A brief video was shared featuring photos from various STEM events held over the course of the year and several individuals were present to be recognized for their contributions to this program, including representatives from North East in Bloom, Mobilia Farms, Burch Farms, the Sons of Lake Erie, and Trout Unlimited. The program is expected to be expanded to include coding camps for all students in grades K-12 for the 2023-2024 school year.
- Annual Lead Testing Report – Mr. Fox explained that the Public School Code was amended by Act 39 of 2018 to encourage school district to test for lead in their drinking water and require schools that do not test to discuss lead issues at a public meeting. North East School District did initial testing for lead in the drinking water when this law went into effect and presented results at the public board meeting of May 16, 2019. All test results were within parameters as established by this law. The District did not test during the 2022-2023 school year based upon favorable previous testing and the fact that all water sources for district facilities are provided by public governmental water authorities of the North East Borough or North East Township.

**CONTRACT WITH NORTH EAST SCHOOL DISTRICT  
OUTPATIENT MENTAL HEALTH SERVICES  
July 1<sup>st</sup> 2023 through June 30<sup>th</sup> 2024**

Achievement Center, Inc. d/b/a Achievement Center of LECOM Health (ACLH) will provide the following services to the North East School District.

**School-based Outpatient Clinic Services**

**Outpatient therapy and Psychiatric services shall be provided in the school-based satellite ACLH Outpatient Psychiatric Clinic offices co-located within North East School District. All employees of the Achievement Center of LECOM Health working within the North East School District have their clearances since beginning employment with the Center. This is an agency standard that all employees must meet within 30 days of beginning employment at the center. The Outpatient Program will be authorized by the Pennsylvania Department of Public Welfare under the Achievement Center of LECOM Health Outpatient Clinic license. Hours will be determined by identified need and staffing availability during the school year.**

Responsibilities will include the following:

- A. Provision of staff for all Outpatient Psychiatric Clinic roles, including the clinical and administrative oversight required by OMHSAS regulations. Staffing for therapy services will include master's prepared therapeutic personnel, including Mental Health Professionals, and when available, master's level interns under the supervision of a licensed therapist. Staffing for Psychiatric services shall include a PA licensed provider (psychiatrist or CRNP designated as an Advanced Practice Professional), nursing, Medical Director and Director of Mental Health Services.
  
- B. Provision of individual, family and/or group therapy as clinically indicated to identified students (with parent/guardian consent if the student is under the age of 14; and parent/guardian or student consent if the student is 14+ years old) following initial intake assessment and determination that Outpatient Services are the most appropriate level of care. Sessions are typically 45-minutes in duration but will take into account developmental level and clinical needs that could result in sessions ranging from 30-60 minutes as clinically appropriate. Sessions will occur face-to-face or via telehealth based on factors related to students' location of learning and under certain circumstances when permitted by regulatory bodies and payors, and if clinically appropriate.

1. Scheduling considerations -- the Therapist coordinates the schedule so as to avoid consistently pulling the child from the same class, but rather uses a rotation in times scheduled across the school day.
- C. Provision of Psychiatric services including intake assessments, initial or ongoing Psychiatric Evaluations, and ongoing follow-up appointments for students receiving Psychiatric care with parent/guardian consent. Initial Assessments and Psychiatric Evaluations are each typically 90 minutes in duration, and follow-up appointments typically range from 20-30 minutes based upon clinical needs. Appointments will occur via telehealth, but there is the option for in-person appointments at the ACLH main office (located at 4950 W. 23<sup>rd</sup> St.) based upon parent preference and any clinical factors that may dictate need for an in-person appointment. Telehealth service delivery will comply with ACLH policy, OMHSAS regulations, and payer-specific rules.
1. ACLH will provide the following resources for Psychiatric services including:
    - a. HIPAA-compliant telehealth platform, Doxy.me.
    - b. Supplemental equipment and forms, including but not limited to an automatic blood pressure monitor with 3 cuffs and a HIPAA-compliant document bag for storage and transportation of confidential paper documentation.
    - c. Marketing supports to educate parents/guardians and promote the launch of Psychiatric services.
- D. Third-party billing for eligible therapy and psychiatric services. These services are not the financial responsibility of North East School District and ACLH will bill appropriate third-party funding sources for direct services when eligible. In the event that third-party funding cannot be obtained, however, North East School District has allotted funds not to exceed \$2,500 for the term of this contract.
- E. Therapist participation in monthly Case Coordination meetings with designated Building Representatives and/or Achievement Center of LECOM Health's Director of Mental Health Services if requested. Consultation services will be billed to North East School District at a rate of \$50 per hour for therapist time, not to exceed \$1,000 for the term of this contract.
- F. Communication with designated District and/or Building Representatives:
1. Achievement Center of LECOM Health Leadership and District Representatives will work to identify the maximum number of students to be served at a given time pending staffing ratios and available dedicated therapy space prior to each school year and/or in the event of changes in staffing complement.
  2. Achievement Center of LECOM Health Leadership will notify District Representatives of any changes in staffing availability and client capacity.
  3. Achievement Center of LECOM Health Leadership will notify Building Representatives of quarterly case load reports.

4. Achievement Center of LECOM Health Administration or clinical staff will notify Building Representatives of any Therapist or Psychiatric Provider planned absences that will impact service delivery (i.e., vacations, holidays, or other breaks).
5. Achievement Center of LECOM Health Leadership will notify Building Representatives of any unexpected Administration and/or clinical staff absences (i.e., sick leave).
6. Achievement Center of LECOM Health Administration and/or clinical staff will notify parents (of children under the age of 14) when services are initiated, as well as of any anticipated prolonged lapses in treatment.

**Provided by the School District:**

- A. North East School District agrees to provide the Achievement Center of LECOM Health with consistently designated safe and confidential spaces for all appointments, with access to a phone and a computer network/internet access in order to provide School Based Outpatient Clinic services at each of the co-located NESD Satellite locations. The spaces must be approved by the Department of Human Services in accordance with regulatory expectations for satellite offices.
- B. The School District agrees to permit identified students enrolled in School Based Outpatient Therapy services to participate in sessions. The District agrees to provide no less than 7 days advanced notice to the ACLH Director of Mental Health Services regarding appointments that will need to be cancelled due to school trips, standardized testing, or other school-related events in order to permit the Therapist time to maximize scheduling and rescheduling opportunities.
- C. The School District agrees to utilize natural supports available (i.e., SAP counselors, Guidance Counselors, or other personnel) to provide interim check-ins with the students in the event of a Therapist's absence or between therapy or Psychiatric appointments should the need arise.
- D. Additionally, the District shall provide the following specific to Psychiatric Services:
  1. Consistent building access throughout the year including summers apart from occasional District-wide building closures related to major holidays – the exact dates shall be communicated to facilitate mutual discussion and planning to avoid access barriers. Any potential scheduling conflicts in the school calendar would need to be communicated to the ACLH Director of Mental Health Services to ensure consistent delivery of care can take place. For the current contract term, it is acknowledged that building access will not be available on December 26, 2023 and April 2, 2024.

2. Consistent student access to participate in appointments as scheduled.
3. Nursing support to take vitals—height, weight, blood pressure and pulse—for each student, and support the youth / family signing into Doxy.com using the district’s computer equipment. On days when nursing support cannot be available, the District will provide an alternate representative to complete these tasks.
4. A designated representative to act as a liaison/coordinator for tasks including, but not limited to, participation in Psychiatric appointments with family consent, gathering District staff updates, facilitation of family engagement, support of the immediate needs of the student / family in trouble-shooting any technology issues that may arise, capturing required signatures in the event of technology failures, and carrying out follow-up case management supports and linkages.
5. Computer devices with speakers, video cameras, and 32-inch monitors for established licensed spaces, as well as a laptop for mobile use by the District nurse.

The College shall be responsible for the administration of the program, accepting teachers to teach in the program pursuant to the terms contained in the current "College in High School at the University of Pittsburgh at Bradford Program Handbook," the curriculum content, the requirements for participation and grading, and the maintenance of records . All students are subject to the College student code and other academic and administrative policies detailed in the College Catalog and/or the current "College in High School at the University of Pittsburgh at Bradford Program Handbook."

The College agrees to inform the School District of the required text and will provide access to associated course-related materials such as PowerPoint presentations, handouts, and sample quizzes (this excludes software or equipment that might need to be purchased in order to offer a specific course). The College will be responsible for providing all necessary registration materials to the appropriate School District personnel and will provide support as appropriate for successful completion of the enrollment process. Textbook costs will be the responsibility of the student/parents.

The School District and the College agree that the School District will determine the maximum number of enrollments contingent in individual classes based upon the space available.

***Student tuition shall be \$125 per course.*** As with the School District's other dual enrollment programs that meet all of the requirements of 24 P.S. 16-1611-B et. seq. and the eligibility requirements for grant funding, the District, in accordance with the District's Dual Enrollment Resolution and at its sole discretion (unless required to do otherwise by law), may contribute tuition assistance in addition to the College scholarship for any District student who chooses to enroll in the program. The remaining tuition amount will be the responsibility of the student/parent(s).

The School District and the College agree that the School District reserves the right to modify the amount of any School District contribution at its sole discretion, without the consent of the College, and without the necessity of amending this Agreement.

The School District and the College understand and agree that the School District contribution is contingent upon a student's voluntary choice to enroll in the College's course(s). When applicable, the College will invoice the School District after the beginning of classes for each semester for all tuition charges due.

With regard to the circumstances under which a student is permitted to withdraw from a course and the circumstances under which tuition reimbursement is afforded when a student withdraws from a course, the College's withdrawal policies and tuition reimbursement policies will be in effect and shall govern all classes covered by this Agreement.

## **5. Student Credit**

Students will not be allowed to enroll in more than 13 postsecondary credits through dual enrollment per academic year.

The School District will award credit for and recognize courses that are successfully completed under this Agreement as fulfilling the graduation requirements identified above. As defined by the School District, in order to successfully complete a course listed in this Agreement, students must earn a minimum grade of 2.0.

The College will award postsecondary credits to students who successfully complete courses identified in this Agreement as identified above. The College will transcript this credit in a manner similar to other students who take a course at this institution. If a dual enrollment student becomes a regularly enrolled student at the College following

graduation from secondary school, the College shall recognize those credits as applying to the student's degree requirements as it would for any regularly enrolled postsecondary student who took the courses.

**6. Promotional material:**

Both the College and the School District agree to provide a mechanism for communicating the educational and economic benefits of higher education as well as the requirements for participation and enrollment procedures for dual enrollment to parents and students.

**7. Amendments:**

Unless otherwise stated herein, this Agreement represents the complete agreement between the Parties, superseding any other prior or contemporaneous written or oral agreements. Any changes, corrections or additions to this Agreement shall be in writing in the form of a supplemental agreement signed by all necessary Parties, shall set forth therein the proposed change, correction, or addition, and shall be approved by the District's Board of School Directors at a public, advertised meeting held in compliance with the Pennsylvania Sunshine Act.

**IN WITNESS WHEREOF**, the authorized representatives of the Parties have executed this Agreement as of the date previously indicated.

**10. Limitations of Liability.** IN NO EVENT WILL PROVIDER BE LIABLE UNDER OR IN CONNECTION WITH THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY: (a) CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, ENHANCED, OR PUNITIVE DAMAGES; (b) INCREASED COSTS, DIMINUTION IN VALUE OR LOST BUSINESS, PRODUCTION, REVENUES, OR PROFITS; (c) LOSS OF GOODWILL OR REPUTATION; (d) USE, INABILITY TO USE, LOSS, INTERRUPTION, DELAY OR RECOVERY OF ANY DATA, OR BREACH OF DATA OR SYSTEM SECURITY; OR (e) COST OF REPLACEMENT GOODS OR SERVICES, IN EACH CASE REGARDLESS OF WHETHER PROVIDER WAS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE. - A. Term. The initial term of this Agreement begins on Effective Date and, unless terminated earlier pursuant to this Agreement's express provisions, will continue in effect until the last day of the subscription year (the "**Initial Term**"). This Agreement will automatically renew for (5) five additional successive one (1) year terms starting on the first day of the subscription year unless the Customer provides the Provider written notice of non-renewal prior to the last day of the first month of that subscription year (each a "**Renewal Term**" and together with the Initial Term, the "**Term**").
- B. Termination. In addition to any other express termination right set forth in this Agreement: (i) Provider may terminate this Agreement, effective on written notice to Customer, if Customer: (A) fails to pay any amount when due hereunder and such failure continues after Provider's delivery of written notice thereof; or (B) breaches any of its obligations under Section 2(c) or Section 6; or (ii) either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party breaches this Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such breach.

- C. Effect of Expiration or Termination. Upon expiration or earlier termination of this Agreement, Customer shall immediately discontinue use of the Provider IP. No expiration or termination will affect Customer's obligation to pay all Fees that may have become due before such expiration or termination, or entitle Customer to any refund.
- D. Survival. This Section 11(d) and Sections 1, 5, 6, 7, 8(b), 9, 10, and 12 survive any termination or expiration of this Agreement. Further, the Provider shall store and retain the Customer Data and supply to Customer the Customer Data specific to absences for a period of up to two (2) years after the expiration or termination of the Agreement. The Provider shall make such Customer Data available upon receipt of a written request from the Customer and agreement to a reasonable hourly rate charge for the Provider to capture and provide the requested Customer Data. No other provisions of this Agreement survive the expiration or earlier termination of this Agreement.

## 12. Miscellaneous.

- A. Entire Agreement. This Agreement, together with any other documents incorporated herein by reference, constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings, agreements, and representations and warranties, both written and oral, with respect to such subject matter.
- B. Notices. All notices, requests, consents, claims, demands, waivers, and other communications hereunder (each, a "**Notice**") must be in writing and addressed to the Parties at the addresses set forth on the first page of this Agreement (or to such other address that may be designated by the Party giving Notice from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), facsimile or email (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage pre-paid). Except as otherwise provided in this Agreement, a Notice is effective only: (i) upon receipt by the receiving Party; and (ii) if the Party giving the Notice has complied with the requirements of this Section.
- C. Force Majeure. In no event shall either Party be liable to the other Party, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such Party's reasonable control, including but not limited to acts of God, flood, fire, earthquake, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.
- D. Amendment and Modification; Waiver. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof will be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, (i) no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof and (ii) no single or partial exercise of any right, remedy, power, or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
- E. Severability. If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- F. Governing Law; Submission to Jurisdiction. This Agreement is governed by and construed in accordance with the internal laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the Commonwealth of Pennsylvania. Any legal suit, action, or proceeding arising out of or related to this Agreement or the licenses granted hereunder may be instituted in the federal courts of the United States within the Eastern District of Pennsylvania or the courts of the State of Pennsylvania in each case located in Philadelphia County, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding.

G. Assignment. Customer may not assign any of its rights or delegate any of its obligations hereunder, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without the prior written consent of Provider. Provider may assign this Agreement in its entirety, upon notice to Customer but without Customer's consent, in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of Provider's business or assets. Any purported assignment or delegation in violation of this Section will be null and void. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns.

H. Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Section 6 or, in the case of Customer, Section 2(c), would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.

I. Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement.

PUBLIC PARTICIPATION

- Ms. Erin Beckes once again complained about a past incident involving her mother and the board president. She made repeated allegations regarding the superintendent and the district solicitor.

Attorney Sennett addressed Ms. Beckes' question asked during the first public participation opportunity, explaining that it is the responsibility of the Board to hold an executive session for discussion of any matters which are protected under confidentiality laws. These matters include issues regarding students, personnel, legal or safety topics which, if discussed in public session, would actually be a violation of board members' fiduciary duty to the school district. The Sunshine Law recognizes these exceptions to the open meeting requirements.

Mr. Sennett further clarified that he never stated that Ms. Beckes' mother had acquired legal counsel prior to Mr. Mobilia's visit to her mother's house. He said that legal counsel was retained by Ms. Beckes' mother and family to have herself removed from the petition because Ms. Beckes misled them about the reason for the petition. A copy of the letter from Ms. Beckes' mother's attorney was provided to the school district and to the court.

Regarding the amended complaint by Ms. Beckes et.al. v. the school district alleging violations of the Sunshine Act and filed in the Erie County Court of Common Pleas as Docket No. 12712-2022, Judge Erin Connelly Marucci ruled that no violation had taken place regarding the subject of discussions held in Executive Session.

ANNOUNCEMENT OF EXECUTIVE SESSION

- Attorney Sennett announced that there was an Executive Session held on October 6, 2022 in regard to the case of Erin Beckes et.al. v. North East Board of Directors, Erie County Court of Common Pleas Docket numbers 90026-2022 and 10937-2022.

Prior to adjournment, special education supervisor Mrs. Brianne Hodges introduced Mrs. Bethany Reilly to the board. Mrs. Reilly has been with the district in a long-term substitute capacity during the current school year. She will be a very welcome addition to the district's special education staff.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 7:11 PM.

## NORTH EAST SCHOOL DISTRICT

### **2023 Homestead and Farmstead Exclusion Resolution**

**RESOLVED**, by the Board of School Directors of North East School District, that homestead and farmstead exclusion real estate tax assessment reductions are authorized for the school year beginning July 1, 2023, under the provisions of the Homestead Property Exclusion Program Act (part of Act 50 of 1998) and the Taxpayer Relief Act (Act 1 of 2006), as follows:

1. **Aggregate amount available for homestead and farmstead real estate tax reduction.** The Pennsylvania Department of Education (PDE) has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. Section 6926.505(b), as a property tax reduction allocation funded by gambling tax funds, the amount of \$703,549.91.
2. **Homestead/farmstead numbers.** Pursuant to Act 50, 54 Pa. C.S. Section 8584(i), and Act 1, 53 P.S. Section 6926.341(g)(3), the County has provided the School District with a certified report listing approved homesteads of 2,824 and approved farmsteads of 86. The aggregate number of approved homesteads and farmsteads is 2,910.
3. **Real estate tax reduction calculation.** The school board has decided that the homestead exclusion amount and the farmstead exclusion amount shall be equal. Dividing the amount available of \$703,549.91 by the number of approved homesteads and farmsteads of 2,910 (before considering the assessed value of approved homesteads and approved homesteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead and farmstead exclusion amount), the preliminary calculation of the maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is \$241.72.

Based on the calculations provided by the School District Business Office from the best available information and carefully evaluated by the School Board, considering the assessed value of approved homesteads and approved farmsteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead exclusion and the farmstead exclusion amount, an additional aggregate amount of \$25,305.92 will be available during the school year for real estate tax reduction applicable to approximately 2,910 homesteads and farmsteads, resulting in an additional real estate tax reduction amount available for each homestead and farmstead of \$9.56. Adding this additional amount to the preliminary calculation of the maximum real estate tax reduction amount of \$241.72, the final maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is \$251.28.

4. **Homestead exclusion calculation.** Dividing the paragraph 3 maximum real estate tax reduction amount of \$251.28 by the School District real estate tax rate of 15.48 mils (.01548), the maximum real estate assessed value reduction to be reflected on tax notices as a homestead exclusion for each approved homestead is \$16,233.00, and the maximum real estate assessed value reduction to be reflected on tax notices as a farmstead exclusion for each approved farmstead is \$16,233.00.
  
5. **Homestead/farmstead exclusion authorization - July 1 tax bills.** The tax notice issued to the owner of each approved homestead within the School District shall reflect a homestead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the homestead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$16,233.00. The tax notice issued to the owner of each approved farmstead within the School District shall reflect an additional farmstead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the farmstead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$16,233.00. For purposes of this Resolution, “approved homestead” and “approved farmstead” shall mean homesteads and farmsteads listed in the report referred to in paragraph 2 above and received by the School District from the County Assessment Office on or before May 1 pursuant to Act 1, P.S. Section 6926.341(g)(3), based on homestead/farmstead applications filed with the County Assessment Office on or before March 1. This paragraph 5 will apply to tax notices issued based on the initial tax duplicate used in issuing initial real estate tax notices for the school year, which will be issued on or promptly after July 1, and will not apply to interim real estate tax bills.

## **AGREEMENT FOR SCHOOL-BASED PEER SUPPORT GROUP FOR GRIEVING CHILDREN AND ADOLESCENTS**

This Agreement for School-Based Peer Support Group for Grieving Children and Adolescents is entered into by and between Caring Foundation (“Foundation”) and North East School District (“School”) as of the last date of signing by a party (“Effective Date”) and will terminate twenty-four (24) months from the Effective Date, unless otherwise extended or terminated earlier in accordance with the terms of this Agreement.

### **BACKGROUND**

- A. The Foundation is a nonprofit corporation that makes available, at no cost to the community, certain grief support services for grieving children, teens and their families through the program known as “Highmark Caring Place, A Center for Grieving Children, Adolescents and Their Families” (the “Program”).
- B. There are currently four (4) Highmark Caring Place locations in Pennsylvania (“Highmark Caring Places”).
- C. Foundation and School wish to provide the Program for children and teens at a school location during or after the school day, as is more fully described below.
- D. Foundation has agreed to assist School in providing the Program in accordance with the terms and conditions set forth in this Agreement and any subsequent amendments.

**WHEREAS**, Foundation and School wish to provide the Program, including certain support services, pursuant to this Agreement and in accordance with the terms and conditions set forth herein;

**NOW, THEREFORE**, in consideration of the mutual promises, conditions and covenants set forth herein, Foundation and School, each intending to be legally bound, agree as follows:

#### **1. Purpose and Scope**

The Program is designed to provide a safe environment for children and teens enrolled as students of the School (collectively, “Students”) to be with peers who are also grieving, and allow them to express their feelings related to the death and to share memories of the person who died. Through this process it is hoped that the Students will learn they are not alone; become familiar with peers who understand what they are going through so they can go to them for support, if needed; and learn healthy coping mechanisms. School(s) will be trained in the Caring Place model of peer group support; however, neither the Foundation nor the Caring Place will be responsible for any future performance or use of the model or any changes to the model when applied in future groups.

#### **2. Program Requirements**

2.1 School agrees to support and provide the facilities, services and School staff necessary to make the Program successful. School will provide to Foundation all policies with which Foundation must comply with regard to the Program and while on School property. The School

policies are posted on the School's website at [www.nesdl.org](http://www.nesdl.org), District tab and click Board Policy ("School Policies").

