Hello Grape Picker Families!

Construction for the North East School District stadium complex will begin on **Monday, April 29, 2024**. From this date forward, please use Division Street to access the Elementary Center and Route 89 to access the Middle and High schools as Maroon Drive may be closed during the school days and will have limited access due to construction vehicles.

Important: Student drop-off and pick-up times and locations will not change.

The track and stadium will be closed effective Monday, April 29th through the August of 2024. Again, please use caution while on campus and be reminded that the speed limit is 15 mph at all times.

If you have any questions regarding the stadium complex project, please feel free to contact Mr. William Wingerter at wwingerter@nesd1.org or the district office at (814) 725-8671.

Sincerely,

Dr. Michele S. Hartzell
Superintendent
