctions, interruptions or malfunction of computer facilities, loss of data due to power failures or mechanical difficulties, labor difficulties, pandemic or the effects of a national, state or local emergency as declared by the appropriate elected official(s) of the jurisdiction (each, a "Force Majeure"). Notwithstanding the foregoing, in the event of a Force Majeure, each party agrees to perform its obligations hereunder to the maximum extent legally permitted and reasonably possible, and to accept such performance from the other party. For instance, if performance can reasonably continue through remote or telehealth services, such performance shall continue, and shall be accepted, notwithstanding the Force Majeure event. If either party is unable to perform in accordance with the Agreement due to a Force Majeure event, it must promptly provide written notice to the other party of such Force Majeure event describing the extent to which the party cannot perform. The parties shall thereafter negotiate in good faith an addendum to this Agreement to reflect an amended Scope of Work and the compensation to be paid therefore. A Force Majeure event in no circumstance forgives the performance of any payment obligations for services performed under this Agreement.

**Non-solicitation of Employees:**

It is hereby agreed between the parties that its agents shall not directly or indirectly hire, or attempt to hire, or use any employees or former employees of the Achievement Center of LECOM Health during the term of this Agreement and for a period of twelve (12) months after the expiration or termination of this Agreement. Should this Section be breached, North East School District agrees to pay the Achievement Center of LECOM Health an amount equal to \$8,500.00 per employee so coerced, encouraged, or utilized, as liquidated damages.

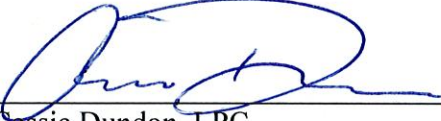

**Unit Funded Billing Summary:**

Outpatient Individual, Family or Group Counseling for students who do not have third party funding eligibility (\$60 per session per therapist; not to exceed \$2,500)

Non-direct services and Reimbursable Costs  
(Non-direct services billed at \$50 per hour; reimbursable costs billed at actual amount incurred by Achievement Center of LECOM Health; not to exceed \$1,000)

**Business Associate Agreement**

Achievement Center of LECOM Health and North East School District shall enter into a Business Associate Agreement to ensure compliance with HIPAA, while at the same time maximizing the exchange of information so as to enable both parties to provide the highest quality of educational and professional services to the students receiving the services contemplated by this agreement. The parties also agree to comply with the requirements of FERPA in the implementation of this contract and the Business Associate Agreement.

## **AGREEMENT FOR CAOLA SERVICES**

This Agreement for Capital Area Online Learning Association Services (hereinafter “Agreement”) is made this 1st of July, 2022, by and between the **Northwest Tri-County Intermediate Unit 5** (hereinafter “IU5”), a Pennsylvania Intermediate Unit organized and operating under the Public School Code of 1949, 24 P.S. § 1-101 *et seq.*, with its principal place of business at 252 Waterford Street, Edinboro, PA 16412, and **North East School District** (hereinafter “Client”), a LEA with its principal place of business at 50 E Division St, North East, PA 16428.

### **1. Scope of Work.**

1.1 IU5 agrees to perform Online services as follows:

- Provide access to and support for online courses appropriate for grades K-12
- Offer guidance and best practices with the development and management of the online program.
- Assist with back-office administration including invoice production, enrollment tracking and pupil attendance.
- Assistance with the development of Client policies and procedures.
- Provide customized marketing and public relations support, including parent information events, ads in magazines and assistance with recruiting full-time cyber students back to Client.
- Assist with the development of new courses or acquiring new vendors to support Client needs.
- Develop and coordinate an individualized professional development program for administrative, support, and professional staff.
- Provide regional networking for collaboration within the CAOLA community.
- Provide acquisition, configuration, and issuance of laptops and peripherals for full-time cyber students.
- Provide IU5/CAOLA technical support for students and Client personnel.

1.2 The services described in section 1.1 above include all labor, products, and/or tools the IU5 requires to perform the services, unless otherwise specifically stated as excluded or to be provided/performed by Client or a third party and said services shall be referenced collectively throughout this Agreement as “work.”

### **2. Responsibilities of the Parties.**

2.1 Both parties agree to act in good faith in fulfillment of this Agreement. Neither party shall attempt to hinder or otherwise prevent the other party from fulfilling their duties as outlined herein.

2.2 IU5 shall:

- Provide the Client access to a full-featured web-based online learning system with services (Genius), benefits and courses as detailed in the CAOLA Pricing Guide included as Attachment A to the Agreement.

2.3 Client shall:

- Provide administration and support to students taking online classes.
- Provide students with courseware required textbooks, software, and or materials.
- Level 1 Technical Support would include but is not limited to, basic troubleshooting of an issue. For example: confirming an issue by replicating it, restarting the device, trying multiple browsers, resetting a password. If the issue is confirmed to be a system error, providing troubleshooting steps taken, along with any screenshots or examples.