2.2 Foundation agrees to support and provide the Services and Caring Place staff necessary to make the Program successful. Foundation will provide to School all Program guidelines and requirements with which the School must comply with regard to the Program. The Program guidelines and requirements are attached hereto as Exhibit B ("Caring Place Guidelines for School-Based Peer Support Groups").

### **3. School Services**

School hereby agrees that it will provide the services, including facilities and personnel, described in Exhibit C ("Statement of Work - Services"), attached hereto and made part hereof (collectively, "Services"). Exhibit C may be amended from time to time, as agreed to by the parties. School agrees that it will provide such Services solely in the manner approved by Foundation. School shall provide, prior to the effective date of this Agreement, documentation to Foundation, which shall be satisfactory to Foundation in its discretion, of School's authorization to perform the Services. Without limiting the foregoing, any required documentation is listed in Exhibit B.

### **4. Key Personnel**

4.1 School and its employees shall perform the Services hereunder or, if permitted by Foundation in writing, shall use other qualified individuals to perform all or part of School's obligations. To the extent that School engages other individuals to perform any or all of its obligations, all such individuals, including but not limited to, employees, subcontractors or agents ("Key Personnel") shall be properly qualified and appropriate to deliver the Services.

4.2 The Foundation requires that there be at least one Co-Facilitator who will be considered the primary Key Personnel required for the Program. The School may choose to have additional Co-Facilitators and substitute School Co-Facilitator who will work with Caring Place staff. The responsibilities of the School Co-Facilitator(s) are set forth in Exhibit B.

4.3 All Key Personnel shall be reasonably acceptable to School. If School, in its good faith judgment, is dissatisfied with the performance of any Key Personnel, School shall substitute another qualified individual to take the place of such Key Personnel, which qualified individual shall then become a Key Personnel for all purposes hereunder.

4.4 School shall require the School staff Co-Facilitator(s) to meet with Caring Place staff to discuss the school-based model prior to facilitation of the group.

4.5 Subject to the foregoing, Key Personnel shall at all times remain under the full, sole and final authority of School with respect to their hiring, compensation, evaluation, scheduling, supervision, discipline, reassignment and discharge. In addition, all Key Personnel shall be under the sole control and direction of School and School shall be solely responsible for all liabilities and expenses associated therewith.

## **5. Caring Place Staff**

Foundation shall furnish School with the following documentation for all Caring Place staff who participate in the Program at the School:

- a) Current copies of Child Abuse Clearances and Criminal History Background checks required of volunteers having contact with children in accordance with Section 6344.2 of the Child Protective Services Law, 23 Pa.C.S. Section 6344.2; and
- b) Current copy of tuberculosis test results in accordance with Section 1418 of the Public School Code, 24 Pa.C.S. Section 14-1418(b).

## **6. Fees and Expenses**

Neither party shall pay or be paid for use of the facilities, Services or supplies provided by a party. Notwithstanding the foregoing and to the extent reasonable, Foundation will provide necessary materials and snacks for the Program.

## **7. Independent School Status**

7.1 School acknowledges and agrees that it is not an employee, partner or joint venturer of Foundation and that the Foundation is providing services on a volunteer basis. Neither School nor Foundation shall represent, either directly or indirectly, that School is an employee, agent or legal representative of Foundation, and School shall have no power or authority to bind Foundation, or to act for or on behalf of Foundation. The Services shall be provided under the sole control and direction of School. School shall be responsible for all economic and noneconomic risks incurred in the operation of School's business.

7.2 School agrees that neither it nor its Key Personnel are entitled to unemployment benefits from Foundation in the event this Agreement terminates, or workers' compensation benefits from Foundation in the event that School (or any Key Personnel) is injured in any manner as a result of providing, or in connection with providing, the Services. School is solely responsible for estimating, withholding, paying and reporting any and all employment-related local, state or federal taxes for School and the Key Personnel, as applicable. Foundation shall not withhold any taxes or prepare W-2 forms for or on behalf of School or its Key Personnel, if any.

## **8. No Employee Benefits**

School acknowledges and agrees that neither it nor anyone acting on its behalf will receive any employee benefits of any kind from Foundation, whether or not such benefits are subject to ERISA. In addition, School, on behalf of itself and its Key Personnel, if and to the full extent permitted by law, waives any and all rights, if any, to any employee benefits offered by Foundation to any of its employees.

## **9. Insurance**

9.1 School shall obtain, at its own expense, all necessary insurance coverage that meet or exceed industry standard, with appropriate endorsements, including commercial general liability insurance, workers' compensation insurance, and professional liability insurance, at limits acceptable to the School, and will provide copies of the same to the Foundation. Such insurance shall not limit School's liabilities under this Agreement. If any policies are placed on a claims made basis, School shall maintain such coverage for a period of Three (3) years following termination/expiration of this Agreement.

9.2 Foundation shall obtain, at its own expense, all necessary insurance coverage, with appropriate endorsements, including commercial general liability insurance, workers' compensation insurance, and professional liability insurance, at limits acceptable to the Foundation, and will provide certificates of insurance to the School.

## 10. Confidentiality

10.1 School hereby acknowledges that during the performance of the Services hereunder, School may obtain information which is highly confidential or proprietary, concerns the business or affairs of Foundation or its affiliates, and is not generally available to the public, including, without limitation, employee, customer, subscriber or provider data; medical information; trade secrets; ; business plans; methods and procedures of operation; the Program Materials (as defined in Exhibit B); and similar proprietary information. School shall: (i) treat, and obligate its Key Personnel to treat, as confidential all such information, whether or not identified as confidential; (ii) use such information only in connection with the Services to be provided under this Agreement and for no other purpose; and (iii) not disclose or distribute any such information or make available any reports, recommendations, or work product which is produced for Foundation to any person or entity, or use it in any manner whatsoever.

10.2 School's duties and Foundation's rights under this Section shall survive the expiration or termination of this Agreement for any reason whatsoever. School agrees that every document or other material provided by Foundation or produced for Foundation in connection with the Services hereunder, including, without limitation, all copies thereof and all documents, and program materials used by any Key Personnel who no longer deliver Services hereunder, will remain the exclusive property of Foundation and will be provided to Foundation promptly at the conclusion of the Services or expiration or termination of this Agreement for any reason whatsoever, or disposed of in a manner required by Foundation upon written direction from a duly authorized Foundation representative. This provision applies to any material, regardless of media, and applies to working or draft materials, in addition to final products.

10.3 Notwithstanding the foregoing, School may keep and continue to use the Activity Manual and Resource Manual (collectively, "Manuals") provided by Foundation. However, Foundation will not provide any revisions or updates for the Manuals and will not be responsible for any use by School of the Manuals. After expiration or termination of this Agreement, School will not use the Foundation or Caring Place name or assert or advertise that it is using the Caring Place model of peer group support. Notwithstanding the foregoing, School may continue to use the Caring Place model or apply it in developing the School's own model.

10.4 The parties hereto hereby acknowledge and confirm that the breach of any of the provisions of this Section will result in irreparable harm to Foundation which may not be adequately remedied by money damages. In addition to any other rights or remedies that may be available at law or otherwise, the provisions of this Section may be enforced by temporary or permanent injunctive relief, without any showing of irreparable harm or posting of any bond.

### **11. Compliance with Laws**

The parties intend that all activities under this Agreement be in compliance with all applicable laws and regulations. If any new law or regulation, or any interpretation of any existing law or regulation by any governmental authority, renders any activity hereunder illegal, unenforceable or noncompliant, then, notwithstanding any provision in this Agreement requiring mutual consent for amendments, Foundation may amend this Agreement to achieve compliance with such new law in accordance with this Section. Foundation shall notify School in writing at least thirty (30) days before the effective date of any such amendment. If Foundation does not receive a written objection to the proposed amendment before the effective date stated in the notice, School shall be deemed to have accepted the amendment.

### **12. Nondiscrimination**

School, in providing the Services, shall not discriminate against any employee or applicant for employment on the basis of the individual's race, gender, religion, ethnicity, national origin, color, age, disability, military status, or other protected status.

### **13. Conflicts of Interest**

School acknowledges that it has the responsibility of avoiding potential conflicts of interest and situations which may afford the appearance of impropriety. School represents that there is no conflict between its obligations under this Agreement and the terms of any other contract, agreement or relationship to which it is subject. School agrees not to enter into a conflicting contract, agreement or relationship during the term of this Agreement and to bring to the attention of Foundation at the earliest possible time any possible conflict of interest.

### **14. Publicity and Use of Name**

14.1 Foundation shall have the right to publicize, in its marketing communications and educational materials (collectively, "Marketing Materials"), the Services to be provided to Students hereunder, including, without limitation, the use of School's name and logo, if any. Foundation agrees to provide to School, for School's review prior to use, any Foundation Marketing Materials. If School objects to Foundation's Marketing Materials for any reason, School shall notify Foundation within five (5) business days of School's receipt of same. Notwithstanding the foregoing, Foundation shall not use in any manner any name, service mark or logo owned or used by School, or any affiliate or successor of School, without the prior written consent of School, or such affiliate or successor.

14.2 School shall have the right to publicize in its Marketing Materials the Services it will be providing to Students and Foundation's involvement. School agrees to provide to Foundation, for Foundation's review prior to use, any School Marketing Materials including, but not limited to, any and all communications to parents, guardians, teachers, or other school staff. If Foundation objects to School's Marketing Materials for any reason, Foundation shall notify School within five (5) business days of Foundation's receipt of same. Notwithstanding the foregoing, School shall not use in any manner any name, service mark or logo owned or used by Foundation, or any affiliate or successor of Foundation, without the prior written consent of Foundation, or such affiliate or successor.

## **15. Indemnification**

15.1 School shall indemnify, defend and hold harmless Foundation, and its officers, directors, employees, agents, affiliates, successors and assigns, against any loss, judgment, damage, liability, claim, penalty, amount paid in settlement, cost and expense (including, without limitation, reasonable attorneys' fees and expenses) incurred by Foundation or any of the foregoing that results from or arises in any manner out of this Agreement and the obligations of School hereunder. This Section shall survive the expiration or termination of this Agreement for any reason whatsoever.

15.2 Foundation shall indemnify, defend and hold harmless School, and its officers, directors, employees, agents, affiliates, successors and assigns, against any loss, judgment, damage, liability, claim, penalty, amount paid in settlement, cost and expense (including, without limitation, reasonable attorneys' fees and expenses) incurred by School or any of the foregoing that results from or arises in any manner out of this Agreement and the obligations of Foundation hereunder. This Section shall survive the expiration or termination of this Agreement for any reason whatsoever.

## **16. Records Retention**

School shall maintain accurate records pertaining to the provision of the Services and in support of its charges to Foundation therefor. Foundation shall have the right to review such records for the purpose of continuing care after reasonable notice and during regular business hours. School shall preserve such records for twelve (12) months after termination or expiration of this Agreement or for such longer period as may be required by law.

## **17. Term and Termination**

17.1 This Agreement shall remain in effect for twenty-four (24) months from the Effective Date unless otherwise extended or terminated earlier in accordance with the provisions of this Agreement.

17.2 Except as provided below, either party may terminate this Agreement upon sixty (60) days' prior written notice to the other party.

17.3 Foundation may terminate this Agreement immediately if Foundation makes a reasonable determination that School has breached this Agreement, and that School has not cured such breach to Foundation's satisfaction within thirty (30) days of specific notice detailing the breach.

17.4 Upon termination of this Agreement for any reason whatsoever, School shall discontinue all delivery of the Programs and shall return or dispose of all confidential or proprietary information.

## **18. Dispute Resolution**

In the event of any dispute arising out of or relating to this Agreement, including any claim by an employee, subcontractor or agent of School, but not including a claim by Foundation to enforce the Confidentiality and Publicity and Use of Name Sections, Foundation and School agree to meet and negotiate in good faith to resolve any such dispute. In connection therewith, each party will provide to the other all reasonably requested information as is relevant to resolution of the dispute.

**19. Assignability**

This Agreement and all rights and obligations of the parties hereunder shall be binding on all successors and assigns of the parties hereto; provided, however, that School shall not assign or transfer its rights or obligations hereunder without the prior written consent of Foundation. Any attempted assignment by School shall be null and void.

**20. Legality**

It is the intention of the parties hereto that the provisions of this Agreement be enforceable to the fullest extent permissible under applicable law, but that the unenforceability (or modification to conform to such law) of any such provision or provisions not render unenforceable, or impair, the remaining provisions hereof. If any provision or provisions hereof are deemed invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the offending provision or provisions, and to alter the bounds thereof, in order to render such provision or provisions valid and enforceable. Each and every provision set forth herein is hereby declared to be severable.

**21. Waiver of Agreement**

No failure by either party to exercise any power or right granted under this Agreement, or to insist upon strict compliance by the other party with the terms hereof, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of a party's right to demand full and exact compliance by the other party with the terms hereof.

**22. Forced Work Stoppage/Force Majeure**

Neither party shall be liable for any failure to perform its obligations under this Agreement if prevented from doing so by a cause or causes beyond its control. Without limiting the generality of the foregoing, such causes include acts of God or of the public enemy, fires, floods, storms, earthquakes, pandemics, riots, strikes, lockouts, wars or war operations, restraints of government or other cause or causes which could not, with reasonable diligence, be controlled or prevented by the party ("Force Majeure Event"). If a party relies on any of the foregoing as a reason or failure, default or delay in performance, it shall give to the other party prompt written notice of the facts that constitute such Force Majeure Event, when it arose, and when it is expected to cease.

**23. Governing Law**

This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, without regard to its conflict of laws provisions. Any action commenced hereunder shall be brought in the courts of the Western District of Pennsylvania or the state courts of Erie County, Pennsylvania, as appropriate.

**24. Notices**

Any notice or communication to be given under this Agreement shall be made in writing and shall be deemed given when personally delivered; when sent by facsimile or electronic mail transmission; or when received by the addressee, if sent by U.S. Postal Service, first class mail, or certified or registered mail, postage prepaid, return receipt requested, or by a nationally recognized overnight delivery service, addressed as follows:

## **EXHIBIT B**

### **CARING PLACE GUIDELINES FOR SCHOOL-BASED PEER SUPPORT GROUPS**

#### **1. Purpose and Scope of the Program**

The purpose of the Caring Foundation's ("Foundation") School-Based Peer Support Groups for Grieving Children and Adolescents program stems from the Foundation's program known as the "Highmark Caring Place, A Center for Grieving Children, Adolescents and Their Families."

Both programs are designed to address non-complicated grief of children and teens in elementary, middle and high school. However, not all children and teens are able to get to the Caring Place locations for support and thus the School-Based Peer Support Groups Program ("Program") was established to reach these children and teens in their schools. The Program is designed to serve children and teens:

- who have had a family member or friend die at any point of time in their lives;
- who have been identified by a designated staff person at their school as appropriate for the group;
- who are not suffering from symptoms of trauma related to the death;
- who can function appropriately in a peer support group; and
- who have been given permission by their parent or guardian to participate in the group.

The Program is not designed to provide the children and teens counseling or therapy.

#### **2. Goals of the Program**

The goals of the Program are to provide a safe environment for grieving children to express their grief and reach children who cannot access the services available at the Highmark Caring Place facilities. In addition, the Foundation hopes to help grieving children identify others in their school to whom they can turn if and when needed; help schools become more "grief friendly"; and provide a format that balances the need for children and teens to process their grief, with the fact that they will need to return to their school activities after group meetings. In addition, Foundation hopes that after completing the Session School will be able to continue the Program on its own.

#### **3. Students**

Caring Place staff will work with School to select appropriate students for the Program.

Following are some criteria for student selection:

- Student has experienced the death of a family member or friend;
- Student can manage him/herself in a group setting (has not exhibited recent behavioral concerns within the classroom);
- Student has parental or guardian permission;
- Student expresses an interest in attending peer group meetings;
- Student is believed to have coping skills necessary to return to classroom after peer group meetings.

Following are some criteria that may make a student inappropriate for selection:

- History of potentially inappropriate emotional or behavioral outbursts;

- Student who has had a loss that involves a trauma component;
- The loss has been too recent;
- Recent history of aggression;
- Known significant/serious mental health diagnosis that is not being managed;
- Student does not have parental or guardian permission.

An explanatory letter and application will be sent by school staff to the parent/guardian of each potential group participant. A student will be able to participate in the Program even if an application/assessment has not been completed. However, in order to participate in the Program, all students must have a permission slip signed by their parent or guardian. School is responsible for obtaining the signed permission slip.

#### **4. Peer Group Meetings**

A School-based peer group session will consist of six (6) to eight (8) peer group meetings that will coincide with the length of a class period and not to exceed seventy-five (75) minutes. One or two additional meetings will be scheduled as make-up dates in the event a peer group meeting must be cancelled. Foundation will provide materials to assist with the Program, including an Activity Manual and a Resource Manual.

A School peer group must have a minimum of five (5) students to begin and must maintain an average of five (5) students to continue as a peer group. The maximum number permitted for a peer group will be determined on a case by case basis taking into consideration the following factors:

- Age of Students
- Activity level of Students
- Amount of staff support
- Level of need of Students.

The ideal age range for Students in a peer group should not exceed a two (2) year age gap for elementary and middle school, and a three (3) year age gap for high school.

A peer group session will be cancelled if an average of three (3) students per peer group is not maintained; or if either party fails to meet its obligations and the problem cannot be resolved. Reasons for cancelling peer group meetings include weather related concerns; no School facilitator without an identified substitute; no Caring Place staff without an identified substitute; School knows ahead of time that there will be no Students in attendance; School is cancelled or it is a scheduled off day.

Caring Place staff will provide a general curriculum to guide the peer group meetings.

#### **5. Removing a Student from the Peer Group**

A Student may be removed from a peer group if:

- Student's behavior consistently disrupts his/her own ability or another Student's ability to benefit from the peer group.
- Student misses more than two (2) peer group meetings.
- Student displays difficulty transitioning from the peer group meeting back to the classroom.
- It becomes apparent that the Student's issues are greater than what can be managed in a peer group meeting.
- Additional support is not available or not a viable solution

If any of the above criteria are met, the Caring Place staff and School Facilitator will meet to discuss the Student. Agreement between both parties is ideal; however, in the case where agreement cannot be reached, Caring Place staff has the right to make the final decision regarding a Student's peer group participation.

Once a decision to remove a student from a peer group session is made, Caring Place staff and School Facilitator will discuss the best way to address the situation with the School Facilitator making the final determination on how it will be handled. At a minimum, for students under age fourteen (14), a parent or guardian must be told verbally of the decision before the student is informed, and all students must be told in person.

## **EXHIBIT C**

### **STATEMENT OF WORK SERVICES**

This Exhibit C is a Statement of Work entered into pursuant to the terms of the Agreement for School-Based Peer Support Group for Grieving Children and Adolescents (“Agreement”) by and between the Caring Foundation (“Foundation”) and [INSERT SCHOOL DISTRICT NAME \_\_\_\_\_] (“School”) and sets forth the services to be provided and the obligations and responsibilities of the parties.

#### **1. Term of Program**

The School-Based Peer Support Group for Grieving Children and Adolescents Program (“Program”) will begin on the Effective Date of the Agreement and end one year later, with the parties to mutually agree in writing upon the specific dates of the Program. School has agreed to work with Foundation in providing the services set forth in this Statement of Work and the Agreement (“Services”). The Program will extend for six (6) to eight (8) weeks with two (2) make-up dates if necessary.

#### **2. Purpose and Scope**

The purpose of the Program is to provide a safe environment within a school setting for grieving children and teens in elementary, middle and high school to receive grief support. The Program is not designed to provide the children and teens counseling or therapy.

#### **3. Description of Services**

##### **A. School Responsibilities**

School shall provide facilities, services and personnel to support the Program. The Program will take place during school hours. The children or teens (collectively “Students”) will attend the Program rather than their regularly scheduled class or activity. Every attempt will be made for the group meeting schedule to be coordinated in such a manner as to minimize the impact on Students’ classes and activity schedules.

##### **1) Facilities**

School shall provide a consistent, confidential meeting space (no windows or with blinds) with a lockable closet or cupboard where supplies and projects may be stored between meetings and an area for working on projects (tables or desks). The meeting space should be large enough to accommodate up to ten (10) Students, plus a two adult Co-Facilitators. Ideally, but not necessarily, the space will include internet access.

##### **2) Key Personnel**

Foundation recommends that the school provide two (2) people, a Co-Facilitator and a backup Co-Facilitator, to be available for the peer group session. Only one (1) School Co-Facilitator must be available to participate in all peer group meetings. If the School provides a back-up Co-Facilitator he or she will be available when the Facilitator is not available; however, ideally the Co-Facilitator, if any, will participate in at least the first session to meet the Students. Facilitators should have a desire to participate in the Program and have flexible schedules in order to accommodate the changing peer group meeting times. Guidance counselors,

administrators or other appropriate school staff may be among those who will be available for the co-facilitator positions.

School and Co-Facilitators are responsible for providing following Services in a professional and timely manner:

- Be present at all peer group meetings. In case of illness or emergency of the co-facilitator, School will ensure that the previously identified back-up co-facilitator will attend the peer group meeting. If School Co-Facilitator or back-up Co-Facilitator are both unavailable, the group will be cancelled.
- Actively participate in coordinating and preparing for each peer group meeting.
- Actively participate during each peer group meeting.
- Participate with Caring Place staff in peer group review and planning in between peer group meetings.
- Collaborate with Caring Place staff on all aspects of the peer group.

- Identify and provide a willing Facilitator and Co-Facilitator.
- Provide a backup Co-Facilitator in the absence of the primary Co-Facilitator.

- Provide the required minimum number of peer group Students

- Provide necessary guidance to Caring Place Lead Facilitator with regard to School policies and procedures.

- Provide necessary communication to and coordination with, all other School staff regarding Student's participation in peer group meetings.
- Provide timely communication in the event peer group meetings must be cancelled or disrupted.

## **B. Foundation Responsibilities**

Foundation and its Caring Place staff are responsible for the following:

## **4. Timelines**

The parties anticipate completing the Program within the six (6) to eight (8) week session. If either party anticipates encountering delays in completing the Program in a timely manner the party shall notify the other party promptly in order for the parties to determine how to proceed.

