

NORTH EAST REC BASKETBALL

Assess
1-25-24

The North East Rec Commission is running a Basketball Season from February 5th thru April 25th, 2024. **These programs are open to 1st graders thru 4th graders.**

If your 5th or 6th grader is interested in basketball, there are Intramural Girls sign-ups in the Fall as well as Boys sign-ups right before Thanksgiving. The YMCA also offers basketball programs.

As always, there are pickup games for adults following the Monday/Wednesday night games after 8pm. This is open to any North East adult over age 18 that would like some exercise when we can't get outdoors. Proof of insurance is required.

1st/2nd Graders will have practice/games on **Tuesdays & Thursdays** from **7:00 to 8:00 p.m.**

3rd/4th Graders will have practice/games on **Mondays & Wednesdays** from **7:00 to 8:00 p.m.**

Each coach will have an 8-man team to allow for better coaching instruction and to make subbing easier.

Coaches need their clearances. You need the PSP (Epatch) clearance, the Child Abuse clearance and the Federal Fingerprinting Clearance (or waiver form) on file before you can begin coaching. Outside programs can't guarantee this, but we can and we take it seriously.

Sign-ups will be online via our website: www.NorthEastRecCommission.com SOON. I will announce when they'll open on our Facebook Page "North East Rec Commission Established 2022" in late January (check daily). If you don't have Facebook please ask someone who is in the FB Group.

Cost is \$30 per child and it includes a basketball and team t-shirt.

**This is not a program of the North East School District. NESD accepts no liability or responsibility for this program. **