3. **Cost.** In consideration for the work to be provided under this Agreement, Client agrees to pay and CAIU agrees to accept an annual **\$3,000 (three thousand)** membership fee in fulfillment of this Agreement. In addition to the membership fee, the Client will be charged an amount equal to the costs of the curriculum, as contained on the CAOLA 2022-23 IU Pricing Guide which is attached to this agreement.

4. **Invoicing and Payment.** The IU5 shall invoice Client on a(n) quarterly basis for the costs incurred to provide the Services. All invoices are due within 45 days of the date of the invoice. Both the Client and IU5 recognize and agree that IU5 will suffer financial hardship to its cash flow in the event payments are received late; therefore, IU5 reserves the right to impose a two percent (2%) late fee for every 30 days past the 45 days that payment is late. Cost for all services provided to Client under this Agreement by IU-5 will be reconciled at the year-end to actual costs and invoices will be submitted for adjusted amounts and/or refunds will be processed for overpayments.

5. **Term and Renewal.**

- 5.1 The term of this Agreement shall commence July 1, 2022 and shall terminate effective June 30, 2023.
- 5.2 This Agreement shall then automatically renew from year to year unless: (1) either party provides written notice of its intent to terminate within ninety (90) days of the termination effective date set forth above; or (2) either party provides notice of intent to terminate as outlined in Section 20 herein.
- 5.3 In the event Client has received discounted pricing for entering into a multi-year contract and terminates this Agreement without cause prior to the above-stated termination date or as otherwise provided for under Section 25 herein, Client shall be billed and responsible for the single year cost.

**6. Notice.**

6.1 All notice to, contact with, or any provision of information relevant or pertaining to this Agreement shall be directed to the IU5 as follows:

**7. Mutual Release from Liability.**

- 7.1 Except as otherwise provided in this Agreement, Client, on behalf of itself, its agents, employees, directors, officers, affiliates, consultants, and/or contractors (collectively “Client”) hereby releases IU5 and its agents, employees, directors, officers, affiliates, consultants, and/or contractors “IU5”), and IU5 hereby releases Client, from all liabilities and claims for damages and/or suits for or by reason of any injury or injuries to any person or persons or property of any kind whatsoever from any cause or causes whatsoever during the performance and execution of this Agreement.
- 7.2 It is specifically understood and agreed that neither party shall be held liable or otherwise responsible for the acts and/or omissions, including negligence or willful misconduct, of the other party or any of the other party’s agents, employees, directors, officers, affiliates, consultants, and/or contractors.

**8. Mutual Indemnification.**

- 8.1 Both parties are protected under the Commonwealth of Pennsylvania’s Tort Claims Act (Act), and as such, cannot and shall not be held responsible or other otherwise liable for those actions or inactions specifically enumerated under the Act. Based on the foregoing, each party agrees to protect, indemnify, and hold harmless the other party and its agents, employees, directors, officers, affiliates, consultants, and/or contractors from and against any and all damages, injuries (including bodily injury, dismemberment, and/or death), claims, liabilities, and costs (including reasonable attorneys' fees), which arise or may be suffered or incurred in whole or in part as a result of the acts or omissions of the indemnifying party, its agents, employees, directors, officers, affiliates, consultants, and/or contractors, and whether arising under this Agreement.
- 8.2 Said indemnity is in addition to any other rights that the indemnified party may have against the indemnifying party and will survive the termination of this Agreement

**9. Insurance Coverage.**

- 9.1 The IU5 affirms it carries Workers' Compensation, General Liability, and Errors and Omissions insurance at amounts recognized as customary in the ordinary scope of business. Upon written request, the IU5 shall provide Client with a copy of its certificate of insurance, but under no circumstances, shall IU5 name Client as an additional insured.
- 9.2 The Client shall carry appropriate insurance coverage, including, but not limited to, Workers' Compensation, General Liability, Errors and Omissions, and the like, throughout the entire term this Agreement. Under no circumstances shall IU5 be responsible for any liability incurred by Client as a result of Client not carrying said insurance.

**10. Limitation of Relationships.** Nothing contained in this Agreement shall be construed to create the relationship of employer and employee between IU5 and Client. IU5 and Client assert that they are not in a joint venture with each other, nor intend to operate as a joint venture.

**11. Work Product.**

- 11.1 All work products, whether tangible or intangible, and regardless of medium, that are created, produced, engineered or otherwise devised by IU5 during the course of this Agreement are solely owned by the IU5 and may not be used, sold, or otherwise distributed by the Client in any manner which exceeds the scope of the relationship between the Client and the IU5 as described herein or as described in a contract made hereunder.
- 11.2 Any unauthorized use or infringement of work product by Client shall be considered a material breach.
- 11.3 Unless otherwise expressly stated herein, no license for use, whether expresses or implied, is given to Client by this Agreement.