## **5. Staffing**

School, School Co-Facilitators, and Caring Place Lead Facilitators agree to work together in a professional and cooperative manner for the benefit of the Students and the Program.

**CONTRACT WITH NORTH EAST SCHOOL DISTRICT  
OUTPATIENT MENTAL HEALTH SERVICES  
July 1<sup>st</sup> 2023 through June 30<sup>th</sup> 2024**

Achievement Center, Inc. d/b/a Achievement Center of LECOM Health (ACLH) will provide the following services to the North East School District.

School-based Outpatient Clinic Services

Outpatient therapy and Psychiatric services shall be provided in the school-based satellite ACLH Outpatient Psychiatric Clinic offices co-located within North East School District. All employees of the Achievement Center of LECOM Health working within the North East School District have their clearances since beginning employment with the Center. This is an agency standard that all employees must meet within 30 days of beginning employment at the center. The Outpatient Program will be authorized by the Pennsylvania Department of Public Welfare under the Achievement Center of LECOM Health Outpatient Clinic license. Hours will be determined by identified need and staffing availability during the school year.

Responsibilities will include the following:

- A. Provision of staff for all Outpatient Psychiatric Clinic roles, including the clinical and administrative oversight required by OMHSAS regulations. Staffing for therapy services will include master's prepared therapeutic personnel, including Mental Health Professionals, and when available, master's level interns under the supervision of a licensed therapist. Staffing for Psychiatric services shall include a PA licensed provider (psychiatrist or CRNP designated as an Advanced Practice Professional), nursing, Medical Director and Director of Mental Health Services.
  
- B. Provision of individual, family and/or group therapy as clinically indicated to identified students (with parent/guardian consent if the student is under the age of 14; and parent/guardian or student consent if the student is 14+ years old) following initial intake assessment and determination that Outpatient Services are the most appropriate level of care. Sessions are typically 45-minutes in duration but will take into account developmental level and clinical needs that could result in sessions ranging from 30-60 minutes as clinically appropriate. Sessions will occur face-to-face or via telehealth based on factors related to students' location of learning and under certain circumstances when permitted by regulatory bodies and payors, and if clinically appropriate.

1. Scheduling considerations -- the Therapist coordinates the schedule so as to avoid consistently pulling the child from the same class, but rather uses a rotation in times scheduled across the school day.
- C. Provision of Psychiatric services including intake assessments, initial or ongoing Psychiatric Evaluations, and ongoing follow-up appointments for students receiving Psychiatric care with parent/guardian consent. Initial Assessments and Psychiatric Evaluations are each typically 90 minutes in duration, and follow-up appointments typically range from 20-30 minutes based upon clinical needs. Appointments will occur via telehealth, but there is the option for in-person appointments at the ACLH main office (located at 4950 W. 23<sup>rd</sup> St.) based upon parent preference and any clinical factors that may dictate need for an in-person appointment. Telehealth service delivery will comply with ACLH policy, OMHSAS regulations, and payer-specific rules.
1. ACLH will provide the following resources for Psychiatric services including:
    - a. HIPAA-compliant telehealth platform, Doxy.me.
    - b. Supplemental equipment and forms, including but not limited to an automatic blood pressure monitor with 3 cuffs and a HIPAA-compliant document bag for storage and transportation of confidential paper documentation.
    - c. Marketing supports to educate parents/guardians and promote the launch of Psychiatric services.
- D. Third-party billing for eligible therapy and psychiatric services. These services are not the financial responsibility of North East School District and ACLH will bill appropriate third-party funding sources for direct services when eligible. In the event that third-party funding cannot be obtained, however, North East School District has allotted funds not to exceed \$2,500 for the term of this contract.
- E. Therapist participation in monthly Case Coordination meetings with designated Building Representatives and/or Achievement Center of LECOM Health's Director of Mental Health Services if requested. Consultation services will be billed to North East School District at a rate of \$50 per hour for therapist time, not to exceed \$1,000 for the term of this contract.
- F. Communication with designated District and/or Building Representatives:
1. Achievement Center of LECOM Health Leadership and District Representatives will work to identify the maximum number of students to be served at a given time pending staffing ratios and available dedicated therapy space prior to each school year and/or in the event of changes in staffing complement.
  2. Achievement Center of LECOM Health Leadership will notify District Representatives of any changes in staffing availability and client capacity.
  3. Achievement Center of LECOM Health Leadership will notify Building Representatives of quarterly case load reports.

4. Achievement Center of LECOM Health Administration or clinical staff will notify Building Representatives of any Therapist or Psychiatric Provider planned absences that will impact service delivery (i.e., vacations, holidays, or other breaks).
5. Achievement Center of LECOM Health Leadership will notify Building Representatives of any unexpected Administration and/or clinical staff absences (i.e., sick leave).
6. Achievement Center of LECOM Health Administration and/or clinical staff will notify parents (of children under the age of 14) when services are initiated, as well as of any anticipated prolonged lapses in treatment.

**Provided by the School District:**

- A. North East School District agrees to provide the Achievement Center of LECOM Health with consistently designated safe and confidential spaces for all appointments, with access to a phone and a computer network/internet access in order to provide School Based Outpatient Clinic services at each of the co-located NESD Satellite locations. The spaces must be approved by the Department of Human Services in accordance with regulatory expectations for satellite offices.
- B. The School District agrees to permit identified students enrolled in School Based Outpatient Therapy services to participate in sessions. The District agrees to provide no less than 7 days advanced notice to the ACLH Director of Mental Health Services regarding appointments that will need to be cancelled due to school trips, standardized testing, or other school-related events in order to permit the Therapist time to maximize scheduling and rescheduling opportunities.
- C. The School District agrees to utilize natural supports available (i.e., SAP counselors, Guidance Counselors, or other personnel) to provide interim check-ins with the students in the event of a Therapist's absence or between therapy or Psychiatric appointments should the need arise.
- D. Additionally, the District shall provide the following specific to Psychiatric Services:
  1. Consistent building access throughout the year including summers apart from occasional District-wide building closures related to major holidays – the exact dates shall be communicated to facilitate mutual discussion and planning to avoid access barriers. Any potential scheduling conflicts in the school calendar would need to be communicated to the ACLH Director of Mental Health Services to ensure consistent delivery of care can take place. For the current contract term, it is acknowledged that building access will not be available on December 26, 2023 and April 2, 2024.

2. Consistent student access to participate in appointments as scheduled.
3. Nursing support to take vitals—height, weight, blood pressure and pulse—for each student, and support the youth / family signing into Doxy.com using the district's computer equipment. On days when nursing support cannot be available, the District will provide an alternate representative to complete these tasks.
4. ## **SUMMARY OF OUTPATIENT SATELLITE MENTAL HEALTH SERVICES**

### **Unit Funded Services Description:**

#### **School-Based Outpatient Counseling:**

Achievement Center of LECOM Health will bill third party funding sources (insurance, Medical Assistance) to the extent that each student is eligible for coverage for the services provided. Achievement Center of LECOM Health personnel will work with families to enroll them with third party funding sources, if they are eligible.

The student's responsible party will be billed for services provided if the student does not have third party funding eligibility. Families will be invited to provide financial information to the Achievement Center of LECOM Health in order to determine if they qualify for our sliding fee scale.

Students who do not have third party funding eligibility will be billed to North East School District at the rate of \$62 per session per therapist, not to exceed \$2,500 for the term of this agreement. North East School District can choose to financially assist families with therapy or psychiatric fees, co-pays and deductibles if deemed appropriate.

Achievement Center of LECOM Health will bill North East School District for case coordination with school faculty and staff at the rate of \$50 per hour, not to exceed \$1000 for the term of the agreement.

An invoice for services will be sent every month (approximately the 15<sup>th</sup> of every month) and the School District shall compensate the Achievement Center of LECOM Health within 30 days of the invoice.

**Force Majeure:**

Notwithstanding anything to the contrary contained herein, neither party shall be liable to the other for any unavoidable delays or failure in performance of obligations hereunder caused by acts beyond its reasonable control, including, but not limited to, acts of God, acts of war, civil unrest or terrorism, shortage of supply, breakdowns or malfunctions, interruptions or malfunction of computer facilities, loss of data due to power failures or mechanical difficulties, labor difficulties, pandemic or the effects of a national, state or local emergency as declared by the appropriate elected official(s) of the jurisdiction (each, a "Force Majeure"). Notwithstanding the foregoing, in the event of a Force Majeure, each party agrees to perform its obligations hereunder to the maximum extent legally permitted and reasonably possible, and to accept such performance from the other party. For instance, if performance can reasonably continue through remote or telehealth services, such performance shall continue, and shall be accepted, notwithstanding the Force Majeure event. If either party is unable to perform in accordance with the Agreement due to a Force Majeure event, it must promptly provide written notice to the other party of such Force Majeure event describing the extent to which the party cannot perform. The parties shall thereafter negotiate in good faith an addendum to this Agreement to reflect an amended Scope of Work and the compensation to be paid therefore. A Force Majeure event in no circumstance forgives the performance of any payment obligations for services performed under this Agreement.

**Non-solicitation of Employees:**

It is hereby agreed between the parties that its agents shall not directly or indirectly hire, or attempt to hire, or use any employees or former employees of the Achievement Center of LECOM Health during the term of this Agreement and for a period of twelve (12) months after the expiration or termination of this Agreement. Should this Section be breached, North East School District agrees to pay the Achievement Center of LECOM Health an amount equal to \$8,500.00 per employee so coerced, encouraged, or utilized, as liquidated damages.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, MAY 18, 2023**

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, May 18, 2023, with the following board members present: Mrs. Abata, Mr. Boyd, Mr. Ferruggia, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Dr. Blystone was present online. Mr. Behnken was excused. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Mr. Garland, Dr. Renne and district solicitor Attorney Julia Herzing. There were approximately 45 visitors present in person and 10 members of the public logged in for remote participation.

The pledge of allegiance was recited.

RECOGNITION OF STUDENTS and STAFF

The Board was very pleased to recognize a large number of students this evening for various achievements:

- Senior Miranda Lucore was honored as the district's C.L.A.S.S. Act Nominee for the month of April.
- Sophomore Tilden Abercrombie was the recipient of an ArtEffect competition award from the Lowell Milken Center for creatively interpreting the story of an Unsung Hero from history in a visual artwork.
- Four high school students received certificates for achievements in National History Day competition in Scranton, PA, in April.
- A total of 21 high school students, many of whom were present this evening, were issued certificates for awards earned in state PJAS and/or Science Olympiad competition this spring.

PUBLIC PARTICIPATION – AGENDA ITEMS ONLY

- Ms. Carol Beckes stood to refute the remark made by Mr. Mobilia at the May 4, 2023 meeting in which he said that he had had a good meeting with her. She stated that she did write the letter in question and that she had removed her name from the petition because she didn't know what else to do.
- Ms. Carolyn Brown alleged that statements made by Mr. Mobilia at the close of the May 4, 2023 meeting were false.
- Ms. Erin Beckes requested that the Board reject the draft meeting minutes of May 4, 2023, saying that in Mr. Sennett's explanation of the recommendation to reject her settlement offer, he only stated that the offer included payment by the district of \$40,000 and not \$60,000 as recorded in the draft minutes.

REPORTS & PRESENTATIONS

- Proposed Final Budget Updates and Discussion – Mr. Fox briefly shared an updated proposed budget summary for 2023-2024 which includes the receipt of \$42,000 in additional grant funds, and no changes to date in anticipated expenditures. Following primary elections, democrats still have control of the house and republicans still control the senate. This split normally bodes well for public education; hopefully the governor's budget will soon be finalized so that districts may more confidently rely on state budget information for local final budgeting purposes.
- Homestead & Farmstead Exclusions Report – Mr. Fox presented Homestead/Farmstead calculations for 2023-2024. This report includes 2,910 parcels at an average reduction of \$251.28, resulting in total exemptions of \$16,233 and a total adjusted allocation of \$703,408.58 for the next school year. The annual Homestead/Farmstead Resolution will appear on the next board agenda for approval at the public board meeting of June 1, 2023.

l. If site specific rules and regulations classify the elevator pit as confined space, elevator pits will need to reclassify a permit-required space to a non-permit required space prior to mobilization.

## 7. Temporary Use, Inspection and Turnover

a. Unless required by specification, TK Elevator will not provide for “temporary use” of the elevator(s) described in this Proposal prior to completion and acceptance of the complete installation. Temporary use shall be agreed to via a change order to this Proposal which shall require Purchaser’s execution of TK Elevator’s standard Temporary Use Agreement. Cost for temporary use of an elevator shall be \$200.00 per calendar day per hydraulic elevator and \$250.00 per calendar day for each traction elevator for rental use only, excluding personnel to operate. All labor and parts, including callbacks required during the temporary use period will be billed at TK Elevator’s standard local billing rates. In the event that an elevator must be provided for temporary use, TK Elevator will require 30 days to perform final adjustments and re-inspection after the elevator has been returned to TK Elevator with all protection, intercoms and temporary signage removed. This duration does not include any provisions for finish work or for repairs of same, which shall be addressed on a project-by-project basis. Cost for preparation of controls for temporary use, refurbishment due to normal wear and tear, readjustment and re-inspection is \$5,000.00 per elevator up to 10 floors. For projects above 10 stops, an additional cost of \$1,500.00 / 10 floors shall apply. These costs are based on work performed during normal working hours. Temporary use excludes vandalism or misuse. All overtime premiums for repairs during the temporary use period will be billed at TK Elevator’s local service billing rates.

b. The Proposal price set forth above includes one (1) inspection per unit by the applicable authority having jurisdiction if required by the government of the locality where the equipment is located. In the event the equipment fails that inspection due to no fault of TK Elevator, TK Elevator will charge Purchaser for both the cost of each re-inspection which shall be \$1,500.00 and a mobilization fee which shall be \$5,000.00 via change order prior to scheduling a re-inspection.

c. Upon notice from TK Elevator that the installation and/or modernization of the equipment is complete, Purchaser will arrange to have present at the jobsite a person authorized to make the final inspection and to execute TK Elevator’s “Final Acceptance Form.” The date and time that such person will be present at the site shall be mutually agreed upon but shall not be more than ten (10) business days after the date of TK Elevator’s notice of completion to Purchaser unless both TK Elevator and Purchaser agree to an extension of that ten (10) day period in writing. Such final inspection and execution of TK Elevator’s “Final Acceptance Form” shall not be unreasonably delayed or withheld.

d. MAX will analyze the unique signal output of your equipment 24/7 and when existing or potential outages are identified, MAX will automatically communicate with our dispatch centers. When appropriate, the dispatch center will alert our technicians during normal working hours. These MAX alerts provide the technician with precise diagnostics detail, which greatly enhances our ability to fix your equipment right the first time, MAXimizing the equipment uptime.

a. Purchaser authorizes TK Elevator and its employees to access purchaser’s premises to install, maintain and/or repair the devices and, upon termination of the service agreement, to remove the same from the premises if we elect to remove.

- g. The installation of this equipment shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the equipment and/or any software contained or imbedded therein or utilized in connection with the collection, monitoring and/or analysis of data.

Should any such requirements be applicable to the work described in this Proposal, TK Elevator reserves the right to modify this Proposal or rescind it altogether.
- c. TK Elevator is an equal opportunity employer.
- d. TK Elevator's performance of the work described in this Proposal is contingent upon Purchaser furnishing TK Elevator with any and all necessary permission or priority required under the terms and conditions of government regulations affecting the acceptance of this Proposal or the manufacture, delivery or installation of the equipment. All applicable sales and use taxes, permit fees and licenses imposed upon TK Elevator as of the date of the Proposal are included in the price of the Proposal. - f. Purchaser agrees to provide TK Elevator's personnel with a safe place in which to work and TK Elevator reserves the right to discontinue work at the jobsite whenever, in TK Elevator's sole opinion, this provision is being violated.
- g. The pricing set forth in this Proposal assumes that the elevator pits will not be classified as a confined space. TK Elevator will follow its standard safety policy and procedures. Any job specific safety requirements over and above TK Elevator's standard practices and policies may require additional costs.
- h. TK Elevator will furnish and install all equipment in accordance with the terms, conditions, scope and equipment nomenclature as noted herein. Requested changes or modifications to such provisions will require a written change order issued on the Purchaser's letterhead and accepted by TK Elevator in writing prior to the execution of such work. This change order shall detail the current contract price, the amount of the change, and new contract value.
- i. This Proposal does not include a schedule for the work described and any such schedule shall be mutually agreed upon by an authorized representative of both TK Elevator and Purchaser in writing before becoming effective.

# Modernization Proposal

- j. In the event asbestos material is knowingly or unknowingly removed or disturbed in any manner at the jobsite, Purchaser shall monitor TK Elevator's work place and prior to and during TK Elevator's manning of the job, Purchaser shall certify that asbestos in the environment does not exceed .01 fibers per cc as tested by NIOSH 7400. In the event of any default by Purchaser on any payment, or any other provision of this Proposal, TK Elevator may take immediate possession of the equipment and enter upon the premises where it is located – without legal process – and remove such equipment or portions thereof, irrespective of the matter of its attachment to the real estate or the sale, mortgage or lease of the real estate. Pursuant to the Uniform Commercial Code, and at TK Elevator's request, Purchaser agrees to execute any financial or continuation statements which may be necessary for TK Elevator to file in public offices in order to perfect TK Elevator's security interest in such equipment.
- l. TK Elevator reserves the right to assign payments owed to TK Elevator under this Proposal.

AND WHEREAS, OWNER intends to retain the services of Gold Standard Consulting, LLC d/b/a Keystone Sports Construction (hereinafter “KEYSTONE”), for the purposes of the Project;

THEREFORE, in consideration for the payment of the total purchase price of: three million five hundred eighty-one thousand five hundred sixty dollars and twenty-six cents (\$3,581,560.26)

### General Conditions

- KEYSTONE shall have all design and construction services performed, and provide all material, equipment, tools, and labor, necessary to complete the Work described in and reasonably inferable from the Contract Documents.
  - The Contract Documents are intended to permit the parties to complete the work and all obligations required by the Contract Documents within the Contract Time(s) (defined below) for the Contract Price. The Contract Documents are intended to be complementary and interpreted in harmony so as to avoid conflict, with words and phrases interpreted in a manner consistent with construction and design industry standards. In the event inconsistencies, conflicts, or ambiguities between or among the Contract Documents are discovered after execution of the Agreement, KEYSTONE and OWNER shall attempt to resolve any ambiguity, conflict, or inconsistency informally, recognizing that the Contract Documents shall take precedence in the order in which they are listed.
  - This Agreement shall be binding upon the parties and their respective successors, assigns, and personal representatives. Neither party shall assign its or his/her rights or interest in this Agreement without the written consent of the other.
  - This Agreement constitutes the entire and integrated Agreement between the OWNER and KEYSTONE, and supersedes all prior negotiations, representations, or agreements, whether written or oral except as are specifically incorporated by reference. This Agreement may not be amended except by written instrument signed by both the OWNER and KEYSTONE.
  - In the event any provisions of this Agreement shall be held to be invalid and unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any provision, term, condition, or covenant shall not be construed by the other party as a waiver of a subsequent breach of the same by the other party.
  - All work shall be done in compliance with all federal, state, and local laws, rules, and regulations to include any and all applicable building codes.
- 1) Contract Time:** The work shall commence within ten (10) days of KEYSTONE'S receipt of OWNER'S Notice to Proceed ("Date of Commencement") unless the parties mutually agree otherwise in writing.
- a) Substantial Completion and Final Completion.**
- i) Substantial Completion date shall be established upon issuance of all required permits and the approval of the final construction schedule. ("Scheduled Substantial Completion Date")

plus any extensions granted per OWNER approved change order or delays beyond the control of KEYSTONE.

- ii) Final Completion of the work or identified portions of the work shall be achieved as expeditiously as reasonably practicable. Final Completion is the date when all Work is complete pursuant to the General Conditions and Scope of Work.
  
- iii) Liquidated Damages: OWNER and KEYSTONE recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified, plus any extensions granted per OWNER approved change order or delays beyond the control of KEYSTONE. They also recognize the delays, expense and difficulties involved in proving the actual loss suffered by OWNER if the work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and KEYSTONE agree that as liquidated damages for delay (but not as a penalty) KEYSTONE shall pay OWNER in accordance with the following schedule for each day that expires after the substantial completion date:
  - (1) Five Hundred Dollars (\$500.00) per calendar day.
  
- iv) In the event of delay of Substantial Completion or breach of this Agreement, neither party shall be permitted to seek recovery of any consequential damages, including loss of use or loss of income, that may result.

## 2) Scope of Work:

- a) The Project shall be completed as per the Plans, Specifications and Drawings as listed in the Contract Documents and all associated exhibits. (PROJECT NO. PAZ61-328) EXHIBIT B and associated Scope of Work EXHIBIT A. The Scope of Work described below are for the site design, engineering and regulatory agency requirements to obtain Storm Water Management and NPDES Permit approvals necessary for construction implementation. For purposes of this Agreement, it is assumed that both North East Township and North East Borough will not require Land Development Plans, but the Township will review the project as a Storm Water Management Site Plan.
  
- b) Topographical Survey and Basemapping: Perform field run topographical survey of the areas specific to the project area with sufficient overlap of adjacent areas as necessary for design and plan preparation. The area of survey is approximately 16 acres. ELA will engage the services of an underground utility locating service to supplement the field surveying work. The underground utility locating service will utilize ground penetrating radar equipment which may have limitations on locating various pipe materials, diameters and depth. The survey scope of work excludes any property boundary establishment/retracement beyond reconnaissance of locating any existing property line monumentation along the northern and western borders of the specific survey area. The historical plans provided to ELA previously will be utilized and incorporated in part of the Storm Water Site Plan preparation.

- c) **Geotechnical Testing:** ELA Group, Inc. will facilitate a Geotechnical Engineering Consultant to perform: Infiltration testing: six (6) test pit locations across within the existing stadium field with three tests per pit for NPDES permitting requirements. Soils testing at (4) locations within the existing track areas to determine compaction integrity of the soils material to ensure the pavement cross section being proposed will be supported by the soil sub-base. Soils testing for large precast block retaining wall design parameters. The Geotechnical Engineer will provide results within a project report along with any recommendations. Additional tests required beyond those enumerated herein will be completed if authorized as an additional service.
  
