June 10, 2022

Dear Families,

Thank you for signing your child up for the Summer Learning Lab. We have a fun-filled and exciting summer planned for your child. Our first day will begin on July 11, 2022. The program will run Monday through Thursday each week. Summer Learning Lab will end on Thursday, Aug 4. All grades will be housed in our middle school with breakfast and lunch provided each day. If you are providing your child with transportation, please drop them off promptly at 8:30 and pick them up promptly at 12:30. Please review the detailed map included in this mailing of drop-off and pick-up areas.

On the first day our teachers will greet your child at the front door with their grade level sign. Please have them report to the grade level that they recently completed.

Your child will have pool class twice a week. We will have two lifeguards on duty and two adults in the pool at all times. Please make sure that your child comes prepared with their suit and towel on their assigned day. Kindergarten and first grade will have swim class on Mondays and Wednesdays. Second grade through eighth grade will have swim class on Tuesdays and Thursdays.

Please be advised that this is not a mandatory program and is a privilege for your child to participate. If we have any disciplinary issues with your child, we have the right to dismiss them from the program. We can't wait to see your child on July 11th. We are going to have a wonderful summer together!

If you have any questions or concerns, please do not hesitate to email me at [tskelly@nesd1.org](mailto:tskelly@nesd1.org) or contact me at (814)725-8671 ext. 2000 during Summer Learning Lab school hours.

Sincerely,

Mr. Timothy Skelly  
Summer Learning Lab Administrator