**12. Confidentiality.**

- 12.1 Under this Agreement, the parties may have access (verbally or in writing) to information that is confidential in nature. Such information may include, but not be limited to student information and data; work product, facts or statistics, ideas, materials, business plans, technical information, methodologies, or any other shared data.
- 12.2 IU5 and Client agree not to use or disclose such confidential information for any purpose other than in fulfillment of this Agreement, and/or as required by activities described herein., and then, only to the designated employees and/or consultants of IU5 and Client. Additionally, both parties acknowledge and agree that they are bound by the Family Education Rights and Privacy Act of 1974 (FERPA) and the business associate and

subcontractor privacy rules of the Health Insurance Portability and Accountability Act of 1996 as amended (HIPAA), and all other applicable State and federal laws.

12.3 Notwithstanding the above, IU5 is a public governmental entity subject to public disclosure and right-to-know laws, and this Section 12 and its subsections shall not apply with respect to any information that is required to be disclosed under or by any law or which subsequently enters the public domain through no fault of the receiving party.

12.4 The provisions of this Section 12 and its subsection shall survive termination or expiration of the Agreement.

13. **Force Majeure.** Notwithstanding anything to the contrary contained herein, neither party shall be liable to the other for any delays or failure in performance of obligations hereunder resulting from acts beyond its reasonable control, including, but not limited to, acts of God, acts of war, civil unrest or terrorism, shortage of supply, breakdowns or malfunctions, interruptions or malfunction of computer facilities, loss of data due to power failures or mechanical difficulties, labor difficulties, pandemic or the effects of a national, state or local emergency as declared by the appropriate elected official(s) of the jurisdiction (each, a "Force Majeure"). Notwithstanding the foregoing, in the event of a Force Majeure, and to the extent permitted, practicable or possible, each party agrees to make a good faith effort to perform its obligations hereunder and/or to negotiate an addendum to this Agreement to reflect an amended Scope of Work and compensation, therefore. If either party is unable to perform due to a Force Majeure, neither party is obligated to perform during the period affected by the Force Majeure.

**14. Warranties.**

**14.1 Unless otherwise expressly stated in Section 25 herein or in an Addendum hereto, IU5 MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE IN REGARDS TO THE SERVICE(S) AND/OR PRODUCT(S) IT PROVIDES TO CLIENT, AND**

**14.2 CLIENT ACCEPTS THE SERVICE(S) AND/OR PRODUCT(S) PROVIDED BY IU5 “AS IS,” WITH NO REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.** The IU5 assumes no liability for losses, damages, or legal judgments resulting from Client’s use of any product or service provided to Client under this Agreement.

14.3 IU5 does not warrant that any product provided by it will perform without error or that it will run without immaterial interruption. Moreover, IU5 provides no warranty regarding, and shall therefore have no responsibility for any claim arising from a modification made by Client unless IU5 approves such modification in writing; and/or use of the product in combination with or on products other than as specified in writing by the IU5.

14.4 CAIU shall (a) “pass through” to Client any warranty right it receives from any third party provider of system components not authored or manufactured by IU5 (“Third Party Components”); and (b) reasonably cooperate with Client in enforcing such rights. IU5 provides no warranties, express or implied, with regard to Third Party Components, and IU5 shall not be liable for any failure of any Third Party Component to function as expected or intended.

15. **Audit.** All service and billing records of the Client are subject to audit at any time by auditors performing annual fiscal or program audits, as required by the federal government, and/or the Pennsylvania Department of Education, and/or the IU5 as required by a third party.

**16. Severance; Full Force and Effect.**

16.1 If any provision of this Agreement is found to be invalid, illegal, or unenforceable, that provision shall be null and void, and all other provisions shall remain in full force and effect.

16.2 In the event a term of this Agreement is not strictly enforced, such non-enforcement shall not be interpreted as acquiescence nor shall it be seen as precedent setting and enforcement of the term at any time in the future shall be binding and not subject to dispute.

**17. Governing Law and Venue.**

17.1 This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, without regard to the provisions concerning conflict of laws.

17.2 Client hereby irrevocably consents to and agrees that jurisdiction and venue for all disputes arising under this Agreement shall lie exclusively with the state and federal courts for Erie County, Pennsylvania.

18. **Non-Discrimination.** The Client agrees to treat all persons in a non-discriminatory manner, in keeping with applicable state and federal laws, including, without limitation, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Americans with Disabilities Act, and the Pennsylvania Human Relations Act. No person shall be discriminated against by the Provider because of race, color, religious creed, ancestry, national origin, sex, age, sexual orientation, or handicap.