- d) **Stormwater Management Site Plan:** The stadium is located within North East Township and the field events are located within North East Borough. The North East Borough Stormwater Management Ordinance requires an application and plan to be submitted if more than 5,000 square feet of impervious surface is being proposed. The field events will not meet that threshold. For the stadium improvements, prepare and submit a Storm Water Management Site Plan meeting the requirements of North East Township's, "Chapter 263 Stormwater Management, Article VIII, SWM Site Plan and Report Requirements". It is anticipated the "Drainage Plan" will be prepared and submitted to the Township concurrently with the NPDES General Permit Application.
  
- e) **NPDES Permit and Erosion Control Plans:** Based on available PA DEP web mapping, the project site is NOT within a "Special Protection" (High Quality) watershed and thus will be a NPDES "General" Permit. Storm water analysis and requisite mitigation measures will be based upon the conversion of the natural grass field to a synthetic surface and additional impervious areas. ELA will prepare and submit the NPDES "General" Permit Application with the required design and engineering analysis along with related documents, forms and plans to the Erie County Conservation District for administrative review. ELA will attend one (1) Erie County Conservation District / PA DEP "Pre-Application" meeting (via virtual meeting platform) prior to a formal application submission and will address any review comments as a result of the meeting review. During construction, ELA will perform "Critical Stages" inspections that will be outlined on the Post Construction Stormwater Plan. Upon the completion of construction and final inspection by the Conservation District, ELA will perform the NPDES – Notice of Termination/Closeout processing. ELA has assumed that any excess topsoil and subsoil materials generated by the project will be disposed of on the School District's property.
  
- f) **Construction Documents:** ELA will prepare construction documents for the project. The construction documents will incorporate the E&S / NPDES permit drawings and will generally include project construction details and construction specifications for construction implementation.

**3) Assumptions:**

- a) There will be no disturbance to areas of steep slope, protected woodland, streams, or other sensitive environmental resources.
- b) ELA Group, Inc and KEYSTONE do not guarantee that the North East Township or Erie County Conservation District will endorse or approve the application or that the improvements can be constructed in the desired location or configuration.
- c) Unless otherwise expressly agreed, the fees and charges for the project as set forth in this Agreement constitute and are based on KEYSTONE'S best estimate of the time and effort required to complete the project, and cannot be regarded as other than an approximation, unless expressly stated in the proposal, this is not a "Fixed Price" Proposal or Agreement.

KEYSTONE shall have no liability whatsoever to the OWNER for any costs or damages as a result of such suspension caused by any breach of our Agreement by the OWNER. Upon payment in full by the OWNER, KEYSTONE shall resume services under our Agreement, and the time schedule and compensation shall be equitably adjusted to compensate for the period of suspension plus any other reasonable time and expense necessary for KEYSTONE to resume performance. District reserves the right to terminate this Agreement and/or KEYSTONE'S work on the Project upon convenience (with or without cause) with 14-days' written notice of termination provided to Keystone. Upon termination for convenience, the District shall be responsible for payment to Keystone for any and all costs demonstrated to be incurred up to and including KEYSTONE'S final day of work.

KEYSTONE acknowledges and understands that the OWNER will not withhold any such taxes on his behalf and agrees to hold the District harmless for any failure on the Independent Contractor's part to pay such taxes and withholdings.

Each subcontract agreement shall preserve and protect the rights of the Owner under the Contract Documents with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights, and shall allow to the Subcontractor, unless specifically provided otherwise in the subcontract agreement, the benefits of all rights, remedies and redress against KEYSTONE that KEYSTONE, by the Contract Documents, has against the Owner. Where appropriate, KEYSTONE shall make available each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement that may be at variance with the Contract Documents. Subcontractors will similarly make copies of applicable portions of such documents available to their respective proposed Sub-subcontractors. There shall never be a circumstance in which there is deemed to be privity of contract relationship between any Subcontractors or Sub-subcontractors and the Owner.

### Materials Checklist

#### Contractor/Customer Supplied:

- A dedicated control circuit must be supplied per distribution panel location
  - If the control voltage is NOT available, a control transformer is required
- Electrical distribution panel to provide overcurrent protection for circuits
  - HID rated or D-curve circuit breaker sized per full load amps on Circuit Summary by Zone Chart
- Wiring
  - See chart on page 2 for wiring requirements
  - Equipment grounding conductor and splices must be insulated (per circuit)
  - Lightning ground protection (per pole), if not Musco supplied
- Electrical conduit wireway system
  - Entrance hubs rated NEMA 4, must be die-cast zinc, PVC, or copper-free die-cast aluminum
- Mounting hardware for cabinets
- Breaker lock-on device to prevent unauthorized power interruption to control power and powerline connection (if present)
- Anti-corrosion compound to apply to ends of wire, if necessary

Call Control-Link Central™ operations center at 877/347-3319 to schedule activation of the control system upon completion of the installation.

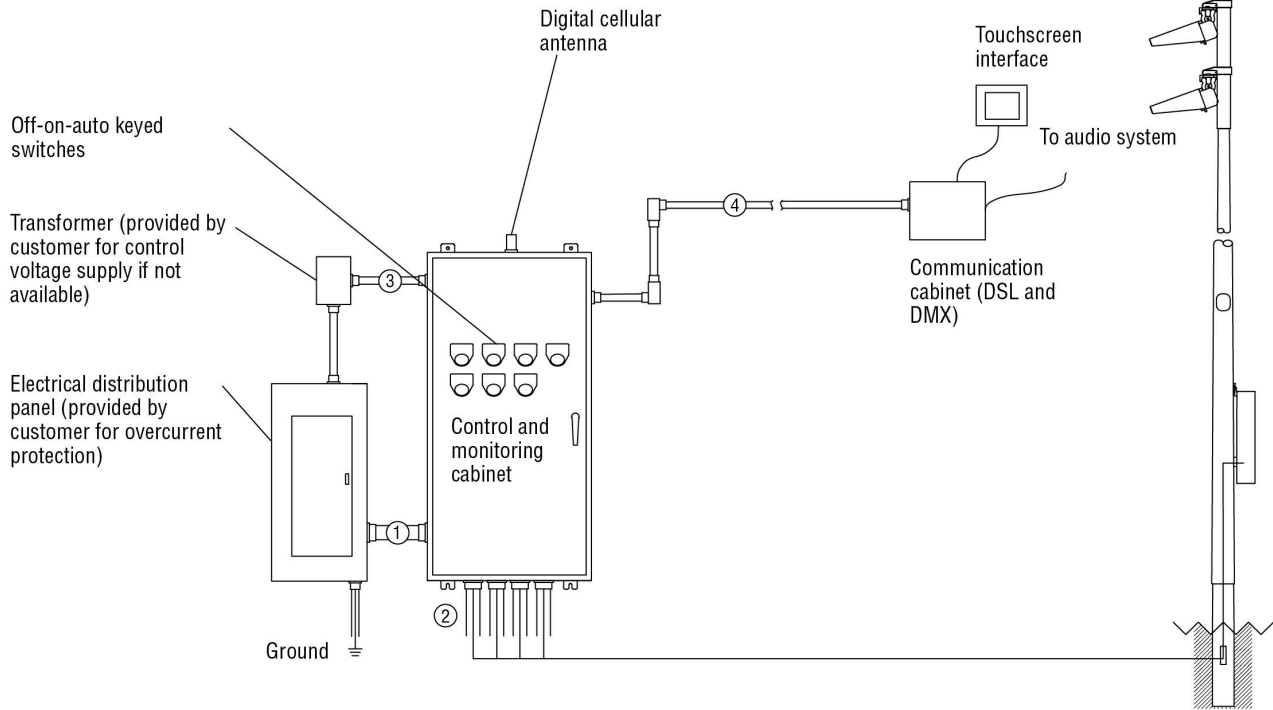

Note: Activation may take up to 1 1/2 hours.

### IMPORTANT NOTES

1. Please confirm that the design voltage listed above is accurate for this facility. Design voltage/phase is defined as the voltage/phase being connected and utilized at each lighting pole's electrical components enclosure disconnect. Inaccurate design voltage/phase can result in additional costs and delays. Contact your Musco sales representative to confirm this item.
2. In a 3 phase design, all 3 phases are to be run to each pole. When a 3 phase design is used Musco's single phase luminaires come pre-wired to utilize all 3 phases across the entire facility.
3. One contactor is required for each pole. When a pole has multiple circuits, one contactor is required for each circuit. All contactors are 100% rated for the published continuous load. All contactors are 3 pole.
4. If the lighting system will be fed from more than one distribution location, additional equipment may be required. Contact your Musco sales representative.
5. A single control circuit must be supplied per control system.
6. Size overcurrent devices using the full load amps column of the Circuit Summary By Zone chart- Minimum power factor is 0.9.

*NOTE: Refer to Installation Instructions for more details on equipment information and the installation requirements.*

## ROOTZONE 3D3 BLEND HD LEGEND 52

AstroTurf's RootZone 3D Series boasts the RootZone technology. The RootZone is a system of texturized fibers that curl down to create a net-like matrix that encapsulates infill - dramatically reducing infill spray during play and infill migration over time.

The RootZone's benefits are numerous. RootZone 3D fields offer grass-like traction, per independently funded, peer reviewed research by Michigan State University. Plus, by better keeping infill in place, the RootZone promotes more consistent footing and more uniform shock absorption over time. And with a more uniform infill level, UV exposure to the fibers is more consistent across the field, which boosts the field's longevity.

With three unique fibers - the RootZone, Legend-shaped monofilament fibers and ultra-durable slit film fibers— the RootZone 3D3 Blend offers exceptional durability, player protection and aesthetics. It's no wonder this is one of our best-selling systems.

*"Our players, coaches and staff have been extremely satisfied with our AstroTurf fields at the Sherman Smith Center. When it came time to replace the turf at Boone Pickens Stadium, we decided to stick with AstroTurf."*

**Mike Holder**, Athletic Director, Oklahoma State University

THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 132 Session of 2023

INTRODUCED BY BIZZARRO, MADDEN, PROBST, SCHLOSSBERG, CIRESI, SANCHEZ, HILL-EVANS, N. NELSON, VENKAT AND D. WILLIAMS, MARCH 7, 2023

REFERRED TO COMMITTEE ON EDUCATION, MARCH 7, 2023

AN ACT

Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," in charter schools, providing for full-time cyber education program offered by school district.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949, is amended by adding a section to read:

Section 1723.1-A. Full-time Cyber Education Program Offered by School District.--(a) Notwithstanding section 1725-A(a)(1) or any other provision of law to the contrary, the following shall apply to a student who resides in a school district that offers a full-time cyber education program:

(1) If the student enrolls in the full-time cyber education program offered by the school district of residence, the student's enrollment in the cyber education program shall be

subject to no tuition or fees other than fees that the school district imposes on its students generally.

(2) If the student chooses to enroll in a cyber charter school, the student or the student's parent or guardian shall be responsible to pay the cyber charter school a per-student amount calculated in the manner provided under section 1725-A(a)(2) and (3). The payments shall be made to the cyber charter school in twelve (12) equal monthly payments, by the fifth day of each month, within the operating school year. A student enrolled in a cyber charter school under this clause shall not be included in the average daily membership of the student's school district of residence for the purpose of providing basic education funding payments and special education funding under Article XXV.

(b) As used in this section, the term "full-time cyber education program" shall mean a complete course of study that is offered by a school district in which the school district uses technology in order to provide a significant portion of its curriculum and to deliver a significant portion of instruction to its students through the Internet or other electronic means and that is not a cyber charter school established under section 1745-A.

Section 2. This act shall take effect in 60 days.

**RESOLUTION**

WHEREAS, the COVID-19 Pandemic resulted in closure of in-person learning and dramatically increased the availability of online school programs; and

WHEREAS, it is imperative that controls be put in place to ensure these programs provide high quality education; and

WHEREAS, it is well established that online programs are less effective than in-person learning if not carefully established and monitored; and

WHEREAS, many school districts have created their own online programs that can adapt to students' needs, keep them connected with their peers, and provide the best possible education that meets or exceeds state standards; and

WHEREAS, cyber charter programs currently demand the same fees from school districts but carry none of the associated costs and oversight, draining school funds and dramatically impacting taxpayers; and

WHEREAS, House Bill 132 would create a new process of payment for fees of a cyber charter school enrollment so that it will be paid by the student's parent or guardian where a cyber program is offered by the district of residence; would provide relief to local school districts from incurring costs associated with students enrolled in cyber charter schools; and would further provide relief to Pennsylvania taxpayers which arise from student enrollment in independent cyber charter schools.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the North East School District support the common-sense reforms set forth in House Bill 132 and calls upon the General Assembly to meaningfully revise the current payment structure for cyber charter school students.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_, 2023.

REPORTS & PRESENTATIONS

- **FOOD SERVICE DEPARTMENT REPORT** – Mrs. Robin Petroff-Hedlund, Food Service Director, thanked the Board for their support over the years. She presented average participation rates for various meal programs and discussed funding assistance in the form of grants and federal assistance programs for the 2022-23 school year. The department will be busy serving various programs over the summer. Staffing and supply issues continue to be challenging. Mr. Fox reviewed revenues and expenses projected for the Food Service Department for 2023-24 as compared to recent years. Administration is proposing no increase in student meal prices and a slight increase in adult meal prices in order to cover costs for the upcoming school year.

Following this report, Mrs. Hedlund was recognized and thanked on the occasion of her retirement following a career of almost 40 years, the last 14 of which have been spent with the North East School District. Mrs. Hedlund has been an outstanding representative of the district and will be missed.

Mrs. Denise Pyle was introduced to the Board as she will be transferring into the position of Food Service Director going forward.

**NORTH EAST SCHOOL DISTRICT  
MINUTES OF THE REGULAR MEETING OF THE BOARD OF SCHOOL DIRECTORS  
THURSDAY, MAY 4, 2023**

- MIDDLE SCHOOL SCIENCE OLYMPICS – Several middle school students were present to be recognized for their achievements in recent Science Olympics competition. They will receive certificates at a later date.
- ATHLETIC FACILITIES IMPROVEMENT PRESENTATION – Mr. Fox provided a review of the timeline and progress of discussions held to date regarding potential renovations to the district’s athletic facilities. Although funds have been set aside for this purpose from the bond reissue of 2020-21, the project as a whole has been significantly scaled back due to cost. There is a definite need for track and field issues to be addressed. The hope is to utilize a design build approach through a cooperative purchasing program rather than being obligated to work with a low bidder who may not necessarily be the best fit for the project.

Mr. Fox introduced Mr. Russell Lyddane II, who is a Partner at Keystone Sports Construction. Mr. Lyddane shared plans and information recently presented to the Athletic Facilities Improvement committee regarding proposed updates to the stadium. Phase One of this project would focus on improvements to the track and the playing field for student usage as well as replacement of stadium lighting, walkways and fencing. The second phase would focus on improvements to stadium amenities for students, spectators and the community.

Discussion took place with board members regarding the life expectancy and warranty of the finished products and also storm water mitigation on a turf field. Mr. Fox would like to request approval for phase one of the project at an upcoming board meeting. Even if approved now, the work is not expected to begin until the summer of 2024.

- The Board approved adoption of the Northwest Tri-County Intermediate Unit’s policies and procedures under the federal requirements of 34 CFR PART 300, implemented to fulfill the requirements of 22 PA Code Chapter 14 and the regulatory requirements under the Individuals with Disabilities Education Act- Part B.

Attorney Sennett briefly reviewed basic facts of the case of Erin Beckes et.al. vs. North East School District in which Ms. Beckes sought to sue the district for masking requirements which were implemented during the COVID-19 pandemic. The original case was dismissed by the court system which ruled that the board has the right and duty to establish procedures to protect the health and safety of students and staff, and this ruling was subsequently appealed by Ms. Beckes. The district is now in receipt of a settlement offer to drop the appeals in exchange for a monetary payment of over \$40,000 with Sunshine Act training required on the part of the board and the school district. Mr. Sennett believes that if anything, Ms. Beckes should reimburse the school district for legal fees incurred relative to this case. He further explained that this board vote in public session is not legally required in order for him to respond on behalf of the district, but is being recorded in order to avoid yet further legal action.

**APPROVAL –

- Ms. Kristin Currier was excited to share that North East's Envirothon team took first place in regional competition earlier today and have earned a place a states. She encouraged the board and administration to consider using social media more often to get information out to parents on the many great programs and opportunities available to district students.
- Mr. John McGuigan addressed the board with a concern regarding 7<sup>th</sup> grade son whom he said recently won a medal in state wrestling competition but his achievement was not acknowledged by the Middle School. Dr. Hartzell responded that the board would absolutely appreciate the chance to celebrate with this student. Mr. McGuigan was invited to return at the next board meeting with his son and his son's coach if possible, for public recognition.

With no further comments and following the close of the public participation section of this meeting, Mr. Mobilia attempted to address Mr. Jones's complaints regarding the need for a tax increase. He explained that there have been only 4 years of the past 13 where the district was able to balance the budget with no tax increase, and in the current economy it is necessary in order to meet basic expenses. Mr. Mobilia further stated that he had had a good meeting with Ms. Beckes' parents as opposed to her allegations that he had upset them. While he was speaking there were multiple interruptions from the audience, with both Mr. Jones and Ms. Beckes declared as out of order.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 8:30 PM.

The Parties further acknowledge that any such breach may result in irreparable harm, and therefore, that upon any such breach or any threat thereof, a Party shall be entitled to seek appropriate equitable relief, including but not limited to injunction, in addition to whatever remedies it may have at law. In the event a Party should seek an injunction or other equitable relief, the other Party hereby waives any requirement for the submission of proof of the economic value of any Confidential Information or the posting of a bond or any other security.

## Education K-12 ACH Merchant Processing Agreement Terms and Conditions

If you chose ACH processing on the Heartland Payment Systems Merchant Processing Agreement (the “Application”), this ACH Processing Agreement (the “Agreement”) is a part of your Application. The “Effective Date” is the earlier of the date that HPS approved your Application or the date on which HPS processed your first ACH transaction.

1. **Definitions.** Unless otherwise defined herein, capitalized terms shall have the meanings provided in the rules of the National Automated Clearinghouse Association, and any amendments that may be adopted from time to time. The following definitions shall apply for the purposes of this Agreement:
  - 1.1 **“ACH”** means the Federal Reserve Bank’s Automated Clearing House, a funds transfer system, governed by the Nacha operating rules, that provides for the inter-bank clearing of electronic entries for participating financial institutions.
  - 1.2 **“EFT”** means Electronic Funds Transaction, electronic debits and credits processed through the ACH Network.
  - 1.3 **“Entries”** shall have the meaning provided in the Nacha Rules and shall also mean the data received from Merchant hereunder from which HPS prepares Entries.
  - 1.4 **“Initiation”** means the initial presentation by HPS of a transaction to Settlement.
  - 1.5 **“Merchant”** means the business customer that initiates ACH entries into the payment system according to an arrangement with a Receiver.
  - 1.6 **“Merchant Account”** means the commercial demand deposit checking account designated by Merchant for use in conjunction with ACH Services.
  - 1.7 **“Nacha”** means the National Automated Clearing House Association.
  - 1.8 **“NACHA Rules”** means the rules of the National Automated Clearinghouse Association (NACHA), and any amendments that may be adopted from time to time hereafter. Please refer to the following website for the NACHA Rules: <https://www.nacha.org/rules>
  - 1.9 **“ODFI”** means the bank acting as the Originating Depository Financial Institution as defined by Nacha Rules.
  - 1.10 **“RDFI”** means the Receiving Depository Financial Institution that receives ACH entries from the ACH Network and posts the entries to the Receiver’s account.
  - 1.11 **“Receiver”** means the person or organization that has authorized a Merchant to initiate an ACH entry to the Receiver’s account with the RDFI.
  - 1.12 **“Re-initiation”** or **“Re-presentation”** means the second or third attempt at Settlement by HPS of a previously Returned ACH transaction.
  - 1.13 **“Return”** means a Receiver transaction that is returned unpaid by either the Receiver’s bank or the ACH Network.
  - 1.14 **“Returned Item Service Charge”** means the fee charged to Receiver as allowed by applicable law for a transaction that is returned unpaid by the Receiver’s bank or ACH Network.

- 1.15 “Settlement”** means the movement of electronic information into the ACH Network under the ODFI sponsorship which results in the debiting or crediting of funds to designated bank accounts.
- 1.16 “Submit”, “Submitted” and “Submission”** means the Merchant’s action of utilizing HPS’s ACH Services for the purpose of processing a transaction.
- 2. Appointment as Agent.** Merchant hereby authorizes and appoints HPS as its agent to initiate ACH credit or debit entries to and from Merchant’s Account. Payment by a Receiver to HPS is considered the same as payment made directly to Merchant. Merchant, upon receipt of funds by HPS, must immediately (1) provide the purchased goods and services, or (2) credit the Receiver for the full amount of the funds received by HPS, which credit is not revocable by Merchant, and evidence this credit in writing. For transactions involving goods or services, Merchant must provide the purchased goods and services as agreed to between Merchant and the Receiver regardless of whether HPS transmits the funds to Merchant. For avoidance of doubt, Merchant’s provision of goods and services prior to its receipt of funds from HPS shall not waive any claims that Merchant may have against HPS and/or the Merchant’s customer in connection therewith.
- 3. Entries and Related Warranties.** Merchant shall transmit only those types of Entries designated in the Application. Entries that are part of a payment transaction that involves a financial agency’s office that is not located within the territorial jurisdiction of the United States must be identified using the International ACH Transaction (IAT) Standard Entry Class Code. With respect to each Standard Entry Class Code indicated by Merchant, Merchant shall comply with all requirements and warranties set forth in the Nacha Rules with respect to such Standard Entry Class Code.
- 4. Security Procedures.** Merchant is strictly responsible to establish and implement security procedures to safeguard against unauthorized transmissions. Merchant agrees that no individual shall be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any passwords, codes, security devices and related instructions provided by HPS. If Merchant discovers that any such information or instructions have been known or accessed by unauthorized persons, Merchant agrees to notify HPS within a reasonable time followed by written confirmation. The occurrence of unauthorized access shall not affect any transfers made in good faith by HPS prior to receipt of such notice and within a reasonable time after such notice.
- (a) If HPS accepted the Entry in good faith with respect to such Entry, then with respect to a credit Entry, Merchant shall be obligated to pay HPS the amount of such Entry, and with respect to a debit Entry, Merchant shall maintain sufficient funds in the Merchant Account to fund the reversal of such Entry.
- (b) If an Entry (or request for cancellation or amendment of an Entry) received by HPS was transmitted or authorized by Merchant, Merchant shall pay HPS the amount of any such credit Entry and shall maintain funds in the Settlement Account to fund the reversal of any debit Entry, whether or not that Entry was erroneous in any respect.
- 5. Recording and Use of Communications.** Merchant and HPS agree that all telephone conversations or data transmissions between them or their agents made in connection with this Agreement may be electronically recorded and retained by either party for any reasonable use which is in compliance with this Agreement.
- 6. Processing Deadlines.** Merchant acknowledges that HPS has specific processing deadlines imposed by its ODFI and the ACH Operator for ACH Transactions and that HPS will process Merchant’s ACH transactions within the constraints placed upon HPS.
- 7. Rejection of Entries.** HPS may reject any Entry which does not comply with the requirements of this Agreement.
- 8. Cancellation or Amendment by Merchant.** Merchant shall have no right to cancel or amend any Entry after its receipt by HPS. HPS shall use reasonable efforts to act on a request by Merchant for cancellation of a file prior to transmitting such file to the ODFI, but HPS shall have no liability if such cancellation is not effected. Merchant shall reimburse HPS for any expenses, losses, or damages HPS may incur in effecting or attempting to affect Merchant’s request.
- 9. Merchant Account.** Merchant shall at all times maintain a Merchant Account in good standing at a bank that is a RDFI of the Federal Reserve Bank ACH System or other ACH settlement network. Merchant agrees and represents that: (a) the Merchant Account will always be in the same legal and DBA (if applicable) name as Merchant’s name on the Merchant Application; (b) Merchant will own and maintain control of the Merchant Account and will keep such Merchant Account open at all times during which a provision of this Agreement is in effect; and, (c) the Merchant Account will not be associated with any merchant processing activity that is illegal or prohibited by the Nacha Rules or applicable law, including without limitation merchant processing activity associated with other accounts and/or

processors. Merchant agrees to immediately reimburse HPS for any shortfalls that occur due to non-sufficient funds in Merchant Account that are covered by HPS. Merchant also agrees to authorize HPS to suspend Settlement of all funds to Merchant Account, without prior notice to Merchant, if Merchant should breach or fail to comply with any terms of this Agreement, or if HPS or ODFI in its sole opinion deems itself at risk relative to any services performed under this Agreement.

- 10. Returns.** For transactions provided for under this Agreement, unless otherwise provided herein, Returns for non-sufficient funds and uncollected funds will be electronically Re-initiated by HPS as applicable and allowed by current Nacha Rules and regulations. Merchant agrees to be liable for all EFT items that are returned, dishonored, reversed or that cannot be collected through Receiver's account and that are not subsequently covered by debit against Merchant Account. In the event that funds in Merchant Account are not sufficient to cover Returns, Merchant shall immediately upon request from HPS, deposit sufficient funds in Merchant Account to cover such Returns. HPS may deduct or offset Returns against amounts to be paid Merchant for current or future ACH transactions. With regards to any Returns, Merchant shall promptly notify HPS if:
- (a) a Receiver makes any payment to Merchant on said transaction;
  - (b) a Receiver returns Goods or Services in whole or in part which were paid by said transaction, or
  - (c) there is a dispute concerning the Goods or Services or amount of said transaction.
- 11. Returned Item Service Charges; Unauthorized Entry Fee.** Returned Item Service Charges will be assessed as allowed by applicable law. An Unauthorized Entry Fee will be assessed as per Nacha Rules.
- 12. Account Reconciliation.** Entries transmitted by HPS shall be reflected on Merchant's periodic statement issued by HPS with respect to the Merchant Account or the Reserve Account, as applicable, pursuant to the Application between HPS and Merchant with respect to such account. Merchant agrees to notify HPS promptly of any discrepancy between Merchant's records and the information shown on any periodic statement. If Merchant fails to notify HPS of any discrepancy within one hundred twenty (120) days of receipt of a periodic statement containing such information, then Merchant shall be precluded from asserting such discrepancy against HPS and HPS shall not be liable for any other losses resulting from Merchant's failure to give such notice or any loss of interest or any interest equivalent with respect to an Entry shown on such periodic statement.
- 13. Merchant Representations.**
- (a) With respect to each and every Entry initiated by Merchant, Merchant agrees and represents to HPS and agrees that Merchant shall initiate Entries only in compliance with the provisions of the Nacha Rules,
  - (b) Merchant agrees to assume the responsibilities of a Merchant under the Nacha Rules, including ensuring that all international payment transactions are properly labeled as IAT entries and include the appropriate data elements under the Nacha Rules, and Merchant makes the representations and assumes the liabilities as provided in the Nacha Rules,
  - (c) each person shown as the Receiver on an Entry received by HPS from Merchant has authorized the initiation of such Entry and the debiting or crediting of its account in the amount and on the Effective Entry Date shown on such Entry,
  - (d) such authorization is operative at the time of transmittal or at the time of debiting or crediting by HPS as provided herein,
  - (e) Entries transmitted to HPS by Merchant are limited to those types of Entries agreed to by HPS and Merchant,
  - (f) Merchant shall perform its obligations under this Agreement in accordance with all applicable federal and state laws and regulations, including the sanctions laws administered by the Office of Foreign Assets Control ("OFAC"), and
  - (g) Merchant shall be bound by and comply with the Nacha Rules as in effect from time to time, including, without limitation, the provision making payment of a credit Entry by the Receiving Depository Financial Institution to the Receiver provisional until receipt by the Receiving Depository Financial Institution of final settlement for such Entry.
  - (h) Merchant accepts responsibility for compliance with the Nacha Rules and will reimburse HPS for any fees or penalties for which it is responsible.
  - (i) Merchant specifically acknowledges that it has received notice of the Nacha Rules regarding provisional payment and of the fact that, if such settlement is not received, the Receiving Depository Financial Institution shall be entitled to a refund from the Receiver of the amount credited and Merchant shall not be deemed to have paid the Receiver the amount of the Entry.
- 14. Responsibilities.**  
In the performance of the services required by this Agreement, HPS shall be entitled to rely solely on the information, representations, and warranties provided by Merchant pursuant to this Agreement, and shall not be responsible for the accuracy or completeness thereof. HPS shall be responsible only for performing the services expressly provided for in this Agreement, and, subject to the disclaimers and limits on HPS's liability set forth herein. HPS shall not be

responsible for Merchant's acts or omissions, including without limitation the amount, accuracy, timeliness of transmittal or authorization of any Entry received from Merchant or for the return of an Entry by such Receiver or Receiving Depository Financial Institution, and no such person shall be deemed HPS's agent.

**LIMITATION OF LIABILITY.** NEITHER PARTY SHALL BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE THAT THE OTHER PARTY MAY INCUR OR SUFFER IN CONNECTION WITH THIS AGREEMENT, WHETHER OR NOT THE LIKELIHOOD OF SUCH DAMAGES WAS KNOWN OR CONTEMPLATED BY THE OTHER PARTY AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY OF LIABILITY THAT THE OTHER PARTY MAY ASSERT, INCLUDING, WITHOUT LIMITATION, LOSS OR DAMAGE FROM LOSS OF BUSINESS, PROFITS, OR SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM THE OTHER PARTY'S ACTS OR OMISSIONS PURSUANT TO THIS AGREEMENT. IN ADDITION TO THE FOREGOING, HPS's LIABILITY UNDER THIS AGREEMENT FOR PROVEN AND DIRECT DAMAGES SHALL NOT EXCEED THE AMOUNT OF FEES PAID OR TO BE PAID BY MERCHANT TO HPS UNDER THIS AGREEMENT FOR A SIX MONTH PERIOD PRIOR TO THE DATE ON WHICH THE CLAIM AROSE.

15. **Interruption of Services.** Merchant acknowledges and agrees that HPS's provision of ACH services hereunder may be interrupted from time to time and that HPS shall have no liability whatsoever as a result of such an interruption or delay. Without limiting the generality of the foregoing provisions, HPS shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission or communication facilities, loss of power, equipment or software error or malfunction, war, terrorist actions, acts of God, earthquakes, flood, embargo, riot, sabotage, labor shortage or dispute, emergency conditions or circumstances beyond HPS's control. From time to time HPS may need to temporarily suspend processing of a transaction (particularly an international ACH transaction) for greater scrutiny or verification, including, but not limited to, suspending processing to review for OFAC compliance in accordance with applicable OFAC guidance, and HPS shall be excused if this action causes delay in the settlement and/or availability of the transaction while review is in process. In addition, HPS shall be excused, while review is in process, from failing to transmit or delay in transmitting an Entry if such transmittal would result, in HPS's reasonable judgment, in violation of any rule or regulation of any U.S. governmental regulatory authority or Nacha Rule.
16. **Risk Mitigation.** In order to reduce the risk of loss to which HPS is subject under this Agreement, HPS may in its sole discretion establish such risk mitigation procedures as HPS deems necessary, including without limitation, requiring prefunding of credit Entries, delayed availability of funds to Merchant to cover returned debit Entries, and submission of unbalanced files (submission of a credit file for which HPS shall then create the offsetting debit file.)
17. **Inconsistent Name and Account Number.** Merchant acknowledges and agrees that, if an Entry describes the Receiver inconsistently by name and account number, posting of the Entry transmitted by HPS to the RDFI may be made by the RDFI on the basis of the account number supplied by Merchant, even if such account number identifies a person different from the named Receiver, and that Merchant's obligation to settle the amount of the Entry to HPS is not excused in such circumstances.
18. **Payment for Services.** Merchant shall pay HPS the charges for the services provided in connection with this Agreement, as set forth in the Application. HPS may debit the Merchant Account, or if necessary, the Merchant Reserve Account, for the amount of any such charges. All fees and services are subject to change upon sixty (60) days prior written notice from HPS to Merchant. In the event HPS changes the fees and services pursuant to this section, Merchant shall have the right to terminate this Agreement upon thirty days' notice anytime thereafter without penalty. The charges set forth in the Application do not include, and Merchant shall be responsible for payment of, any sales, use, excise, value added, utility or other similar taxes relating to such services, and any fees or charges provided for in the Account Agreements.
19. **Right to Audit.** Upon ten (10) business days' notice, Merchant shall permit HPS, and any regulatory authority having jurisdiction over HPS, to review Merchant's operations as they relate to compliance with this Agreement and the Nacha Rules, and to examine and copy any books, records, and source documents related thereto.
20. **Confidential Information.**
  - (a) In performing its obligations pursuant to this Agreement, each party may have access to and receive disclosure of certain confidential information about the other party, including but not limited to data and other information identifying or otherwise concerning HPS's consumers or customers, marketing representatives, marketing plan, methods, objectives and test results, and proprietary computer source code (hereinafter "Confidential Information"). **3.1** The PCI Security Standards Council (“PCI SSC”) was founded by American Express, Discover Financial Services, JCB, MasterCard Worldwide and Visa, Inc. The PCI SSC is responsible for the Payment Application Data Security Standard (“PA-DSS”) and PIN Transaction Security Requirements for PIN-Entry Devices (“PED”).

PCI DSS applies to HPS and any Merchant and Merchant Servicer that stores, processes or transmits Cardholder information. HPS acknowledges that it has an obligation to comply with PCI DSS for Cardholder information it possesses.

For the avoidance of doubt, as between Merchant, HPS and the Member Sponsor Bank, Merchant shall be solely responsible for any unauthorized access to Cardholder information or Transaction Data while such Cardholder Information or Transaction Data resides on Merchant’s or its Third Party Agent’s systems or networks. Any such unauthorized access shall be considered an Event of Default.

All eligible Merchants, regardless of size, must comply with these standards. The following are standards that, at a minimum, Merchant must comply with:

- (a) Install and maintain a firewall configuration to protect Cardholder data.
- (b) Do not use vendor-supplied defaults for system passwords and other security parameters.
- (c) Protect stored Cardholder data.
- (d) Encrypt transmission of Cardholder data across open, public networks.
- (e) Use and regularly update anti-virus software or programs.
- (f) Develop and maintain secure systems and applications.
- (g) Restrict access to Cardholder data by business need-to-know.
- (h) Assign a unique ID to each person with computer access.
- (i) Restrict physical access to Cardholder data.
- (j) Track and monitor all access to network resources and Cardholder data.
- (k) Regularly test security systems and processes.
- (l) Maintain a policy that addresses information security for all personnel.

In addition, Merchant must immediately notify HPS of its use of any agent or Merchant Servicer that will have any access to Cardholder data and provide the full name and business address of such agent or Merchant Servicer and any changes thereto.

- 3.2** A Card Scheme may require Merchant, by notice to either HPS, Member Sponsor Bank or Merchant, to conduct an independent forensics review due to its data security procedures and/or Transaction activities. Upon notice of such request from either a Card Scheme or HPS, Merchant, at its sole cost and expense, shall retain the requisite forensics services and provide, through the requisite forensic review process, information as may be required by the Card Scheme. If Merchant fails to retain the requisite forensics services, HPS may retain such forensics services on Merchant's behalf, and Merchant shall remain responsible for payment and/or reimbursement to HPS of all cost and expense associated with such forensics services. In addition, Merchant shall be solely responsible for the cost and expense associated with any changes to its systems or other remediation required by the Card Scheme as a result of the forensic review process.
- 3.3** Merchant agrees that it will not introduce into HPS's or Member Sponsor Bank's system any virus, "time bomb," or any other contaminant, including but not limited to, codes, commands, or instructions that could damage or disable HPS's or Member Sponsor Bank's system or property.
- 3.4** Merchant must keep all systems and media containing account, cardholder or transaction information (physical or electronic, including but not limited to account numbers, card imprints, and terminal identification numbers) secure and prevent access by or disclosure to anyone other than Merchant's authorized personnel. Merchant must destroy, in a manner that will render the data unreadable, all such media that Merchant no longer deems necessary or appropriate to store (except for Sales Drafts maintained in accordance with this Agreement, applicable law, or Rules). Merchant must also ensure proper destruction of Cardholder, Transaction or system information (physical or electronic, including but not limited to account numbers, card imprints, and terminal identification numbers) prior to selling, storing, or disposing of any terminal.

#### **4. Rights, Duties, and Responsibilities of Merchants**

- 4.1** Merchant shall make a selection on Card acceptance as follows: All Cards Accepted, Credit/Business Cards Only and Consumer Prepaid/Debit (Check Cards) Only. At the time of signing of this Agreement, Merchant will select one of the options, which will be indicated on this Agreement. Merchant shall honor the Card types selected provided that the Card is valid and is presented to Merchant at the time of the sale by the Cardholder or an authorized user of the Card. A Card is valid only if it is presented on or after the valid date, if any, and before the expiration date shown on its face and the Card is used as payment for Products that are sold or rendered by Merchant under the terms of this Agreement. Merchant represents and warrants to HPS that no one other than Merchant has any claim against indebtedness submitted under this Agreement except as authorized in writing by HPS and Member Sponsor Bank. Merchant hereby assigns to HPS and Member Sponsor Bank all of its right, title, and interest in and to all indebtedness submitted hereunder, agrees that HPS and Member Sponsor Bank have the sole right to receive payment on any indebtedness purchased hereunder, and further agrees that Merchant shall have no right, title or interest in any such funds, including any such funds held in a Reserve Account (as defined below).
- 4.2** In accordance with applicable law and the Rules:
- (a) Merchant may establish a minimum sale amount as a condition for honoring credit Card Transactions, so long as such minimum amount does not exceed \$10.00. This amount shall be subject to automatic increase as provided by applicable law. In accordance with applicable law and the Rules, a maximum sale amount for Card Transactions may only be set by Merchants that are federal agencies or institutions of higher learning;
  - (b) Except as specifically set forth in this Section 4.2, Merchant shall not establish a minimum or maximum sale amount as a condition for honoring PIN Debit, Signature Debit (non-PIN Debit) and/or prepaid Cards.

Merchant shall not request or require that a Cardholder provide any personal information as a condition for honoring PIN Debit, Signature Debit (non-PIN Debit) and/or prepaid Cards Transactions unless such information is required to provide delivery of goods and services or Merchant has reason to believe the identity

of the person presenting the Card may be different from that of the Cardholder.

**4.3** Merchant shall complete a Sales Draft or Credit Voucher, in a form approved by HPS and in compliance with the Rules, which shall be legible and adhere to or contain the following:

A **Global Payments Company** 6 | Page Revised: 10/19/22 © 2022 Heartland Payment Systems, LLC. All rights reserved. Merchant Processing Agreement

- (a) the Merchant and Cardholder's electronically printed copy shall not contain the expiration date and should only display in legible print the last four digits of the Card number. Any other portion of the Card number must be represented by fill characters such as "X", "\*", or "#";
- (b) the information embossed on the Card being presented;
- (c) the date of the Transaction;
- (d) a brief description of the Products involved in detail sufficient to identify the Transaction; (e) the total amount of the sale or credit (including any applicable taxes) or the words "deposit" or "balance" if full payment is to be made at different times on different Sales Drafts;
- (f) the city and state where such Transaction occurred; and
- (g) if required by the applicable Card Scheme, the signature of the Cardholder of the Card.

In cases where prompted by the equipment to do so, Merchant shall key enter the last four digits of the Card to verify the contents of the magnetic stripe and shall deliver a completed copy of the Sales Draft to the Cardholder.

This provision shall not apply to those Transactions specifically excluded from these requirements by the Rules.

**4.4** For all mail or telephone orders, Merchant shall type or legibly print on the signature line of the Sales Draft the letters or words indicated: "Mail Order," "MO," or "Telephone Order," "TO."

**4.5** In the event a Transaction cannot be completed via a Card Swipe or EMV Transaction, then an alternate form of payment should be requested. Merchant shall not manually key enter unembossed cards (unless Merchant participates in the CVV2 with the Magnetic Stripe Failure process) or manually write the account number on a paper draft. Only a Card Swipe or EMV Transaction is acceptable by the Card Scheme as proof that the Card was present at the time of the Transaction.

**4.6** Merchant's policy for the exchange or return of goods sold and adjustment for services rendered shall be established and posted in accordance with applicable regulations of the applicable Card Scheme and laws. Merchant agrees to disclose, if applicable, to a Cardholder before a Card sale is made, that if merchandise is returned:

- (a) no refund, or less than full refund, will be given;
- (b) returned merchandise will only be exchanged for similar merchandise of comparable value;
- (c) only a credit toward purchases will be given;
- (d) a restocking fee will be charged; or
- (e) special conditions or circumstances apply to the sale (e.g. late delivery, delivery charges or other non-credit terms).

If Merchant does not make these disclosures, a full refund in the form of a credit to the Cardholder's Card account must be given. In no circumstances shall any cash refunds be given on any item originally charged to a Card.

The foregoing disclosures must be made on all copies of Sales Drafts across all Card Schemes issued at the time of the sale in letters approximately ¼ inch high in close proximity to the space provided for the Cardholder's signature. In circumstances where credits or adjustments are due, Merchant shall prepare and deliver to the Cardholder a properly completed Credit Voucher. Merchant will input Credit Vouchers into the equipment on the day of the credit Transaction for inclusion in Merchant's daily transmission of Transactions.

**4.7** Merchant shall not transmit for processing and payment any Transaction(s) representing the refinancing of an existing obligation of a Cardholder including, but not limited to, obligations:

- (a) previously owed to Merchant;
- (b) arising from the dishonor of a Cardholder's personal check; or
- (c) representing the collection of any other pre-existing debt.

**4.8** Merchant shall not, under any circumstances, (a) disclose, sell, purchase, provide or exchange, or (b) use for any purpose other than completing a Transaction, any Cardholder's account number or any credit information

relating to any Cardholder's account or any Sales Drafts or Credit Vouchers that may have been obtained or imprinted with any Card to any person other than HPS, except as expressly authorized in writing by the Cardholder, HPS, or as required by law.

- 4.9** On the date of the Transaction and prior to honoring any Card, Merchant agrees to obtain an Authorization on all Transactions for the total amount of the Transaction by physically sliding, dipping, or inserting the Card through the Card reader of the equipment (or tapping the near-field communication ("NFC") enabled Card in

the case of an NFC-enabled Transaction) thereby causing the equipment to electronically read a magnetically encoded stripe or EMV chip on the reverse side of each Card, except for Card-Not-Present Transactions, which are governed by Section 4.15 hereof.

Any Transaction that cannot be authorized electronically through the equipment or manually key entered is subject to a Voice Authorization call. Merchant shall obtain an Authorization prior to completing a Card-Not Present Transaction.

Any Transaction that is not properly authorized is made with full recourse and may be charged back to Merchant; furthermore, any Card-Not-Present Transaction will be subject to additional charges for a Mid Qualifying or Non-Qualifying Transaction. An Authorization does not constitute a guarantee of payment, only an indication of available credit, and may be subject to dispute or Chargeback.

Except at such times as the equipment may be inoperable, Merchant shall not engage in soliciting or accepting Card-Not-Present Transactions without the prior written permission of HPS, and then only for such Products and in such amounts as stated in such written permission. Merchant shall not utilize the service of any third party (e.g. telemarketer) to solicit or accept orders or engage in Outbound Telemarketing Transactions.

- 4.10** MERCHANT ACKNOWLEDGES THAT AN AUTHORIZATION DOES NOT CONSTITUTE: (A) A WARRANTY THAT THE PERSON PRESENTING THE CARD IS THE RIGHTFUL CARDHOLDER; OR (B) A PROMISE OR GUARANTEE BY HPS THAT IT WILL PAY OR ARRANGE FOR PAYMENT TO MERCHANT FOR THE AUTHORIZED TRANSACTION. AN AUTHORIZATION DOES NOT PREVENT A SUBSEQUENT CHARGEBACK OF AN AUTHORIZED TRANSACTION PURSUANT TO THIS AGREEMENT.