19. **Compliance with Law and Policy.** During the term of this Agreement, both parties hereto shall comply with all applicable federal, state, and local laws and regulations, including the Pennsylvania School Code and applicable Board Policy of either party.

20. **Clearances.** As a Pennsylvania education agency, the IU5 complies with the Pennsylvania School Code, Pennsylvania Department of Education (PDE), and any other rules and/or regulations regarding the hiring and administration of personnel. All IU5 staff members and independent consultants who may be assigned to work with Client have all met applicable standards regarding

hiring and the completion of background checks and clearances, including Act 34, Act 151, and Act 114 background checks and TB/physical exams as required by the PA School Code. Upon written request by the Client, the IU5 will provide a copy of all clearances *to its employee(s) and consultants* who are providing services to the Client and the employee or consultant will present them to the Client; the IU5 shall not forward clearances directly to the Client.

**21. Termination.**

21.1 Each party has the right to terminate this Agreement (1) to the extent provided herein; or (2) in the event of a material breach, after giving written notice and at least thirty (30) calendar days to remedy; or (3) without cause upon ninety (90) days written notice.

21.2 Upon termination by the Client, all work shall stop and payment for all services completed to date shall be immediately due and payable to the IU5.

22. **Damages.** In addition to termination and any other rights provided hereunder, IU5 has the right to seek any remedy available to it in equity or in law, whether monetary or injunctive relief.

23. **Headings.** The headings of this Agreement are for convenience of reference only and do not affect the meaning or interpretation of this Agreement.

24. **Rules of Construction.** No provision of this Agreement shall be construed against a party simply because that party drafted the provision.

**25. Entire Agreement and Modification.**

25.1 This Agreement constitutes the entire contract between the parties regarding the work and supersedes any previous oral and/or written representations, negotiations, and/or understandings between the parties.

25.2 Any changes, additions, or deletions to the Scope of Work shall be considered a modification as described herein. Any such modification must be subsequently labeled *Addendum 1, Addendum, 2, en sic*. To be valid, any modifications/amendments to this Agreement shall be made in writing, signed by an authorized representative of both parties, and dated.

25.3 Any and all Addenda shall be considered incorporated as a valid term of this Agreement.

25.4 It is specifically understood and agreed that every Addendum must be separately negotiated, and a revised price agreed upon, in writing, by both parties.

25.5 Notwithstanding, this Agreement may be executed in multiple counterparts. Each such counterpart shall be an original and all together shall constitute but one and the same Agreement.

**26. Additional Terms and Conditions Specific to this Agreement.**

Not Applicable

By signing below, each person represents he/she has the authority to execute this Agreement on behalf of his/her respective party and freely enters into this Agreement with the intent to be bound hereby as of the date first set forth above.

### Continuum of Placement Options Agreement

This Agreement is between Community Country Day School ("CCDS") and North East School District (" School District") and is dated August 1, 2022. Intending to be legally bound, the parties agree as follows:

1. CCDS is a private school licensed by the Commonwealth of Pennsylvania.
2. School District is a local education agency ("LEA") as defined by the Pennsylvania Public School Code, 24 P.S. § 1-101, et seq.
3. One of the requirements of the Public School Code and its implementing regulations is that the School District must provide its students with a continuum of placement options which are necessary to meet the educational needs of students enrolled in the School District. 22 Pa. Code § 12.6 and incorporated federal regulations.
4. ("Student") is a student who resides in the School District, and School District is unable to meet the educational needs of Student in an educational environment deemed appropriate by Pennsylvania and federal law.
5. School District and CCDS have determined that CCDS offers an appropriate educational placement to meet the needs of Student for the following reason(s):  
  
Special Education, Partial Hospitalization Program, or Transition Program.
6. In exchange for Student's educational placement at CCDS, the School District will pay CCDS \$100 per day, whether for regular education or for special education of the Student. The School District shall cooperate and supply to CCDS all necessary documents to support student's receipt of special education services, if any.
7. School District will pay CCDS the sum calculated pursuant to paragraph 6 above within fifteen (15) days of receiving CCDS's invoice.
8. The remainder of the obligations of CCDS and the School District shall be governed by the requirements of Pennsylvania's Public School Code and applicable federal statutes and regulations.

9. This Agreement shall continue until either: (a) Student is withdrawn from the School District by his parent or guardian; (b) Student no longer requires the educational placement offered by CCDS; or Student graduates from the School District.

10. This Agreement is the total understanding and contract between the parties with respect to its subject matter and supersedes all prior oral and written agreements and understandings regarding the same. This Agreement cannot be modified or terminated except as provided herein or by a subsequent written agreement signed by authorized representatives of both parties.