- 4.11** When possible to do so, Merchant shall utilize the equipment as the exclusive method for obtaining Authorization codes. Voice Authorization service is for use during equipment downtime periods only. Use of Voice Authorization systems will result in additional charges for such use being assessed to Merchant based on HPS then-current rates. Merchant will record for every Transaction applicable Authorization and reference numbers on each Sales Draft to facilitate the timely and accurate retrieval of information as requested by HPS.

- 4.12** Merchant shall use its best efforts, by reasonable and peaceful means, to recover the Card when: (a) Merchant is advised to recover the Card in response to an Authorization request; or (b) Merchant has reasonable grounds to believe that the Card is counterfeit, fraudulent or stolen. Merchant shall take no action to recover a Card that may result in a breach of the peace.

- 4.13** Merchant may utilize the equipment's keypad to input Card number(s) in the following instances: (a) Card-Not-Present Transactions; or (b) the magnetic stripe on a Card is damaged and therefore unreadable by the equipment; or (c) the equipment's Card reader is inoperative, in which case Merchant shall immediately advise HPS.

- 4.14** If a Merchant is approved as an Internet, Mail Order or Telephone Order Merchant, the following sections of this Agreement shall not apply: 4.3 (b) and (g), 4.5, 4.9, 4.12, and 4.13 and such sections shall be replaced by the following:
- (a) Merchant shall obtain an Authorization for all Transactions. Any Transaction that cannot be authorized electronically is subject to a Voice Authorization call. Any Transaction that is not properly authorized is made with full recourse and may be charged back to the Merchant. An Authorization does not constitute a guarantee of payment, but may be subject to dispute or Chargeback;
  - (b) Merchant shall print legibly the following information on the Sales Draft; Merchant's name and address;
    - (i) the Card Issuer's name;
    - (ii) the truncated account number of the Card;
    - (iii) the expiration date of the Card and any effective date on the Card; and
    - (iv) the Cardholder's name. Merchant shall be deemed to warrant to HPS the Cardholder's identity as an

- authorized user of the Card;
- (c) Merchant is required to use a real-time Internet payment gateway authorized in advance by HPS to obtain Authorization codes and process Transactions;
- (d) Internet Transactions are Card-Not-Present Transactions and must be performed on the Internet by the customer; or
- (e) In the case of a Virtual Terminal, the Internet Merchant Store Front (the customer interface) must be Web Hosted so that the credit Transactions are received over a secure socket layer (SSL) by the Merchant;

- (f) In any Card-Not-Present Transaction, as a material part of the consideration for HPS to enter into this Agreement, Merchant accepts such Transactions solely at its own risk, and further assumes all risks of loss attendant to non-imprint Card-Not-Present Transactions.
- (g) Internet Merchant Website Requirements. Internet Merchant shall use the eCommerce Gateway solely for Merchant's internal business purposes and shall not allow any third party use of or access to the eCommerce Gateway. An Internet Merchant agrees to adhere to those Rules governing electronic commerce as well as HPS requirements as set forth herein; which include, but are not limited to ensuring the following information is included or properly referenced on the Internet Merchant website:

    - 3) Merchant will use Cardholder Data for the sole purpose of supporting payment for and delivery of Merchant's goods and services and consistent with Merchant's privacy policy;
    - 4) Merchant will maintain the security of any and all passwords, ID number or other access control methods to use the e-Commerce Payment Gateway; and

**4.15** The following additional terms apply to Card-Not-Present Transactions:

- (a) Merchant shall use, and retain for not less than one year, proof of a traceable delivery system utilized for the delivery of Products to customers.
- (b) Merchant shall use an address verification service to verify each Transaction.
- (c) Merchant must utilize if available through its gateway a Payer Authentication Program. This program identifies the Cardholder by authenticating their personal PIN entry. Specific programs could include Verified by VISA and MasterCard Secure Code.
- (d) Except where Merchant has specified future delivery on the Application, a customer's Card shall not be debited until the Product purchased has been shipped.
- (e) Upon request by HPS, Merchant shall provide copies of all advertisements, catalogues, brochures or other materials used to solicit mail or telephone orders and any forms used in recording or transmitting orders.

**4.16** In all cases, unless stipulated otherwise in the Merchant Processing Agreement, the shipment of goods to a Cardholder will be no later than the business day following the date on which that Transaction was transmitted to HPS for processing.

**4.17** Merchant agrees to electronically deposit Sales Drafts and Credit Vouchers no later than the day of the Transaction. The time of receipt by HPS will affect the timing of payment to Merchant. If Merchant fails to submit Transactions on a timely basis as provided herein, Merchant will be charged and agrees to pay the additional fees assessed to HPS by the Card Schemes.

**4.18** Merchant shall at all times maintain a direct deposit Account (the "Account" or "DDA") in good standing at a bank that is a Receiving Depository Financial Institution (RDFI) of the Federal Reserve Bank ACH System or other ACH settlement network. in the same legal and DBA (if applicable) name as Merchant's name on the Merchant Application; (b) Merchant will own and maintain control of the Account and will keep such Account open at all times during the term and as long as any Reserve Account is in effect; and, (c) the Account will not be associated with any merchant processing activity that is illegal or prohibited by the Rules or applicable law, including without limitation merchant processing activity associated with other accounts and/or processors. Merchant agrees that all credits for collected funds and debits for fines, fees, Chargebacks, Credit Vouchers, payments and adjustments and other amounts due under the terms of this Agreement (including but not limited to attorney's fees and early termination charges) may be made to the Account. Merchant shall not close, restrict or change the Account without prior written approval from HPS. Merchant agrees to pay HPS a twenty-five dollar (\$25.00) handling fee to change the DDA information and a twenty-five dollar (\$25.00) fee on all returned ACH items. Merchant is solely liable for all fees and all overdrafts, regardless of cause. HPS shall have the unlimited right to debit, without prior notice, any DDA containing funds for the purpose of satisfying any liability incurred by or on behalf of Merchant.

**4.19** Merchant agrees to retain original Card Scheme Sales Drafts and Credit Vouchers as specified by the Rules and Merchant assumes liability for all fines, fees, failures, charges and penalties charge to Merchant or HPS for a failure to comply therewith.

Such documents shall be stored in a secure manner permitting retrieval and submission of legible copies on the same day that Merchant receives a request from HPS. Since a Card Issuer may over a period of time request duplicate copies of the same Sales Draft, Merchant must retain at least one legible copy of each Card Transaction.

Failure to provide HPS with requested documentation within five (5) business days after receipt of such request may result in the Transaction being charged back to the Merchant and HPS shall have the right to debit the Account for the full amount of the Transaction. Merchant agrees that it shall destroy material containing Cardholder account information in a manner that renders the data unreadable.

**4.20** Merchant shall not submit any Transaction for processing for the purpose of obtaining or providing a cash advance, or make a cash disbursement to any other Cardholder (including Merchant when acting as a Cardholder), or receive monies from a Cardholder and subsequently prepare a credit to Cardholder's account.

**4.21** As partial consideration for this Agreement, Merchant expressly authorizes HPS to change the financial institution providing settlement services to Merchant. Merchant will execute all necessary documents enabling HPS to effect such change.

**4.22** Merchant shall provide HPS with immediate notice of its intent to:

- (a) transfer, sell or liquidate any substantial part of its assets;
- (b) change the basic nature of its business, including selling any Products not related to its current business;
- (c) change ownership or transfer control of its business; or
- (d) enter into any joint venture, partnership or similar business arrangement whereby any person or entity not a party to this Agreement assumes more than a ten percent (10%) interest in Merchant's business.

Merchant also shall provide HPS with prompt written notice of any material changes regarding any information provided in the Merchant Application, including Merchant's address, ticket size or monthly volume.

Merchant and principal owner(s) identified on an approved Merchant Application and any new owner of Merchant or successor Merchant shall be jointly and severally liable to HPS and remain liable for any and all losses, costs and expenses suffered or incurred by HPS in accordance herewith, unless the original Merchant or successor thereof is released in writing by HPS.

- 4.23** Merchant agrees to pay HPS the face amount of any Transaction processed by HPS pursuant to this Agreement whenever any Card Transaction is reversed in accordance with the Rules, any state or federal statute, regulation, court or administrative order or terms of this Agreement, or in the event of a Chargeback.
- 4.24** Merchant agrees to pay Member Sponsor Bank and/or HPS any fees, fines, penalties or assessments imposed directly or indirectly on Member Sponsor Bank and/or HPS by a Card Scheme resulting from all acts or omissions of Merchant, including without limitation, any fines, fees, penalties or assessments (such as Card replacement cost) imposed by Card Schemes in relation to Merchant's or a Third Party Agent's non-compliance with PCI DSS and/or Rules.

Merchant Processing Agreement

- 4.25** HPS agrees to use commercially reasonable efforts to mail or electronically transmit all Chargeback documentation to Merchant promptly at Merchant's address shown in the Merchant Application; however, HPS may at any time without prior notice debit Merchant's DDA or any other Merchant Account for Chargebacks without prior notice in accordance with this Agreement.

If Merchant notifies HPS after such time, HPS may, in its discretion, assist Merchant, at Merchant's expense, in investigating whether any adjustments are appropriate and whether any amounts are due to or from other parties; however, HPS shall not have any absolute obligation to investigate or effect any such adjustments. Any voluntary efforts by HPS to assist Merchant in investigating such matters shall not create an obligation to continue such investigation or any future investigation. Merchant must provide all information requested by HPS by the time specified in a request for information. Failure to respond within the specified time shall constitute a waiver by Merchant of its ability to dispute or reverse a Chargeback or other debit, and Merchant shall be solely responsible where it fails to timely provide information concerning any Chargeback.

If HPS elects, in its sole discretion, to take action on a Chargeback after the time specified to respond has expired, Merchant agrees to pay all costs incurred by HPS. Merchant agrees to pay HPS a processing fee for Sales Draft retrieval requests at HPS' discretion.

- 4.26** Merchant agrees to reimburse HPS for the amount of the Sales Draft in the event of a Chargeback together with a handling fee for each Chargeback, which fee may be amended from time to time. Merchant hereby irrevocably authorizes HPS to debit without notice Chargebacks and Chargeback handling fees and all other amounts due hereunder from Merchant's daily deposit and if such collection is inadequate, agrees to reimburse HPS immediately for any shortage that occurs as a result of such charges.

- 4.27** Merchant will be subject to debit for a Chargeback in accordance with the Rules in effect at the time of the Chargeback. The basis for Chargebacks and the rules for their processing are governed by the Rules. However, all disputes that are not resolved through established Chargeback procedures shall be settled between Merchant and the Cardholder, and Merchant will indemnify HPS for all expenses, including reasonable attorneys' fees, that may be incurred as the result of any Cardholder claim that is pursued outside the Rules. Merchant acknowledges and agrees that it is bound by the rules of the Card Schemes with respect to any Chargeback.

Merchant further acknowledges that it is solely responsible for providing HPS and Member Sponsor Bank with any available information to re-present a Chargeback and that, regardless of any information it provides or does not provide HPS and Member Sponsor Bank in connection with a Chargeback, or any other reason, Merchant shall be solely responsible for the liability related to such Chargeback. If any such amount is uncollectible through withholding from any payments due hereunder or through charging Merchant's Account or the Reserve Account, Merchant shall, upon demand by HPS, pay HPS the full amount of the Chargeback.

- 4.28** Merchant shall not accept or deposit any fraudulent Transaction, or any Transaction about which Merchant has knowledge or notice of circumstances that would impair the validity of the Transaction or the indebtedness thereunder or its collectability.

- 4.29** Merchant unconditionally represents and warrants to HPS that all Sales Drafts submitted to HPS hereunder will represent the indebtedness of the Cardholder with whom Merchant has completed a Transaction in amounts set forth therein for Products only and shall not involve any element of credit for any other purposes, and shall not be subject to a defense, dispute, offset or counterclaim that may be raised by Cardholder under the Card Schemes Rules, the Consumer Credit Protection Act (15 USC § 1601) or other relevant state or federal statute or regulation. Further, Merchant warrants that any Credit Voucher that it issues represents a bona fide refund or adjustment on a Transaction by Merchant with respect to which a Sales Draft has been accepted by HPS.

- 4.30 Merchant shall not, under any circumstances, present for processing or credit, directly or indirectly, a Transaction that originates with any other Merchant or any other source.
- 4.31 Merchant shall not deposit duplicate Transactions. Merchant shall be debited for any adjustments for duplicate Transactions and shall be liable for any Chargebacks which may result therefrom.
- 4.32 Merchant shall not initiate a Transaction in an attempt to collect a Chargeback.
- 4.33 To the extent legally permitted, Merchant shall give HPS immediate written notice of any complaint, subpoena, civil investigative demand or other process issued by any state or federal governmental entity that alleges,

Merchant Processing Agreement

refers or relates to any illegal or improper conduct of Merchant, its owner(s) or other entity under common ownership or control. Failure to give such notice shall be deemed to be a material breach of this Agreement.

- 4.34 Merchant must obtain final approval by HPS of Debit Network sponsorship prior to submitting any debit Transaction.
- 4.35 Merchant shall not be assessed a Chargeback fee for the first three (3) Chargeback requests processed in any twelve-month period beginning with the Merchant's anniversary date. Once three Chargeback requests have been submitted by the Card Scheme or a card issuer in any such twelve-month period, HPS shall bill all applicable Chargeback fees. For purposes of this Section 4.35, the anniversary date shall be the date of Merchant's first deposit with HPS unless otherwise designated by HPS.
- 4.36 HPS shall have no liability for customer data that is lost or stolen from the Merchant's POS system or equipment and Merchant shall indemnify HPS from any claim or loss arising out of or relating to such lost or stolen data.
- 4.37 Merchant shall ensure HPS has the correct business taxpayer ID ("TIN") and legal name on file for Form 1099- K tax reporting purposes. Any Merchant reporting an invalid TIN and legal name combination is subject to a backup withholding amount as defined by IRS and state regulations.
- 4.38 Merchant shall at all times comply with the Rules, as well as all applicable federal, state and local rules and regulations.
- 4.39 Merchant, at its own expense, will have installed and will maintain the point-of-sale equipment, unless otherwise agreed to by the parties in writing. Each equipment type installed at a Location must be compatible with HPS' System and HPS has the right to test the equipment to assure compatibility. Merchant will submit each equipment type and all new core hardware, and any releases of modifications to the implementation software, to HPS for quality assurance testing at least thirty (30) days prior to the equipment, hardware or software's first use at a Location; provided however, both parties acknowledge that the quality assurance test may take less than thirty (30) days and HPS will use commercially reasonable efforts to accomplish the testing as soon as practicable. Quality assurance testing is applicable to each implementation software release for each equipment type.

If Merchant changes the method used to communicate with HPS' System from one form of technology to another, e.g. dial to frame relay, once any necessary quality assurance testing has been completed, Merchant will arrange for, with the assistance of HPS, if necessary, the equipment to be connected to HPS and then tested to ensure that the new method of communication works properly, which test will be conducted in accordance with Merchant's and HPS' procedures and paid by each party, respectively. Once the new technology has been tested and approved, it will not be necessary for each Location that adopts the new technology to perform the testing referred to in this paragraph.

- 4.40 Merchant shall assume responsibility for managing the repair of problems associated with Merchant's own telecommunications and processing system (both hardware and software), including terminals.
- 4.41 Special pricing through an agreement between HPS and a Merchant association shall apply to Merchant members in good standing of such Merchant association; any special pricing may be discontinued without notice.
- 4.42 Merchant agrees to provide HPS such financial statements and other information concerning Merchant as HPS may reasonably request from time to time. Merchant agrees that HPS, or its duly authorized representative,

may examine Merchant's books and records related to its receipt of the services from HPS hereunder, including records of Transactions submitted hereunder.

**4.43** Merchant shall not engage in any services that require registration with the applicable Card Schemes as a Payment Service Provider (PSP) or Payment Facilitator (PF) without prior written approval from HPS. In the event Merchant is registered as a PSP/PF, Merchant agrees to promptly disclose to all Sub-merchants any new or increased Card Scheme related dues, assessments and fees, including but not limited to Convenience fees, in accordance to the contracted services performed by the Merchant. For the avoidance of doubt, all Service Providers, Third Party Agents, Payment Service Providers, and Payment Facilitators must comply with all Rules, including those found at the following websites (or their successor websites):

(c) Merchant receives excessive Chargebacks as determined by HPS, a Member Sponsor Bank or any Card Scheme; (d) Merchant has submitted fraudulent or suspicious Transactions; (e) HPS has reasonable grounds to believe that it may be or become liable to third parties due to Merchant's action or inaction hereunder; (f) of a change in Merchant's transaction volume or average ticket, or (g) HPS has reasonable grounds to believe that material fines, fees, or penalties may be assessed against HPS or a Member Sponsor Bank by a Card Scheme arising out of or relating to Merchant's failure to comply with the Rules. However, Merchant may have an unsecured contractual claim against HPS with respect to any amount which may be due to Merchant after the expiration of the period described herein. Then, upon occurrence of any Event of Default, all amounts payable hereunder by Merchant to HPS, including any applicable Early Termination Fees (payable as set forth in Section 13.4), shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by Merchant.

**17. DISPUTE RESOLUTION – ARBITRATION AND CLASS ACTION WAIVER**

**NOTE: PLEASE READ THIS SECTION CAREFULLY AS IT AFFECTS YOUR RIGHTS AND THE RESOLUTION OF DISPUTES**

**17.1 MANDATORY ARBITRATION: ANY DISPUTE OR CLAIM ARISING OUT OF, RELATING TO, OR IN CONNECTION WITH THIS AGREEMENT OR THE RELATIONSHIPS WHICH RESULT FROM THIS AGREEMENT SHALL BE RESOLVED BY BINDING ARBITRATION, RATHER THAN IN COURT; HOWEVER, YOU MAY ASSERT CLAIMS IN SMALL CLAIMS COURT IF (1) THE CLAIMS QUALIFY FOR SMALL CLAIMS COURT; (2) THE MATTER REMAINS IN SMALL CLAIMS COURT AT ALL TIMES; AND (3) THE MATTER PROCEEDS ONLY ON AN INDIVIDUAL (NOT A CLASS OR REPRESENTATIVE) BASIS). ARBITRATION DOES NOT PROCEED BEFORE A JURY AND MAY INVOLVE MORE LIMITED DISCOVERY THAN A COURT PROCEEDING.**

**ANY ARBITRATION UNDER THIS AGREEMENT WILL ONLY BE ON AN INDIVIDUAL BASIS. CLASS ARBITRATIONS, CLASS ACTIONS, PRIVATE ATTORNEY GENERAL ACTIONS, AND CONSOLIDATION WITH OTHER ARBITRATIONS ARE NOT PERMITTED.** The arbitrator's award or decision will not affect issues or claims involved in any proceeding between HPS and any person or entity who is not a party to the arbitration. The arbitrator may award monetary, declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. The arbitrator's award, if any, will not apply to any person or entity that is not a party to the arbitration. However, nothing in this Section or Agreement shall preclude any party from bringing issues to the attention of federal, state or local agencies. Such agencies can, if the law allows, seek relief on your behalf.

Further, notwithstanding the foregoing, nothing in this Section or this Agreement prohibits a party from applying to a court of competent jurisdiction for a temporary restraining order, preliminary injunction, or other equitable relief.

The Federal Arbitration Act (9 U.S.C. § 1 et seq.) governs the interpretation and enforcement of the arbitration provisions of this section. Arbitration will be administered by JAMS ([www.jamsadr.com](http://www.jamsadr.com)). For claims greater than \$250,000, the JAMS Comprehensive Arbitration Rules and Procedures in effect at the time the arbitration is commenced will apply (if no such rules are in effect, JAMS default arbitration rules shall apply). For claims equal to or less than \$250,000, the JAMS Streamlined Arbitration Rules and Procedures in effect at the time the arbitration is commenced will apply (if no such rules are in effect, JAMS default arbitration rules shall apply). Unless the arbitrator(s) determine that justice or fairness require otherwise: (i) any arbitration will proceed in Muscogee County, Georgia (although, for the convenience of the Merchant or guarantor (as applicable), any party or its counsel may participate telephonically); and (ii) the arbitrator(s) will oversee limited discovery, taking into account the amount in controversy and the parties' desire to keep proceedings cost-effective and efficient. Any decision rendered in any arbitration proceeding shall be final and binding on each of the parties to the arbitration and judgment may be entered thereon in any court of competent jurisdiction. The parties will maintain the confidential nature of the arbitration proceeding except as may be necessary to enforce any award or to comply with applicable law.

If the total damage claims in an arbitration are \$10,000 or less, not including the Merchant's attorney fees ("Small Arbitration Claim"), the arbitrator may, if the Merchant, prevails, award the Merchant reasonable attorney fees, expert fees and costs (separate from Arbitration Costs as defined below), but may not grant HPS its attorney fees, expert fees or costs (separate from Arbitration Costs) unless the arbitrator determines that the Merchant's claim was frivolous or brought in bad faith. In a Small Arbitration Claim case, HPS will pay all arbitration filing, administrative and arbitrator costs (together, "Arbitration Costs"). The Merchant must submit any request for payment of Arbitration Costs to JAMS at the same time the Merchant submits its Demand for Arbitration. However, if the Merchant wants HPS to advance the Arbitration Costs for a Small Arbitration Claim before filing, HPS will do so at the Merchant's written request which must be sent to HPS at the address in paragraph 16.1 above.

If the Merchant's total damage claims in an arbitration exceed \$10,000, not including the Merchant's attorney fees ("Large Arbitration Claim"), the arbitrator may award the prevailing party its reasonable attorneys' fees and costs, or it may apportion attorneys' fees and costs between the Merchant and HPS (such fees and costs being separate from Arbitration Costs).

Merchant Processing Agreement

In a Large Arbitration Claim case, if the Merchant is able to demonstrate that the Arbitration Costs will be prohibitive as compared to the costs of litigation, HPS will pay as much of the Arbitration Costs as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive.

Merchant hereby agrees that claims applicable to American Express may be resolved through arbitration as further described in the American Express Merchant Requirements Guide (the "American Express Guide").

**17.2 Choice of Forum:** A court, not the arbitrator, will decide any questions regarding the validity, scope and/or enforceability of Section 17.1. Any litigated action (as opposed to an arbitration) regarding, relating to or involving the validity, scope and/or enforceability of Section 17.1, or otherwise, shall be brought in either the courts of the State of Georgia sitting in Muscogee County or the United States District Court for the Northern District of Georgia, and Merchant and guarantor (if applicable) expressly agree to the exclusive jurisdiction of such courts. Merchant and guarantor (if applicable) hereby agree and consent to the personal jurisdiction and venue of such courts, and expressly waive any objection that Merchant or guarantor might otherwise have to personal jurisdiction or venue in such courts.

**17.3 Class Action Waiver:** MERCHANT AND GUARANTOR (IF APPLICABLE) ACKNOWLEDGE AND AGREE THAT ALL DISPUTES ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL BE RESOLVED ON AN INDIVIDUAL BASIS WITHOUT RESORT TO ANY FORM OF CLASS ACTION AND SHALL NOT BE CONSOLIDATED WITH THE CLAIMS OF ANY OTHER PARTIES. MERCHANT AND GUARANTOR (IF APPLICABLE) FURTHER AGREE TO WAIVE, AND HEREBY WAIVE, THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR TO LITIGATE OR ARBITRATE ON A CLASS-WIDE BASIS.

## **18. Additional Services**

**18.1** Merchant may request additional systems and services ("Additional Services") from HPS beyond those originally requested in the Application. In order to expedite the establishment of Additional Services, Merchant hereby authorizes HPS to take whatever measures necessary to promptly establish any Additional Service that Merchant might request in writing and to execute necessary authorization(s) on Merchant's behalf on the warranty hereby given that Merchant's signature on this Agreement shall be valid for all Additional Services. Delivery of any requested Additional Services shall be deemed to have occurred upon Merchant's first use of any such Additional Services. Merchant acknowledges that all Additional Services shall be governed by this Agreement and the Rules.

**18.2** In the event that Merchant elects to receive tokenization services, the following terms and conditions of this Section 18 shall apply with respect thereto. HPS will tokenize each Cardholder primary account number ("PAN") submitted to HPS by Merchant in connection with a Transaction. HPS's tokenization of each PAN submitted to HPS by Merchant will occur after Authorization. Merchant hereby acknowledges that tokens may be assigned to a token group which may be shared among other HPS merchants.

Merchant further acknowledges and agrees that all tokens provided or created in connection herewith remain the sole and exclusive property of HPS and cannot be transferred or removed from HPS and will not follow Merchant to any other provider without prior written approval from HPS, which approval may be approved or withheld by HPS in its sole discretion.

## 19. Additional Terms

**19.1 Truth of Statements:** Merchant represents to HPS that all information and all statements contained in the Merchant Application are true and complete and do not omit any information necessary to make such information and statements not misleading to HPS.

**19.2 Personal Guarantees & Guarantor(s):** Any individual(s) by execution of the application as guarantor, hereby unconditionally and irrevocably guarantees to HPS the full and faithful performance or payment by Merchant of each and all of its duties and obligations herein set forth, including payment of all sums due and owing and any attorney's fees and cost associated with the enforcement of terms hereof, whether prior or subsequent to termination or expiration of this Agreement. HPS shall not be required to proceed against Merchant or enforce any other remedy before proceeding against the guarantor(s). This is a continuing guaranty and shall not be

discharged or affected by the sale or assignment of the merchant's business or death of the guarantor(s) unless such release is in writing signed by an authorized HPS representative.

It shall bind the heirs, administrators, representatives and assigns of the guarantor(s) and may be enforced by or for the benefit of any successor of HPS.

**19.3 Entire Agreement:** This Agreement constitutes the entire understanding of HPS and Merchant and supersedes all prior agreements, understandings, representations, and negotiations, whether oral or written between them.

**19.4 No Waiver of Rights:** Any failure of HPS to enforce any of the terms, conditions or covenants of this Agreement shall not constitute a waiver of any rights under this Agreement.

**19.5 Section Headings:** All section headings contained herein are for descriptive purposes only, and the language of such section shall control.

**19.6 Assignability:** Merchant may not assign this Agreement directly or by operation of law, without the prior written consent of HPS. Any assignment by Merchant without the prior written consent of HPS shall be void. HPS and Member Sponsor Bank may assign this Agreement without Merchant's consent. This Agreement shall be binding upon the parties hereto, their successors and permitted assigns.

**19.7 Relationship of the Parties:** Nothing contained herein shall be deemed to create a partnership, joint venture or, except as expressly set forth herein, any agency relationship between HPS and Merchant.

**19.8 Severability:** If any term or provision of this Agreement is found to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such terms or provisions shall be deemed modified to the extent necessary to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

No part or portion of 17.1 (Mandatory Arbitration), Section 17.2 (Choice of Forum), or Section 17.3 (Class Action Waiver) shall be deemed so integral to either this Agreement as a whole, or to the remaining parts or portions of Sections 17.1 through 17.3 hereof, that the unenforceability of that part or portion should have any impact on or render the remainder unenforceable.

**19.9 Choice of Law:** HPS, Member Sponsor Bank, Merchant, and guarantor (if applicable) agree that any and all disputes or controversies of any nature whatsoever (whether in contract, tort, or otherwise) arising out of, relating to, or in connection with (a) this Agreement, (b) the relationships which result from this Agreement, or (c) the validity, scope, interpretation, or enforceability of the choice of law and forum provisions of this Agreement, shall be governed by the laws of the State of Georgia, notwithstanding any conflicts of laws rule; provided, however, that the Federal Arbitration Act (9 U.S.C. § 1 et seq.) governs the interpretation and enforcement of Section 17.1 when permitted.

**19.10 No Third Party Beneficiary:** Under no circumstance, shall any third party be considered a third party beneficiary of Merchant's rights or remedies under this Agreement or otherwise be entitled to any rights or remedies of Merchant under this Agreement.

**19.11 Amendments:** HPS may change the terms of or add new terms to this Agreement at any time and any such changes or new terms shall be effective when notice thereof is given by HPS either through written communication or on its Merchant website located at: <https://infocentral.heartlandpaymentsystems.com>. Notwithstanding anything herein to the contrary, all fees, charges and/or discounts charged to Merchant hereunder may be changed immediately and without prior written notice to Merchant, provided that HPS will notify Merchant of any such changes promptly, either through written communication or on the Merchant website listed above.

**19.12 Public Statements:** Merchant shall obtain the prior written consent of HPS prior to making any written or oral public disclosure or announcement, whether in the form of a press release or otherwise, which directly or indirectly refers to HPS.

**19.13 Financial Accommodation:** This Agreement creates a contract for the extension of financial accommodations to Merchant within the meaning of Section 365 of the Bankruptcy Code. In the event Merchant becomes a debtor in bankruptcy, this Agreement cannot be assumed or enforced against HPS and HPS shall be excused from performance hereunder.

This Agreement and all related electronic documents shall be governed by the provisions of E-Sign. By pressing Submit, you agree (i) that this Agreement and related documents shall be effective by electronic means, (ii) to be bound by the terms and conditions of this Agreement and related documents, (iii) that you have the ability to print or otherwise store this Agreement and related documents, and (iv) to authorize us to conduct an investigation of your credit history with various credit reporting and credit bureau agencies for the sole purpose of determining the approval of the applicant for merchant status or equipment leasing. This information is kept strictly confidential and will not be released.

## 20. Optional Card Brand Fees

**CONVENIENCE FEE:** A fee charged to the Cardholder by the Merchant for a true convenience for accepting a credit or debit card. Examples of a "true convenience" are payment through the internet, mail order or phone order. All Card Schemes allow merchants to charge a convenience fee. All Card Schemes must be charged equally. Merchant is required to disclose the fee to the Cardholder and provide the Cardholder with the opportunity to cancel the Transaction, if the Cardholder does not want to pay the convenience fee. In addition to the foregoing, (i) Visa requires merchants to have a brick and mortar location in order to be allowed to charge a convenience fee; (ii) MasterCard requires processors to register any government or education merchant.

**SURCHARGE:** A charge in addition to the initial amount of the sale on a credit card to cover the Merchant's cost of acceptance. All Card Schemes allow surcharging. Visa, MasterCard and Discover require merchants to register with the Card Schemes. The Merchant is required to disclose the fee at the entry of its establishment and at the point of sale. The Cardholder must be given the opportunity to cancel the Transaction if they do not want to pay the surcharge fee. The amount of the charge cannot exceed the amount of the Merchant's discount fee on Visa, MasterCard and Discover and is capped at 4%. The surcharge must appear on the sales receipt separately from the sales amount. All Card Schemes must be charged equally. Currently there are several states that prohibit surcharging. Merchants should check their state and local laws prior to initiating a surcharge.

**SERVICE FEE:** Visa allows government and education merchants to charge a different type of fee called a "service fee". This fee is assessed for accepting payments for taxes, fees and fines for government MCCs and for tuition, room and board, lunch programs, etc. for education MCC merchants. The service fee can be charged on credit and debit Transactions, in a face-to-face or card not present environment.

The service fee must appear separate from the sales amount on the receipt. Merchants must be registered through Visa. Service fee must be disclosed prior to completion of the transaction, allowing the Cardholder to cancel the Transaction if they do not wish to accept the service fee. MasterCard allows government and education merchants to charge “convenience fees” and has no separate “service fee” for these MCCs.

**OTHER FEES:** Handling fees and payment fees are allowed on all Card Schemes as long as these fees are charged on all payment channels; cash, checks, ACH, etc. These are not governed by the Card Schemes specifically. State and local laws may apply and merchants should ensure the fees are allowed in their area of business.

Merchant Processing Agreement

## Equipment Purchase, Rental & Customer Owned Equipment Agreement (“Equipment Agreement”)

### I. Equipment Options:

As used herein, “Equipment” means the terminals, printers, readers, and accessories or hardware necessary to operate Merchant’s chosen Heartland Payment Systems, LLC (“Heartland”) solution(s). Merchant may choose to provide its own Equipment, may purchase Equipment from or through Heartland, may, if applicable, receive Rental Equipment (as defined below), or any combination of these options. This Equipment Agreement provides the terms that apply to and govern each of these options, with the terms of Section II applying to all options. This Equipment Agreement is part of and shall be governed by the terms and conditions of the Merchant Processing Agreement (the “Agreement”) between the parties and is incorporated therein by reference.

**(a) Providing Your Own Equipment:** Merchant may choose to purchase or lease Equipment from parties other than Heartland. In such case, Heartland makes no promise that Equipment acquired through third parties (“Third Party Equipment”) will work correctly with and for Heartland’s proprietary terminal software application (the “Software”), Services and/or Equipment. Except as specifically stated in this Equipment Agreement, Heartland will not be responsible for any failure, malfunction, speed or adequacy of Third Party Equipment, for performance of Heartland Software or Services on Third Party Equipment or for repair or replacement of any Third Party Equipment except as specifically stated in this Equipment Agreement. Heartland may elect to support certain Third Party Equipment in its sole discretion, and if it so elects Heartland will replace and repair Merchant’s Third Party Equipment should the equipment become inoperative, in which event Merchant will receive replacement equipment and the repaired Third Party Equipment will be placed in Heartland inventory. Merchant will be billed for all replacements and repairs of Merchant’s Third Party Equipment. Returned Merchant Third Party Equipment that cannot be repaired will be replaced and billed as a new purchase at then current rates. Notwithstanding the foregoing, Heartland does not provide repair or replacement service for third party equipment provided by third party Point of Sale (POS) System providers.

**(b) Purchasing Equipment from Heartland:** Merchant may choose to buy some or all of the necessary Equipment from or through Heartland. Equipment pricing will be quoted, and must be agreed upon by Merchant (via written order form or phone) before an order will be processed. Equipment fees will be collected via an ACH debit to Merchant’s designated DDA account (the “Account”). Unless otherwise specifically stated in the documentation provided with the Equipment, Heartland provides a one year warranty beginning on the date of shipment on all Heartland supplied **serialized** Equipment (including its internal Software) that such Equipment shall be free from faulty workmanship and defects in materials (“Heartland Hardware Warranty”). Equipment covered by the Heartland Hardware Warranty will be replaced at no cost to the Merchant during the applicable warranty period. However, Equipment sold to Merchant by or through Heartland and sent back to Heartland, but not covered under the Heartland Hardware Warranty (including, but not limited to, Heartland supplied and sold equipment damaged by fire, lightning, water damage) will be replaced and billed to Merchant as a new purchase at then current rates. After the warranty period, Heartland will replace such Equipment and repair damaged Equipment at Merchant’s expense. If Equipment is damaged by the negligence or the willful acts or omissions of Merchant, its employees, agents or customers during the applicable warranty period, Merchant will be

charged for Equipment repairs or replacements. If Equipment purchased from Heartland is returned within sixty (60) days of purchase in Original Condition, Heartland will refund the difference less a restocking fee of \$30 for new or used repair/replacement equipment. "Original Condition" means Equipment that has not been used to process transactions, other than to test the Equipment prior to deployment for general use. Heartland will not accept returned Equipment after 60 days of purchase or Equipment not in Original Condition.

- (c) **Equipment Provided by Heartland:** Merchant may choose to rent Equipment from Heartland, may receive equipment from Heartland in connection with its receipt of software services, or may be loaned equipment by Heartland (collectively, "Rental Equipment"). Merchant is liable for all rental payments due hereunder. Rental privileges shall last as long as Merchant continues to remit timely rental payments and complies with its agreements with Heartland. All Rental Equipment is and shall remain the sole personal property of Heartland and will not be deemed for any purpose to be fixtures.

Heartland may affix or attach to all Rental Equipment a tag or label indicating its ownership of, or interest in, said Rental Equipment and Merchant will not remove, or allow the removal of, any such tag or label. Merchant will not sell, lease, encumber, or otherwise dispose of any interest in any Rental Equipment and will keep it free of all liens, claims or encumbrances whatsoever. Merchant will not be liable for ordinary wear and tear of Rental Equipment. Rental Equipment may be replaced at no expense to Merchant if a defect in the Rental Equipment cause it to become inoperable through no fault of Merchant, its employees, agents or customers. If Rental Equipment is damaged due to the negligence or the willful acts or omissions of Merchants, its employees, agents or customers, Merchant will be charged by Heartland for any repairs. Merchant will be liable for the full cost of the Rental Equipment in the event the Rental Equipment is lost, destroyed or made inoperative. Merchant will indemnify Heartland against any loss or destruction of any Rental Equipment for any cause whatsoever, excepting the negligence of Heartland.

If applicable, Merchant shall pay the monthly rental price indicated on the order form, and such rental fees will be collected

monthly via an automatic ACH debit to Merchant's designated DDA Account and will be billed monthly including the last month in which Merchant processes transactions. Within thirty (30) days of the termination or expiration of the Agreement (the "Return Deadline"), all Rental Equipment must be returned to Heartland at Merchant's sole cost and expense. In addition, should Merchant discontinue processing bankcard Transactions with Heartland prior to the expiration of the term of the Agreement, it shall pay to Heartland an Equipment Agreement cancellation fee of \$100.00. If Rental Equipment malfunctions and Heartland issues replacement Rental Equipment, Merchant shall, within ten (10) days of receipt of the replacement Rental Equipment, ship the malfunctioning Rental Equipment to Heartland at Merchant's expense. If Merchant fails to so return the malfunctioning Equipment to Heartland, or if Merchant fails to return any Rental Equipment by the Return Deadline, Merchant shall be liable for the full replacement value of said Rental Equipment and for any costs incurred by Heartland in connection with recovery of the malfunctioning Equipment, and Merchant's designated Account will be debited for all amounts due Heartland for unreturned Rental Equipment.

## II. Universal Terms:

- (a) **Installation and Training:** Heartland will program equipment for Authorization and appropriate draft capture. Heartland will ship the Equipment at Merchant's expense to Merchant's designated business Location ("Location") as set forth in the Merchant Application and Agreement. Heartland will provide Merchant with a reasonable number of Quick Reference Guides and/or User Guides, as applicable, to help Merchant install the Equipment. Heartland may amend the Quick Reference Guides and/or User Guides as applicable to the equipment functionality. Merchant agrees to comply with all applicable instructions as set forth in the Quick Reference Guides and/or User Guides when installing Equipment at the Location. Heartland shall provide additional training as Heartland may deem necessary or appropriate. When additional training is deemed to be necessary by Heartland, Merchant will cooperate with Heartland in scheduling its employees for training at mutually convenient times and in making its employees available at the time scheduled. Promptly after the completion of such training at any Location or immediately upon receipt of the Quick Reference Guides and/or User Guides when training is not deemed necessary by Heartland, Heartland shall commence providing the Services through the Equipment installed and connected at such Location, subject to the further terms and conditions of this Equipment Agreement. The obligations of Heartland under this Section II (a) shall not apply to Third Party Equipment except for Third Party Equipment that Heartland, in its sole discretion, elects to support.
- (b) **Software:** All Heartland Software provided in connection with the Equipment is licensed (not sold) to Merchant on a limited, non-transferable, non-exclusive basis for use by Merchant on the designated Equipment. This will be for Merchant's internal purposes only in conjunction with Heartland Services. Heartland Software is the sole and exclusive property of Heartland, including all applicable rights to patents, copyrights, trademarks and trade secrets and shall be held in confidence by Merchant. Merchant will not remove any Heartland designation mark from any supplied material.

Merchant agrees not to disassemble, decompile, reverse engineer or otherwise reduce the software to perceptible form. Merchant may not rent, lease, sub-license or transfer the software. Merchant may not use Heartland software for any purpose or in any manner outside this license. Heartland warrants that the software shall perform substantially in the

manner set forth in the applicable Quick Reference Guide and/or User Guide (“Heartland Software Warranty”). Third party software is licensed or sub-licensed to Merchant under the terms, including without limitation the warranty terms, of the manufacturer’s license and of this Equipment Agreement.

Software licensed on a subscription basis is warranted during the period the subscription is in full force and effect. Software licensed on a standalone basis that is not part of Equipment acquired from Heartland and for which a different warranty period is not expressly provided for in the documentation accompanying such software is warranted for ninety (90) days beginning on the date of shipment or download. Heartland does not offer refunds on Heartland software or software licensed or sublicensed by Heartland on behalf of a third party.

Should Heartland determine during the applicable warranty period that the software does not operate as warranted, Heartland will, at its option, replace or repair the software. In the case of third party software, the determination whether to replace or repair shall be made by the applicable third party software licensor.

Export Regulation. Merchant acknowledges that the Software acquired hereunder may include technical data subject to U.S. export control laws and regulations. Merchant shall not itself, or permit any other person or entity, to export, re export or release, directly or indirectly, any Software or related documentation provided hereunder to any country, jurisdiction or person to which the export, re-export or release of same is prohibited by applicable law.

U.S. GOVERNMENT RESTRICTED RIGHTS. The software and documentation are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in applicable federal law.

(c) **\*\*\*Heartland Secure Breach Warranty:** Heartland agrees to provide this limited warranty for the HEARTLAND SECURE devices.

If the warranted HEARTLAND SECURE device fails to encrypt or prevent the unauthorized decryption of cardholder data on that particular device and that failure is proven to be a direct result of a defect or error in Heartland’s proprietary software or hardware, Heartland will pay:

*A Global Payments Company 2* | Page Revised: 04/15/21 © 2021 Heartland Payment Systems, LLC. All rights reserved. Heartland Equipment Agreement

- (i) the amount of compliance fines, fees and/or assessments charged by the card brands, issuing bank or acquiring bank, and
- (ii) the amount charged for a directly related forensic audit conducted by a PCI-Certified Qualified Incident Response Assessor (QIRA) of Heartland’s choice.

This warranty applies only if the Merchant is:

- (i) using a HEARTLAND SECURE device as identified on the HEARTLAND SECURE website: <http://www.heartlandpaymentsystems.com/secure> and the theft, conversion or unauthorized decryption is proven to be directly caused by the failure of the HEARTLAND SECURE device;
- (ii) a party to Heartland’s Agreement;
- (iii) processing transactions through Heartland at the time the failure occurs; and
- (iv) in compliance with the terms of the Agreement. The Merchant must comply with all terms and conditions of any equipment agreement or warranty, and the merchant must implement all required updates and upgrades on the HEARTLAND SECURE device and allow access to the device immediately upon Heartland’s request. The Merchant must provide access and information to Heartland and others regarding any claims made by Merchant under the warranty, including but not limited to, financial and/or forensic audits, inspections of facilities, equipment, infrastructure and/or documents. Payment obligations under this warranty will be entirely contingent upon a final finding by the QIRA that the HEARTLAND SECURE device failed to encrypt or prevent the unauthorized decryption of the Merchant’s cardholder data on the HEARTLAND SECURE device.

(d) **Additional Warranties and Limitations:**

**EXCEPT AS EXPRESSLY PROVIDED HEREIN** HEARTLAND MAKES NO ADDITIONAL REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, BEYOND THOSE EXPRESSLY STATED HEREIN. HEARTLAND SPECIFICALLY DISCLAIMS WARRANTIES AS TO THE MERCHANTABILITY, CONDITION, DESIGN, OR COMPLIANCE WITH SPECIFICATIONS OR STANDARDS, AND EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, OR NONINFRINGEMENT OF THIRD PARTY RIGHTS, WITH RESPECT TO ANY EQUIPMENT, SOFTWARE OR SERVICE. HEARTLAND DOES NOT WARRANT THAT THE EQUIPMENT, SERVICE OR SOFTWARE WILL OPERATE WITHOUT INTERRUPTION OR ON AN ERROR-FREE BASIS, AND EXCEPT AS OTHERWISE PROVIDED IN THE EXPRESS WARRANTIES MADE BY HEARTLAND IN THIS EQUIPMENT AGREEMENT THE EQUIPMENT AND SOFTWARE ARE PROVIDED “AS IS”. HEARTLAND SHALL HAVE NO LIABILITY TO MERCHANT FOR INCIDENTAL, SPECIAL, CONSEQUENTIAL, INDIRECT OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION LOST PROFITS, REVENUES AND BUSINESS OPPORTUNITIES, OR DAMAGES FOR INJURY TO PERSON OR PROPERTY, ARISING OUT OF OR IN CONNECTION WITH THE USE BY MERCHANT OF ANY EQUIPMENT OR SERVICE.

For the avoidance of any doubt, any damages under the Secure Warranty Breach shall be subject to the limitation set out immediately above; provided, however, in accordance with the Agreement, there shall be no direct damages limitation on Merchant's recovery in relation to the Secure Warranty Breach as described and subject to the warranty language in II(c) above. Heartland's sole obligation with respect to a warranty claim received by Heartland during the applicable warranty period shall be to replace any malfunctioning equipment or software under warranty, provided however, that Merchant has first utilized Heartland's telephone assistance services and such assistance has not resolved the Equipment or Software problem. Equipment returned to Heartland as a Repair / Replacement must be in repairable order. Product warranties are not available for used PinPads or PinPad swaps.

In addition any PinPad swap must be of like equipment. Heartland will provide, or cause to be provided, telephone assistance in response to telephone inquiries, twenty-four (24) hours a day, seven (7) days a week, including holidays. These hours may be changed at any time, at Heartland's sole discretion.

Authorization Services typically will be available through installed or connected equipment continuously twenty-four (24) hours a day, seven (7) days a week, except that Services may be interrupted for usually no more than thirty (30) minutes in the aggregate between the hours of 12 midnight and 8 a.m. (CST) for the purpose of system maintenance. Provision of the Services may also be interrupted for reasons beyond the control of Heartland or any independent contractor utilized by Heartland in providing Services. Any extended warranty programs which may be offered by Heartland with respect to equipment or software, if any, shall be governed by the terms and conditions applicable to such extended warranty programs.

**(e) Third Party Payment Services:** Use of third party payment services is subject to the terms and conditions imposed by the third party service providers sponsoring or otherwise supporting such services ("Third Party Services Terms and Conditions"). Merchant agrees to comply with all applicable Third Party Services Terms and Conditions and should refer to the website of the applicable service provider and other documents provided by such service provider from time to time for the current terms and conditions. Merchant agrees to indemnify Heartland for any losses or liabilities arising from Merchant's breach of any Third Party Services Terms and Conditions. Also, in Heartland's reasonable discretion, such a breach by Merchant may be deemed by Heartland to be a breach of the Equipment Agreement and the Merchant Processing Agreement.

The North East School District Board of School Directors met in a Regular Meeting that began at 7:00 PM on Thursday, April 20, 2023, with the following board members present: Mrs. Abata, Mr. Behnken, Dr. Blystone, Mr. Boyd, Mr. Ferruggia, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. Also in attendance were administrators Dr. Hartzell, Mr. Fox, Mr. Emick, Mr. Garland, Mr. Otis, Dr. Renne, Dr. Ritter, and district solicitor Attorney Timothy Sennett. Administrators Mrs. Hathaway and Mrs. Hodges were present online. There were approximately 45 visitors present in person and 10 members of the public logged in for remote participation.

The pledge of allegiance was recited.

RECOGNITION OF STUDENTS and STAFF

- Miss Alexandria (Ali) Nagle was present along with her family to be honored as North East High School's very deserving C.L.A.S.S. Act Emerging Leader Award nominee for the month of March, 2023.
- Ten second grade students were in attendance with their families as well to receive Pride of the Principal awards from Davis Primary.

PUBLIC PARTICIPATION – AGENDA ITEMS ONLY

- Mr. Ted Jones had a question regarding the \$0 listed as budgetary reserves in various categories of the proposed budget document which was posted online.

PROPOSED FINAL BUDGET PRESENTATION

- Mr. Fox reviewed changes that have been made in the proposed final budget for 2023-24 since it was originally presented at the board meeting of March 23<sup>rd</sup>. Updates include a proposed 3.97% tax increase, an increase in basic and special education subsidies projected to be received from the state, and a decrease in the amount budgeted for charter school tuition expenditures with the intent to recruit at least ten students to return to either in-person learning or the North East Virtual Academy. Use of the fund balance for this budget is more than twice what was included in the 2022-23 budget. The proposed budget will be available for public inspection over the next 30 days as required by law, with budget discussions and deliberations continuing over the next three meetings and final approval slated for June 1<sup>st</sup> if possible.

Mr. Fox next responded to Mr. Jones' question, explaining that the document he was referring to is more of an easy reading summary and funds would need to be allocated for transfer. He confirmed that the 12 million in fund balance is correct with substantial commitments for long-term obligations, whereas the annual budget does not address long-term liabilities. This balance is more important now than ever since PlanCon funding is no longer available for large projects such as building updates and renovations; they must be completely funded locally. There is a crucial need for this fund reserve balance and it is part of smart business planning.

Mr. Wargo asked for Mr. Fox's opinion on how much the district can realistically expect to receive from the governor's proposed budget. As politics come into play, the governor's final budget is usually negotiated down substantially from the proposed. Mr. Mobilia noticed that the district's transportation reimbursement decreased significantly; Mr. Fox confirmed that the formula is correct and is due to the fact that district buses are running fewer miles and bus routes have been consolidated due to a shortage of drivers.

THURSDAY, MARCH 23, 2023**

TENTATIVE BUDGET PRESENTATION

- Mr. Jeffrey Fox, Business Manager, distributed budget books to board members and presented an overview of the proposed preliminary general fund budget for 2023-2024. Mr. Fox reviewed major variances in revenues and expenditures as compared with the 2022-2023 budget. Although final federal and state budgets are not yet available for revenue budgeting, items were highlighted in the governor's currently proposed budget which would affect the school district. Mr. Fox also briefly discussed additional proposed bills which are in various stages of legislation but are not currently included in the governor's proposed budget, including charter school reform, PlanCon, minimum teacher salaries and EITC expansion. The Charter School Reform policy, if passed, would greatly assist with expenses charged to public school districts for cyber school students. The presentation was concluded with a discussion regarding historical tax increases and the dollar effect of potential local tax percentages per assessed real estate value. The board will continue to discuss budget concerns and possible expenditure cuts as they strive to balance the budget as conservatively as possible while meeting the needs of students.

# GRADE 9 COURSE

## COURSE DESCRIPTION

The ninth-grade course will provide the foundation for advanced exploration in the areas of flying and unmanned aircraft systems. Students will learn about engineering practices, problem solving, and the innovations and technological developments that have made today's aviation and aerospace industries possible. Students will also learn about the wide variety of exciting and rewarding careers available to them. The ninth-grade course will inspire students to consider aviation and aerospace careers while laying the foundation for continued study in grades 10 through 12 and beyond.

### **Semester 1 Description: Launching into Aviation**

This introductory semester will provide the foundation for advanced exploration in the areas of flying and unmanned aircraft systems. Students will learn about the engineering process, problem solving, and the innovations and technological developments that have made today's aviation and aerospace industries possible.

Students will look at the problem-solving processes and innovative leaps that took space exploration from the unimaginable to the common in a single generation. Students will also gain an historical perspective starting from the earliest flying machines to the wide variety of modern aircraft and the integral role they play in making today's world work.

### **Semester 2 Description: Exploring Aviation and Aerospace**

This core aerospace and aviation semester provides the foundation for both pathways. It is designed to give students a clear understanding of career opportunities in aviation and aerospace and the critical issues affecting the aviation system.

Students will also begin to drill down into the various sectors of aviation and the parts that make up the aviation and aerospace ecosystem. They will discover how advances in aviation created a need for regulation and will learn about the promulgation of civil aviation oversight.

Students will explore modern day innovations and will develop their own innovative ideas to address real-world challenges facing the aviation industry. They will be exposed to a variety of career options in aviation and aerospace and take an in-depth look at the opportunities available. For schools offering both pathways, this course will allow students to begin to define their individual interests.

# GRADE 10 COURSE

## GRADE 10 COURSE DESCRIPTION

This course will introduce students to basic aircraft and UAS structures and their major components, principles of flight, and the fundamental physical laws affecting flight. Students will learn about basic aerodynamics and forces that act on aircraft in flight. This course will also introduce the main systems found on large and small airplanes and UAS.

### **Semester 1 Description: Introduction to Flight**

In the Introduction to Flight semester, students pursuing the pilot and UAS tracks will take a closer look at the aircraft they may one day operate. Students will begin with an exploration of the types of aircraft in use today before going on to learn how aircraft are made and how they fly. Students will understand how aircraft are categorized, be able to identify their parts, and learn about aircraft construction techniques and materials. They will gain an in-depth understanding of the forces of flight—lift, weight, thrust, and drag—including how to make key calculations. They will then touch on aircraft design, looking at stability, aircraft controls, and maneuvering flight. The course will conclude with a focus on career skills related to these topics

### **Semester 2 Description: Aircraft Systems and Performance**

In the Aircraft Systems and Performance semester, students in the pilot and UAS tracks will take an in-depth look at the systems that make manned and unmanned aircraft work. Beginning with aircraft propulsion, students will learn about the different types of engines that produce thrust to propel an aircraft or UAS. They will go on to explore other key aircraft systems, including fuel, electrical, landing gear, and environmental. In order to fly an aircraft safely, students must also learn about the flight instruments associated with each system and how to identify and troubleshoot common problems. This unit also covers airplane flight manuals, the pilots operating handbook, and required aircraft documents. Finally, students will learn about the factors that affect aircraft performance and how to determine critical operating data for aircraft.

PUBLIC PARTICIPATION – AGENDA ITEMS ONLY

- Regarding Personnel item #8, Mrs. Jen Kilgas asked who this individual is replacing and if the recommended substitute is properly certified. Dr. Hartzell responded that the substitute is filling in for Mr. Sarver. She is emergency certified and qualified to teach science.

REPORTS/PRESENTATIONS

- Technology Projects Presentation – Mr. Tyler Wilson, Technology Supervisor, presented information on recommended expenditures to be included with the 2023-2024 budget for technology capital projects. Current technology projects include an upgrade to the original fleet of Chromebooks for the Middle School, a security upgrade to the district firewall, replacement of smart boards with interactive TVs, and additional security cameras where needed. High School teacher/staff computers are on the rotation to be replaced in 2023-24. Upcoming eRate projects are the renewed C1 internet contract in March 2023, wireless infrastructure upgrade in the fall of 2023, and LAN infrastructure upgrade projected for the fall of 2024.

In response to a question from Mr. Sucha, Mr. Wilson explained that while Chromebooks do have a limited life cycle, they are repurposed within the district whenever possible.

Mr. Wargo inquired regarding any news about the long sought-after grant funding for expansion of high-speed internet service for township residents. Mr. Wilson shared that after many months of hard work, the district's application has been declined. The good news on that front is that we now have more internet providers beginning to move in to the area to offer services.

PUBLIC PARTICIPATION

- Mrs. Rosan Adkins was present as an advocate for the many senior citizens who attend student events on campus. She requested consideration for additional handicapped parking spots as well as handrails on the indoor bleachers. She thanked the board for responding to her questions last fall.
- Mr. Ted Jones spoke again regarding the Auditor General's report on school district budgeting practices and Act 1 which permits districts to increase taxes up to a certain percent under the index without a public vote. Dr. Hartzell attempted to explain Act 1 and this portion of the report in question, and stated that the district has not asked for a tax increase above the index, so this is why it does not need to be included as a referendum on the ballot.
- Mr. Jeff Buchholz welcomed Mr. Ferruggia to the board and thanked Mr. Fox for a timely response to his recent Right to Know inquiry. He is still looking for a response to additional questions which he had asked to be distributed to the board following the last regular meeting. Following brief conversation it was determined that the additional questions had not been forwarded as it was thought to be a part of the original Right to Know request. Dr. Hartzell apologized for the oversight and will review the packet that he had submitted again.
- Mrs. Jen Kilgas asked about the purpose of an assembly that she had heard about which was planned to take place at the high school in the morning and for which her son would be missing tech school attendance. Dr. Hartzell explained that the event is related to school safety and she believed that it was best to release information after the event is concluded, again in the interest of safety. Mrs. Kilgas felt that parents should have been informed if their students would not be attending the tech school as per their normal schedule.

Buyer acknowledges that it will not be obtaining any ownership rights in such intellectual property, and that any and all intellectual property, ideas, inventions, documents, data, programs, technologies, source code or object code, and/or other materials developed or produced by Seller either prior to the date of these Terms or in the design or manufacturing of Goods for Buyer are and shall remain the sole and exclusive intellectual property of Seller. **12. Payment.** Payment of invoices shall be made in accordance with the terms of each invoice. Unless otherwise provided in the invoice, all payments must be received by Seller net ten (10) days from the date of such invoice. Time shall be of the essence of payment. All payments must be in United States currency. If Buyer shall make default in any payment when due, in addition to all remedies hereunder, Seller may at its option declare the entire balance of the Purchase Price to be immediately due and payable. Should any past due and unpaid balance be placed for collection by Seller with any attorney or collection agent, the Purchase Price shall include an additional 15% of said balance for collection fees. Furthermore, Seller may suspend the delivery of Goods to Buyer where any amounts are overdue under any contract until all such amounts have been paid. Interest is payable on overdue accounts at the rate of 1.5%, compounded monthly, until paid in full (the "Default Rate").

**13. Confession of Judgment.** In the event that payment is not made in accordance with the terms herein, Buyer authorizes any Prothonotary, or any attorney of any court of record in the Commonwealth of Pennsylvania or elsewhere, as of any term, with or without complaint filed, to confess judgment or judgments against it and in favor of the holder hereof for the total Purchase Price or, if delivery is not taken by Buyer, at Seller's option for all damages and expenses incurred by Seller, together with interest, the costs of suit and with fifteen (15%) percent attorney's commission for collection, with or without declaration, release of errors and without stay of execution; and for value received does waive the right and benefit of any present or future law of this or any other state exempting property, real or personal, from levy and sale on execution; and, if levy be made on real estate, does also waive the right of inquisition and consents to the condemnation thereof with full liberty to sell the same on Writ of Execution, with release of errors thereon. Interest on any such judgment shall accrue at the Default Rate. No single exercise of the foregoing power to confess judgment, or a series of judgments, shall be deemed to exhaust the power, whether or not any such exercise shall be held by any court to be invalid, voidable, or void, but the power shall continue undiminished and it may be exercised from time to time as often as the Seller shall elect until such time as the Seller shall have received payment in full of the total amount due, interest and costs. Buyer understands and agrees that any exercise of the foregoing power by the Seller is for the benefit of the Seller without regard for the interests of the Buyer. The Seller, any Prothonotary and any attorney exercising the foregoing power to confess judgment shall have none of the duties specified in 20 Pa.C.S. §5601.3(b). Buyer hereby represents that the Goods and services provided by Seller are for the purpose of carrying on a business, professional or commercial activity, and not for personal, family or household purposes.

**14. Installation; Technical Advice.** Unless as otherwise agreed to in writing by Seller, Buyer assumes responsibility for the installation and maintenance of all purchased Goods. Seller may provide installation and on-site technical support and maintenance services available at Seller's then prevailing rates.

**15. Delivery.** Buyer represents that it is the owner or lessee of the premises wherein the Goods are to be delivered and set in place and/or services are to be provided. The promised delivery date provided in this Agreement, if any, is the best estimate possible of when the Goods will be shipped. Time for delivery is NOT of the essence and shall not be made so by the service of any notice. Seller shall not be liable for any loss, damage, incidental or consequential damage due to delays. Carrying charges may be imposed on Buyer for shipment, which are delayed at the request of Buyer. If Buyer refuses or fails to take delivery of the Goods tendered in accordance with the Terms hereof, Seller may terminate this contract, may dispose of the Goods as it sees fit and may recover from Buyer any loss and additional costs incurred as a result of such refusal or failure (including, without limitation, reasonable storage fees). Unless as otherwise agreed to by Seller in writing, the Goods may be delivered in installments to Buyer at any time during at any time at the locations set forth above Monday-Friday between 8:00 AM-3:30 PM (except

national holidays) following Seller's receipt of the Goods and each such installment shall be treated as a separate contract. Unless as otherwise agreed to by the parties, Seller shall deliver the Goods in full truckloads, and any partial truckloads may incur additional cost and expense to Buyer. Buyer shall pay for the actual Goods delivered.

**16. Course of Performance.** The fact that Seller may accept or acquiesce in a course of performance shall not affect the terms herein, though Seller knows of the nature of the performance and has an opportunity to object to it. In no event shall any such action constitute or be deemed a waiver of any right, claim or defense against Buyer.

**17. Security Interest.** To secure payment for all sums due hereunder or otherwise, Seller hereby reserves a security interest in and to all Goods delivered hereunder and these Terms shall be deemed a security agreement under Uniform Commercial Code ("UCC") or other applicable law. Buyer hereby authorizes Seller as its attorney-in-fact to execute and file on Buyer's behalf all documents Seller deems necessary to perfect such security interest.

**18. Representation of Solvency.** Buyer hereby represents that it is solvent, and that on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the Goods or performance of any of the services.

**19. Right to Identify Goods.** If Buyer wrongfully rejects or revokes acceptance or fails to make a payment due on or before delivery or repudiates this Agreement in whole or in part then, notwithstanding any other remedy available to Seller, Seller may identify to the contract any conforming finished Goods in Seller's possession or control at the time Seller learns of the breach, or if the Goods at such time are unfinished Seller may either complete the manufacture and wholly identify the Goods to the contract or cease manufacture and resell for scrap or salvage value or proceed in any other reasonable manner, including proceeding against Buyer for any delinquency that may result from such identification or resale for scrap or salvage value.

**20. Right to Stop Goods in Transit.** If Buyer becomes insolvent, repudiates, or fails to make payment when due, before delivery to Buyer, Seller shall have the right to stop delivery of the Goods.

**21. Right of Resale.** In the event of any breach, termination, cancellation or repudiation of or under this Agreement by Buyer or any failure of Buyer to comply with the provisions hereof, Seller may resell any Seller-owned Goods covered hereby which have not already been delivered to and paid in full by Buyer, together with any Seller-owned Goods reclaimed by Seller or as to which Seller may agree to accept return, at one or more public or private sales, at wholesale or otherwise, and recover from Buyer the amount by which the Purchase Price established in this Agreement exceeds the amounts so received, together with all incidental damages occasioned by the default of Buyer.

**22. Reorders.** Reorders, at Seller's option, may require a new written agreement. Any reorders accepted by Seller but not placed pursuant to a new written contract shall be governed by the terms and conditions stated herein.

**23. Termination.** Seller may cancel this Agreement if any of the following occurs: (a) Buyer becomes insolvent; (b) Buyer ceases to conduct operation in the normal course of business; (c) Buyer is unable to meet its obligations as they mature, or admit in writing such inability; (d) Buyer files a voluntary petition in bankruptcy; (e) Buyer suffers the filing of an involuntary petition in bankruptcy and the same is not dismissed within thirty (30) days after filing; (f) A receiver, custodian or trustee is appointed for Buyer or for a substantial part of your property; (g) Buyer fails to make payment on the terms and within the time specified in this contract; or (h) Buyer executes an assignment for the benefit of its creditors. In the event of such cancellation, Seller shall have all rights and remedies set forth herein and as set forth in the UCC of any applicable jurisdiction and all other remedies available at law or in equity.

**24. Cancellation.** Orders canceled or terminated by Buyer for reasons not the fault of Seller are subject to cancellation charges in addition to costs incurred by Seller.

**25. Payments In Advance.** If, in Seller's judgment, the financial condition of the Buyer at any time does not justify continuance of production, or shipment on the terms of payment originally specified, Seller may require full or partial payment in advance or other adequate assurance of payment satisfactory to Seller.

**26. Licenses and Consents.** If a license or consent of any third party (including without limitation, any governmental or other authority) is required in connection with Buyer's purchase or use of the Goods, Buyer shall obtain the license or consent at its own expense and produce evidence of it to Seller on demand. Failure to obtain any license or consent does not entitle Buyer to withhold or delay payment

hereunder. Any additional expenses or charges incurred by Seller resulting from such failure shall be paid by Buyer.

**27. Remedies.** All the moneys paid by the Buyer to the Seller at the time of the signing of this agreement or prior to the delivery of the articles purchased may, in the event of default on the part of the Buyer, be retained by the Seller on account of the Purchase Price or as liquidated damages for breach of contract as the Seller shall elect. The rights and remedies reserved to Seller herein shall be cumulative and additional to all other remedies provided by law and equity. Seller shall be entitled to recover costs and attorney fees in the enforcement or defense of any rights hereunder. All of the provisions of this Agreement relating to the rights and remedies of the Seller shall extend to and apply equally to all Goods and/or services purchased or ordered by the Buyer as extras to the items covered by this Agreement.

**28. Survival.** Any indemnification or confidentiality obligation set forth herein shall survive the termination or expiration of these Terms and any contemplated or actual business relationship between the parties.

**29. No Waiver.** Failure by Seller to enforce any term or condition herein shall not be construed as a waiver of that or any other term or condition. No waiver shall be binding against Seller unless in writing and signed by an officer of Seller, and any such waiver shall be limited to the particular instance referenced.

**30. Assignment.** These Terms are binding upon and inure to the benefit of the parties and the successors and assigns of the entire business and goodwill of Buyer but shall not be otherwise assignable, without the prior consent of Seller.

**31. Entire Agreement.** This Agreement, including all exhibits and attachments referenced herein and attached hereto, contains the entire agreement of the parties relating to the subject matter hereof and may not be waived, changed, modified, extended or discharged orally but only by agreement in writing and signed by, the party against whom enforcement of any such waiver, change, modification, extension or discharge is sought or by a written change order signed by the parties hereto. There is no agreement, oral or written, which is not set down herein and no salesman or other agent of the Seller has authority to vary, either orally or in writing, the terms hereof.

**32. Governing Law.** This Agreement shall be construed, interpreted and the rights of the parties determined in accordance with the laws of the Commonwealth of Pennsylvania, without regard to its principles of conflicts of law. The parties hereby consent to the exclusive personal jurisdiction and venue of the United States District Court for the Western District of Pennsylvania, Erie Division unless subject matter jurisdiction is not satisfied, in which case each party hereby submits to the exclusive personal jurisdiction and venue of the Court of Common Pleas of Erie County, Pennsylvania. Buyer and Seller expressly exclude the application of the United Nations Convention on Contracts for the International Sales of Goods, as amended.

**33.
